Happenings Around Pelican Point

The cold wind and rain had to get into the act during the Christmas Holidays, but it didn't do too much to stop the parties. The only thing that did play havoc with some was the nasty colds that put a damper on some of the fun.

Christmas Eve, Walt and Betty Horton were hosts for a lovely dinner and party at their place. Guests included Tom and Dorothy Sharp, Butch and Ethyl Heldt, Ralph and Phyllis Smith, Rev. Richard Costigan, Horace and Joyce Hitchcock and Doug and Lee Cashion.

Vi Schmerfeld baked a big turkey and had about thirty guests that brought covered dishes of all sorts of goodies for a real feast. There were parties all over the place, too numerous to mention.

Butch Heldt is now a Crusher and a collector of aluminum cans. They are to benefit the El Zaribah Crippled Children's Hospital. He will have a container built for them in his yard at Cholla Bay, but in the meantime if you have aluminum cans at Cholla Bay, would you please toss them over his fence and he will be glad to pick them off the ground.

Robert and Christine Ehle from Cave Creek bought Will and Betty Williams cabin (No. 41C). Their boat is the "Plumbob". Will said they are going to join the club. Welcome Aboard Mr. and Mrs. Ehle.

Our Club's secretary, Mary Parker who has just recently retired after twenty one years with the Tempe Elementary School District, just thought she was retiring. She has now gone into business for herself. Her shop is called "Mar-Lin of Arizona". Her speciality is outdoor gear, such as Bags, Cases, Jackets "In CAMO" and Upholstery of all kinds. If you need something in this line (She is good) she would appreciate a call from you at 966-8922.

I understand that Jody Malicott has now retired and that she and Hubby Ron spent the Holidays at the Bay, and of course you know

what they were doing. Those "darned little ATC's" nagged, nagged them so much that they had to take them out for a big ride. I understand Joe and Mary Reinert and Betty and Chuck Woodward had the same trouble with their ATC's.

Please don't forget your covered dish, silverware and drinks when you attend the "Chili Dinner" at Gus Brown's Plaza February 16th. That's a long holiday.

So, long and Happy VALENTINES!

PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

The first meeting of the year started out with a packed house. Thanks to all of the new members and guests for coming. Everyone seemed to have a really fun time.

George Rodgers led the pledge of Allegiance to the flag, then everyone introduced themselves, which was fun as always. The secretary and treasurer's report was not read, however it was on the table for viewing for anyone that cared to see them. Ship's Stores had some good bargains, especially on Tee-shirts and bumper stickers.

Mary Reinert acted on behalf of the new editor Sharon Olsen. She said all of the Chatters were mailed on Monday, January 7th. Sharon was in San Diego taking care of her mother, Virginia Palmer, who is ill. Virginia, hurry and get well and come back to visit us. Mary and Joe Reinert sent the Chatters out due to Virginia's illness. Don't you think Sharon did a great job on her first issue?

Butch Wilda had the cast removed from his broken leg. It was reported that Berta Ford formerly of cabin 91 and a long time member until about two years ago passed away on December 23rd from a massive stroke and then a massive heart attack. I'm sure most all of the old-timers remember the Fords from so many years back.

María Ríos of Cholla Bay was at the meeting with George and Maxine Rodgers. A little boy on an ATC hit María's son Renee while he was standing between the ice house and his grand mothers place, and injured him rather badly, breaking his leg, and nose and fracturing his ankle. He was brought to the John C. Lincoln Hospital in Phoenix where he is recovering. Now that he is better, María is staying with the Rodgers when she isn't at the hospital, until she takes him back to Mexico.

Billye Wilda said that the Phoenix Chapter has only 914 members at present time. Lots of people have moved and did not leave a forwarding address; therefore they did not receive their Chatters or mail.

After old business we had a recess and then the new officers took over. Our new president, Fran Johnson presented outgoing

President, Joe Blunk with a beautiful plaque with a gavel. This brought a standing ovation for the fine job that Joe did for the year of 1984.

