TUCSON CHAPTER NEWS

By: Jonnie Ahrens

What a Happy Valentine Meeting we had. Our new location - The Depot on Ft Lowell was charming. The food and atmosphere were excellent.

We had quite a few members and visitors from Casa Grande attend the meeting. Quentin and Mary Coxon, Mr. & Mrs. William Masters, Mr. & Mrs. Vincent Bianeze and Jeb Coxon. We enjoyed your company and hope to see you again soon. We also had many of our new members present; Dane and Sandie Smith, Steve and Cindy Boyd, Richard and Shirley Weichert, Harry Moore, John and Beth Powell and Darrell and Bridget Gates of Denver, Colo.

Nonie McGibbon brought her slides and we had a very informative program on sea life at Cholla Bay. Nonie talked about Octupi, Hermit Crab, Sea Worms and many species of algae. Also a tip about weather forecast - if the mountains behind Black Mountain are misty or you can't see the outline - the wind will blow. As soon as you can see the outline the wind will stop.

Shelly Bock is our Christmas Party Chairman, working with Al and Wanda Lee from Phoenix, lets start early and give them a sot of support.

Benny Vasquez told this reporter that we were allowed to take 5 pounds of shrimp per person across the border - anymore than that and we would be risking problems.

Patty's mother called me to relay a message of thanks to everyone who aided in extinguishing the fire in Cholla.

Our door prize winners were:
Marilyn Childers - Tide Calendar
Ann Seavers - Cold cup holder
Alan Peterson - Money clip

We had some huge lemons, larger than grape fruit, donated for prizes. Winners were:

Peggy Drake
Greg Skwiat
John Christian
Sarah Hohlenkamp

PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

It looks as though the club is getting off to a good start for 1984. We had another packed house at the February 8th meeting, with several new members and guests. Lou Terry was a guest of Stan Christian. Ray Armstrong was a guest of Art Rosenlof. Art and Ray were old fishing buddies in Kino Bay. Don Dragon, member of about three months joined us. Mary Mangino and sister Dorothy Vercruyssee were there and others whose names I didn't get. We all want to thank you for coming.

We started out as usual with George Rodgers leading in the pledge. There was lots of laughter when introductions were made, with so many of us to get acquainted. The Secretary and Treasurer made their reports. Mike Kemper of Ship's stores told us what he had for sale. Al and Wanda Lee were selling shorts that had been donated to the club, proceeds of the sales will go to the Christmas Party Fund. They were busy at one end of Ship's Store booth.

Billye Wilda said that were just short of 1,000 members by 104, hopefully we will reach the thousand mark before the end of the year. Search and Rescue reported all was well on the Sea. Mary Reinert said that the Chatter had been mailed. Hilda Erkert of Sick Bay reported that Mel Jarvis was in the Hospital for some surgery. We wish you speedy recovery Mel.

We also send our sympathy to Les Ormsby and family on the loss of his father.

Glen Davis is in charge of the Fishing Derby again this year. The Derby will be the first week-end of May 4,5 and 6th. A big steak fry will also be on May 5th. BYOB. The last week end of May which is the 25th,26th and 27th. The Fish Fry will be Sunday May 27th. Lets all go and support our club. Remember the ATC will be raffled off at the Fish Fry. I would suggest that you hurry and get your tickets in for the Raffle as the time is fast approaching. We need to make this event a great one.

Speaking of raffles, Sr. Gus Brown has donated 1 year free rent. This raffle is only for Mr. Browns tenants. Thank you Mr. Brown for your kind generosity.

Vice President, Fran Johnson said the date for the fall dance has been set for September twenty ninth. More details will be given later.

Butch Wilda of Search & Rescue showed slides on fires and fire extinguishers, and told us what and what not to do to fires. He said that since our fire policies are written in Spanish that we should possibly have some one translate them for us to find out what might void our coverage. Butch, we really appreciate your kindness in taking the time to tell us about these things. THANK YOU!

The Club members and residents of Cholla Bay want Pattie and Ramon to know how much we thank them for their kind service, especially on the last two fires at the Bay.

Dr. Tom Johnson has donated a pump that pumps 2,000 gal of water to the club. He has left it with Augustin at the Bay. Thank you Dr. Tom.

