# SEARCH & RESCUE

## WEAR YOUR PFD'S

Reprinted from USCG Boating Safety

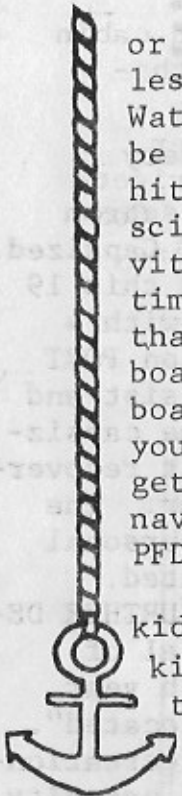

LONG BEACH, CA. The Coast Guard search and rescue log read: 19 foot P/C Capsized, Naval Air Station WHIDBEY advised this 19 foot pleasure craft had capsized with 4 occupants. Coast Guard Air Station PORT ANGELES dispatched aircraft to assist and the Cutter POINT RICHMOND took the capsized boat in tow. The Navy aircraft recovered 3 of the persons from the water. The fourth person was not wearing a personal flotation device and was not located.

ACTIVE SEARCH SUSPENDED PENDING FURTHER DEVELOPMENTS. This report is typical of many filed by the Coast Guard each year. "Person not wearing PFD was not located".

Drowning takes more lives in recreational boating than any other form of casualty, over 1000 last year. The Coast Guard estimates that 60 to 80% of these could have been prevented if the victims had been wearing personal flotation devices, the same PFD's that each operator is required by Federal Law to have aboard his boat.

Federal Law requires one serviceable Coast Guard approved PFD for each person aboard a recreational boat including any towed skiers. Most people comply with this law but the other law, the law of self-preservation, is the one that most drowning victims ignore. PFD's are aboard to be used when needed; to be put on when a dangerous situation threatens.

For some guidelines, when should the PFD's be broken out and worn? For children and non-swimmers, ALWAYS. No non-swimmer,

or young child should be aboard a boat unless wearing a PFD. For skier, ALWAYS. Water-skiers move at high enough speed to be knocked unconscious if they fall and hit the water head first. Being unconscious, face down in the water is just inviting death by drowning. For others; any time the water gets rough or anything, and that means ANYTHING, goes wrong with the boat. If the engine fails or your sailboat is becalmed, get your PFD's on. If you are taking on water for any reason, get your PFD's on. Even if you are just navigating in strange waters, wear your PFD.

Some people think PFD's are just for kids and somehow a man wearing one is some kind of sissy. But think a minute about this: which would you rather give up; a little of your ego or all of your life?

## NEWS FROM THE LAUNCHING RAMP

By: Betty Munro

Glorious weather and great fishing seem to be the theme for November and we hope for December. If you doubt me about the weather, just check with Levert Vandenberg who hails from cold, snowy Wisconsin. Mr. Vandenberg was guest on the Banana Boat, owned by Meredith and Betty Williams. They didn't make history fishing wise, but shirt sleeve weather in the middle of November was a real treat for their Wisconsin guest.

Bud Young and his son Mike from Tucson took their guest Jerry Grammer out on the Satin Seal and then accused Jerry of having his own private scuba diver under water loading his line with fish. Jerry caught a beautiful sea bass and a red snapper while the Youngs didn't catch anything worth mentioning.

Dennis Henderson and Dick "Exxon" Hoffman really have a fish tale. It seems Dennis caught a 40-50 lb. grouper and tossed it into the plastic container on board, all of a sudden, splash, the grouper had jumped out and back into the arms of King Neptune. I've heard of loosing big ones but that's the best tale yet.

George Rodgers and Bill Hoffman brought their Rotary group to the bay for their annual fishing trip. The first day out on the Oso, Bob Payne caught the prize, a 17# sardinero which won him \$58.00. The Wee Wee crew tried but just couldn't top it. The second day out wasn't much of a fishing day because the Oso went to Bird Island on a Search mission.

Bob and Phyllis Pennington went out on their Penny's Pride and Bob landed a 90 lb. grouper. It was caught with Phyllis' live bait she had just caught so she claims community bait - community fish!

Bill and Betty Hoffman tried out their new boat and found out they bought a real fishing boat. Sr. Hoffman graced her new decks with a 75# grouper. Their buddy boat, the Drifter, with skipper Elden Travis and wife Jewel, didn't fare so well. Neither did the Honey Bea with skipper Clarence Allums and wife Beulah. The Honey Bea even had the sweet little China Doll herself, Esther Ong aboard, but they still couldn't top the 75#er. All of Cholla is patiently waiting for Roy Ong to bring his new boat to the bay. From the reports we are getting, it is going to be some boat. Hurry up Roy.

