TUCSON CHAPTER NEWS

By: Jonnie Ahrens

Yours truly is flying over Texas on American Airlines at 37,000 feet on the way to Ponca City, Oklahoma. A great place to write a column.

Our meeting as usual was very informative and a lot of fun. About twenty of us met for dinner. The Depot has terrific food - from prime rib to wonderful crisp salads. Come join us.

Lou Bock assisted in a rescue of a boat missing from Friday until Sunday. Happy to report that everyone is safe and none the worse for wear.

Tickets for the Big Ten and Mini Five are available and donations for the Fish Fry are being accepted. Please contact Joanne Dernberger - 298-6058. Also if anyone has any cargo space to carry supplies for the Derby, contact Gene Reid - 326-1090.

Our Fishing Derby is May 4th,5th,6th - 25th, 26th and 27th. It was announced that on the Jackpot drawings, you must be present to win all prizes except the cash prizes. It is too difficult to get the prizes to the winners. Also pay for your fishing permits in Pesos and be sure to get a receipt.

If you have anything to raffle for the Christmas Party Fund or any donation, please call Shelly Bock at 298-8640. We can't start too early to have a successful party.

Did you say shorts!!!! Lynn has all sizes and colors at \$2.00 a pair. What a bargain! She has hats, can crushers, logos and lots of goodies in Ship Stores.

Alan Peterson reported the radios are in good shape. Wife Shirley has a mysterious pain in her ankle that the Drs. can't diagnose. Hope she throws the cane away before the next meeting.

Carolyn Cranney paid Mexico, Augustine, and Cholla Bay Club members a moving tribute for being so compassionate and helpful to her on the untimely death of her son Torry. Carolyn and family attended our meeting to tell us of their feelings.

We will be looking for you at our next meeting. We guarantee good fellowship.

Goodbye for now, see you April 10th. - 3 -

SEARCH AND RESCUE

Chairman: Lou Bock

On February 24th, around 5:00 P.M., a boat was reported overdue. The boat was last seen at 2:30 P.M. at the 18 mile reef heading back to Cholla. Augustine tried to reach Jim Wade, the missing boat captain, by marine radio 2182, several times with no response.

Martine Taylor went to a high spot by Pelican Point and started scanning the horizon. About 7:20 P.M. he saw a light flash about 15 miles out on a 230 degree heading. Martine and I, with Rojo directing the search from the radio shack, launched our boats. It was a moonless night and after several hours of dodging shrimp boats in the pitch black the search was called off.

After we arrived on shore, Wally and I went to Ralph Smith's home to ask him if his plane was available for the search. Ralph said yes and he would be ready to fly around 6:30AM the next morning.

Saturday morning Ralph, Wally, Bob Thomas of the Phoenix Republic, and I left to search for Wade's boat. Ralph said that there was no available gas in Rocky Point so he only had 1½ hours of flying time for the search and that would leave him enough fuel to fly to Nogales for more fuel. As we flew a search pattern over the area that Wade was last seen we saw nothing but pongas and shrimp boats. We returned to the airport and I told Augustin to alert all shrimp boats and any other boats that were going fishing. Also, La Playa De Oro was notified and any boats launched from there would be on the lookout.

At 9:30 A.M. I launched my boat with Hector Munro and Bob Thomas on board and headed towards the sand dunes. The winds picked up so we returned.

About 12:30 P.M., the commandante of the airport called on the radio and said there was another plane available with approximately 1½ hours of extra fuel. The pilot Dr. Aranoff, his friend Dr. Hippert and I flew towards the double dunes as Bucky and Glenda Maude, Ralph and Phyllis Smith, Wally and others headed by land towards the shell cliffs. Again, no one saw anything. We all then returned to

to Cholla for a meeting about the search.

Bill Funkhouser told us that he had a contact in Phoenix and he would be able to get us enough available gas to continue the search. Ralph said he had enough gas for 1½ hours of flying and we should explore the Bird Island area. Ralph, Ed Perlmutter, Wally, Bucky and I headed south and saw nothing but more shrimp boats and pongas. The search was called off for the night.

When we returned to Cholla, Bill told us that Pierce Aviation would have 175 gallons of available gas in Cholla that Saturday night.

Early Sunday morning, Wally was on the VHF saying the gas was in Cholla and they were going to fuel the airplane. Ralph, Wally, Rojo, Jim Pierce, Bucky and Howard Larson flew up the shore line towards El Gulfo. As they were returning to Cholla, Jim Pierce saw a white object in the water about 12 miles out of Cholla on a 240 degree heading. It was the missing boat. Bucky said there were six grown men crying for joy in the airplane. The plane then returned to the airport to refuel.

Martine with Victor Manuel and I with Bill Funhouser and Bob Thomas launched in foul weather to rescue Wades Boat. We were about six miles out when Ralph's plane flew over and lead us to Wade's boat. When we reached the boat, we found everyone in good health and crying with happiness. Later we found that Friday, Wade headed towards the dunes by accident and ran out of gas. His battery was dead so his radio did not work. Saturday as the wind came up, he started dragging anchor and drifted south until we found him Sunday. We arrived in Cholla, where a large group of people welcomed Wade and his two companions home.

