## TUCSON CHAPTER GENERAL MEETING

By Bobbi Reid

Lynn Skwiat, our Erma Bombeck for the Tucson chapter was in Cholla Bay for the Easter season, so you will all have to settle for Rona.

Billy Drake was unable to attend the meeting. He lost a tooth! Now he is mad and sad. The tooth fairy not only took his tooth but didn't even leave him any money.

Eileen Cartwright badly burned her left hand while in Cholla, and I don't mean sunburned either - it was with boiling enchilada sauce. She has now decided to stick to making tacos.

Allen Peterson's wife, Shirley, left early for Easter at the Bay. Instead of the Easter Bunny, she received Allen. Oh well, he is a good egg.

Lee and Bobbi Reid's son, David, is home on leave from the Phillipines for about 22 days. Heard the place was so clean, that you could drink the jacuzzi water. GO NAVY!

Mary Brown won the door prize, an insulated cup. "What's up Doc Heim" won the booby prize again, a money clip. Now if he just had something to put in it!

## TUCSON CHAPTER GENERAL MEETING (cont.)

Walter Horton says to watch out for the old road to Black Mountain. It's graded so well he ended up there - following others of course. It was late and the moon was out. You understand, they have only been traveling that road for 30 years. Walt thought it was funny. His wife, Betty wasn't laughing though, because SHE was driving. Better than the back seat, Walt.

We need help for the Fishing Derby for anything and everything. Come on out all you good people and lend a hand. Besides you will get to eat first.....

Our thanks to the Rocky Point police for furnishing extra policemen during the Easter weekend, at no additional charge. Also the Blue Cross provided two ambulances and medics for the whole week. We thank you, "Firecracker" for your excellent help.

George and Ollie Bleuel from Payson are visiting the Bay after a years absence. Welcome back.

Thanks to Gus Brown, there are now 2 tractors and graders that are working long hours grading our roads to Cholla Bay and Sandy Beach. It will continue to save everyone money on car repair bills. The garbage service, also provided by Mr. Brown for his renters has also improved. Thanks again, Gus.

Gladys Hoskins of Las Cruces, New Mexico passed away at Cholla Bay recently. All her friends extend their sincere sympathy to her family. She had been a Bay visitor for the past 20 years.

While Jonnie Ahrens was walking miles and miles crabbing - (she netted ONE crab) - her grandchildren (ages 8,7,5 and 3) raked up 101 clams in front of their cabin. If you ask nice, Jonnie, your grandchildren just might show you how to dig clams.

Well, that's it for me - hope you had a good one.

PHOENIX CHAPTER GENERAL MEETING

By Marie MacGill

If you want to chase away your blues, join us every second Wednesday of the month at the HUNAN RESTAURANT at 1575 E. Camelback Road.

This April 14th meeting was exceptionally interesting. Grace Schoonover did an excellent job of narrating the beautiful colored slides of the PINACATE while hubby, Paul flashed them on the screen for her. Thank you so very much for such an educational and entertaining program, (and by the way, Paul took the pictures when they and some other Club members went to the Pinacates).

We all introduced ourselves as usual and it is fun getting to know each other, and see a lot of old familiar faces. Pete Scott from Tucson who is Derby Chairman and Council Chairman spoke to us about the Derby which is coming up the last two weekends of May. Thanks for coming all the way from Tucson to be with us. With Pete in command we know we'll have a great derby, so please plan on helping celebrate this occasion. We were pleased to have Lou Bock from the Tucson Chapter with us. Lou is the Search & Rescue Chairman. We were pleased to have Lou Frazier, Hilda and Eugene Erkert, Bill and Charlotte Reed, join us. We haven't seen them in quite some time. We were also glad to have Bill and Carol Jenning with us. They have been members for about a year, and this was their first time, so please do hurry back and thanks for coming. We have new members Nub and Millie Moore of cabin #307 (formerly cabin #450) of Pelican Point. We are looking forward to seeing them at some meetings even though they do live in Mesa. There are also new members, Gary Lee and Diane Carnes of Phoenix, Gary and Diane, please come join us at the meetings.

I think most of us learned a word of warning about fish from Lou Bock and Butch Wilda. They said some people caught a BULL'S EYE PUFFER FISH that was about 18 inches long, brown color with a black BULL'S EYE on it. They cleaned it and fed the scrapes to the cat, which ate it and died. IT IS VERY POISONOUS.

PHOENIX CHAPTER GENERAL MEETING (cont.)

Mary Reinert wove a beautiful white purse that she donated for the Christmas raffle and Noel Jordan made a pretty shell plaque and hand decorated some pretty stationary that Mary Parker won on the raffle. First prize went to Lucy Tasker - two glass or can cooler holders. First prize went to Carl Hess - a Fisherman's Guide Book. Roma Blunk won third prize - a club jacket.

May the wind be calm, the sky clear and the water smooth for your fishing at the Derby. See you at the Bay.

