TO THE EDITOR:

It seems with all the disagreements between  
some club members, they may have forgotten  
the meaning of "Sportsman". I would like to  
take this opportunity to express the defini-  
tion of a "Sportsman".

Definition: A person who can take loss or  
defeat without complaint, or victory without  
gloating, and who treats his opponents with  
fairness, generosity, courtesy, etc.

A Concerned Club Member

# C. B. S. C. PHOENIX CHAPTER-GENERAL MEETING

by Marie MacGill

There was a good turn out for the September 13th meeting. I think we had a very enjoyable time. We are always happy to have our club members come to the meetings. You should even bring your friends if you like.

Al Early, who joined the club last spring came, as well as Claude and Arlyse coker. It was the first time that Arlyse had attended a club meeting for some time. Glad you could come! Bob and Millie Parnell were there, too. Bob said they were going to Puerto Penasco on September 18th and see how the things were going on the big reactor that is in the port there. I didn't know that Bob is the one that is keeping the equipment, such as trucks, cranes, etc., in good working order for the reactor.

Also was so very pleased to have Geri Swainston with us. Geri and her husband joined the club las Thanksgiving and it is very difficult to get to the meetings for them. Geri had to come alone all the way from Chandler Heights, as hubby, Robert was working. They own cabin #166 at the Bay. They also own a boat named ELVA. Their CB handle is ELYING S. Thanks for coming Geri! Hope you will make it again to our next meeting and perhaps Bob can make it, too...

Jerry and Bea Wolnoski, new members since Labor Day were there. It was real nice to meet you. Thanks so much for joining our club.

We also had a pleasant surprise when Roland (Gabby) Gayne and wife Shirley came to the meeting. They have been members for several years, but don't have a chance to attend very often. Thanks for coming and hurry back!

Well, we had both Lou and Mary Parker with us at the meeting. It was sure good to see Lou looking so well after his operation. I think he looked better than I had ever seen him, just great! Vern and Betty Groves joined us also, Wimpy and Jane Jaskowiak. We missed you when you weren't there the last few meetings. Ray Hemphill was there, but without wife, Shirley. Hope you can make it next time,...

You should see the beautiful afghan that Betty Groves' mother made to be raffled for the Christmas party at the Bay. Don't miss the drawing on it. It will probably be at the October meeting. Betty also donated a very nice, warm and pretty quilt that she hand made also to be raffled for the Christmas party. Thanks so much Betty for your kind gesture!

Mary Mangino made and donated a beautiful plant macrame for the Christmas Fund donation. Andy Frys' name was drawn on the raffle ticket for that beauty. Thank you Mary...it was nice of you to donate it!.....

The door prizes were won by:

Harold Painter, a club hat; Maggie Annis, a new style club tee shirt; Jack Ebert, also a new style club tee shirt. They took a rain

check on the winnings, because Skip and Vera were not there with their Ship and Shore goodies. It was reported that Skip had cut his foot and wasn't very moveable. Hope your foot is well by the time this Chatter is out! We missed you both very much...

Met Maggie Reece at the meeting. She was there with Glen and Doris Davis. Maggie is Doris' sister. They are going to the Bay very soon to try some fishing before Maggie returns to Kansas. Hope you get a big catch, Maggie!

Lydia Panek was praised very highly by every one, especially by the secretary, Bill Lee, for her outstanding job as secretary while Bill was away from the meeting last month.

Now that vacations are mostly over and with this beautiful weather here, hope we all see each other at the next meeting!

So....until then...so long see you there!

## HAPPENINGS AT PELICAN POINT IN CHOLLA BAY

by Marie MacGill

With the blessings of fall we will all be going back to the Bay for sun and fun. Around the middle of August or soon thereafter Mary Jo Schumacher of the Wee Wee house had guests in for the weekend. Guests were Dawn Plat, Barry Arney and his friend Dan. They took a trip to Bird Island in Dan's boat and had the fun of their lives. They also brought in lots of Scallops. Dan even showed them how to clean them. They are looking forward to a return trip.

I understand that several people are anxiously waiting to see the big reactor that is at Puerto Penasco to be brought to Palo Verde. Rene and Mary DeLathauwer have been away for the summer, but hope to be going home soon. Also Ed and Bonnie Gibson said farewell to the heat until cooler weather at their home at Pelican Point. Frank and Walda Peterson spent some time in cool California this summer and did not show at the Bay.

The heat didn't keep the Dan Dever family and Rick Hansen's family away from their fun houses there.

Guess you heard that three Mexican swimmers drowned off Sandy Beach during Labor Day weekend. Hope we can have a holiday again without the loss of lives. Perhaps if we are especially careful we might avoid the tragedies that might happen there. Bill Hoffman said he and George Rodgers, Chuck Hoyt and Mort Staub went salmon fishing at Astoria, Oregon in August and had a great time but it did get pretty cold. They brought back alot of Salmon packed in ice. See you at the "Dinner Dance" in Rocky Point the 7th Of October. Take Care.....

