I guess you might say that Cholla Bay is getting to be THE PLACE. If the weather is too bad to fish and the tide is too high for clamming, you can always go horse back riding. As you are intering Cholla, on your left is a Riding Stable with several horses. If you see Danny Brown he can tell you all about it, and see that you get a horse to ride. If the roads get too rough, or you get stuck too deep you can always take a horse.

Speaking of roads - they were in Excellent shape, especially after the nice rain that we had on April 6th. After the dust had settled the roads were graded and Muy Bueno. Thank you Mr. Brown.

If you haven't been to the Bay for a few weeks you wouldn't believe how the area is growing. New houses are springing up all over the place.

We don't like to complain, but it is a shame that the workers are defacing our beautiful mountain by taking the rocks to put in foundations and walls. For us that don't live on the water the mountain is our beauty, and now its going. It makes us cry. Mr. Brown, Please help.

Marge and Mark Edson's cookie house #99 became Honeymoon Cottage last month for Julie and Brian McGinn of Phoenix. Julie is the daughter of Bill Illig of Tucson Telephone Co. and sister of Debbie and Bill Melcher of #220. Brian is NAU grad, and member of the Results R & R Band, and is Marge's son.

Caroline McConnell of Southold LI, N.Y. has been staying in the cottage. A big Thank you goes to Butch and Ethyl Heldt and Betty and Walt Horton for peeking in on Grandma.

Butch(Firecracker) Heldt has lost forty pounds, so I hear, but I didn't get to see him last time I was down, as he and Ethyl had gone to Phoenix.

Charles and Joan Tully of #24 took their La Penata on a fishing trip to the bay last month. Joan caught a large grouper and Charles caught a nice big Flounder. Clarence and Allie Bays took the HONEY BEA out and Clarence caught a 65 pound grouper, and then later caught several other fish. I understand that a 101 pound Black Sea Bass was caught Sunday, April 8th.

If you are between the age of 15 and 85 and would like a Unique thirty day vacation in beautiful CUERNAVACA, Mexico with lasting value and a chance to study and learn Spanish or improve your spanish vocabulary please call our friend and club member GAYLE SAVELSBERG of Mexico Study Groups at 6820 N. 15th Avenue, Phoenix, Arizona 85015. Her Phone No. is 242-9231. You should make reservations right away if you want to take the June 1 or July 6th trip. This sounds like a most enjoyable trip with its beautiful flowers and spring time weather even in June, July and August. Gayle has been taking groups to Mexico and teaching Spanish for the past five years, and says its such a fun time.

Until next time, May the Joys of Spring be with you.

¿QUE PASA AT BORRACHO FLATS?

By: Ed Perlmutter

Bill (Wild Willie) Lee showed up in Cholla after a long absence. It appears he had a problem with his left leg so it had to be removed. We learned that within weeks after this happened, he was back to work just as energetic as ever. The axiom "You can't keep a good man down" certainly applies here. He's finally getting his cabin done with the help of Ed (Stinky) Outhouse.

Butch Heldt learned that Francisco Galindo Rojas (known as Poncho, the bait man and fish cleaner) needed an operation, but did not have enough money, so Butch located a gallon jar and made it into a Donation Jar. This was on Friday and by Sunday the generous people of Cholla Bay had contributed approximately \$300.00. This is one of many reasons we love Cholla Bay.

On a Friday, while working on my sandbuggy, I noticed that a house was being built across the street and in front of Bill Drakes house, then on Sunday afternoon, the walls, roof and windows were done. Unable to believe my eyes, I went over and introduced myself, and found out the cabin belongs to Dean and Hilda Tozzi of Tucson and should be club members by the time you read this. Welcome to Cholla Bay.

Our policeman Victor broke his foot a few weeks ago and kept working until he was ordered by the doctor to stay off of it. His brother-in-law, also named Victor, took his place temporarily. Since he has been on duty, he has caught 3 people stealing some equipment from a boat. Thank you Victor, we appreciate your help.

