**CHOLLA BAY CHAPTER GENERAL MEETING**

By Elaine Escher

Since our May meeting is on the 19th, and my deadline for Sharon is before that, I have nothing to report under the General Meeting column this month. But rest assured I will double up next month.

Did you know that Mozart wrote the music to "Twinkle, Twinkle, Little Star" at the age of five.

In the meantime, since I had the time, see my article as a roving reporter at the 2nd Annual OBSC Bash.

FISHING REPORT

Rojo Say's :

It could be a good summer season. Sail fish and Dorado have been sighted. We have been informed that sail and dorado have been seen around the 16 mi. reef and the 18 mi. reef, other fisherman have had sightings south of Bird Island or Isla San Jorge

Fishing has been good on the the closer in reefs, such as the 5 mi. & 7 mi. reef referring directly to Pargo or Barred Snapper one charter boat did have a catch of Approx 20 Pargo the first week of May. These fish averaged 4½ to 6 lb. which is a good sign for summer fishing.

There is a good chance that sail and dorado will make a come back this season. Due to the fact that Korean and Japanese fishing vessels have been banned from the Sea of Cortez. We should have more information by the end of the fishing derby.

We had a total of 358 boats launched the month of April with only 4 tow ins Miss Cholla towed Mark V form 12 miles, Banana Boat towed in Pisces from 12 miles, Sea Cliff towed in Lynn Michel from 3 miles, Freedom won towed Share Cropper from 26 miles, The buddy boat system is paying off. The Port Captain and his Co-Officers from Rocky Point have been making spot checks on American sports boats, this is good. Things like fire extinguisher, flare kits, life preservers and so\*on are very important.

**FLOUNDER PLUGGING**  
(Old trick in a new bag)

Best practiced in 30 to 60 feet of water over a sandy bottom, the method is based on a complex terminal set-up and a heavy weight to keep the plug on the bottom. First the main line is tied to a 3-way swivel, then using an eight inch leader, a torpedo weight of about 6 to 8 ounces is tied to the second ring of the 3-way swivel. Next tie an 18 inch leader to the third ring. This leader connects to six inch long, shiny bass dodger, a chrome plated attractor with a swivel at each end. Then comes another 18 inch leader, which is tied to the other end of the dodger. Finally a 4 inch shallow running Rapala to the end of this leader. The silver, black, white minnow pattern has had excellent results.

With this complicated set-up ready, the boat is brought to trolling speed, three to five miles per hour, and the rig is lowered to the bottom. Fairly stout gear is required to handle the trolling weight.

A great many respectable flounder have been caught with this technique, however keep in mind this is a fish finding method. Once two or three flounder have been caught in this manner in a general area, the trolling lines are brought in and we begin to drift live bait over the area.

## 2ND ANNUAL OBSC BASH

I'll say one thing...they sure "put on the ritz" this year. For one thing the OBS building looks like a brand new building. It got a new paint job and the interior is all "spiffied" up. The "Old Boys" looked like they worked real hard to get this one together.

They had a great day for their second bash. The weather was perfect and the people were all in a great mood for a good time. AND A GOOD TIME WE HAD!!!

It started out with the parachute jumpers. They had the use of Gus Brown's plane and pilot (Oscar Sotelo). There were five jumpers: Harry Fiebig, Kevin Vetter, Scott Herndon, Bill Sanders and Chris Knight. They jumped from 8,000 ft and all made their mark. The parachutes were very colorful and the anticipation from the crowd was great. There was dead silence as they neared their mark and an uproar of applause when they made it. And if that wasn't enough, THEY DID IT AGAIN!!!

After the excitement of the parachutes, we then enjoyed a great meal of B B Q beef and pork, beans and coleslaw. Everything was done to perfection. The delicious beans were made by Bogie & Hannah Jordan; coleslaw by John Lawson and his wife, Blasa; and all of this wonderful food was "dished" out to about 625 people by hard working members of the OBSC. Oh, I almost forgot, they also supplied us with 10 barrels of beer.