Thank you Ralph Smith for the use of your plane. It would have been impossible to locate Wade without your help. Also, thank you Wally, Rojo, Martine, Augustin, Ed Perlmutter, Bill Funhouser, Bucky Maude, Hector Munro, Jim and Boyd Pierce, Dr. Aranoff, the people in Cholla Bay and La Playa De Oro and the Mexican rescue(shrimp boats), for this search would have not been possible without you.

A very special thanks to the wives and girlfriends of the people who participated in this search as they saw very little of us during the three day search.

Thank you God for answering our prayers as many were said Saturday night.

From what I can hear the weather at Cholla Bay has been beautiful as always this time of year.

Von Gottbreht had just returned from there with a beautiful tan. Jim and Sharon Olsen were going to the Bay on March 16th and taking Sharon's mother Virginia Palmer from San Diego to do some fishing and get some sun for about four days. Last month Jim and Sharon were fishing on one of the small reefs and caught so many fish that they had a party and a fish fry with Al and Wanda Lee and Al's aunt and uncle.

Ralph and Phyllis Smith are at the Bay overseeing the building of their new home on Pelican Point. Floris Hickman and daughter Jill who is on Spring break are spending a few days at Cholla.

Hal and Evelyn McKenzie spend every moment on Pelican point when they get a break from school. Grady Hendricks has left Pelican Point for awhile and will be going toward the east for a visit.

Will and Betty Williams have purchased a nice home on the water at Cholla Bay. It is cabin 192. They are selling their furnished cabin #41C if anyone is interested. Thank Goodness they are not leaving Cholla. They would be missed too much if they left us.

Please remember your reservations for the big Steak Fry on May 5th must be in by no later than April 14, 1984. Sharon Olsen is chairman of this affair and can be contacted at 1133 E. Concorda, Tempe, Az. 85284. Phone: 967-4495. Its really a fun time, so hope you don't miss it. Bring your covered dish, utensils, tables & chairs and BYOB. Dave Bennett and Nub Moore will cook up a storm for you.

Until next time have a beautiful Spring and a Happy Easter!!

PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

We had another packed house at the March 14th meeting with several guests and new members. Billye Wilda brought her father Bill Stroup who is a new member. Bob Hayes and JoAnn Kuster were among the guests plus several others. Al Sussex and wife were with us, and Thank goodness Al has thrown away his crutches from the injury of the thirty foot fall. It was nice having Mr. Ed Erickson of Erik Rod Shop with us. We hadn't seen him for awhile. Thanks to all of you for coming, and please hurry back.

After the pledge to the flag, we had our usual fun time with the introductions.

Mary Reinert took the minutes for Secretary Jackie VanNortrick who was ill. The rest of the officers were absent except President Joe Blunk, but that didn't keep Joe and Mary from doing a fine job.

Mike Kemper of Ship's Stores was selling all kind of goodies. He had the nice shorts that were donated for the Christmas Fund for sale for \$2.00 each. Jackets were as much as half price on some. At the next meeting he will have all kind of nice books that will be pertaining to Sea Life and the Sonoran Shores. They sound very interesting.

Billye Wilda of Membership reported 907 members for the Phoenix chapter. Search and Rescue wants to thank all of the people that assisted in trying to find the lost boat last month. Butch Wilda said that on Saturday April 14th they will have two boats actually lost on the Sea of Cortez, and that Bob Allison, Chuck Woodward, Lou Bock and Martine Taylor will have their boats out for the search. They will need approximately 24 volunteers to help in this MOCK RESCUE. Please contact them if you can help. They all need this training. Hilda Erkert of Sick Bay did not have a report, so all must be well.

Roma Blunk is still in charge of selling Raffle tickets to Mr. Gus Brown's Tenants for one year free rent to the winner. Thanks again Mr. Brown.

Our President Mr. Joe Blunk said that it is a must that we get a good fire fighting system at Cholla Bay. Those dedicated hard working people at the Bay must have some good fire fighting equipment. You can't fight fire with only toys.

Joe also said he has had some complaints from people about getting Boat Permits, so please get your permit in writing, and if you have any other complaints report them to him or one of the other officers.

Please don't forget to send your five dollars (\$5.00) to Sharon Olsen at 1133 E. Concorda, Tempe, Az. 85282 if you want one of the delicious steaks at the May 5th Steak Fry at the Bay. Her Phone is 967-4495.

We are hoping to have the next meeting at The SEA RAY Plant. If so this Chatter will advise. Please check.

George Rodgers said he had just found out that he is in charge of the \$100.00 Super Jack Pot for the largest fish caught during Derby Days. Nub Moore bought the first ticket and George bought the second because Nub plunked his \$100.00 down on the table first. Half of the proceeds goes to beautify the Radio and Fish Fry Shack, so hope you can help by taking a ticket.

