Many new faces will be seen around Cholla Bay in the future much to the delight of many Grandparents. They range in size and age by only ounces, inches and months. They all have one thing really in common. They are all boys. Future fishermen of Cholla Bay.

Having had a hope chest for 12½ years ready and waiting Al and I recieved our first Grandchild. I can't begin to describe how I feel except eupharie.

It didn't take me long to fantasize about all the places we would take him and of course Cholla Bay tops the list. Where else could a little boy have so much fun fishing, swimming, riding the sandy buggy and looking for sea shells. I haven't some down to earth yet.

His mane is Patrick Lee Fedyski. He was born May 15, 1986, weighing 7lb 14oz 2lin. long. His parents are Steve and Tracy Fedyski of Dandbury Conno. His other Grandparents Steve and Pat Fedyski live in Ohio. Al and I hope to spoil little Patrick again when he comes to visit at Christmas.

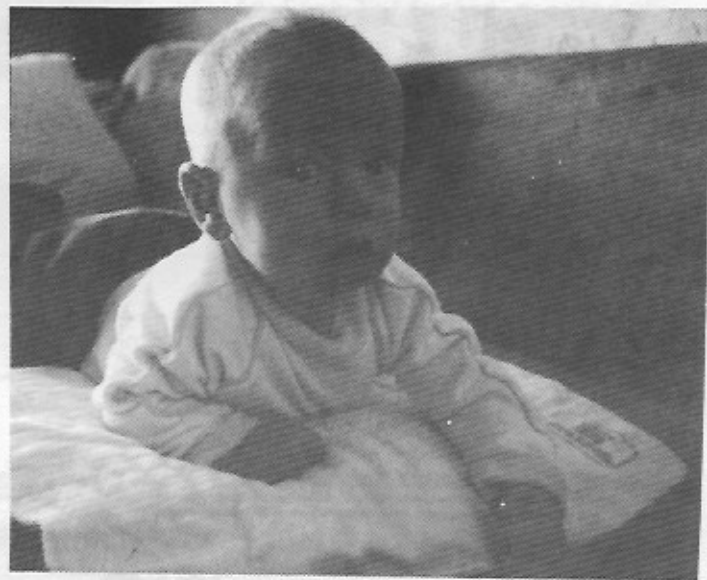

Patrick Lee Fedyski in "86" Derby T-Shirt. My fish was this big.

Randy and Maxine Hagger (ohterwise known as Swamp Frog in Cholla) were thrilled to hear that during the Derby their Great-Grandson was born. His name is Jesse Michael

McGee born May 22, 1986 weighing 7lbs 5oz 23in. long. Maxine was a double winner that weekend winning the trophy in the Derby for her large fish and a new great-grandson. Congratulations on both rewards.

his wife Dottie were wery happy when their first Grandson was born. His name is Ryan Louis Cooper of Torrey Utah. They went to Utah to see the little guy soon after he was born. Ryan was born Feb. 5 1986 to Tim and Lori Cooper. Ryan's mom just recieved her nursing degree. Gerry and Dottie depend on pictures to watch his growth. They plan to go back in September to visit.

Ryan Louis Cooper at 4 months.

Jesse Michael McGee 21 days old.

Finally but not least Patty and Ramon of Cholla Bay (Pattys Store) were honored by the arrival of Jesue Javier Perez Hodges, born July 15, 1986 weighing 8lbs 2oz 20in. long. Father is Jesus Ramon Perez Jr. and Mom is Dawn Marie Hodges. Donald Hodges is also Grandpa and the Grand-Parents are Sam and Margaret Hodges and also Mrs. Ann DeVore. Mrs. DeVore is from Tucson. I heard through the Grapevine that Patty is one happy Grandma.

Jesue Javier Perez Hodges

Congratulations to all of you who became Grandparents during 1986. Its exciting isn't it?

Many happy time ahead

This weekend of July 19th we were fortunate enough to be down at the bay, the weather was comfortable and breezy. Sunday nite we were in Rocky Point at "The Dunas" when about 11:15 P.M. a big wind came up, and than the rain came. So If you fixed leaks from the last rain, you'll be able to check the next time your down to see if your repairs were worth it. There was a nice rain in Cholla that nite.