Then after the food, if you left early, you missed the Mexican dancers. They put on quite a show. They changed costumes four times and had enthusiastic Mexican dances. Elizabeth Hernandez interpreted the dances, which were examples of various traditions in various states in Mexico. They were definitely a crowd pleaser.

After the dancers, we waited in anticipation for what we all have been working on for the last month, THE DRAWING OF THE PRIZES. I don't think anyone worked harder on selling tickets than the infamous Horace Hitchcock. I do believe he sold over 800 tickets and I'm sure had a

lot of fun doing it. Of course, everytime someone saw him coming, they tried their best to keep their money in their pockets; but old persuasive "Widowmaker" has a way with words....and words...and words. I think they paid just to get rid of him!!! Anyway, the boys from OBSC sure appreciated his efforts and awarded him with a placque for the most sales of tickets. He sure deserved it!!!

The first prize of 3 days and 2 nights at the Vina del Mar, dinner for 2 for 2 nights at La Cuerva, and a sight seeing and fishing trip to Bird Island on Sea Breeze's boat, The Islander, was won by RAY SEQUEIRA.

Second prize of a 19" color TV was won by NORM STODDARD and 3rd prize of a Big, Big Basket of Cheer was won by AUTO SERVICIO GAS STATION (Castillo). There were four \$25 cash prizes donated by Walt Kirkwood of Kirkwood Shutters, a tank of water from Patty & Ramon's, T-Shirts and hats donated from various local merchants and all were distributed to people too numerous to mention here.

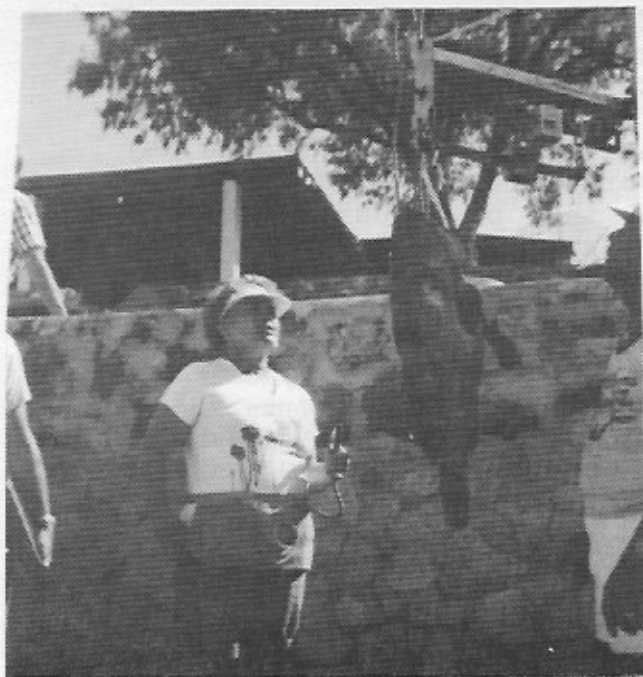

As a result of all the hard work from The Boys, 1/2 million pesos will be donated to the Lion's Club in Puerto Penasco. This is a charitable organization that helps the local Mexican people of Penasco.

And throughout all these happenings, there was one voice we heard all day. He was organizing, announcing, playing, working and above all making sure we all had a good time. He had a big hand in working all week prior to this function; and I might add a very hard working week for all involved. He made us laugh and he made us sneer, but above all he made it all happen. Thanks T-Shirt Bob for giving us a wonderful day.

