CORNHOLE TOURNAMENT: Cameron Kenny heads a group of horse shoe players and approached Billie about having a tournament in the CBSC clubhouse parking lot. He would supply the Porta Potties, all the equipment etc. and pay rent to use it. Discussion raised as to whether we could do a joint Venture with him. Possibly by Billie handling the table reservations and us selling Jell-O shots. We could help advertise by handing out flyers and posting in the Cholla Chatter. Usually in all of our past events, money

raised has been for a local charity; possibly we could do the same doing a JV. He would bring in vendors for food.

FISHING DERBY: October/November are the proposed months for a Fishing Derby. Dave Heath will get together with Eamonn and Randy Adams to try and set specific dates.

SICK BAY: Dennis Donahue passed away 4/14 as well as Aden and Tish Morris, and John Bynum.

NEW BUSINESS: Planning to have a Golf Tournament at the end of October or first of November. That could possibly be held on the last Fishing Derby weekend. We want to raise money to give to Nancy Schmidli to use toward the children's Christmas Party in December. Next meeting, dates will be firmed up.