Jim and Elnora Westfall looked mighty sporty in their new Wilda E.

Lew and Kak Place from Tucson were here with their two grandchildren, 10 yr. old Jamie McDonald and 9 yr. old Todd. Lew's friend from Marana, Harold Frost and his friends were going fishing on his T Bird III and took Jamie along. It was some experience for a 10 yr. old fishing with the pros. Frosty said Jamie never put his pole down except to move from one reef to another. Jamie's reward was rock bass and corvina. Todd got in his share of fishing, also. On the first day skipper, Oscar Newman and Grandpa Lew took him out to 5 mi. reef and he loaded the fish box. On the second day, the pro Hector Munro, took Todd out for mackerel. They were gone so long that Kak became worried and came to the radio shack to check. She finally went to Pelican Point where she could see them sitting right off the point with poles in the water. Hours later they returned to the launch area. "Why so long?" Kak asked Hector. "Would you believe it took us that long for Todd to catch one Mackerel." Hector replied. About 5 hours for one fish, no wonder Hector wants to give up

the business.

Our super fishing guide Carlos, "Crazy Charlie" as he calls himself, did it up right with a 75# grouper. He was guiding for the Singenston's party when he caught it and all the boats around were well aware that Charlie had a big one. He's not the quietest guy around and with a super fish on the line, he is something else.

Until next month - Good Fishing!

### Cholla Bay's Loss Is Heaven's Gain

Martha Garcia, beautiful wife of Javier, owner of the Curio Shop in Cholla, died on November 6th. Martha was only 43 years old and besides her husband, left five children: Salvador, who is married and has two children of his own, Francisco "Piolin" 16, Theresa 13, Daniel 11 and Faviola 6.

I was once told that every mother, when she dies and goes to Heaven, receives a crown with a star for each child she had on earth. What a beautiful five-star crown Martha must now be wearing.

All our sympathies are with Javier and Family.

## PENASCO PRATTLE

By: Maya

Because of the proximity of the boarder, you will find more and more holiday customs of our countries intermingling. A good example of this is the celebration of the Mexican "Dia de los Muertos", on November 2nd and the American Halloween. Traditionally, the "Dia de los Muertos" has always been a big festival in Mexico, mostly in the south where the Indian influence is stronger. In Penasco, the families go to the cemetery to remember their departed friends and family members.

This is not an occasion of sadness and tears, but a day of happy thoughts and fond memories. The whole cemetery is decorated with flowers, paper streamers and lovely candles. Everyone brings food as if on a family picnic. Vendors sell cotton candy and hot corn on the cob. Sometimes you can hear the Mariachis play as they go from family plot to family plot.

In keeping with the spirit of the Dia de los Muertos and Halloween, Memo Munro, brother of Hector, directed and appeared in the title role of "Dracula". This spooky play was put on by his little theater group with the benefits going to a local Rotary Club fund to establish a childrens park and playground in Penasco.

Contributing to the progress and future of Penasco, the Mexican company TEMPSA, in conjunction with the stateside hauling company RELIANCE, has brought another shipment of reactors for the nuclear power plant in Palo Verde. This is quite a sight to see as it seems incredible that these huge reactors can be moved by human means. The equipment is slowly moved to it's destination on huge trailers, each one measuring 300 feet and having

384 wheels, each individually controlled. The caravan moves very slowly but pull-outs have been provided to allow the traffic to pass.

Another sign of the growth of Penasco is the new department store "El Grand CH". From the main road in Penasco, turn left by the Fruiteria Figueroa and continue about 4 blocks. The big white building on your right is the new store owned by Sr. Louis Celaya Mendez. It carries a wide variety of merchandise such as car parts, tools, paints, tires, clothing, shoes and toys. They also have a special service for installing carpets and curtains. You may want to give the old cabin a new face for the holidays. Don't worry about pesos or dollars as they will accept Mastercharge or Bankamericard.

By the time you read this, the Black and White Ball will be just a fond memory for our lovely CruzElena Villa, CBSC's Cholla representative to the Ball. This is the social event of the season in Penasco and Cruz, who has worked for the Cafe Ranita since it opened 4 years ago, is naturally very excited. As the oldest (at home) of 13 children who lost their father 3 years ago, these festive occasions don't come very often. We are all looking forward to seeing her all dressed up and smiling, courtesy of the club.

