HAPPENINGS AT PELICAN POINT IN CHOLLA BAY

by Marie MacGill

I'll start out by saying that a lot of Turkey and Goodies were consumed Thanksgiving and for some days thereafter at the Bay, as there was a heck of a lot of us down for the celebration. To add to the enjoyment the weather was great.

Bill and I had Thanksgiving dinner with Bill and Stacy Frenier and their children, Mike and Cheryl Ann. Chris Galante was also there. He was their house guest for the holidays. If you want to know how to cook up a delicious feast just ask Bill and Stacy. We stuffed ourselves until we were all miserable.

The Austin's and Gibson's had too many people down to even name them. Hal and Evelyn McKenzie were there. Their boat house has been altered so they are enjoying not hauling the boat back and forth. They have two new grand babies since August, so they'll be coming more often. Mr. Dan Dever was on the Point with his family. Zulma Oliviere came for the holidays, also Ery and Adel and their family. Mr. and Mrs. William Dunn joined in on the fun the day after Thanksgiving. It was time they took old MINNIE LEE for a swim. Mr. and Mrs. Arthur Woodward had a lot of people at their house.

Mr. and Mrs. Caronto in #1 were there and still enjoying all of the goodies they have added to their cottage.

Saw Ron and Shirley Haenfler, but didn't get to visit.

Frank and Walda Peterson came the day after Thanksgiving. Rick Hansen and family visited the Point in #17.

Everyone was so busy and there was so much activity I have probably missed a lot of you, if so, please forgive.

Want to report that Charlie and Pauline Murphy have returned from Oklahoma where they were staying with daughter Judy and her family. Judy is doing very nicely after the operation.

We struck up a conversation with a friendly couple while dining in the La Cita restaurant in Rocky Point. After a few words we discovered that we were all members of the Club. They are owners of Triangle M Ranch, Mr. and Mrs. Russ Majesky. We are hoping to see them at the Club meeting.

C. B. S. C. PHOENIX CHAPTER-GENERAL MEETING

by Marie MacGill

Profesor Ricardo Presbitero, who is head of all the sport fishing in Mexico honored us by attending our December club meeting. He made an impromptu speech. Among some of the things he said he was surprised at all of the things the Club had done at Cholla Bay and that he would lend his support toward improving fishing conditions for us at the Bay. He was also accompanied by Senor Geraldo Portugal, who is Chief of the Fisheries of Puerto Penasco, Senor Chama Conde who is Assistant Director and Senor Thomas Juanamerano, owner of Playa De Oreo. Thank you gentlemen for this honor. Profesor Presbitero came all the way from Mexico City to be with us.

We also had as our guest Council chairman Pete Scott and Bill Frenier, Tucson president attend our meeting. Was so nice having some of our Tucson buddies with us.

Learned at the meeting that Bill Williams and Lou Frazier had a big hand in obtaining the 1971 International school bus for the Cholla Bay school children. It was purchased, I understand, from the Cartwright School district and is in very good condition. I also understand that it meets our State's standard. Give Hector Munro a big hand. He drove it down for us; in fact, we owe all of those good people that had a part in it a GREAT BIG THANKS.

The following are just some of the other people that attended our last meeting: Mr. George Hamann, Marlene Sternberger's father, Bill and Mary Sanderson, David and Teresa Conner, Eugene and Hilda Erkert, Lou and Mary Parker, Trudy Murphy, Eleanor and Jim Westfall, Wimpy and Jane Jaskowiak, Lydia and George Panek, Mel Jarvis, Ray and Shirley Hemphill, Chuck and Iris Hoyt, George and Maxine Rdogers, Ed Perlmutter, Jim and Karen McCullough, Vern Groves, Bill Lee and his wife, Skip Gruber and Vera, Marlene Sternberger, Dave Westfall, Ralph Barlow, Don Barber, Joe and Roma Blunk, Paul and Dottie Schoonover, Bob Antonucci. There were lots more, but I can not remember than all. So sorry, See you there next year.

Christmas Party

by Marie MacGill

For those of you that attended the Christmas Party for the people at the Bay know what a splendid time they all had and what a great Santa Claus Lou Frazier was. (That's nothing new, as he's a great Saint Nick to the Cholla Bay Sportsmen's Club and the people of Cholla Bay 365 days of the year.) A great big thanks Lou, from all of us.

We all owe the people more than just thanks for the splended job they did in making the party a great success.

We especially owe all of the generous people that donated goodies to this worthy cause. We hope to have them named in the next Chatter.

Happy New Year ahead to one and all.

CHOLLA BAY SPORTSMEN'S CLUB 1977

By: George Rodgers

Phoenix Chapter Past President

Happy Holidays and New Year to all members and friends.