The meeting came to a conclusion with the drawings on door prizes and Christmas Raffle. Mary Reinert for the Christmas Raffle won a reproduction of Noel Jordan's drawing in color. Kathy Wildman also won Noel's drawing. A quilt made by Helen Mallicoat of Wickenburg was won by Pat Cooper. Joe Reinert won two bottles of Balance Plus, donated by Lew Frazier. A Tee shirt was won by Betty Woodward. A dinner for two was won by Marie MacGill at Hunan Restaurant, 1575 E. Camelback Rd.

As once said, May there be only enough Clouds in your life to make a Beautiful Sun set.

was had by all at the CHILI feed down at the Bay on Sat. Feb. 18th. Billye and I learned a lot about how to fix 50 lbs. of beans with 40 lbs. of beef, etc. It will be easier next time.

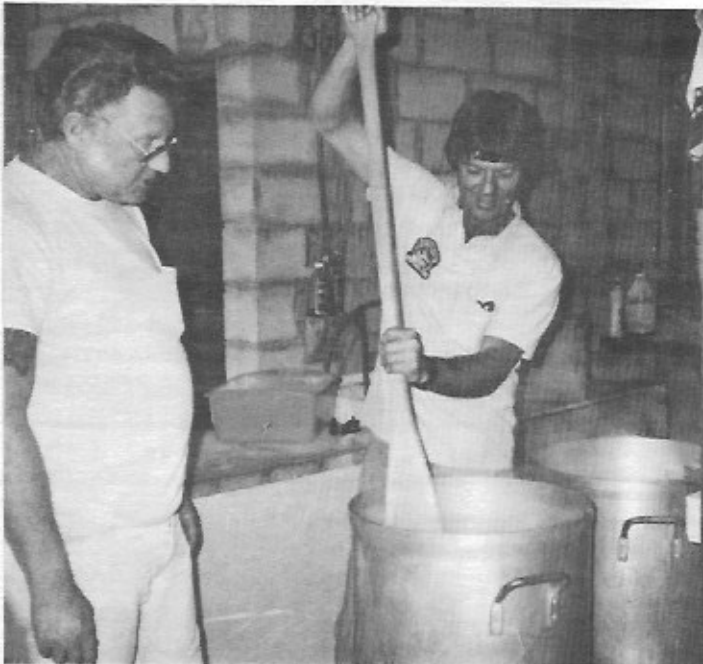

Many thanks for the help from Ellen and Bill Coughlin, Betty and Chuck Woodward, and Bill Beam. Also to Joe Reinert and Pete Peterson for lights and sound and to the rest of you who pitched in.

Glen Davis was there raffling as usual. A nice VHF portable was won by Stevie Rohr and more tickets were sold for the Honda 125M to be given away at the Fish Fry.

After we purchase a hand-held "Bull-horn" for future use by the Club, the remaining monies from the 260+ tickets you folks graciously bought will be put towards building some restrooms at the Fry Shack.

Received a "Thank you" from the donations that were made while the students from the Catholic Church in Penasco danced at the Chili feed. It is going towards a new roof on the Church.

HAPPENINGS AROUND PELICAN POINT

By: Marie MacGill

Some people have all the luck, as the saying goes, especially when they can spend as much time at Cholla Bay as they like - at this time of the year when the weather is so beautiful.

Grady Hendricks, who sold his lovely place on the point to Tony and Elaine Rimsza, has been spending some time at the bay in his nice mobile home. Once you get the bug it's hard to stay away. Ralph and Phyllis Smith of cabin 450 are building a nice house on Pelican Point. Nub Moore and Stevie will be the sole owners of cabin 450. Hal and Evelyn McKenzie spent the last week-end of January at their nice retreat on the point. Our neighbors Bill and Judy Peck went to the Bay the last week-end of January to do some work, but I think those little Red ATCs kept calling.

Saw Ed Miller and friend John Fallgater, devouring some delicious fish with Rene Munro, at the Friendly Dolphin in town. Ed and John have been fishing buddies for years, and they came to catch another big one like the one Ed caught a few days back, so you see there are still fish in the sea.

You should have seen the big Black Sea Bass that Bob Pennington caught the last week-end of January. It only weighed 166 Pounds.

The last week-end of January a house next to Ray and Shirley Hemphill, suffered considerable damage to the interior from a fire. Then a few days later Ron Hoffman and Dave Arnett's houses both burned. Our sympathy is with them.

By this time next month the Chili Dinner will have passed, and we hope to have a report for the Chatter.

Until next time, take care, and may the warm breezes soon caress you.

¿QUE PASA AT BORRACHO FLATS?