While we were down there we asked J.J.'s if we could have a birthday party at the cantina on the 1st of August, and of course Joe and John obliged, we ask our friend and bartender at J.J.'s Poncho, if he could get us 2 goats (ohivo's). So he, with 4 other fellow's from Cholla went to Sonayta and they came back with six, (including 3 little-ones). Two I believe are being raised at Cholla. It sounds like they really had a "hay-day" on their trip

We of course asked cholla's Super Chef Joe Tighe and his lovely wife Rhoda to B-B-Q them for us. Joe and John built a B-B-Q pit next to the cantina patio and it worked beautifully.

Horace Hitchcock made the B-B-Q sauce and his wife Joyce made cole slaw. Pancho's wife made beans and a tier cake, and his sister Marie made large flour tortillas. Several ladies at the bay brought salads and cakes. I'm sorry I didn't get their names, but Thank you so much. Everything was delicious. There were about 200 people served so you know it's still not too warm.

Our children surprised me by coming from Phoenix, daughter Deenne and hubby Amos, son Randy and wife Kim. What a beautiful way to celebrate your birthday with your Cholla Bay friends and neighbors. Thank You Joe and John for the use of the cantania patio. Sorry you missed it. We'll have to do it again.

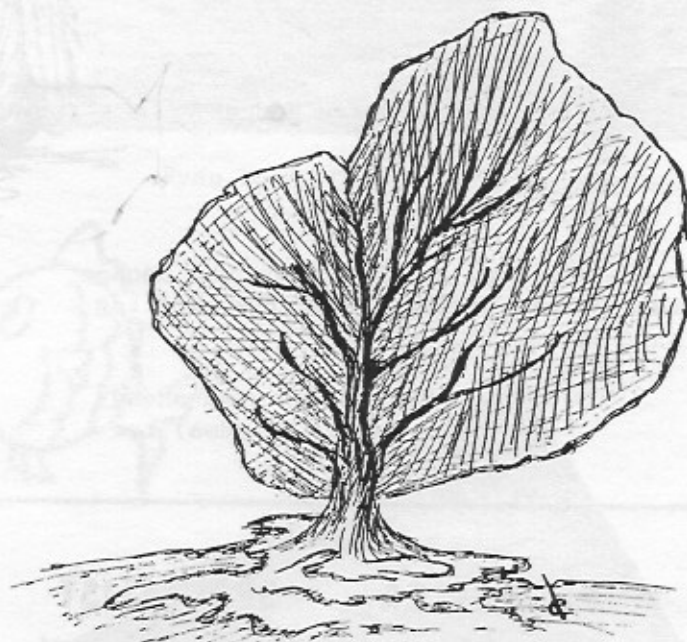

Until Next Time

OUR MEXICAN FRIENDS AND NEIGHBORS

Meet "Everyone's Friend" TICO Launcher Driver

Sergio Galindo Ruiz, better known as TICO, is the driver of Launcher number one. Tico was born in Ensenada some 31 years ago, then he went to school in Mazatlan. He moved to Cholla with his parents, brothers, and sisters when he was 12 years old. He worked with his father doing construction work and then went to work with Ramon Perez, when Ramon had a charter boat, taking people fishing.

Tico is still a single man, and many times you see him watching and talking with the ladies.

Sixteen years ago, Tico began driving a launcher for Jorge Vasquez Gutierrez. He drove launcher number six for fourteen years. Two years ago, Tico began working for himself. You see him on his own red and blue launcher number one. He is also a member of the Cholla Bay Sportsmen's Club, Cholla Bay Chapter.

You will always be greeted with a smile and a buenos dias in the mornings, when he comes walking by, as usual, barefooted, or patiently waiting for you to get that last item aboard your boat, before he tows the boat and trailer down to the launching area.

His friendly personality, and often teasing assistance in getting your boat either off or on the trailer is welcome, when you've had a long day fishing, or maybe boat problems while returning to Cholla.

Tico has just recently purchased a 2-wheeler, so no more walking home in the evening, or catching a ride home after a long day of work, as he has done for many years.

Many people use Tico as a translator, as he speaks and understands English very well. He is a real asset to this community, and we are happy to have him as friend and neighbor.

CHOLLA BAY CHAPTER GENERAL MEETING
By Shirley Hunter

The Cholla Capters monthly meeting was held August 11 at 7 p.m. at the La Curva restaurant in Pureto Pénasco with 33 members present, including 3 guests. The minutes were read by acting secretary, Jo Barnes.

