VOLUME 27, Number 10 * OCTOBER 1982

-Cholla Bay-  -Cholla Bay-

may moonshadow enlighten
your every
dream...

Ebb Tides...
Here one finds, wading through warm ripples...
great horse conches, white sand dollars,
and myriads of bright-colored cochineal dams
glistening in the foam.
So beautiful is the still hour
of the sea's withdrawal.

Our September 1st meeting was opened by our presidnet, Lee Reid. We need to have more people at our meetings, so come on you people that belong to our club but never come to the meetings. It's fun and we always have some sort of entertainment from films to Bobbi Reid's jokes, so come to our next meeting the first Wednesday of the month at the MOOSE LODGE on Wilmot - See you there!

We welcome David & Sharon Parker as new members.

Door prizes at the meeting were won by Lee Reid, a timer and Bobbi Reid, a shrimp cleaner - that's another reason to start coming to the meetings, the Reid's are always winning the prizes. (I think they take my ticket out before they draw for the winners)

Anyone that wants to contribute anything to the Christmas Party at Cholla should contact Shirley & Alan Peterson. We still need alot of Christmas toys for the children. Please be generous.

Doc Heim showed us some slides of Mt. Rainier and of our Fishing Derby. It was so hot outside and those slides sure did cool us off.

Hope to see more of you folks at the next meeting.

A lot of members and guests came to the September 9th meeting; in fact it was one of the largest crowds of the year. Mr Bob Houser introduced Mr. Serigo Carlos of the Valley National Bank who spoke to us about the Mexican Peso, and about Mexico. I am sure that his fine informative speech was thoroughly enjoyed by all. We certainly do want to thank you again, Mr. Carlos for being our guest and for your most welcome information.

We all had fun as usual introducing ourselves, and refreshing our minds as to what all the club officials look like.

Treasurer, Fran Johnson introduced her friend, Jary Carr. We were happy to have guest, Barbara Warren from Los Conchas and all of the other guests whose names I did not get. Thanks to all of you for coming. Please come back again.

Membership reported that our count is still down on members. Ship's Store is holding it's own. With Jim and Elnora Westfall in charge it couldn't be anything else. Search and Rescue didn't have any reports, so all must be well with them. Sick Bay didn't have a report although I do know that Dr. Bill Hoffman who was with us at the meeting with his lovely wife Mary Louise and their beautiful grand-daughter is recovering from recent surgery.

Everyone was reminded of the October 9th Picnic at Squaw Peak that will be from 9:00 a.m. until 4:00 p.m. With plenty of free Hot Dogs, Beer and Soda pop, games and etc. It should be lots of fun. If you want anything stronger to drink, you'll have to bring your own. ALSO, DON'T FORGET TO BRING A COVERED DISH AND YOUR OWN PLACE SETTING. Sure sounds like fun for children and adults alike.

I understand that starting at the October meeting, there will be a raffle drawing for the Christmas Party. Don't forget the Club still needs toys, games and other goodies for the big party in December.

Door prizes were as follows: 3rd prize went to Jim Westfall, a shrimp peeler, and glass gigger. 2nd prize, a life jacket won by Clive Jordan. 1st prize went to Bill MacGill, a Mr. and Mrs. Cholla Bay Caps, blue in color. Jim Berry won the special prize --- a chamber pot.....

Hope to see you all at the next meeting.
HAVE A NICE FALL.

We took a 3 week TWA Getaway Tour to Ireland, Scotland, Wales and England; needless to say a tour is not restful or relaxing. We were up early and to bed late. We were sorry to return the middle of August and not be able to sit on the porch at Cholla to relax. First of all, we encountered "jet lag"; many of us don't really know what this means, including us. Leaving the East coast we fly into the rising sun and have about 3 hours of darkness and then all of a sudden it's the next morning. We found that we had been "up-awake" for 26 hours and arrived in Shannon, Ireland at 7:00 a.m., however it was only 1:00 a.m. our time--so we missed one night's sleep (not unusual for the party people of Cholla).

We were met by Arthur Hewlett, our tour guide who was a very proper Englishman, having served as a Captain in the British Army in India, an engineer in England and finally as a TWA tour guide. We immediately realized that he wanted to "whip" we undisciplined Americans into shape, especially as to proper dress and being on time. He immediately instructed all the American gentlemen that if they had any respect for their ladies, they would certainly put on a coat and tie for dinner. That of course, made a big "hit" with all the men; and poor Arthur was out-voted. Aside from that, Arthur was a fine guide and showed us through the beautiful countryside of Ireland, including the Ring of Kerry, MacGillcuddy Reeks and County Cork to Blarney Castle and the kissing of the Blarney stone. Needless to say, I didn't know we had to climb an 85 foot winding stone stairway to the top of Blarney Castle in order to kiss this stone. In order to accomplish this feat, you must drop down on your back side, throw your neck and head backwards until you are able to grasp 2 verticle poles, hold on and look down the 85 feet below and kiss this stone. Believe me a lot of people "chickened out" when they observed what was involved in this maneuver. I heard several Americans (our sanitary lot) say, "we might get herpes doing this".

On to Waterford, where the beautiful crystal is made; after comparing the prices with Levy's, Waterford is almost 50% less (of course if you add the cost of the flight, hotels, meals, etc.) it's cheaper to buy it at Levy's.

We walked across Stephen's Park in Dublin observing some really unusual people with purple and orange hair and mohaw haircuts; they turned out to be punk-rockers. They were not indiganous to Ireland, we found them in all the big cities of Ireland and England.

Scotland was really beautiful; the heather on the moors was just coming into bloom with a slight purple color which would be in full bloom in another couple of weeks. Lock(lake) Lomond - you take the high road and I'll take the low road-and Loch Ness (of monster fame) are very popular fishing, camping and trailering areas. My favorite city of the whole trip was Edinburgh. Soldiers wearing kilts guard the castle on a hill overlooking the city. We visited Holyroodhouse, former home of Mary Queen of Scots and present resident of Queen Elizabeth when she visits Edinburgh. In fact she had just been there for five days a couple of weeks before we arrived.

We drove through the Lowlands of Scotland to the English border stopping in the Lake District where William Wordsworth lived and wrote; then on into Chester, once a Roman camp now full of crooked, winding streets and Tudor houses. The Hotel Blossoms, where we stayed had a date sign of 1605 on the outside of the building, however since then they have added indoor plumbing. The next day on into North Wales past towns and villages with unpronounceable names. Then to Stratford-Upon-Avon, Shakespear's birthplace and Anne Hathaway's thatched cottage; we also visited Oxford College, Blenheim Palace, birthplace of Winston Churchill, Salisbury, Stonenenge, Bristol and Bath, where the Roman nobility took hot spring baths. Finally we arrived in London and spent six days there, it is really a wonderful city with many things to do and places to see. We especially enjoyed the English Pubs, also the Irish ones, but since I'm running out of time and space, that story will have to wait.

FELIZ NAVIDAD