Not too long ago Tony and Elaine Rimsza decided to throw a going away party for Ralph and Phyllis Smith, who were leaving Cholla until next October. It started out as a small affair but as more people found out about it, it became a full blown Fiesta. During the festivities, Lou Bock and Glen Davis presented Ralph a plaque from the Club and the Search & Rescue Team for his wonderful help on the three day search and rescue mission in March. We look forward to your return to the Bay.

Our Search & Rescue Team at the Bay have

Continued on page 7

been kept busy through the month. For instance, About 2:A.M., Wally and Rojo were called to Sandy Beach. They found a Blazer floating in the water being held by a rope attached to a three wheeler to keep it from drifting away. After retrieving the Blazer Wally found out the owners were newly weds. The Blazer was towed back to the boat yard and the newly weds were invited to spend the night at Wally's cabin. A few nights later, another vehicle became stranded at the First Estuary in mud. Again Wally arrived home in the wee hours of the morning. Thank for being such Good Guys.

During a bad storm last week, one of the Shrimp boats tried to make the Harbor at Rocky Point but lost his engine before he could do so. The captain dropped anchor but because of high winds, it wouldn't hold. He finally wound up on Sandy Beach, about three miles north of Rocky Point. It looks like other boats got to him about the time he beached and tried to pull him off, the shrimper came apart. To those of us who like boats, it was a very discouraging sight.

By: Jonnie Ahrens

Our meeting was a whopping success! Such a great crowd. After Greg Skwiat opened our meeting, he introduced our newest members Gill & Sandy Maeser, Stan Kusick, Carolyn Craney and son Jeff; also our guests for the evening were Gene and Sue Hunziker, Jackie Winter and Ralph & Barbara Gregg. A good, good welcome to you!

Sandy Maeser's folks, Dean and Hilda Tozzi are building a cabin on Borracho Flats, welcome to the neighborhood.

"Swamp Fox" has had a face lift and is going to Cholla this weekend. Awards from the 1983 Derby were presented to the Hagar's at the meeting.

Shirley Peterson has thrown away her cane. they determined that she had a cracked bone in her ankle and it is mending nicely.

Myron and Maureen Henry are proud grandparents of April Lynn, 7lbs, 6 oz. Parents are Steve and Debbie in Seattle, Washington.

We want to thank Mike Kemper for bringing the Derby shirts. Beside all the other interesting articles in Ships Store, next month we're going to have License Plate Holders, visors for glasses and beach towels.

Our program was conducted by Inspector White from the Tucson Fire Department. The program was on the care that should be taken with butane tanks. It was very interesting and very informative.

Did you know that if you are bitten by a dog while in Mexico that you can transport it back across the border to be tested for Rabies. The U.S. Border will let you sign papers to do this.

Lou Bock has volunteered to fix some bikes, but he does need some parts, if you have any please contact Shelly Bock at 298-8640.

Gene Reid still needs help in transporting supplies for the Fish Fry. Please Help. Call 376-1090.

Door prizes were won by John Christian, a Gott Cooler, and Alice Christian won a car server.

This reporter is glad to be home from rainy Oklahoma and now has both feet back on the ground.

PHOENIX CHAPTER GENERAL MEETING
By Marie MacGill

You should know by now that we always have a packed house, and the April 11th meeting was no exception. Also you know we always have a very enjoyable time and that George Rodgers always leads the pledge to the flag when he is there, which is almost always, and we get the reports from the officers, so all in all we have a jolly good time.

Billye Wilda reported a lot of new members, with a total of 930. We are happy to have Pauline Murphy back on board again. Perhaps she will write some more poems for the Chatter. Clive and Noel Jordan brought their lovely daughter Jeni with them to the meeting. New members Elaine and Tony Rimsza came to get in on the fun, as also did Darrell and Eva Hardy. We thank you very much for attending the meeting and hope that you will hurry back.

Mike Kemper in Ship's Stores has all kind of goodies for sale now, and a large supply of shirts and tanks from size six to Extra, Extra large. He suggests that you buy while supplies are good.

Sick Bay reported that Steve Kawchack fell from his roof top and got pretty well banged up, but is coming along very well. On April 8th a young lady riding an ATC got involved in an accident and broke both legs. Hope she is doing well.