Until next month - Travel in peace

## HAPPENINGS AT PELICAN POINT

Marie MacGill

Some of the Veterans of Pelican Point celebrating Veterans day weekend were: Hal and Evelyn McKenzie, with house guests Bud and Jean Bonestroo, Zulma Oliviera and her sister Sandra with husband Charles Connett.. Al Owens and some of his buddies were down for a lot of fishing. On the way back from the reef, Al's steering cable broke and he had problems getting back to shore.

The Dan Dever and Rick Hansen families were there. Dan and Rick spent a lot of time fishing as did William Dunn; Clarence Allums and his guests Allie Bays and Charles Bowman.

Lou and Mary Parker, Wimpy and Jayne Jaskowiak, Elnora and Jim Westfall wouldn't miss a long weekend either.

Ray and Shirley Hemphill were having an annual celebration for Shirley's Beta Sigma Phi sorority with many house guests. Shirley was busy telling me about her interesting trip to beautiful Rome. She left on October 21st and returned the 30th of October.

I understand that John and Gladys Hoskins from Los Curces have spent several weeks in Cholla, will soon go home then return in January.. Thelma Brown is back at the Bay for the winter.. Ken and Mary Francis DeHoff have been doing lots of remodeling on their place.. Much building and remodeling at Dennis and Sarah Hohlenkamps also.. Howard and Lorraine Shourette sold their cabin #92 to Joe and Mary Reinert and have gone to visit their daughter in Germany.

Further highlights of the holiday weekend include the volley ball game on Saturday between the members of Shirley Hemphill's sorority and those representing Tom and Fran

Johnsons Tilton Hilton Tintilators. The Hilton team was the winner with the best two our of three games. Special thanks to the Cholla Bay members who assisted Tom and Fran's Tilton Hilton Tintilators: Dave and Teresa Conner, Jane Ebert, Marty and Ed Perlmutter and guests Mary and Neil Carr. If you want to play volley bal, ask Voncille Gottbreht to judge and Jack Ebert to keep score - super job.

It was party time at the Hemphills' Sat. night with a delicious Mexican dinner. WHO TEE PEE'D the cabins and cars late Saturday night?

Sunday morning was the horse shoe tournament with Tom Johnson and Neil Carr as champs. All are looking forward to next years rematch. The trophies stand for another year.

MERRY CHRISTMAS AND HAPPY  
NEW YEAR

## ANGELS OF MERCY

Sunday evening, November 11th, while driving on a new street in Los Conchas, we found a new chuck hole which claimed us as it's victims. Upon alighting from the vehicle to survey the situation, we discovered four Angels of Mercy coming along behind us. With their efforts and kindness, their van drug us out of the hole. After we were set free and a big thank you was expressed, we discovered they were almost neighbors of ours in Cholla Bay: Maida Gaefcke, Janet Wilt, Pat Sarver and Florence Nall. These four Angels are all from Avondale and are truly beautiful people.

THANKS AGAIN LADIES!  
Marie & Bill MacGill

## THE MEMBER WHO DID RETURN

As of Veteran's Day, some 25 years have passed since I first started going out of Cholla Bay, sort of a vereran in that alone. We recently purchased our 23' IMP, named her "GEDUNK" and plan to give her a shake down cruise as soon as possible.

Can't name all the fine people who have and still are helping me get launched, but I'll tell you of three. Our thanks to Bill MacGill for telling me what to expect from a boat and for going along to look at them. Then to Ed Culver, I'm still pumping his brain for info about what, where, when and how to keep afloat. I have to learn all over again how to fix leaders and to fish. Thanks also to Bill Simon, the man who broke his back to get up here and work all day rewelding our trailer to make it safe for the journey. BUT REMEMBER, each of these men has a wife and our thanks to them as well.

It was helpful people like these who have shown me what a fine club there is here in Phoenix and in Tucson. That is my reason for getting somewhat active in gathering news about "The Cholla Bay Sportsmen's Club".

Cholla fishing 25 years ago was wonderfull, just as it was on my past trip. The big ones are still there waiting and newcomers still continue to arrive, so bigger and better things await. It's called progress and that is what is happening to the CBSC.

Let's say something about another couple, Bill and Gloria Simon, they too are working feverishly to get their boat in to the salt. The GLORIA II is a 25' Chriscraft with an 8' beam. I tell you one thing, don't try to steal this one, for how in tarnation he ever got that monster through a 4' gate into a 12' backyard

has me stumped, but it's there. And should you make it that far, the dogs will get you, I know, one bit me the minute I put my hand on the boat. Restoring a boat is one tough job but wait 'till you see this one, they work on it every day.

Since working nights will make it somewhat difficult for me to attend evening club meetings, those of you who wish to pull the plug to quiet me down can do so out in the deep, for that's where you'll find me.

