TUCSON CHAPTER GENERAL MEETING
By JoAnn Otanez

The Tucson chapter opened their meeting with a pot luck. Everyone brought a dish of their favorite food and everything was delicious. A good time was had by all.

The meeting was called to order by our President Betty Yates. Our Secretary Shirley Reid, read the minutes from the previous meeting.

Treasure report was read by Sammie Roth rock. Membership chairman Maureen Henry said our membership is now at two hundred thirty one. We received two new members, James Balou and another who's name we don't know yet because Shirley Peterson dropped the piece of paper which contained the name of the other member on her living room floor.

Sick Bay- Alan Peterson reported everything is going okay.

Lynn Skwiat has four tide calanders left and lots of pretty colors in some jackets that are left or you can order the color you may want from her.

Search and Rescue, Lou Bock reported two weeks ago a ponga ran into a small boat in Tucson beach, Luckily no one was hurt.

Christmas news, more tickets were sold for a three piece ice chest donated by Gregg and Lynn Skwiat. The lucky winner was Maureen Henry. Ninety-one dollars was raised. Thanks to everyone.

Door Prize Winners:

Peggy Drake- Plier Set
Betty Yates- Rechargable flash light
Shirley Smith- Thermometer
Chuck Dernberger- Small tide calender

Spring fever came early for Pete Scott and Mary Brown who tied the knott on February 14. Chuck and Joanie Dernberger were their witness. Good Luck.

PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

The March 11th meeting was opened with the pledge to the flag, led by Newt Grefenson with about sixty or more people in attendance, and as usual we had a very good time.

We were very pleased to have George (OSO) and Maxine Rodgers back with us, and all of you nice people.

The President Lew Frazier asked Vice-president Marty Martin to conduct the meeting, which he did, and he handled it like a pro. Thanks Marty for a job well done.

After the introductions it was agreed that the Secretary's report be dispensed with. Von Gotthbreght was acting Secretary for secretary Fran Johnson. President Lew Frazier read the treasurers report in the absence of Paul VanOver.

Membership Chairman, Tracy Sanders said that as of the Last of February that we had 867 members. Glen McWhorter and Ellen Coughlin had Ship's Store under control. Wife Sara and Matt didn't make it to the meeting, but Glen said they are fine. He said the large Tide Calenders are now selling for \$7.00. They still have all kind of Goodies for sale.

Sick Bay, Arlene Martin reported that Mrs. W.F. (Minnie) Dunn had passed away. They were of Maricopa and formerly of Pelican Point. We send our sympathy to her family and friends. Arlene did not have any details of her death, or when it happened. Sick Bay also reported that Joan VanOver was in The Baptist Hospital after having surgery on February 10th. Joan, We all wish you a Very speedy recovery.

Rojo gave a report on Search and Rescue He said that 256 boats were launched for the month of February, and that four boats were towed in. He said that they had a mishap when two boats ran into each other, but no one was injured. Wayne Kudis will report on Search and rescue for the Phoenix chapter.

Granma Sharon Allen was the proud one with her nine day old beautiful grand-daughter at the meeting, and course Mamma and Daddy was there also and just as proud as Granma. Sharon said Thanks to Sara Mc Whorter with Matt and Marty and Arlene for helping get the Chatters out. She said they only had six that could not be delivered and were returned.

Jim Olsen made his report on the Derby. He said they are still looking for donations. He said that Bill Valentine made the picture for the Derby Poster. Thanks Bill. Jim also said they are waiting for the O.K. from the Port Captain for the firm dates on the Derby.

He said that as of Feb. 11th thay only had three chili cookers. They need ten, so please hurry as time is quickly passing.

Mary Reinert is still selling tickets for the certificate for the Christmas raffle.

George Rodgers said he is still negotiating for the shorts for the three chapters

to be sold with proceeds going to the Christmas party.

I understand the Raffle for the Generator will be held at the Chili Cook out march 28th.

Dave Bennett is in charge of the Jack Pot Derby. (or that is the Derby Jack Pot).

Trish Willoughby of Safe Inc. In America gave us a lesson on how to prevent yourself from becoming a crime victim. It was very Educationally and Interesting, and a fun time. These classes are free to Clubs or groups of people. If you are intersted you may call her at 602-831-6086. It is very worth listening and Trish is a lot of fun. Thanks Trish for being with us.