The Treasurer, Austin Schillinger and the Membership Chairman, Jo Barnes, made their reports. President Ken Barnes reported on sick bay and announced that Chapter member, Morris Bailey is receiving treatment in Phoenix and we all wish him well. Dee Dee of Ships Store reported that a shipment of T-shirts has arrived and they are at her home in Cholla Bay. Martine reported a Rescata 27 miles out. He also reported that the generator at the radio shack is in bad repair and needs to be overhauled.

President Ken Barnes reported on the Council meeting. He informed our Chapter that the Cholla Chapter's proposed ammendment was voted down, 13-2. The standing rule defining the geographical areas was voted in. Another ammendment proposed by Phoenix, similar to the Cholla proposal would be voted on at the next Council meeting in September. There was discussion on the geographical areas, again, by the general membership.

The Council accepted the Cholla Chapter to chair the Christmas party. Dee Dee and Jo Barnes have accepted the chairmanship of this event. Jo reported that many volunteers are needed for different committees and if anyone is interested, please contact either Dee Dee or Jo. Paul Brandt has offered storage space for items, this includes all articles and non-perishable foods.

La Salle Taylor gave a short report on the letter some people have received from Gus Brown, Jr., concerning the possibility of purchasing the property (lots) now owned by Gus Brown. La Salle also reported Gus Brown is sponsoring a clean-up of Cholla Bay. This will be done on 2 different weekends. These weekends are: the second weekend of September (Sept. 12, 13, 14), and the first weekend of October (Oct. 3, 4, 5). Everyone is being asked to clean up around their neighborhood and that there will be trucks to haul away all the debris. There will also be a tractor available for towing or taking away all junk

cars, etc. These items will be towed away, regardless. Everyone is to meet in front of J. J.'s Cantina at 8 a.m. on the first day, September 12. So, please, everyone pitch in and help clean up this area, our Cholla Bay.

We now have a library in Cholla Bay and it is located in the hotel where our two policemen reside. Any donation of books and any volunteer help will be greatly appreciated.

Remember, our next regular meeting will be held, Sunday, September 7 at J.J.'s cantina with a pancake breakfast, starting at 10 a.m.. This is espically for all our out-of-town members, so they may attend.

One of our sponsored members, Valena Eisenhart handled the door and raffle prizes just wonderful. Here are her results:

ALSO SPECIAL OF THE DAY

August has been a balmy, warm month. It seems on the top of everyones list is to swim, cool off, and hunt for shady, breezy spots. The dogs seem to think the best place is under the car. Never tried that, but maybe it works. Even though it's been hot, it is good weather for fishing, and some fine catches were brought in. Groupers ranging from 20 to 70 pounds, and lots of sardinero, pinto, and pargo. In spite of suffering with the heat, the fishermen were rewarded with the cooler air over the water, and tasty fish.

There have been several fish fry pot lucks held this last month, and all summer, partly due to the fact that there are more people spending the summer in Cholla than there has ever been before, and it's a whole lot easier to fix one dish than a whole meal.

The first weekend in August was a special one for two people. Gabby Gaynes gave a goat barbecue birthday party at the Cantina for his wife, Shirley, and Horace Hitchcock. Pancho Villa raised the goats especially for the barbecue. Many of the people who ate the goat meat were very surprised at how good it was. Some of us had never eaten goat meat before. We should have known it would be good with Rhoda and Joe doing the cooking.

Rocky Point is letting Cholla use a water truck for a few days so the work will begin on the promised ball field, and hopefully, the playground and tennis court will come soon after. The local Mexican children are eagerly awaiting the new ball field and playground.

Well kids, it really is your turn. J.J.'s is building a game room for the young people. There will be a TV, music, pop, and food. (Hamburgers and hot dogs) Also video games. This is for all the minors who find themselves with nothing to do. The new area is to the right of the cantina.