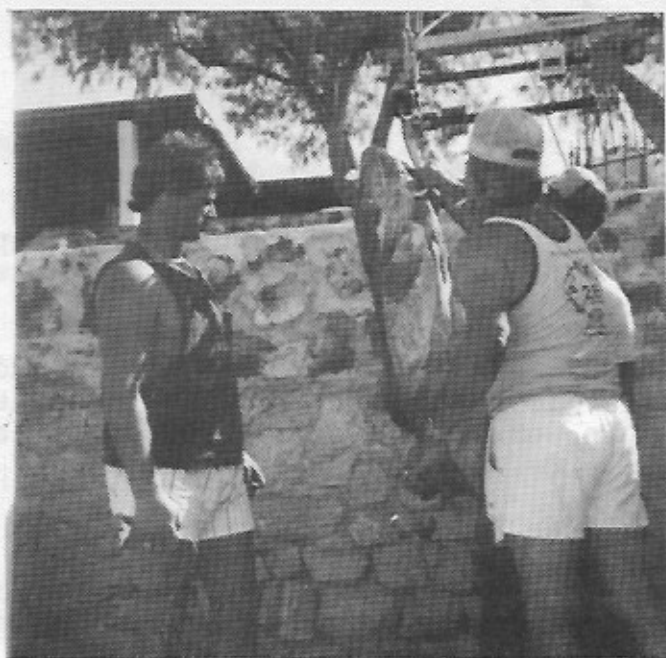

And thanks to all the Boys from the OBSC....it sure was fun.

OUR SPECIAL THANKS

We would like to thank all the people who donated money to the collection, taken last year by Glen Davis, to replace our kitchen appliances which were destroyed when our cabin burned in May 1986. There was a total of \$878.00 collected. We are sorry we cannot thank each of you individually, but we have no way of knowing who donated. The appliances have been purchased and we hope to have an open house when we complete our work, so all can see the results. Thanks to Glen Davis for his part in this.

Also, a big "Thank You" to Oscar Newman for doing the plumbing, Migs Dumas and helper, Ralph Smith for installing all the electrical wiring, Tom Tinnerman who made all our counter tops, Kipp Reeves for installing the glass doors and Augustin for his help in obtaining the building permit and interpreting. A "Very Special Thanks" to Rayna Hoyt for the money she gave us to re-build. Without this we would not have been able to re-build our lovely cabin. Also for helping us find a contractor to do the work and acting as our special interpreter the past eight months. If we have missed anyone, please accept our most humble "Thanks" for everything. Friends such as all of you are very hard to find.

## SARDINERA

Leopard Grouper are found throughout the Sea of Cortez. He (she) is dominately a shallow water feeder known to be most active at dawn and dusk preferring small schooling fishes with a special taste for Flatiron Herring, however, cannot pass up a tasty snack of cut bait.

He has two color phases and the Golden Grouper caught in the gulf are our old friend Sardinera in a shiny new coat, the more common phase is spotted with small reddish brown spots on a grayish background with prominent white margins on the fins.

In our part of the gulf the largest Sardinera run up to 3' in length and 40 pounds.

## FISHING DERBY

### (NEWS)

The first weekend of the derby was both exciting and full of fun! Wally Schmerfeld was the first one in with a 65 pounder and Dan Schmerfeld has a 56 pounder. A very nice young man named Roy Powell brought in 5 large groupers ranging from 50 to 55 lbs. 12 oz. on Friday and was very generous in donating all the fish to the fish fry. Roy also caught another 8 very nice sized fish on Saturday and again donated more fish. Lonnie Branum has a 62 lb 12 oz, Roy Powell a 60 lb 12 oz and Bob Ehle and Lee Peters are tied with 60 lb 8 oz and Gerald Nelson has a 59 lb 12 oz these are just some of the groupers caught the first weekend. John Hornick, a Junior, caught a beautiful 74 pound grouper on Sunday. Leona Branum also has the largest fish in the ladies classification, a nice 52 pound grouper. All in all we had a very impressive start on the fishing derby with 56 fish weighed in ranging from a 4 oz pompano to a 89 lb 12 oz black sea bass. Thanks to all the generous fishermen we have a good start on the fish fry.

TUCSON CHAPTER GENERAL MEETING  
By JoAnn Otanez

Some last minute news from our April 14th meeting. We opened our meeting with a very good slide show given by Ann West on some of her diving trips to Mexico, the Carribian and California. The color's and some of the fish you can see underwater are sure beautiful. Our meeting was called to order by our president Betty Yates. We then had introductions. Our club has two new members whom are Mr. & Mrs. Don Douglass. Welcome aboard.