New Cholla Bay Club member, Elaine Jordan won the Gift Certificate on the Raffle.

Door prizes were as follows:

Connie Norsworthy	Closet light
Dave Stewart	Can Cycler
Gerry Nelson	Cutlery set
Von Gottbreght	Dinner for Two at Hunan's

White Elephant Prizes were as follows:
 Jan Bennett a comical big picture
 Ron Cooper Tea Pot & Heart shape mold
 Sharon Olsen a rowing machine
 Elenora Westfall a funny big party hat
 Jim Olsen a book of jokes for the
 john

John Warren a navigation Plotter
 Newt Grefenson won a set of skis that he had brought to be raffled, but wouldn't accept, so another name was drawn, that being Maryln Robson, so fun was had by all.

The club has a beautiful Doll made by and donated by Harry Capen. It sells for \$130.00 and will be raffled off over a period of meetings for the Christmas party. If you would like to buy one of them you should get in touch with him.

Until next time, Have a Happy Easter.

CHOLLA BAY CHAPTER GENERAL MEETING

By Elaine Escher

A meeting of the Cholla Chapter was held at Gus Brown Plaza on Saturday, March 14th at 4:00 P.M.

The meeting was called to order by acting president, Essie Mayfield. The minutes of the last meeting were read and accepted.

Recommendation of election of officers was made. It was suggested that the officers be voted on one at a time so runners up can be voted for the next office. It was also suggested that voting be done by a show of hands. All of the above was accepted by the general membership.

The results of the election are as follows:

President: Ralph Smith
Vice President: Bob Lorenc
Secretary: Elaine Escher
Treasurer: Jeanette Carroll

Board Members:

Vernon Jordan "Bogie"
Chuck Payne
Paul Edge "Rojo"
Ed Perlmutter
Martine Taylor
Viola Schmerfeld
Essie Mayfield

Audit Committee: Joyce Hitchcock
Don Parry

Ship's Store: Walt & Bette Horton
Sick Bay: Phyllis Smith
Membership: Hannah Jordan
Reporter: Debbie Maughan

Ralph Smith took over the meeting as soon as he was elected President and continued with the rest of the elections.

After Bob Lorenc (T-Shirt Bob) was elected VP he stated that we have to put this Chapter back together but let's enjoy life while we're doing it.

Ralph reaffirmed that the members run the club and we are all going to have fun while we also work together to heal a few wounds.

Representatives for Council was postponed until the next general meeting, so, with less confusion, the general membership can pick their representatives.

Our next general meeting will be held on Tuesday, April 14th at 2:00 P.M. at the OBSC.

It was suggested and accepted that at this meeting there will be no pot luck.

Our next board meeting will be held on Wednesday, April 15th at 2:00 P.M. at the OBSC.

Marty Perlmutter handled the Door Prizes which were won as follows:

Tank of Water - Jim McCullough
T-Shirt from Tackle Shop - Sally Newman

The meeting was closed then we got down to some serious eating thanks to Greg Skwiat, Bogie Jordan and Joe Reinert at the grill; and everyone that brought the rest of that delicious food.

The officers wish to thank everyone for all their help at this meeting and the future meetings.

See y'all on April 14th!!!!

FISHY FACTS

ARIZONA
REPUBLIC

Can fish make sounds? How well do they see? Can they distinguish one color from another? Do they feel pain?

These and other questions have fascinated fisherman since primitive man first wet a line. The answers to some of the angler's usual questions are purely academic, while others give clues to successful fishing.

Here are a few facts on which most scientists agree:

Can a fish feel pain when he is hooked? To some extent, but the sensation of pain is probably not as keen as it is in mammals. It's unlikely that a hooked fish would pull so hard on a fishing line if such action greatly increased its pain.

Can a fish make sounds? Some make a grunting noise by forcing air from the air bladder through their mouths. Others gnash their teeth. Fishermen in Malaya put their heads in the water and distinguish the direction and types of fish making underwater sounds (or so they claim).