Mary Reinert reported that the Chatters were taken to the bay with them and Joe and Roma Blunk and grandson Kenney helped put them together and brought them back to Phoenix for Fran Johnson to take to the Post office for mailing. It is assumed that every one received their copy.

WARNING. It was reported that we have a **VERY DANGEROUS SITUATION** in Cholla Bay. It seems that the little Tots are riding the ATCs. They pull out in front of the vehicles, cut in from side streets and don't obey the rules of the road; But how would they know when they are so young. There is much concern that one will be killed. We should do something about it before this happens. It was suggested that perhaps the parents could do something about it to keep the little children safe. Glen Davis said there is a track by his place that would be a good spot for them to ride on providing they remove the noise makers from them. Please see Glen about it.

It was also reported that a strict law will be enforced about adults and all that speed in town. It was said that if Cycles and ATCs are caught going over 10 miles per hour posted speed limit that they will be subject to arrest and could have your vehicles impounded, so please do be careful. This also means Rails.

It was also reported that the canines are taking over in the flats on the east side of the Bay, but are hoping that something can be done about it.

Hope your reservation has been made for the big steak fry at Cholla on May 5th. If not please hurry and get your tickets. They are \$5.00 per steak, and you bring a goodie side dish and your things to eat on and with.

Besides the \$100.00 Jack Pot ticket for the largest fish caught on the Skippers boat during Derby days there will be a \$20.00 Jack pot ticket for the girls and ladies for the largest fish on the Skipper's boat.

Roma Blunk is still selling tickets on the chances for Mr. Brown's free 1 year rent to the winner of a cabin owner. Tickets are \$2.00 each or \$5.00 for three tickets. All of this money goes toward buying toilets and etc for the fish fry shack and to beautify the things at the bay, so please lets buy, and Thank you so much Mr. Brown.

The next meeting will be held May 9th at the Sea Ray Plant in Phoenix at 4140 E. Raymond. Please see map for directions.

Door prizes went to Bob Burris, a red cap that says "I hate Sea Gulls". a Tide calendar went to H.R. Solano. Jim Westfall won dinner for two at Hunan Restaurant. Roma Blunk won the little doll. E. Westfall won a cute Doggie basket.

Until next time, many Joys to all of you.

Mary Reinert reported that the Chatters were taken to the bay with them and Joe and Roma Blunk and grandson Kenney helped put them together and brought them back to Phoenix for Fran Johnson to take to the Post office for mailing. It is assumed that every one received their copy.

WARNING. It was reported that we have a VERY DANGEROUS SITUATION in Cholla Bay. It seems that the little Tots are riding the ATCs. They pull out in front of the vehicles, cut in from side streets and don't obey the rules of the road; But how would they know when they are so young. There is much concern that one will be killed. We should do something about it before this happens. It was suggested that perhaps the parents could do something about it to keep the little children safe. Glen Davis said there is a track by his place that would be a good spot for them to ride on providing they remove the noise makers from them. Please see Glen about it.

It was also reported that a strict law will be enforced about adults and all that speed in town. It was said that if Cycles and ATCs are caught going over 10 miles per hour posted speed limit that they will be subject to arrest and could have your vehicles impounded, so please do be careful. This also means Rails.

It was also reported that the canines are taking over in the flats on the east side of the Bay, but are hoping that something can be done about it.

Hope your reservation has been made for the big steak fry at Cholla on May 5th. If not please hurry and get your tickets. They are \$5.00 per steak, and you bring a goodie side dish and your things to eat on and with.

Besides the \$100.00 Jack Pot ticket for the largest fish caught on the Skippers boat during Derby days there will be a \$20.00 Jack pot ticket for the girls and ladies for the largest fish on the Skipper's boat.

Roma Blunk is still selling tickets on the chances for Mr. Brown's free 1 year rent to the winner of a cabin owner. Tickets are \$2.00 each or \$5.00 for three tickets. All of this money goes toward buying toilets and etc for the fish fry shack and to beautify the things at the bay, so please lets buy, and Thank you so much Mr. Brown.
