PHOENIX CHAPTER NEWS

We were happy to see that the sultry weather and summer doldrums didn't get to our members as we had a very good turnout for our August meeting.

President Will Williams called the meeting to order and then had the introduction of members and guests. Paul & Joan Vanover brought their grandchildren, Tom and Amy, Joe & Roma Blunk's grandson Kenny attended, Wimpy & Jane Jaskowiak had as their guest, Patricia Felix, from Cholla Bay. Bob Dus, introduced Ted Wisniwski, his guest for the evening. Some of our newer members were with us; Art Rosenlof, David & Joan Ledon. We were glad to see you and hope you will return for future meetings.

Our Ships Store Chairman, Mike Kemper, stated that we now have unlined jackets in blue and in gold and he will have the lined jackets in the future. He also has radio antennas to use in Mexico. These antennas allow you to have better reception on the stations in the States.

Butch Wilda reported that there were 74 boats launched over the two weekends of the Derby and that the Derby was very successful. There were no major problems for Search & Rescue. The gas station remained open and there was no difficulty in obtaining gas for boats and vehicles. There were no sailfish caught, Jack Moore, (Nub Moore's brother) won the trophy for Dorado. Butch also reported that a portion of the new radio equipment had been installed and was working well, the rest of the equipment will be installed within the next month.

Hopefully, everyone saw the article in the Arizona Republic written by Bob Thomas about Gene and Hilda Erkert's trip. Will Williams had some extra copies of the article, (if they're not gone) if you are interested. It was a very good story.

Will mentioned that the Bureau of Turism in Mexico is interested in possibly having more derbies at the Bay. He also cautioned us about bringing food stuff back from Mexico. There is a list of prohibited foods posted at the guard station as you cross the border. You might want to check this list as you enter Mexico.

Please mark your calendar for the coming events: The Phoenix Chapter Dance on Sept. 10, 1983. Bring your "White Elephant" prizes to the dance and please have them wrapped.

The Steak Fry - Nov. 12, 1983. Please make reservations early so that the committee will know how many steaks to purchase. The Christmas Party - December 17, 1983. Wanda Lee would appreciate any help the members can give. She needs donations of food, toys and games, also donations for the Christmas Raffle.

The drawings for the door prizes were held and Jim Olsen won a cool cup holder, Patricia Felix, (from Cholla) won a ladies T-shirt and Dick Hickman won Dinner for Two at the Hunan Restaurant. Sharon Olsen won the Christmas Raffle, a macrame towel hanger.

The next Board meeting will be held prior to the General meeting as the date for the Board meeting falls on a holiday.

Our Phoenix reporter Marie MacGill and husband Bill are vacationing in San Diego. Have a very nice vacation Marie and Bill....but don't stay away too long.

SAILFISH/DORADO DERBY

or

WHICH WAY DID THEY GO?

The last weekend in July and the first weekend in August again brought out the fishermen with their boats sporting outriggers and rods hanging out at all angles in the annual hunt for the elusive Dorado and Sailfish at the Bay.

The first weekend numerous Sails were spotted with some knock-downs and a few hook-ups, however none ever reached the Radio Shack. The largest Dorado was caught for the Derby on the first weekend by Jack Moore, Nub's brother.

The second weekend again produced lots of fisherfolks as the Derby was open for three days. Few sightings were made on Friday, but that night a storm in the area apparently sent them to parts unknown. Saturday and Sunday found everybody out early and in late, but, alas, no Sailfish came in.

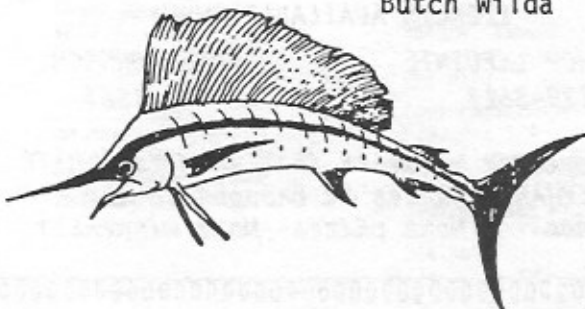

When Sunday night rolled around, Jack Moore's Dorado was still number one, winning him the beautiful Ironwood trophy. Since no one won the Sailfish trophy, it will be kept until next year. Glen Davis says that if no one wins it next year, the Club gets it as we have won it three years in a row.