I would like to start my memories of 1977 in August of 1976. Chuck and Iris Hoyt invited my wife, Maxine and I to fish with them aboard their boat, the EASY RIDER, for Sail and Dolphin. For three years, all I needed for my Big Ten was a Dolphin and our gracious hosts steered both my wife and I into card qualifying Dorados. I was notified to be at the November meeting and that Bob Bob, Big Ten Chairman from Tucson, would be there to present me my Big Ten Trophy. Because of my absence from previous meetings, I was unaware that this was also the night for nominations for officers for the coming year. You guessed it--I was nominated for president and subsequently elected so this was my start in Club activities.

At our first Board of Directors meeting in January 1977, I was seated as President and at our first Council meeting also in January, Pete Scott was re-elected Chairman and immediately assigned responsibilities for the Derby to Bill Frenier, President of the Tucson Chapter, and me--I'm getting my feet wet fast!

As you all recall, at the beginning of the year travel to Mexico was at an all time low. My good friend Joe Prekup came up with a remarkable idea of having a Convoy to prove to all that travel to Mexico was not only safe but thoroughly enjoyable. Joe chaired this endeavor and we had beautiful co-operation from the Press and local TV stations. Then Secretary of State

Now our hat is off to Chuck Hoyt--our Search and Rescue Chairman--not only for that very important function which he executed well, but as Chairman for our Christmas Party for Cholla Bay. With help from wife (hot lips) Iris and lots of club members, we're told we had the greatest party ever. Some 40 families, 178 children and 5 singles received Christmas boxes, candy socks, and a ride on the new (to them anyway) school bus which the Club helped obtain.

Eldon Annis did a grand job with the Chatter again; Jim Westfall with Ships Store, Roma Blunk with Sick Bay. Ed Perlmutter cared for the money, Vern Groves covered for me and helped out in general. Poor Joe Blunk, our Secretary, also had the misfortune of working for me and I'm afraid I took advantage of his good nature. Thanks Joe.

My deepest appreciation to all the officers and directors who worked with me thru 1977 and best wishes to our new slate in 1978.

BITS AND PIECES

By: Elnora Westfall

Gene Erkert was greatly surprised when he arrived back to their cabin after being out fishing all day with Chuck Woodward, to discover Hilda with the help of their son Juergan and Betty Woodward had set up a tent and had balloons blown up and all kinds of decorations that go along to help celebrate one's "50th" birthday. Many friends dropped in for the evening to wish Gene many more happy ones.

* * *

Bill and Anna Mae Small of Tucson are thanked again by Jim Westfall for being so kind and stopping by The University of Arizona and picking up nearly 300 Tide Calendars and lugging them to Phoenix for the Phoenix Chapter. The Smalls had company from Indiana and were planning to come sight seeing in Phoenix and were kind enough to bring the calendars by too. THANKS AGAIN!!

Called out to Verlene and Don Barbers' house on Tuesday (3rd) to see how Don was doing, and was greatly surprised that he was the one to answer the phone. He came home the 2nd of January and is regaining his strength back. He is to really take it easy for a month, but by then hopes to be back on his happy days schedule. Seems his two eye operations so close together was just a little too much for his ticker. He and Verlene both had a bad year during 1977 as far as health and sickness went. We certainly all wish them both a much brighter NEW YEAR!!

I would like the C.B.S.C. to recognize all the people who helped assemble and deliver the gifts of food and toys donated by generous Club members.

My personal thanks to Mary Parker who introduced the raffle project and all who donated their crafts, Betty Groves for one and many, many more.

Wes Bolin and Councilperson, Joy Carter saw us off from the State Capitol. Our friends at Why opened their recreation room for our rendezvous stop and served hot coffee and cold drinks. The co-operation of the Mexican officials, coupled with Baja races, Motorcycle races and a hot dog and chili bean feast sponsored by the Council made for many joyous weekends.

Wimpy Jaskowiak, our membership chairman came up with a membership drive which added many new members to our Club and Betty Munro won a nice CB radio for signing up the most new members.

The only thing that kept our Derby from being outstanding was that the fish seemed to have lockjaw but a good time was had by all and our fish fry was tremendous and our thanks to all involved.

Iris Hoyt hosted our Dinner Dance at Tom Sharp's in August--never saw so many pretty women! We were honored by the presence of Senor Portugal from Puerto Penasco and his family and friends. I also had the honor of presenting the Republic and Gazette Trophy for the first Sailfish to my wife, (Bill Valentine was fishing?) and also the CBSC trophy to Judy Swainston for the first Dorado. A good time was had by all and thanks Iris for a beautiful time.

Very and Betty Groves hosted our Picnic at Squaw Peak Park. We had a crowd but not enough to consume all the food, beer and etc., but we tried. We enjoyed lots of games, gave away a lot of silver dollars and gorged ourselves. Thanks Betty and Vern.

October 29th was Baja 100--not a Club function but we helped a little and enjoyed it a lot. Following the sand buggies was a gob of motorcycles and the whole show was very exciting.