The weekend of April 16-18th, the Johnson family took Tom Johnson Sr, (83 years young) who is visiting from Waukegan, Illinois to the Bay for a relaxing weekend and fishing.

There wouldn't be enough room to name all of the people that were at the Bay for Easter.

Don't you think we all owe Augustine a GREAT BIG THANKS for the splendid job that he is doing at the Bay. We also owe the Police a great big THANKS for the fine job they have been doing.

Sadly I report that Gladys Hodskins passed away at the Bay. The Phoenix Chapter will donate her membership fees towards the Memorial and Gift Fund and her family will continue to receive the Chatter. We all send our deepest sympathy. Gladys will be greatly missed.

George Rodgers reported that Mort Staub is still improving from his heart attack. We'll be looking forward to seeing you again, Mort.

Jim and Elnora Westfall of Ship's Stores were back with us. Jim has fully recovered from the flu and looked great. He showed us some of the beautiful tee shirts and sweat shirts that he has for sale. If you see them, you will surely want some. Please note the pretty red and white floating key chains that they have for sale. They glow in the dark and I wouldn't part with mine.

Glenn Davis is chairman again this year of the \$100.00 JACK POT for the largest fish for the Derby Days. He urges everyone to buy a ticket for a very worthy cause. Regardless of who catches the fish on your boat the money goes to you.

## PHOENIX CHAPTER GENERAL MEETING (cont.)

He said half of the money will go to the Council and the other half will go towards SOLAR equipment. Next year it will go toward new radio equipment. Glenn really needs your support. CHOLLA BAY does not even have a generator that is working at present time. It was reported that Mr. Dubber (hope the name is correct) caught three nice size grouper at the old tanker, one being a 73 pounder.

Paul and Joan VanOver have a very nice young grandson, whose name is Thomas Sole: Tommy is nine years old and the son of their daughter, Sue. Paul and Joan think he will be the future fisherman in their family. He said, "Gramma, the only way to get your head screwed on right is to hold a fishing pole. Now I know how it feels to bring in three fish at one time.", which he did.

---

Do you know the two happiest days in a boat owners life?  
The day he buys the boat and the day he sells the boat!

Bill MacGill

## HAPPENINGS AT PELICAN POINT

By Marie MacGill

The week before Easter, Elaine Blackman entertained friends at her place. Grady Hendricks' mother, Maurine Solt went to the Bay with the Bill Yonkers family and stayed four days with her son and returned to Phoenix on April 7th. Al and Claudette Owens and their daughter, Laura soaked in some good sun at their place. Dan Devers and family were also down for fun and sun. Zulma Oliveria came to get her bit of tan. Hal and Evelyn McKenzie were there and went home the Sunday before Easter. Nub and Millie Moore, new owners of cabin #307 were there for Easter and to get their place in order. Erv and Adel Sykes were down with the buyers of their cottage, Mr. and Mrs. Allen. Welcome to Pelican Point.

We had a real fun time visit at Bob and Thelma Loundsbury's place with them and their guests, Bill and Florence Chandler. It is always such a pleasure being with those four. Had two beautiful days fishing with the Paneks, George and Lydia on the Desert Queen. The water was so smooth and beautiful you could watch the clouds floating down below. The house on the hill behind the Vucichs is coming along as the walls are now going up. Ray and Shirley Haenfler are still making their frequent visits to their cabin #2 on the point. Arthur Woodward's house is always used on most weekends.

GOOD MORNING, GOD!

You are ushering in another day  
untouched and freshly new  
So here I come to ask you, God  
If you'll renew me too

Forgive the many errors that I made  
yesterday,  
And let me try again, dear God,  
to walk closer in THY WAY...

But Father, I am well aware  
I can't make it on my own  
SO TAKE MY HAND AND HOLD IT TIGHT  
For I cannot walk ALONE!

HAPPENINGS ON AND AROUND THE HILL  
Semper Fi

Back down to beautiful Cholla Bay the end of February, and what a beautiful weekend. The ocean was like glass again, but not too many boats out. Never heard about any "big ones" coming in. It is getting to be the right time of year so they should be out there.

We had a nice surprise, seeing Don and Cora Burwell. They had a lovely crowd over for a pot luck and goodness, all that food! Pete celebrated his birthday with his lovely wife, Shirley, Stevie and Frank, Ed and Marty, Butch and Ethel, Russ and Vi, Jane and Ray, Bobbie and Lee, and Jane Huntsinger.

Jane Huntsinger is all excited about becoming a great-grandmother for the first time. She will be leaving for Alaska for the birth. We all are very happy for her and share her joy.

Heard this cute quip over the weekend, "After staying up all nite Friday partying, do you stay awake all day Saturday waiting for the evening to come?" How true, that is!

We heard the Search and Rescue were kept busy during the Regatta. We all appreciate the good job you're all doing.

Until next time, take care.