Mr. Charles Nelson of Apache Junction told us the story behind the Pacifico Clinic in Puerto Penasco, of how Dr. Duran and Dr. Contreras started the clinic when they finished their medical training. Dr. Contreras is no longer there, but Dr. Duran is and needs all the help that he can get from us to get Surgical Equipment and supplies and Dental Equipment and supplies. Mr. Nelson knows of all of the good that he has done to make people well and to save their lives, and from what Mr. Nelson has said and of what you know of him he surely does deserve some help, PLEASE. Call Mr. Nelson at 986-1444 and he will take anything that you have to be donated to Dr. Duran. If you can't call Mr. Nelson, please call one of the club officers. They will see that Pacifico Clinic get them. THANK YOU.

It was announced that the club dance will be at the Saddle Club again this year, and on September 29th. Hope to see you there.

The door prize winners were a set of coasters to Mary Parker, John Robson won a Tide Calendar. Dinner for two at Hunan Restaurant was drawn by Jayne Jaskowiak. Bob Hayes name was drawn for three pair of shorts.

I am only one, but I am one, I cannot do everything, but I can do something, What I can do I ought to do, and what I ought to do with God's grace I will do.

Have a Happy Easter!

¿QUE PASA AT BORRACHO FLATS?

By: Ed Perlmutter

Not too long ago our fearless Search & Rescue leader, Lou Bock, led a caravan of sand buggies, 4 wheelers etc to the Oyster Farm and on the way he picked the wrong road twice. After the second wrong turn, some strange cars joined our caravan. The road turned out to be a dead end road, which made a perfect pit stop. Unfortunately one of the cars didn't realize it was a dead end and came across one of the pit crew. Embarrassing moments, I guess!!!!

After reaching the Oyster Farm, we met up with another group from Cholla, all on 3 wheelers. Bill Beem was heard to say "Who's left in Cholla?" Someone tried to get Ellen Coughlin to eat raw oysters and Ellen, being the sharp gal that she is quickly replied "Whatsamatter, you like to see me throw up?" Speaking of oysters, my apologies to Norman Larson and Marge Dumas, raw oysters are not my forte either.

On February 21st, I took my first airplane ride over Cholla Bay, after waiting 20 years. It was very exciting and the view was different from what I had pictured it to be. The plane was a Cessna 310, twin engine, six seater, captained by Ralph Smith who has been flying for 35 years. We flew over Cholla while I took pictures, then we flew over Penasco, Bird Island, the two estuary's, then home. Three days later I was flying again only this time we were on a search mission.

A couple of weeks ago, Dwayne Self decided to take a trip to San Felipe, working his way south to Cabo San Lucas, crossing over to the mainland, then up to Guaymas and finally back to Cholla. This trip will take about 3 months arriving back in time for the last weekend of the Derby. On the first leg of his journey, Rojo accompanied Dwayne in his ponga, Martine decided to buddy boat with them. He had John Howe and a friend as passengers. On the way over they saw many whales, in fact, they were a little concerned about being overturned. They stayed overnight and on the return trip, ran into heavy fog. Rojo, who was steering turned the wheel over to Martine and moved to the starboard side to act as lookout. John Howe was watching on the port side, while John's friend was in the stern. About fifteen minutes into the fog, John's friend told Martine

to slow down as the fog was getting so thick he couldn't see his hand in front of him. Martine, told him to take his sunglasses off, they were covered with condensation. Not a peep out of him the rest of the trip. Martine, told his crew that he had so much fun coming through the fogbank that he thought he would turn around and try it again. Needless to say, this idea went over like a lead balloon.

The Cholla Bay Cantina has new owners. Joe Anacleto of El Paso and John Fowler of Denver. The official takeover will be July fifteenth, at which time they will close, except on special occasions, for extensive remodelling. The tentative opening will be about Oct. 1st. Hopefully the grand opening party will be Thanksgiving weekend. Joe has hopes of getting people back in the habit of stopping off at the Cantina, when they arrive in Cholla, to see who's there and whats going on, just as we used to do in the old days. Some of his ideas are a huge T V screen for sports events, movies, etc, reception by a satellite disc. A room for parties, get togethers, etc. Good luck to both of you in your new venture.

On March 16th, Brian Mecke, 18 years old, was trolling with his dad, off Pinto Point. He was using a 7 ft. spinning rod, Mitchell 300 reel, 12 lb. test line and a feather jig, he hooked a fish that had him working his heart out for about a half hour. They had drifted clear to Pelican Point when Brian finally netted and brought the fish aboard. It turned out to be a 27 lb., 42 inch gray sea trout. He is a very happy young man.

For the past two years Lou Bock and family have had a firework display around the 4th of July. This beautiful sight can be seen by practically everyone in Cholla Bay. Lou foots most of the cost and when his supply runs out someone usually asks the crowd for donations to continue the fun, and giving has been generous. This year Lou and his assistants, Jim McCullough and Rojo, are asking for donations in advance so that a more variety of fireworks can be displayed. Accepting the donations will be Lou(Brown Bug) Bock, Ed(Sir Veza) Perlmutter and Augustin Leon.