## TOP OF THE HILL VIEW POINTERS

Thelma Brown

October stayed warm in Cholla Bay, but there were lots of regulars present. Heat or no heat, all enjoyed.

A bingo was held at Glennis Marek's cabin, attended by 17 ladies. Next, it was at Thelma Brown's with 12 present. Bingo was then at Gladys Haskin's, 14 present. The guest lists are endless, good to have the whole group back. We missed Jane Hunziker, she'll be back from Tucson as soon as Phil gets the OK from his eye doctor. From all reports, he's doing very well.

On Halloween, the witches roamed up the hill to Betty Munro's. An unusual assortment of 36 were there for Pot luck and Party. Many came in costume, some lovely and some very funny. I think Dick Harris took the prize for the funniest costume, a sexy girl. Funny he IS - Feminine he IS NOT! Beverly Knaak was quite glamerous in a black costume and wig with special work on the eyes. Marty and Ed Perlmutter received lots of rave in their costumes as did Maya and Roberto. Glennis Merek came as an engineer in bibs.

Renee and Mary DeLathawer stopped by the first week end of November. Have a new van and a new dog. Can't make it bark or stay yet.. Virgie and Cliff Burrows entertained her nephew and wife, Dennis and Cora Lee Rhoten for 6 days.. Evelyn and John Lazar have been here for a couple weeks. Both look well, John says this altitude agrees with him.. Sally Newman went off to Hermosillo for the birth of another grandchild for her and Oscar, Congratulations!.. Joan and Charles Tully spent a week in Cholla.. Kak and Lew Place sold the back two thirds of their property to

Jim and Arlene Berry. Lots of moving going on. Kak and Lew moved into the front house. Welcome to the Bay to the Berry's.

Ed and Marty Perlmutter are working up a storm at their place. Busy, busy!.. Vida and Dave Daidson plan to sell their place due to health reasons.. Ray and Mildred Stahl, who have had a cabin in Cholla for at least 20 yrs, sold out. Ray says that when coming to the Bay becomes work instead of fun, it's time to retire. We wish you good health and happiness in Tucson.. Glad to have Don and Cora Burwell back, they plan to stay 'till Christmas.. A warm welcome to Cliff Cope and daughter, Oneeta.

Marg Jones gave a surprise birthday party in October for Alice Grijalva. Sixteen were there, hot but fun. Marg has taken off for Tucson and Vi Schmerfeldt for Winslow and California, it's quiet in their neighborhoods when they're gone.. The cabin between Busfields and Wallaces is beginning to take shape since Chuck and Betty Horn took over. Everyone enjoys having an eye-sore removed.

The hill was jumping the first week end of November. Ten ladies from Los Cruces, all except one from the offices of the New Mexico State University. Such activity! They all came in one van. Imagine those ladies going home in the same van with half the shells from Sandy Beach and Pelican Point and assorted octopus etc. A really fun group. All make the best Mexican food.

Speaking of good Mexican food, a group went to Hector's Cafe to celebrate Ruth Bolls' 73rd birthday. Many more, Ruth.

The same week end the 10 from NM were at #224, there were many young people at Wallades and Horns. So long since there were lights at so many cabins on the hill.

Some of the birds at the feeders are: all kinds of sparrows, finches, thrashers, cactus wrens, cow birds, meadowlarks, and road runners. "Manuel", the big black Raven, comes by. He says "Hello", mimics "How are you?", "Agua". He loves tomatoes and fruit, what a lovely bird. I wish the children weren't so mean to him. He's a trusting soul and brightens everyone's lives. It's exciting to see the Ospreys fly by carrying fish in their claws. Seems that there are more this Fall than ever. At sunset they're sitting on so many of the aerials.

Since there are fewer dogs roaming, we now see rabbits, little prairie dogs and even an occasional cat.

Happy Holidays to all!

Phil Hunziker, recipient of the first annual Al Scott Memorial Trophy for service to the Cholla Bay Sportsmen's Club. With Phil is his lovely wife, Jane, at the Tucson General Meeting.

## PHOENIX CHAPTER GENERAL MEETING

Marie MacGill

November 13th was an enjoyable time for all who attended the club meeting. Now that the holidays are drawing near, more and more people are joining in the fun. Attendance was around 75 and there wasn't a dull moment during the entire evening.

New members attending were John and Marilyn Robson of cabin #324. James E. Berry and son Jules. Mrs. Berry couldn't make. Their cabin is #237A. No boat name as yet.

Nancy Schoonover was a guest. Nice seeing Fred Nemeth at the meeting. It was good to have Harold and Betty Painter and of course Bob and Velma Fulton with us.

