BIG 10....Joanie Dernberger

Why not back up your catch with a BIG 10 patch? The rules are simple and the fishing's fun!

Proof of membership in the CBSC and \$1.00 are all that is required for your BIG 10 card. Purchase your card from any committee member; Chuck Hoyt in Phoenix, Joanie Dernberger in Tucson, or Agustin at the Radio Room.

Any combination of six alternate fish, along with the four required fish may be submitted for your BIG 10.

The fun begins as you catch the fish! When you return to the bay, weigh your catch at the scales. Remember, any qualifying fish MUST be verified and entered on your card by a committee member or by one of the following persons who have already filled a BIG 10: Verlene Barber, Mary Brown, George Rodgers or Jack Gill who by the way, has filled 2 BIG 10's.

Contact me when your card is filled and proudly wear your own BIG 10 patch on your jacket.

Good Luck and Good Fishing!!

Dear Friends:

We want to thank you for helping to make Christmas at LaGranja Feliz a time to be remembered this year. The children really enjoyed "Santa Claus" and, of course, all the goodies that he brought.

We appreciate your remembering LaGranja Feliz and thank you also for putting something about this ministry to the needy children of Mexico in the "Cholla Chatter".

May God bless each one of you in a very special way in this new year.

Sincerely,

Esther Cabello

PHOENIX CHAPTER GENERAL MEETING

Marie MacGill

In spite of the holiday weekend we had a very good turnout for the February meeting. Les Ormsby presented a movie about the Colorado River showing how important the river is to agriculture, power and sports. Guests included, John Hoffman and Mary Ann Oren, new owners of Cabin 226, Carol Peters from New Jersey, houseguest of Lou and Mary Parker. We enjoyed having them and hope they will return.

It was announced that the Blue Cross of Puerto Penasco will be selling food at the old hotel in Cholla Bay on Saturdays, proceeds going for the Volunteer Ambulance Service - let's all support a very worthy cause!

Chuck Woodward showed an Olen Yellow water proof distress kit and stressed that everyone should include one of these on their boat. Some states require this equipment on boats and could be of great benefit in Mexican waters.

Jim Westfall still has 1981 Tide Calendars available - know anyone who would like to have one?

Bill Valentine and his team will be attending the Bill Fish Derby in Hawaii in July. Anyone interested in organizing a team of 4-6 people can call Paul Schoonover for details. There will also be a derby at Cabo San Lucas May 24-30.

Door prize winners were Mary Ann Oren, water jug, Carole Paynter floating flashlight, Mary Morgan a thermos.

Hilda Erkert, sick bay chairman, is well and reported that everyone must also be well-nothing to report.

My thanks to Phyllis Abrams for taking notes at the last meeting for me.

Our next meeting will be March 11 and the program will be presented by a member of "Scuba Sciences". Sounds interesting - see you there.

TUCSON GENERAL MEETING

Irene Drake

If you missed February's meeting, you really lost. The program was excellent and the door prizes some of the best. Thanks to Johnni Ahren, the upcoming months sound just as good.

We were pleased to have as guests, Harold and Karen Albright, Glen Dixon. Hope they will honor us again. We were also glad to see Ruth Heimes back after her accident. Speaking of new members, our recently joined couple Karn and Slim Sayers will be presenting us with another new club member in the near future. Since the club welcomes all new members, how about two at one time, Karn.

There was some concern that people may not be attending meetings because of children, but all of them are welcome. In February we had the movie, Unsinkable Sea Otter, in March Cptn. Stuts of the Fire Dept. will speak on fire safety. In April, another fine film, Night of Squid.. Mark this on your calendar.

Lee Reid informed us we can have a steak dinner at the Moose Lodge on meeting night for \$3.50 and it can be taken into the meeting room. Just ring the bell on the door and tell them that you are a guest of Lee Reid. Lee informed us that we are "guests of the club - not his guests". Beer and cocktails are only 50cents from 6:00 to 6:30.

The wrought iron fire place set, donated by Carlson Brick for a raffle, was won by Ruth Cartwright. It's too bad she doesn't have a fireplace or prospects of one, so she donated it back for another raffle next month. Other prizes were a battery charger, won by RT Grey, a wooden kitchen set carried home by Ruth Heims. Tom Davis, of the Radio Shack, 6248 E. Speedway donated five flash lights.

Bobbie Reid has promised a great picnic this year. I wonder if she will have any problems getting a ramada at Reid Park. More details later.

Terry Faulkenburg deserves some applause for keeping the price of the tide calendars down by ordering in volume. Thanks Terry.

Remember - steak dinners, children are welcome, door prizes and excellent programs. Let's make it a bigger and better club. See you next month.

HAPPENINGS AT PELICAN POINT

Marie MacGill

If you haven't enjoyed the beautiful weather at the bay yet - you have missed something. Valentine's Day weekend brought quite a number of visitors. Pauline Murphy is sure bubbling over her Carribean cruise. She visited several islands on the "Golden Oddey", the Panama Canal and Acapulco - then back home. It was her opinion that everyone should take this trip.

Verne Groves, Eldon and Maggie Annis, Skip and Vera Gruber were there that weekend-didn't get to visit with them tho.

