PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

The April meeting was opened with the pledge to the flag, led by Bill MacGill. Introductions took longer than usual due to the large crowd that attended. Around one hundred people came to join in on the fun.

Mary Parker gave her report. The treasurer, Paul VanOver gave us his figures. Mike Kemper gave Ship's Stores report due to the absence of Sara McWhorter. She was pretty well shaken after having a rear end auto accident a few days back. Those autos get you coming & going now adays. Hope you are better by now Sara. Mike showed us lots of goodies that most of us would want. He has some very nice flags for your boat, ATC's or sand rails that Mary Parker made of canvas and painted a large pelican on them. You will have to see them to appreciate what she has done.

Hilda Erkert of sick bay said she didn't get any report of deaths or sickness from anyone. However, it was reported that Joe Reinert's cousin, Gus McIntyre had gotten worse and passed away. Our sympathy goes to his wife Del, and their family and friends. It was also reported that a long time club member D.A. Plumbo had passed away. We all send our sympathy to his family. Bill Beam was reported ill again. Our sympathy is with you, Bill. Hope to see you up and about soon.

We were all sorry to hear that our dear friend Wimpy (Jones) Jasowaik has been ill and had surgery. The (Jones) is for those of you who can't remember Jasowaik, so I heard. Any way Wimpy - we are all wishing you a speedy recovery.

Search and Rescue reported lots of accidents at the Bay over the Easter Weekend. It was also reported that a pick up truck was almost carried out to sea at Sandy Beach. A launcher was called that couldn't bring it out, then Tico brought his launcher and hooked on to the first launcher and the two of them pulled it out after the water was already coming in the windows. Nub Moore said an ATC ran into a suburban broadside, I think he said. Don't know the outcome of that accident.

It was reported that the Chatter was late due to circumstances beyond their control.

It seemed like old times having Glen and Doris Davis back from Hawaii. They both looked so well, it surely has agreed with them. Welcome home friends!! While the welcome mat is out we would like to say that we were happy to have members Bill and Phyl Crawford and their daughter Connie Norsworthy of Cabin 91. Crawford was wearing his drinking cap that had two bills or sun visors on it that covered each ear instead of his eyes. It was a funny sight. Welcome also to Jim and Sharon Olsen's son Mike, Ted and Barbara Millers' friends, John Fallgatter and Penny Stump, Gayle and Bonita and Wayne Brabandt, Skip and Sharon Allen, Hollis and Teri Anderson, also Mr. Bitterman and all of the rest of you dear people for coming. Thank you so much and please, hurry back.

At the March 13th meeting I was asked by one of the boaters to see if the council could do something about all of the sand at the radio shack roads, which I did. President Fran Johnson said it was taken under advisement at the meeting; however they could not come to any solution as what to do about it. Their hopes at present time is that perhaps the High Tides will wash the sand back to the sea. When I presented the sand deal at the meeting I had left my notes home and failed to ask them about perhaps posting a sign at the ramp with the cost for cleaning fish. We will find out about this later. I was told that a fisherman asked what would be charged to clean his two or three little fish and was told \$3.00, so he just walked on by.

President Fran Johnson read a letter to the club that Al Scott's widow, Mrs. Scott had written thanking the club for all of their kindness. Al was a life time member and Mrs. Scott receives the chatter that she appreciates so very much, and feels like she is still part of this organization. Thank you very much Mrs. Scott for your kind thoughts and words.

I stand corrected in the April issue about Gayle Savelsberg teaching Spanish while on their tours to Mexico. I should have said that the teachers in Mexico teach the Spanish while on these tours in Mexico. Gayle speaks

Spanish so fluently that she is there to make sure of your every need - So sorry Gayle.

The fishing derby is getting well under way with all of the plans. Glen Davis will make sure fish are cleaned, washed and frozen. Nub Moore said there will be weighing for him to do. He also said there will be a Ladies Jack Pot this year with the price of \$20.00 per ticket for the largest fish caught by the women. The Super Men's Jack Pot will still be \$100.00 per boat for the largest fish caught. Half of the money from both of these events will go to the winners and the other half will go toward benefits for the plaza and radio shack; by that I mean for things for improvements that the council see the most need for.

Our friend Sr. Gus Brown is giving another "One Years Free Rent" to the lucky winner of the tickets that are being sold. They are six for five dollars or one dollar each.

Wanda Lee said the Fall Dance will be October the 26th this year at the same place, the Western Saddle Club. Plan on going if you want an evening packed with good times. I understand the ATC will be raffled off at the Steak Fry in November.

A petition was being signed at the meeting to make the Air Port at Puerto Penasco a Port of Entry into Mexico.

Tucson Chapter donated \$150.00 for X-Ray film for Dr. Duran's Clinic at Rocky Point. The Phoenix Chapter is also making a donation.

Tom Juanarena sent back his Derby Prize money that he won last year at the Derby. It is to go to Search and Rescue. That was the second time he had won, and he thinks that was enough. Thank you, Mr. Juanarena.

We were reminded to bring things at next month meeting to be raffled for the Christmas party and please bring something each time if you can. Thanks.