By: Ed Perlmutter "Sir Veza"

Finally, everthing is back to normal in Cholla. The Heldts, Burrows, Hortons, Mauds, Huletts, Larsons, Smiths. Stevie Rohr and many others are back for the winter season. It was fun relating our summer experiences to each other.

Ralph and Phyllis Smith have finally started their dream house on Pelican Point. According to the plans it will be one of the Show Case Houses of Cholla.

Cholla Bay now has three six seater beach buggies and they call themselves the Six-Packers. All owners and riders bought identical jackets, the kind that the sleeves unzip, and they are all proud as peacocks of their individual buggies. One of the many trips together was to the Second Estuary, sometimes known as Gillespies. In Bucky and Glenda Mauds buggy were Bruce and Jane Beidler, in Ralph and Phyllis Smiths buggy were our newly wed couple Tony and Elaine Rimsza and in Howard and Norma Larson's buggy were Grady Hendrix and myself. It was a beautiful, clear, warm day with light breezes. We fished, shelled, snacked, napped or whatever your heart desired. A wonderful relaxing time was had by all. Two weeks later another trip, this time to the First Estuary, known as Espinosas Estuary. Glen and Dorris Davis were with the Mauds, friends of Miggs and Marge Dumas were with the Larsons, Miggs and Marge in their own rail and Gene and Shirley Reid in their newly acquired VW thing. While there they visited the new Oyster Farm, this new business venture is tied to the old sunken ship near the First Estuary. They decided to try the raw oysters--except Norma Larson and Marge Dumas who chickened out or should I say they couldn't swallow the idea. (No more puns, I promise). While this was going on they noticed a man swallow five dozen raw oysters and of course the conversation turned to his love life. Need I say more! The Reid's had a ball with their new toy, the VW Thing.

About the middle of January we saw at least 15 pongas in the Bay piled high with mackerel. It was a sight to see. While on the fish subject, Bob and Phyllis Pennington on board Penny's Pride, went fishing not too long ago, and Bob caught a 167 pound black sea bass plus a couple of small grouper, about 45 to 50 pounds each. It's nice to see that there are still big fish out there besides rock bass and trigger fish.

If it hadn't been for the heroic efforts of a few people and the Grace of God, by not having the wind blowing, the fire we had in Cholla Bay could have destroyed a good part of our town. The Dave Arnetts and Ron Hoffman's cabins were totally destroyed. Flames actually shot into the air about 30 or 40 feet. All three of Ramon and Patty's water trucks plus Pablo Pineda's water truck were at the scene pouring water on the fire. Ramon and his truck drivers, Chavelo Villa, Lupe Felix and Ramon Jr., were constantly endangering their lives to keep the fire from spreading. Victor Topete, the boat launcher and Nopal, the handyman, Manual Arviso, the fishing guide were right in the middle of things, lending a hand wherever needed. Wally and Rojo were kept busy towing cars and boats away from the burning buildings. Martin (Martine) Taylor constantly wore a water soaked blanket over his head and body went into the burning buildings to keep the fire from spreading. The people of Cholla Bay owe these people and others who helped, a vote of thanks and God Bless you as you truly saved our town.

Our Search and Rescue teams were working again, this time it required many vehicles to resolve the situation. Wally Schmerfeld was called to help pull out a car that was stuck in the first estuary, south of Black Mountain. Seeing that he couldn't do it by himself, he called for help, and this is how it finally turned out. Wally hooked on to the car that was in trouble, Rojo hooked onto Wally's jeep, Bub Allison hooked to Rojo's jeep, Bob Pennington hooked onto Bub and Lew Frazier stood by in case they needed more help. This is what I call cooperation that all of us appreciate from our Search and Rescue Team. They are the greatest!

The Cholla Boat Yard is expanding their business which now includes scuba tanks filled, renting of surf casting and heavy tackle equipment, wet suits and usual information about fishing conditions. Good luck fellows!

There was a break-in not too long ago by a young man from San Luis. Our local Policia apprehended the young man, returned all the belongings to the proper cabins, and took the culprit to jail. Many thanks to Victor and Augustin. Question; Do you guys ever sleep?

For twenty years I've been trying to hitch an airplane ride over Cholla Bay and surrounding areas and sometime this week, 2/20 - 2/25, I get to do it in a Cessna 310 aircraft with Ralph(Lucky Tiger)Smith as pilot. I'll describe this event in the next issue of the Chatter.