How do fish manage to support themselves at various depths so effortlessly? Submerged, fish weigh little or nothing, because the total volume of water they occupy weighs about the same as they do. Bottom dwelling species are heavier than water.

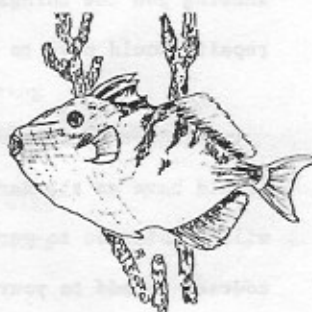

How well does a fish see? Most biologists agree that fish see clearly at close range but that their distant view is limited. Fish can tell one color from another. And they have preferences. Bass, for instance, seem to favor red or yellow lures.

"WHAT-CAN-YOU-DO, IN-THE-MIDDLE-OF-THE-OCEAN, ALL-BY-YOURSELF, WHEN-YOUR BOAT-QUITS-RUNNING, BUT-DOESN'T-BLOW-UP, AND-YOUR-WIFE-WANTS-TO-GET-BACK-TO-SHORE-BEFORE-IT-GETS-DARK, AND-BEFORE-YOU-RUN-OUT-OF-BEER?"

Jim Westfall

An outline of helpful hints that you can do yourself

There exist two reasons ONLY why an engine quits running: lack of fuel and/or lack of electricity. Should you have both fuel and electricity, there is no reason why the engine won't start.

It is my intention to show you how to locate the problem and how to resolve the problem, out in the ocean blue. If you follow the logical sequence of steps, as I have outlined, and the engine still won't start, then you can assume that you have a major problem. I am only showing you the things that you can do on the boat in the water. Any other repairs would have to be done on shore.

I have also provided a list of basic tools/equipment that any seaman should have as standard supplies on board the boat at all times. These tools will enable you to perform the following steps in the outline. Feel free, of course, to add to your list.

F U E L

When an engine cranks BUT won't start, the obvious place to begin would be in determining if gas is present. Don't depend on gauge.

- I. Remove air cleaner.
 - A. Move throttle to and fro.
 - B. Look for gas to spurt inside center of carbureator.
 - C. If gas is present, proceed to electrical section.

- II. If still no gas present, remove gas line from carbureator.
 - A. Crank engine for approximately 10 seconds.
 1. If gas spits out, remove filter from carbureator at inlet. Clean OR replace.
 2. If no gas, check inline fuel filter (if applicable).

- III. If still no gas present, remove gas cap and gas line from tank side of fuel pump and BLOW INTO LINE.
 - A. If you cannot blow into gas line at all, it is possible that the line is plugged.
 - B. If you can blow into gas line and feel no restriction, you are out of fuel.

- C. If you can blow but feel or hear a bubbling sound, your fuel pump is bad and needs to be replaced. (**Note: When replacing fuel pump, check engine oil to see if it is overfull or discolored... as gas may have leaked into crankcase.)

- IV. If you have removed air cleaner and have gas running out everywhere:
- A. Tap carbureator at point where gas line comes in and attempt to remove dirt from needle and seat. Crank engine.
 - B. If problem still exists, it may be necessary to remove top of carbureator. (Note: This is not recommended unless you are familiar with carbureators.)

ELECTRICAL

At this point, I am only going to give you situations where engine will crank but won't start.

I. Engine cranks and gas is present

- A. Remove coil wire from distributor or spark plug.
Hold wire near a ground (CLEAN METAL SURFACE ON ENGINE)
Do NOT hold near carbureator as this could cause a fire.
 1. If no spark, remove distributor cap and rotor.
Crank engine and observe that points are opening and closing properly. Also check for spark at coil. If spark is present, the coil could be bad.
 2. If still no spark, make sure that the engine has stopped with points in the open position. Turn key on and check at points with testlight. If no light, check at sides of coil.
 - a. If you have a light at the coil, but not at the points, there may be a faulty connection either at coil or at distributor OR a broken wire in between the two.
 - b. If no light at PLUS side of coil, run a jumper from PLUS side of battery to plus side of coil. Once ashore, you can determine reason for no light at coil.
- B. Most important is to be sure that all electrical connections are dry and clean, particularly inside the distributor.