The April meeting Raffle was a large nice photo album won by Hallis Anderson and a half gallon of Scotch won by Doris Davis.

Door Prize winners were;

Our new member Dan Horan - won a six pack of coke

Dotty Nelson - Igloo  
Tony Camp - Little Play Mate  
Igloo  
Bonita Bucey - Dinner tickets  
for 2 donated by  
HUNAN RESTAURANT

Until next time - we hope to see you at the next meeting and Fish Fry.

Tucson's April 9th meeting, was very interesting and we all had a great time. We were very happy to have Bob Bos as our guest. We were also glad to welcome back our long time members, Harry and Mary Wilcox. The Wilcox' have been in Germany the past two years.

Mickey Babbitt, our secretary read the minutes of the last meeting. Treasurer, Jackie Winter then read the Treasurer's Report.

Lynn Skwiat, Ship's Store, said sale items this month include insulated mugs, cool can holders and license plate holders. Lynn said we have lots of new hats in all different colors.

Maureen Henry, Membership Chairman, had great news this month. We have eleven new members. We were please to welcome Bill and Kathleen Shoen at the meeting. We also welcome: Mike Riggs, Anastasia West, Dennis and Anna Bourret George and Helen Sandoval, Kenneth and Rita Young and Bill Schramm.

Sick Bay reported that Lou Bock's father, Lou Bock Sr., recently underwent heart surgery. He had a double by-pass and a valve replaced. He is out of intensive care and doing much better. We Love You Dad.

We were very sad to hear that Shirley Peterson's father passed away recently. Our thoughts and prayers are with you Shirley.

Search and Rescue, Lou Bock, said a seven year old girl was hit by a three-wheeler on Sandy Beach last month. Del (Doc) Heim checked her and we were relieved to hear she was bruised but would be all right.

Lou also said there will be a simulated night search on April 27th. This search is basically a refresher course for Search and Rescue members, however, it is open to other interested members.

Alan Peterson said there seemed to be more people on Sandy Beach this year and quite a few people in Cholla Bay over the Easter Holidays. The Penasco Police assisted Agustin and Victor and there were two ambulances on standby in Cholla. Alan said there were two

injured people. Everything was handled quite smoothly thanks to many concerned conscientious people. We would like to express our appreciation to the emergency clubs that provided the ambulances and the First Aid people. There were few problems because of the actions of: Agustin, Victor, the Chief of Police, Paul (Rojo) Edge, Wally Schmerfield, and Martin (Martine) Taylor. Thanks to all of you for the long hours and hard work.

Radios, Alan Peterson, reported that Bill Roh, ROH'S INC., has donated Medium Frequency Radio Antennaes to the club. These antennaes will be used by those persons in Search and Rescue with radios communicating on Channels 2182, 2555, and 2638.

Bill Roh's father, the late Ed Roh, and mother Libby, donated the hailer which is used at the Radio Shack along with many other useful items. We wish to Thank the Roh Family for their generosity to the Sportsmen's Club.

Greg Skwiat said the restrooms at the Fry Shack are completed. YEA!! He said they will be painted this week.

Alan Peterson said that we will be able to purchase good batteries for the Radio Shack through Ron Moore. Thanks Ron!

Derby, Gene Reid, asked that persons going to Cholla for the Fishing Derby having extra room to carry food items-Please Contact him.

Lou Bock said the San Carlos Fishing Derby will be held the 11th, 12th, and 13th of July. Lou has derby pamphlets for anyone who is interested.

# HAPPENINGS AT PELICAN POINT IN CHOLLA BAY

by Marie MacGill

Cholla Bay was a beautiful place with all of the flowers in bloom the week end of the week before Easter. The only problem the white caps were too large for us to go fishing most of the time.

Friday evening, March the 29th we happened in on a big party at the La Curva Restaurant when we went to dinner. The celebration was in honor of Ralph and Phyllis Smith who had been hosts of Spanish classes from February 6, 1985 until March 27th. Upon graduation, March 27th all of the students brought a covered dish and a pot luck dinner was also held at Ralph and Phyllis' place. Then in turn they took Ralph and Phyllis to La Curva for this party. Armando Herriera's son-in-law, Mario Antonio Loya was the instructor of the classes all but one night when Mr. Bucky Maud taught. The ones that attended the part were Butch and Ethyl Heldt, Paul and Juanita Brandt, Dawn and Clay Huelett and John Fowler. The rest were unable to make it to the dinner

Ed and Marty Perlmutter were busy getting ready for a bunch of their Prescott friends that were to be their guest for Easter. Hank and Shirley Hunter of Cabin #30 were very busy with remodeling their place hoping to have it finished in time to entertain a large crowd that was to visit them for Easter.

Outside of several accidents most everyone at the Bay had a great time. Hal and Evelyn Mc Kenzie were on the point to stay until after Easter. Frank and Walda Peterson were at Pelican Point getting one of their cottages ready to sale. Zulma Olivier was busy showing her place on the point that she has for sale. Tony and Elaine Rimsza were down, but didn't get a chance only to wave hello. They have bought another cabin on the point for their children. They are now owers of two cabins.

