

OFFICIAL PUBLICATION OF THE CHOLLA BAY SPORTSMANS CLUB

Volume 24, Number 6 • JUNE 1981

DO YOU KNOW ANYONE WHO WOULD LIKE TO BECOME A MEMBER OF THE CBSC?

Joe and Roma Blunk, Phoenix Membership Chairmen, have brought it to our attention that many of the participants and observers at the Derby as well as attendants at previous club meetings, were under the impression that they had to own a boat, a cabin or meet certain requirements to become members of our organization.

Please help spread the word to anyone who might be interested, that this is the only requirement . . . **INTEREST**.

Whether it be fishing, shelling, sandbuggying, sunbathing, sitting, standing, sleeping or just plain looking . . . Come and join us and you're sure to meet club members who share your very same . . . **INTEREST**.

TUCSON GENERAL MEETING  
Irene Drake

We want to thank Bobbie Reid and her committee for the great picnic. It's for sure that our President had to help, huh Lee? It was a ball and a big success and those who missed it this year - be sure to attend the next one. We consumed 240 hotdogs, a keg of beer, cases of soda and pinto beans. The tour of the zoo, lead by David Schultz was enjoyed by young and old alike. The weather cooperated and Reid Park is a great place for a picnic.

The meeting was sparked up with slides and Jonnie Nicholes explanation of her trip to Baja sounded like a lot of fun. I guess Tom Boyle had too much picnic, he ended up at the meeting with two different kinds of shoes - but it's ok - he has another pair at home just like them.

Welcome to new member Mike Yoder and our guest Hilda Wissinger from Flint Michigan.

Door prizes were won by Sara Hohlenkamp, calculator, Bobbi Reid ice chest. Raffle donated by Drake and Son and won by Peggy Drake. Proceeds went to the memorial fund.

Ray Gray off the sick bay list, back after a cataract operation, but our prayers are with Thelma Saylor who is back in Tucson Medical Center.

See you all in the bay over Memorial Day Weekend.....

PHOENIX GENERAL MEETING  
Marie MacGill

We had a packed house at our May meeting. Les Ormsby was acting President in the absence of Paul and sure did the job like a pro!

It was a pleasure having new members with us; Morris and Jean Bailey, Mr. Erickson and Bernard and Marge Czuprynski. Thanks for joining us. We were happy to have Mary Ormsby with us, it's so seldom that she is able to come. Bill and Delores Wombacher and Bill's mother Norma from Cottonwood were with us. Austin Schillinger and his lovely wife June were there. Mr. Schillinger, retired from the Game and Fish Dept. showed slides and presented a very interesting and informative program on Hypothermia. We all learned from his presentation.

Hilda Erkert, Sick Bay, reported that Slim Waring is ill. She also reported that Marie MacGill's mother had passed away. Marvin Smith passed away about two weeks ago. We all extend our sympathy to Marie and Hazel Smith.

Roma Blunk, Membership reported that we have 923 Phoenix members...come on guys & gals - we can make it to 1,000!!

Shirley Hemphill announced that the Phoenix Chapter Annual Dance will be Sept. 12, the Saturday after Labor Day. It will be a "Ship Wreck" Party with dancing and fun... She encouraged everyone to come in casual dress, so if you want to come looking as tho you just got out of a wrecked ship, come on out, kick up (or off) your shoes and boots or just come barefooted. It will be at the Western Saddle Club, 2000 E. Myrtle. Mark your calendars.

George Rodgers reported that the sail & dolphin derby wasn't approved for as long as they had requested, but there will be a derby so get out there and start trolling. George introduced Al and Nadine Sussex, who volunteered to take charge of the derby dinner.

It was reported that paper, books and school supplies are very badly needed for the school at Puerto Penasco. Then it was learned that Sacaton School has 3 truck loads of books they would like to donate - so they will soon be on their way to Mexico.

Will Williams announced that there are 9 deaf and mute children in Rocky Point that need a doctor's help and he is hoping that they can get enough doctors to see if they could help these little people.

Door prizes were won by Shirley Hemphill, Maxine Rodgers and Trudy Mruphy. Mary Parker won the Christmas raffle, a really beautiful God's eye, made and donated by Floris Hickman.

The June meeting program will be a film by the Salt River Project on Arizona and the Statehood - dating back to 1912. Sound's like it would be very interesting. See you all then ---Good Fishing!

TOP OF THE HILL VIEWPOINTERS....

Thelma Brown

Beautiful weather in Cholla - most of the time. Spring break for colleges brought a lot of students. We all have a request of the young people but don't know how to convey it to them - perhaps through their parents?...

There is so much room on the roads to Black Mountain and over on the beach - try your noisy motorcycles, sunbuggies, racing, etc. over there. Guess it really isn't too much fun without an audience tho, is it? Well - you can always watch each other if you all head in that direction. Thanks - we will all appreciate it.

Cliff (Sea Cliff) Burrows, Oscar Newman and sons-in-law got their share of rock bass and trigger fish.

We are still having lots of company on the hill - Stan Brown for a few days... Valerie Colby and her parents, Ken and Bunny (just in from Hawaii). Bunny is a former classmate of mine and Ken is retired from the Navy. First time in Mexico and vowed they would return. Gladys Haskins from Las Cruces, N.M. and guests, Robert, and Elsie from Northern California. Was nice to have Pauline Murphy's granddaughter Kelly; Vi Schmerfeld entertained her sister and her husband along with Dr. Salazar and his family from Phoenix. Dr. Salazar has been donating a month of his services on the "Esperanza" to Brazil.

Wally Schmerfeld and Dwayne Self left the Bay March 16 on their extended sail trip.

We all gathered at Glenda and Bucky's for a delicious smoked turkey. DELICIOUS!!!

Lots of people from Las Cruces off and on for the past few weeks at Nole Hace. The Crosses and Goodens have such fun - both on land and sea.

Skip and Vera Gruber were celebrating their anniversary. They are on their way to several cities in California, the races in Santa Anita and Disneyland.

The orioles have arrived. They are such lovely birds to watch and they love the cactus flowers.

(This news is a bit late - but there wasn't any way to get it to the Editor in time for the last issue of the CHATTER.)

HAPPENINGS AT PELICAN POINT  
Marie MacGill

We just might be fishing in the wrong place. Gale Nelson, a guest at Frank and Walda Peterson's place caught a 12 lb. grouper off Pelican Point on Easter Sunday.

Frank Peterson, Jr. (Skip) and Peggie Billingsley were married April 11 in the Chapel at Luke Field. Ms. Peterson is the daughter of Col and Mrs. Frank Billingsley.

Grady Hendrick's daughter Jamie and husband Frank spent a few days at the point. Pauline Murphy has sold her lovely home in Cholla Bay and moved back to Phoenix. Bill and Babe Yonkers sold their house at Pelican Point and are enjoying their new home near the water at the bay.

To tell about all of the people on the point would take too much space, but I do want everyone to know how much we enjoy each other when we are there.

Did you ever get attached to some "Old Thing" so much that when you lost it, it made you sick? No..not your husband or wife..well, this happened to Betty Williams. It seems that she had a favorite old straw hat that she had been looking all over for at the Bay. In fact, she had called it her lucky fishing hat. After she and husband Will had taken the place apart, Will went to the garbage dump to empty the trash and lo and behold..there was Betty's hat in the middle of the road, as flat as yesterdays pan cake. Now Betty is worried that without her lucky old hat she'll never be catching any more fish. Sorry Betty, maybe you can break in a new one.....