Trudy Murphy was bubbling over with joy about the birth of her grand-son, Daniel Edward Lee Krebs, who arrived October 28th. She'll have him clamming and fishing by the time he can walk.

It was mentioned by a member that swearing and foul language are being used over the CB radios and that not only is it unnecessary, it is also against the law.

Everyone enjoyed a fine time at the club picnic on November 3rd. Members brought over eighty children, most of whom participated in the games. Joan Vanover was telling of the funny sight it was when her little five year old grand daughter, Amy Soles, read her age had been shown as seven. She marched up to Jayne Jaskowiak and make it very clear that she was only five and had it changed. She also won a silver dollar.

All had plenty of fine food and drink mixed with a good deal of fun, thanks to the efforts of Lew Fraizer and his many helpers.

~~Lou and Mary Parker and Jayne and Wimpy~~ 31

Jaskowiak attended Tucson's November meeting. Phil and Jane Hunziker were also there. Wimpy brought back a BEAUTIFUL afghan and a hook rug wall hanging with the club emblem, made by Ann Faulkenberry's mother. These two items along with a gallon of rum will be raffled off for three consecutive months at both Tucson and Phoenix chapter meetings. Proceeds will go to the 1980 Christmas fund.

Wimpy reported on the progress of this years Christmas Party. They have a lot of clothes but can still use more food and toys.

Sorry that so many of us were not aware of the passing of Roma Blunk and George Rodger's Mother. We all extend our deepest sympathy.

We could still reach the 1000 mark for club members for 1979, 37 members would do it.

Many people are anxiously awaiting the annual Black and White Ball in Rocky Point on November 24th. Kathy Conner will represent the Phoenix Chapter. Lots of Luck Kathy!

All agreed that Betty Woodward is doing a fine job editing the Cholla Chatter. THANKS.

Door prizes were: T-shirt to Mary Reinert, Red sailfish Fanny Flag to Fran Johnson. The Christmas raffle went to Shirley Marotte, a hand made floor lamp plus a mystery bag with a bottle of booze, key chain and a Cholla decal among other things.

Until later, keep smiling and have the Greatest Christmas and New Year yet.

REMEMBER, bring your canned goods to your December general meeting.

 TUCSON GENERAL MEETING

Hello to all - We had a very good November meeting. There were a lot of new faces in attendance and many old friends we had not seen for awhile. We were pleased to welcome new members James and Marilyn Sullivan, Paul Arvalo and Peter and Judy Bergard. It was also good to have some of our Phoenix members as special guests. Lou and Mary Parker, Lou Frazier and Wimpy and Jane Jaskowiak came a long way to update us on the Christmas Party. Thanks Folks. We Also had many Guests, not all of whose names I caught. It was good to see Mrs Heinz, Bob and Helen Bos, Charles and Mary Moore and Helen Gilbert. We were especially glad to have Phil and Jane Huniziker in attendance. Phil was officially presented the Al Scott Award for outstanding service to the club. This was an award very justly deserved. To Chuck Dernberger we say thank you. The program he presented was as good as promised.

Voting took place on the amendment to the by-laws that would allow the formation of an audit committee. The amendment passed unanimously and, assuming the amendment is approved by the Phoenix chapter, Mary Brown and Sarah Holenkamp were nominated to fill

this committee for Tucson.

Pete Peterson opened nominations for Tucson chapter officers for the 1980 term. Those accepting nominations were Ken Kasten for Vice-President, Peggy Drake for secretary, Irene Drake for treasurer and Gene Reid, Pete Peterson, Dennis Holenkamp, Dr. Heim, Bill Drake and Annie Faulkembury for the Board of Directors. Balloting will be held at the December Meeting. Nominations will be accepted at this meeting with the election to follow. We hope all of our membership will attend and support the candidates of your choice.

Wimpy and Jane reported on the progress of the Christmas Party. There will be 173 children and their families to supply with gifts and food. They are in need of volunteers to haul things to the bay and anything you wish to donate in the way of toys (especially for boys age 13 to 18) and food would be greatly appreciated. Thank you Wimpy and Jane. Everything seems to be in good hands and under control.

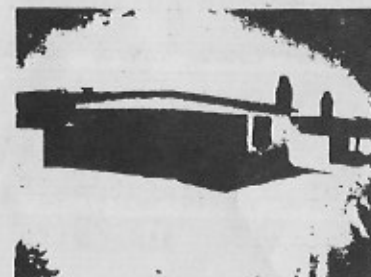

Our December meeting will be a Pot Luck. We will also have a keg of beer for those who wish it, and a raffle for some lovely gifts. Please join us and enjoy the festivities and cast your vote to boot.