Clarence and Bea Allums were on their way back to Cholla Bay for Easter, as also were George and Lydia Panek who regrestfully had

to come back to Phoenix on business.

Their place is a real cute and cozy place since their remodeling and additions. There is so much building and remodeling going on there, I suppose one day we won't even recognize the place. Vern and Betty Groves were down for a week to try to get something done on their new home. I saw them at the fruit and vegetable market that comes to Cholla Bay ever so often. When I saw them, they were parked under the big tree next to the Ice House at the Bay.

If I told about all of the things going on there wouldn't be room in the Chatter for it all, so until next time I'll just say HAPPY FISHING and have a good time at the Fish Fry.

Hope to see you there!

Marie MacGill

# BORRACHO FLATS?

by ED PERLMUTTER

As I mentioned in Last Months Chatter, the fun and games in the wide open spaces, in and around Cholla Bay, has started and in full swing. First off, St. Patrick's Day was celebrated by many of us local gringos, starting off with green colored Margaritas at J.J.'s Cantina and before long everyone had put an "O" before their name, i.e., O'Heldt, O'Howe, O'Anacleto, O'Fowler, O'Lopez, O'Cerneziewsky, and O'Perlmutter, etc. etc. Needless to say, a good time was had by all.

Bob Taylor, who was in the hospital, is now home and doing O.K. Not to many of us knew he was sick. Thanks to DeeDee, his daughter, for passing this info along.

Fishing has been good lately. Hector Munro and his guests brought in 5 grouper, all weighing more then 70 pounds. Cliff Burrows brought in a nice 74 pound grouper, Martine brought in a 24 pound Pinto, many more I heard about but don't recall who they were and what they caught.

Last Weekend, April 12th, 13th, and 14th the Coaches held their 16th Annual Fishing Derby and it was a huge success as it usually is. Not many fish were caught but no one seemed to care. Like most fishing derbys, awards and prizes were given out at the end of their wild, oops, I mean, Derby. For Instance, and this gives you an idea what went on, Awards are for the Rookie of the Year, Most Valuable Fisherman, Most Valuable Camper, Most Totally Incompetent, Cook of the Year and many more. In other words it sounds like everyone received some sort of an award. Schools represented at this yearly bash are Alahambra, Brophy, South Mountain, Carl Hayden, Phoenix College, Maryvale, Mesa Community and if I left out a school, my sincere apologies.

New business in town: Wind surfing, taught by Gail M. Murphy, a 5'8", Green Eyed girl, who recently took 2nd place in International Body Building Championship Contest held in Atlantic City, N.J. She learned to WIND SURF and qualify to teach at Rehobota Beach, Dela. After 6 years of this she moved to Arizona and teaches at Lake Pleasant. Starting Easter Weekend, she will give private instructions and can be contacted at Rojo and Wally's Boat Yard plus rent or sell supplies for this sport.

Another new business will be available in the very near future is Deep Sea Diving, Instructions given by Bill Schramm, who is a dive master working on a Master Instructor License. He will be teaching diving at the Technical School at Los Conchas and available for private instructions. He also could be contacted at Rojo and Wally's Boat Yard. Supplies for this sport can also be rented or bought there. Bill will be ably assisted by Mike Riggs, a certified Diver and a very good friend. Both these young men have joined the Search and Rescue Team and on their First day of active duty, helped four people out of trouble. Shortly afterwards they helped tow a dead whale off Tucson Beach, Bill in the water and Mike in Rojo's boat, which was smelling badly and was towed out far enough to float somewhere else. Bill smelled so bad when he got out of the water his best friend wouldn't go near him for a long time.

Coming Events: Cholla Challenge Sail Boat Race on April 19th and 20th. Followed by J.J.'s Cantina 1st Annual Sailboat Challenge Regatta on April 21st. Start and finish will be near the Cantina. 1st and 2nd place Winners will be given a beautiful Cup. Also there is a continuing plague where the winners each year will be engraved upon it. It will be displayed at the Cantina.

Of course our own Fishing Derby, Steak Fry, Fish Fry, Jack Pot Prizes and all the other Awards and Prizes. Hopefully you will give this Derby the same enthusiastic support as you have in previous years and possibly a little more, EH?

Our own, Jim Huff, from Los Cruces, N.M. did it again and came in 1st in his class, in the Penasco 150. As of the first of the year, Bill Coughlin and Butch Wilda have hung up their Racing shoes and helmets.

# Good Fishing!

Chris Strahan of Chapman Chevrolet took out his new 25 foot Sea Ray for the first time at the Bay on the weekend of March 16th and 17th.

His crew was Fred Merrill, Jim Peterson and, from Kansas City, Augie Galindo and Dan Reeves, who both flew in for the fishing event.

Much to their surprise and delight they caught three large Groupers and a beautiful 175 pound shark.

Not bad for a first time fishing expedition at the Bay. The fish were caught off the twenty mile reef.

Their guide, "Crazy Charlie" shown here with the biggest grouper is obviously training for May's Derby. They had a wonderful time and are looking forward to the next fishing trip. Another new Cholla Fan Club!