Our news for our May 12 meeting. The meeting was called to order by our president Betty Yates. We then had introductions. We also had a guest speaker who introduced himself as Walt Grohn the new commander for the DAV post. He mentioned he was glad to have our group hold our meeting's there as long as we picked up our popcorn off the floor (that our club president so gladly donates every month).

Minutes of the last meeting were read by our Secretary Shirley Reid. Treasure report was read by Betty Yates.

Membership chairman Maureen Henry then reported we have 234 Tucson members. Viola Sedlock is another new member for our Tucson group. Welcome aboard.

All is well with Search and Rescue. Radio's Allen Peterson reported all is doing fine. He mentioned the new telephone in Cholla Bay that can be used for incoming or outgoing calls. It is located in cabin 357. Take note the number is 011-526-383-2981.

Ships Store Lynn Skwiat has the Derby shirts in. The shirts are going for six dollars all styles except the new golf shirts that are \$12.00.

Sick Bay, our condolences go out to Lou Bock for the death of his father. We also had a little visitor at our meeting by the name of Tara Bock.

She gladly passed around a brochure sent down to us by Sue Kudis to raise money for Search and Rescue. The brochure contain some information on three kinds of Multi Spice Shacklers one can order. So everyone let's cooperate and order some.

Our Christmas chairwoman Shirley Peterson needs some gift's to raffle off at our meeting's so we can raise more money for our Christmas fund. Our winner from this last drawing was Jackie Winters. A fire extinguisher was one of the prize's and a beautiful god's eye was made and donated by Hilda Tozzi. Thank's Hilda.

Door Prize Winner's

Hilda Tozzi- Thermometer  
John Bynum- Fire Starter  
Alan Peterson- Fire Starter  
Sal Otanez- Key Chain (again)  
Tara Bock- Key Chain  
Alice Christin- Stick Pin

Before we ended our meeting we had to hear about Gregg Skwiat's KP duty this past weekend. Ask him about it when you get to see him. Shirley Peterson is looking forward to her 62nd birthday May 21 because she can get a free pass to Organ Pipe rest stop. Lynn Skwiat is having her annual 29th birthday May 23.

Come one, come all, bring a friend we would like some more people to attend our meeting's. Our next meeting will be a pot luck. We would like everyone to show up and bring a dish of your favorite food. It is located at the DAV building. The address is 4656 E. 1st St. one block south of Swan and Speedway.

Date's to Remember:

June 2 - Board meeting at

FATHER'S DAY EVERY DAY

There are little eyes upon you, and they're watching night and day; There are little ears that quickly take in everything you say; There are little hands all eager to do everything you do. And a little boy who's dreaming of the day he'll be like you.

You're the little fellow's idol, you're the wisest of the wise, In his little mind about you no suspicions ever rise, He believes in you devoutly, holds that all you say and do He will say and do in your way when he's grown up just like you.

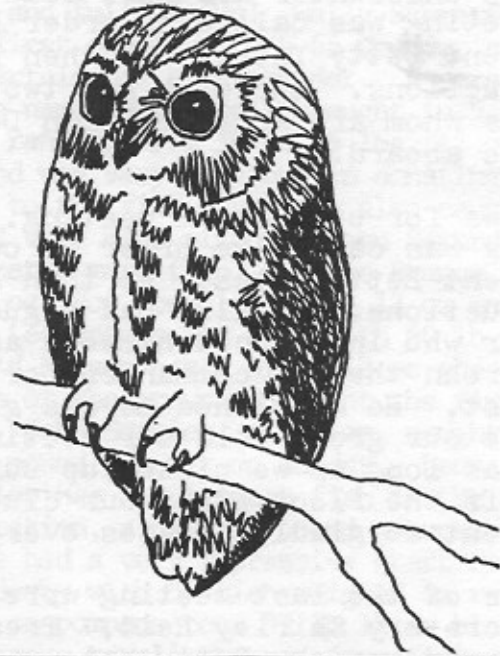

There's a wide-eyed little fellow who believes you're always right, And his ears are always open, and watching day and night. You are setting an example everyday in all you do For the little boy who's waiting to grow up to be like you.

HAPPY FATHERS DAY!