Cholla Bay at last has a Public Library, thanks to Essie Mayfield, her daughters, Waneta Brandt, and generous donations of books from many people. The library is located in the old Cholla Hotel, right around the corner from Victor Manuel's apartment. Anyone who has books they want to donate to the library, please bring them. They will be gratefully accepted. The library needs children's books written in Spanish, as this library is for everyone. There are shelves being made for the books and the room has been cleaned and painted. During the summer months the library will be open once a week, manned by volunteers. As more people return to Cholla, it will be open according to need. Waneta Brandt has the key at this time, if you wish to donate or check out books. This is a welcome and needed addition to the community.

One of our local couples recently had the opportunity to travel further south to Pitiquito, Chihuahua, and surrounding areas, enjoying the cooler climate and the beautiful scenery. Makes us wish we could have gone too. Maybe next time----

Rescate, (Mexican Search and Rescue) had to go 27 miles to assist one of our frquent weekend fishermen who had boat trouble. A ponga was sent out with a mechanic to try and repair the boat, with hopes that it could return under it's own power, as it was a large boat. The repair was sucessful, tut they still were after dark in returning to Cholla.

Have you ever eaten jaiba? (That's crab, in English) Most of us have eaten it and love it. With the warm weather and water, now is the time to go crabbing. Especially on the weekends, the Bay is full of people walking knee deep in water, looking for jaiba. A number of Cholla residents got together with buckets, nets, and stabbers, and came back with enough crab to have a real crab pig-out! They

boiled with spices, marinated, and in crab salad.

Many of us have received a letter from Gus Brown Jr., on the possibility of owning your own property by way of a bank trust. Every one should make an effort to return the form as soon as possible.

La Salle Taylor, Gus Brown Jr.'s manager for Cholla Bay, is asking for two clean-up periods in September and October. Two organized clean-up weekends are planned, one on Sept 12, 13, and 14th. The second one on Oct. 3, 4, and 5th. Volunteers will meet in front of JJ's Cantina at 8 o'clock. Again, everyone is urged to clean up the brush, weeds, garbage, and junk around their places. We are all striving for a cleaner Cholla Bay. Many new foundations are being built, and a general upgrading of the Bay area is noticeable.

July was slow everyone was on vacation even Search and Rescue.

ATVs Under Siege by Feds

Legislation introduced into the U.S. Senate would require popular all-terrain vehicles (ATVs) to carry warning labels and youngsters under the age of 14 couldn't legally operate them.

The chairman of the Senate subcommittee on consumer affairs wants the warning legislations on all ATVs manufactured, imported or sold by dealers in the United States. ATVs are three or four-wheel engine-driven vehicles used primarily for off-road recreation.

Republican Sen. Robert Kasten of Wisconsin pointed out that by the end of last year, there were approximately 2.6 million such vehicles in use in the United States. Between 1982 and 1985, more than 400 people, almost half of them under 16 years old, were killed in ATV related accidents.

In that same time frame, there were eight deaths in Arizona, according to the Consumer Product Safety Commission.

The All-Terrain Vehicle User Safety Act would require the following display on each vehicle:

"Passengers will reduce balance and control; operator only, no passengers.

"Use on hard surface may cause severe injury; off-the-road use only.

"Operation without helmet can result in severe injury; wear protective equipment;

"Lack of supervision when children operate this vehicle may result in serious injury. Adult supervision required. This model shouldn't be operated by children under the age of 14."

It is a bit unfortunate such legislation is termed necessary. Most parents have accepted their responsibility in teaching their youngsters the hazards in simply operating a bicycle.

Sens. Dennis DeConcini and Barry Goldwater would no doubt like to hear from the folks at home on the proposed legislation.

Cholla Chatter Editors,

This article appeared in our Flagstaff paper and thought it might be appropriate to put in the Cholla Chatter.

I always find it absolutely amazing the number of so called responsible adults that use ATV's for "babysitting" in Cholla Bay. I was particularly appalled to see a youngster-under 5- tied by a bungie type cord to a ATV all alone and allowed to ride up and down the hill many many times without supervision a few months ago.

Thankfully nothing happened, but litterly no thanks to his parents. What would have happened had the ATV turned over and he was tied on? Does it bother anyone else besides me?

Am so thankful for the new speed limit signs in CB. At least this has to help cut down on the accidents somewhat.

Had written this before the article in the July issue of CC but never got it mailed. Still think it is quite appropriate and maybe if more of us cared about our fellow neighbors and let others know, we can get something done about this problem. Let's hope-right?

Sincerely concerned,

Marge