If anyone has any news, stories or articles they would like to add in the CHATTER, please call me at 258-5430.

THE CHAIN OF LIFE

By Fred Winter

Life is a chain of many links
And with each passing year grows longer
So it's up to you as each year goes by
To make sure your chain grows stronger
For each passing year as you add each link
Your chain of life's growing old
But - at the end of the chain if you've strengthened each link
You'll find the last link solid gold.

FRIED SHRIMP

Large shrimp
1/2 can milk
1 egg
flour
Kelloggs Corn Flake crumbs

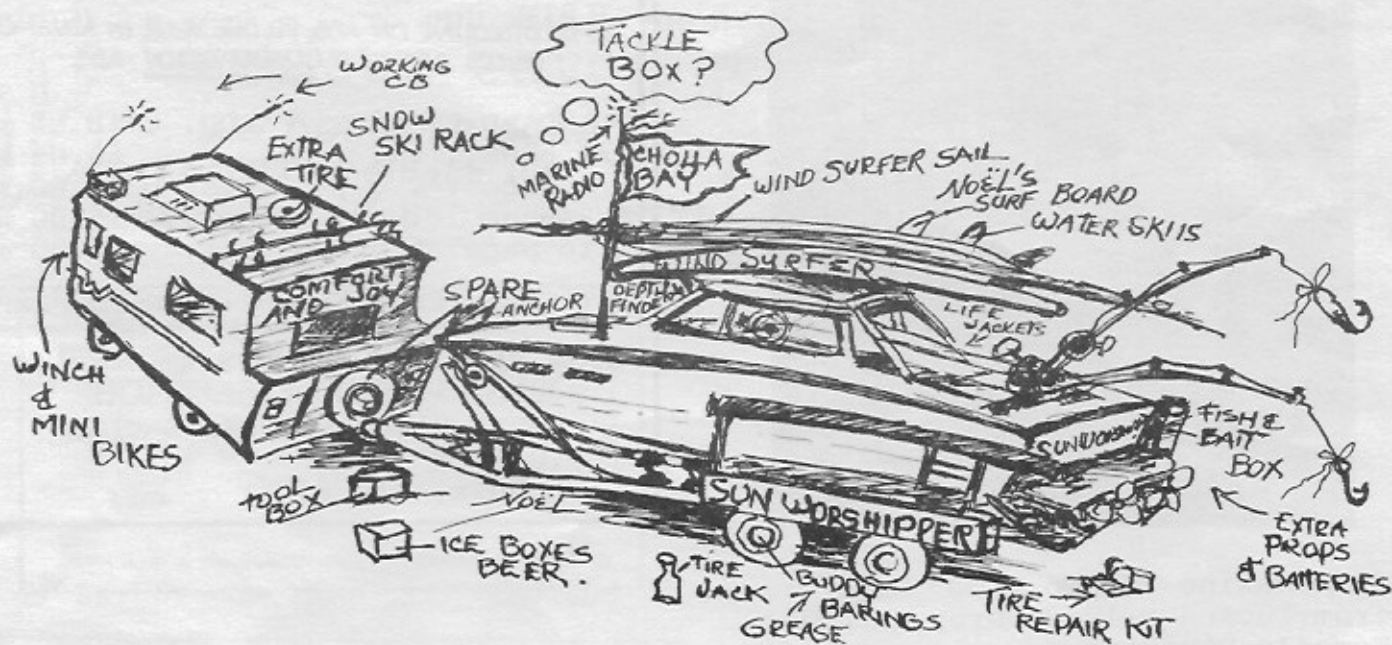

Clean and butterfly shrimp and have the following 3 steps ready

1. Enough flour to coat each side of shrimp.
2. Milk and egg beaten together
3. Enough crumbs to coat shrimp

With finger tips, pound flour into both sides of the "little dears" and shake off excess. Dip into batter then into crumbs. Repeat the pounding of crumbs into both sides of the "little dears" making them wide and flat. Shake off excess. Fry in hot grease, turning once. Because of the thinness, the frying time is very short.

Marty Perlmutter

TO MY HUSBAND, MAN OF MANY OUTDOOR TALENTS

We left for the 4-1/2 hr. drive to go to Cholla Bay after the Fiesta Bowl Game, December 26, 1980.

In the calm morning of Saturday, December 27 - we launched and headed out to Bird Island. We fished at Bird for several hours, losing some hook and plug jigs to rocks and seals.

When we went to replace our losses I asked "Where's the tackle box?" Answer, "Think it's on the shelf in the storage shed in Phoenix."

Have you ever fished with only 3 plugs and two made up bait lines 30 miles out to sea? We have! When we ran out of tackle we hailed another fishing boat and they let us have some tackle.

Here's what happened; I had packed the boat with food and fishing tackle which was my responsibility- - but my husband had taken the radios and tackle box out of the boat when he took it to be repaired...Oh well----

Water heaters recalled — More than 600,000 liquid-propane water heaters are being recalled to correct a defective valve believed to have caused 23 explosions, including five deaths. The water heaters, also believed to have caused 16 serious injuries, were sold between 1961 and 1980 by the A.O. Smith Corp. of Kankakee, Ill., by Sears Roebuck & Co. and by other manufacturers and retailers. In all, 56 brands of water heaters are involved.