Texas Joe and Denver John of J.J.'s Cantina are doing a great business and for good reason. Besides being a real fun place to go they are contributing to the community. I understand that on "New year's Eve" they charged \$1.00 cover charge to about three hundred people and donated that money to the Deaf and Blind School. They have also raffled off fifty pounds of shrimp and donated the proceeds to the children of Cholla Bay. The proceeds from the J.J.'s Cantina January 26th races will be donated to the Cholla Bay School.

Mrs. Daryl Hardy said that she thinks they should have a library at Cholla Bay, and the school should have some play-ground equipment. Mr. Hardy said that with a carpenter, he could build one. Cholla Bay also needs a podium with speaker. Nub Moore said that he could make sure one was made. I understand the rest rooms at Gus Brown Plaza are completed except for hanging the doors.

George Rodgers told us about all of the excitement with the little children when they saw Mr. & Mrs. Santa Clause at the Cholla Bay Christmas Party. On Sunday on the way home they stopped at the houses just before the railroad tracks and Santa gave candy and toys to the little children and they were very delighted. Then just after the bridges they stopped at those houses along the road and Santa gave them candy and toys, and they were excited and happy. From there they went to the Happy Farms Orphanage at Sonoyta and Santa was still giving out candy, toys and all kind of goodies much to their delight. Santa and his crew also stopped at Organ Pipe and had a picnic. I think after all of that excitement they had worked up a pretty good appetite. From there, they came on to Phoenix.

We all "THANK YOU", Manny and Mercy Pantoja, Mr. and Mrs. Santa Clause for all of your kindness in making so many people so very happy.

Billye Wilda said she is getting tired of just asking for recipes for the cook book she wants to put together, so now she is going to get hostile about it. So PLEASE, PLEASE turn your recipes in to her.

Door Prizes were won by Mary Parker, a tube of tire patcher and two tooth brushes. A charcoal grill was won by Roma Blunk. Fran Johnson won a certificate for dinner for two at Hunan Restaurant at 1517 E. Camelback Rd.

Most people stayed after the meeting to hear the tape that Glen Davis sent from Hawaii to Will Williams. They were telling about their Christmas, and about having Shrimp instead of Turkey for their Christmas dinner. Glen said he went swimming, I think it was on Christmas day. From the conversation, I think Glen has lost a lot of weight. They will return to Cholla when the weather gets warmer.

Please don't forget the "Chili Dinner" of February 16th at Cholla Bay. Tickets are \$2.00 and reservations should be made early.

CHRISTMAS PARTY

There were many hardworking, caring Cholla Bay members and others who helped with the Mexico Christmas Party this year. All the people who attended the party on December 15th, and saw the happiness and joy in the childrens faces, know that this is truly the real meaning of Christmas.

The work involved in giving the Mexican families this party began months before with a great deal of time and thought given by Wanda Lee, who was a fantastic Co-Chairman, myself and others.

Santa and Mrs. Claus, Manny and Mercy Pantoja, were wonderful as the children sat on Santa's lap, told him what they wanted for Christmas and were given candy canes.

This year we had two piñatas, donated by Vasquez Liquors, which we filled with candy. The boys and girls took turns batting at the piñatas which Victor, our policeman, kept moving up and down. Victor, by the way, had a better time with the piñatas than some of the kids. Victor, you did a great job.

The Mexican children entertained us all by showing us their dancing abilities. The childrens dances were organized by Lola Leon who also provided punch for the occasion.

We had eighteen bicycles and four tape recorders that Augustine Leon raffled off to the lucky winners. There are quite alot of happy children peddling bicycles around Cholla Bay now. The bicycles were all donated by members and restored and repaired by Lou Bock and son Chris.

Boxes full of canned foods, candy, rice, beans, potatoes, fruit and lard, along with toys and chickens were given out to each family. These families were so very appreciative which makes the giving so gratifying.

The weather, which was gorgeous, was just another plus on this wonderful day.

On Sunday morning, December 16th, a caravan of autos carrying people including the Santa Clauses took off to the orphanage making two stops. The first stop was at the homes on the road to Cholla at the railroad tracks. Santa and Mrs. Claus visited the children while boxes of clothes and toys were given out.