## TUCSON SCUTTLEBUTT

by Helen Bos

Black & White is not October 7th as stated by me in the Scuttle Butt. It is however, the date of the Phoenix Chapter Dinner Dance in Mexico. Here's wishing everyone a good time.

We were lucky enough to have a weekend at the Bay this September. A beautiful weekend it was. Except for a few people, Cholla was almost a deserted place. Mr. & Mrs. DeFever, Phoenix Chapter came over and sat in the yard with us and exchanged some fishing stories with Bob. Very nice people they are and it was my pleasure to meet with them.

Tucson's general meeting offered a list of new members, namely: Glenn & Suzanne Doerr, Bill and Barbra Helbeg & daughter Penny. Joe and Shirley Baca & children. Elmer & Betty Drake. Gerry & Barbara Croie, Keith Roof, James and Betty McGee and last Jerry & Ila Ketelbut. This brought happiness to Shirley Petersons' face.

We had a first aid kit demonstration given by Thelma Saylor. It was lucky enough to discover that Bob Morris, seated next to me was as dumb about first aid tools as I was. So thanks to Thelma we have been enlightend. Pete Peterson

found himself wrapped up in bandages from his feet up and Turbans are very becoming on you Pete! He reminded me of an Arab spy. Further first aid discussion and demonstrations were asked for by the members. great idea!

The operation that Thelma Fiak had sure agreed with her. She looked great! Carl must have been so glad to have her home and can you believe that he agreed with everything she said? Now that is gratitude! Both Fiaks are really great people.

Anne had quite a time giving away door prizes this month. She mixed this months tickets with last months tickets. But she did finally come up with the winners: Jack Parsons, Dennis Hohlenkamp, Bob Morris, Vera Hamilton, Gene Reed & Chuck Dernburger. See you all October fourth! Have A Nice Month .....

## News From The Launching Ramp

by BETTY MUNRO

Vacations are wonderful but when you have some place like Choya to return to, it is just as thrilling to return from vacation as it is to start one. "Un Mil Gracias" to Jan Hunziker and Vi Schmerfeld for taking over the job for me. They did a terrific job and what a team they made! It sure is nice to have friends like them.

August was a good month for Armando Moyza of Tucson. His luck began when he said, "Hey, I want to join your Club." Then Armando took his buddies aboard his boat, the KATRINA and headed out to 22 mile reef. There he sat with his hand line on the bottom with a mullet on it trying to lure one of the pretty little fishes out of the Sea of Cortez. He was watching some of the other boats around him trolling for sail when - ZAP--he thought a whale had hit his line! He pulled and tugged and with the help of his buddies they finally loaded up a 104 lb. sailfish---caught off the bottom of 22 mile reef on a hand line. All sorts of miracles happen to C.B.S.C. members and especially new ones.

Labor Day had all the promises of being a biggie for us with some fifty or sixty boats gathered to go out and play around for three days. Ole Man Weather didn't want to cooperate though and only one day was nice enough to venture out to the reefs. The boats that braved it the other days found they had to stay in close. However, the winds kept us all on the cool side so as the old cliché goes--"you can't have everything."

Vic and Goldie Allen from Goodyear said they spent most of their summer in Idaho enjoying a new grandchild...Goldie says that makes five now. Vic reported they spent sixty days in Idaho and he fished fifty of those days. His prize catch was a 21 ½ trout. They caught so many they canned them. I believe they said they canned seventy cans, so guess what you will have for lunch if you visit them....

Talk about a snowbird flying in and out... Butch Heldt was in and out again---people in Choya hardly knew he had been here..What's your hurry, Butch?

Someone from the Penasco fire department notified me that they have fire extinguishers for sale there and different sizes. Also, they can refill the ones you may already have. The fire department is located in the new Municipal building in case you care to check it out.

August 23rd was an important day for our fishing inspector, Miguel. On that day his lovely wife, Alicia presented him with a new baby daughter. They named her, "Beatris." Miguelito is one proud papa.

Bill and Jessie Valentine pulled a rare one for them...they came to Choya alone and were actually making the tour visiting their friends. I say it's a rare because they so seldom come without a house full of company and between company and fishing they are kept busy. I guess this hot lonely month of August has its good points after all.

Dr. Turner Camp and his vivacious wife, Peggy are sort of new comers to Choya but---they like us---they come in August. Their daughter, Kathy joins them on their trips here while she is waiting for her assignment from the Peace Corps.

Bob and Helen Bos spent a weekend at the Bay. They still don't have the BOBBIE-SUE in running shape...but who needs a boat...they have fun where ever they go.

"Who was the red faced Search and Rescue member who confessed he took his S & R signs off the side of his boat before he let himself be taken in tow????"

We lost a very dear person in August----Lynn Young of Tucson. I don't know if they were active in the Club at the time of Lynn's death because she has had such a long illness but I understand her husband, Frank is one of the past presidents of the Club. Our friend Lynn was truly a beautiful person to have known and oh, how she loved Choya! We will miss seeing Lynn walk the beach looking for the shells she loved so much. However, we can take consolation knowing the Beach she is now combing is lined with shells of love and pure gold.....