Sometime during the first weekend Vi Schmerfeld, fishing on the "Wahoo" (again) caught and weighed in a Dorado for the Jackpot. No Vi, I won't tell them what it weighed. Jack Moore failed to enter the Jackpot, so, with no Sailfish having been brought in, Vi sped towards Laughlin, Nevada, with her prize money.

In attendance for the presentation of the awards were Senor Jose Galvan, Wilson Wilson, and others from the Mexican Government, as well as a photographer from the local news.

Until next year, Good Luck.

¿QUE PASA AT BORRACHO FLATS?

By: Ed Perlmutter

The summer season is here and heat and humidity abound, plus my heat rash has started again. Yuk!! This is also my indicator to start thinking about leaving Cholla for about 6 weeks. We call this exodus, our vacation.

The gang that travels aboard the "Wahoo" have been having a field day, catching all kinds of fish, this past few months. One member of the group, Vi Schmerfeld, caught the first Dorado on July 11th, it weighed about 8 3/4 pounds. Just to keep in practice she then caught a couple of 50 to 60 pound grouper before the Sailfish/Dorado Derby began. On July 31st, this crew brought in....12 skipjack, 4 yellow-fin (these parts in a long time), 3 grouper, again in the 50 to 60 pound class, and 1 Dorado weighing a little better than 4½ pounds. Vi also won first prize for the biggest fish in it's class, in the Special Jackpot. More about this later on in this column.

Wahoo Yellow Fin Tuna 7/31/83

The odd-ball rescues go on. Wally Schmerfeld and yours truly happened to out sailing on his "G" Cat sailboat in the bay when Wally spotted a 14 ft. aluminum boat, with motor, heading towards Baja. We hooked on to it, not an easy task as the boats anchor was still dragging, then towed it back to the radio shack. The owner had been frantically waving at us to retrieve the boat. We later learned that he had anchored his boat, at the launch area, on the incoming tide and had stopped to visit some friends. He came back in time to see the boat heading out to sea.

Remember the Super Jackpot at our May Derby, well Glen Davis thought a jackpot for the biggest sailfish and dorado would be worthwhile. By the last weekend of the Derby, Glen had quite a few entries. For those of you who don't know about these jackpots, let me explain; half of the prize goes to the winner - the other portion is donated to the Club for a worthwhile project which the Club couldn't afford without help. A few of these projects are: The CB Direction finder, the walk from the road to the Radio Shack, and now the Fish Fry Shack is being worked on - a concrete walk around the building, a patio and a large barbecue grille will be installed. This will enable the Club to use these facilities for picnics, pot luck dinners, etc.

Nothing to report on break-ins or arrests this month. Everything is quiet, hopefully it will stay that way.

WELCOME...To a brand new member.

SERVICE STATION OPERATIONS

A meeting was recently held with the owner of the service station in Cholla Bay. Volume at the station has recently dropped to the point where serious consideration was being given to closing the operation. Discussion centered around actions which could be taken to improve the service and increase the volume. Cholla Bay members can help to ensure continued and improved operation of the station by patronizing it for their gasoline needs.

SEARCH AND RESCUE

Chairman: Lou Bock

Well, the Derby has come and gone without in major Search and Rescue problems. Over the five day period, 74 boats were launched and returned safely. There were quite a few boats towed in, however, they were all brought in without a boat having to be launched to go retrieve them. Many thanks to all who co-operated graciously whenever someone needed help. Most of the problems were either overheating or lack of fuel.

Pete Peterson and Chris Tatum, assisted by Wally Schmerfeld, labored hard and long in the heat the first weekend in August on top of the mountain. They were able to get the radio cabinets replaced and/or refurbished. The new Channel 26 repeater is in place and working beautifully. Hopefully the parts have arrived for Channel 16 and will be working by the time you read this. Thanks bunches guys for your labors.

Thanks to the receipts from the Derby Jackpot, Search and Rescue will be purchasing a handheld, rechargeable portable with Channel 16 & 26 capabilities. This portable will be available at the bay for vehicles or boats going on a search that do not have these radio capabilities.

Until next month, good luck on your adventures and go safely.