The second stop was at the homes at the bridges. The families and children were so excited to see us and especially Santa. These families were also given clothes and toys. The children were thrilled with the balls and stuffed animals.

The caravan then left for the orphanage, first stopping to pick up another piñata donated by Vasquez Liquors.

Our hearts were warmed by the loving welcome given us by the children of the orphanage. After each child spoke with Santa and Mrs. Claus, they showed us their graditude by singing us a meddly of Christmas songs in their auditorium. I will always remember their sweet voices and tender smiles.

After their performance, the children took much enjoyment in batting at the star-shaped piñata.

We left the orphanage with food, clothes and toys. I believe the children gave us so much more though, in our hearts with their innocent love and thankfulness.

Christmas is a time of peace, joy, love and sharing. This is what Christmas was meant to be and we all shared it together this year with our best friends and neighbors-Mexico.

Our sincerest thanks to all the people who gave their time, hard work, donations and love to the Mexican people. If I fail to mention someone's name, I am very sorry but we had so many of you good people helping us this year.

"A CHRISTMAS TO REMEMBER"

BY
LOU BOCK

I remember when I was five or six years old and Christmas was just around the corner. There was a feeling of warmth and excitement and Dad and Mom saying you had better be good because Santa is checking his list. We used to go to friends homes to shake presents and try to guess what was inside. We would wonder how Santa was going to show up when there wasn't a fireplace. We would string popcorn for the tree and count the days until Christmas.

Now that I am almost forty years old, I still count the days, but not in the same way. Christmas seems to be so commercialized that I can't wait for it to be over.

BUT WAIT!!! Shelly was head of the Christmas party in Cholla Bay and the orphanage in Sonoita with the help of Wanda Lee, and all of a sudden it was like being five years old again. People brought gifts and donations to help the needy and put a smile on a child's face. Oh, I could hardly wait for the party to see the kid's faces when they received their presents, broke the pinatas and rode off on their new bicycles.

Santa arrived in Cholla and the children came from unknown places just to see him. It seemed like the line of kids was never ending with Santa Claus and Mrs. Claus handing out toys and candy. The place was full of smiling faces including all the helpers.

Oh God! This had to be Christmas, for it made all of us feel so good to give.

Shelly and I want to thank all the people who helped and donated many things for the Christmas party.

I know how much the families and kids enjoyed Christmas this year and it happened because of you. We thank God, Santa and Mrs. Claus, Manny and Mercy Pantoja, and all of you for the support you gave us to make this party a truly special one. THANK YOU.

SEARCH & RESCUE

CHOLLA BAY RADIO OPERATIONS

The radios operated by the Cholla Bay Sportsmen's Club are essential to providing for effective communication and boating safety in the Puerto Penasco area. It is important that the radios be operated in a manner which meets the needs of our users. Frequently, especially on busy weekends, conversation on our primary frequencies is so heavy as to jeopardize their effective use for handling normal boating operations and ensure safety needs are met.

In the event of an emergency when time is of the essence, the radio is often the only way to "sound the alarm" and obtain needed help. For this reason we ask that you monitor our safety and calling frequencies and use them to make initial contact with your party, then unless your conversation is with Cholla Radio, SWITCH TO ANOTHER CHANNEL FOR CONVERSATION!

Listed below are the channels in use by Cholla Radio:

<u>RADIO TYPE</u>	<u>SAFETY, CALLING & EMERGENCY CHANNELS</u>
CB	3 & 9
VHF Marine	16 & 26
AM Marine	2182

You will note that the safety and calling channels are AM Marine 2182, VHF Marine 16 & 26, and CB channel 3. As in the United States, CB channel 9 is for emergency use and should be used for that purpose only. Channel 9 is monitored by both Cholla Radio and the Mexican agencies.

REMEMBER, it is important that our safety and calling channels remain as clear as possible if we are to handle normal traffic and emergencies effectively. After making your initial contact on a safety and calling channel, switch to another channel for conversation with other than Cholla Radio.
