HAPPENINGS AROUND PELICAN POINT

By: Marie MacGill

I guess we are all getting itchy feet to go to Cholla Bay now that it is about fall. Joe and Roma Blunk were there the weekend of September 8th and said the weather wasn't bad at all, that it had rained and settled some of the dust.

Jim and Elmora Westfall are the proud grandparents of a new grandson that arrived August 14th. He was named J.R. Jr. After four girls J.R. was a happy Daddy.

Gene and Hilda Erkert are excited about going to Michigan to their son's wedding. Hilda's mother will fly there for the wedding and then go home with Gene and Hilda, and of course I bet they take her to visit the Bay.

The first of September while spending a few days at Prescott we had a very pleasant surprise. Ed and Marty Perlmutter with their guests Ethel Heldt and Stevie Rohr stopped by to chat for awhile. Made us all feel home sick for Cholla. Lou and Shelly Bock and Tara had just left Perlmutter's after a nice visit. Ethel said Butch "Firecracker" was in Seattle visiting a sick brother.

We were very envious of the Clarence Allums when we saw the movies they took while fishing for Tuna in San Carlos. They were there about two months and caught a whole load of them. They kept the old Honey Bea on the go. Bea canned so much Tuna that she said she felt like a Tuna factory. She would have done much better if she hadn't broken her big toe on the boat one day while fishing in stormy waters. She carried it in a splint for about six weeks. She is doing fine now.

George and Lydia Panek of the Desert Queen were in Canada the last we heard from them. They were having such a blast that we doubt if they will be back to Cholla Bay until around Thanksgiving. Then they will spend the winter there improving their place in Cholla.

Until next time be good to yourself.

TUCSON CHAPTER NEWS

By: Jonnie Ahrens

Our first meeting since June was a rousing success. Shelly Bock and Jonnie Ahrens called all our members and they showed up in droves and brought guests. Lou and Shelly Bock introduced their guests, Francisco Rios, Jose Rios and Cecilia Flores from Hermosillo, Guaymas and Nogales. Sammy Rothrock brought her son Trevor for dinner and Jim and Pat Davis were visitors.

Greg Skwiat called the meeting to order at 7:50 P.M. and then we all introduced ourselves. The minutes were read by Joan Dernberger and the treasurer's report was given by Sammy Rothrock. Lynn Skwiat has new shirts, License plate holders, sunshades for glasses and jackets on sale.

Shirley Reid asked us all to make the supreme effort to recruit new members.

We shared some of our summer experiences with each other. Mary Brown, Pete Scott, Chuck and Joan Dernberger went rafting down the Colorado River from Moab, Utah. Bert and Smoky Magney and Jonnie Ahrens flew to San Francisco and boarded thier Cal 39 Sail Boat and sailed to Long Beach. Quite an exciting and interesting trip. Other news - we heard that Oscar Newman had been stung by a scorpion 3 times.

CONGRATULATIONS!!! To Pete Scott for reeling in the largest and only Sailfish. 58 1/2 pounds. GOOD FISHING! And also to Chris Tatum who was presented the Al Scott Award for 1984.

A group of the gals in the club have been meeting and going to lunch at various restaurants around Tucson. Their nickname is the Choya Mermaids. It was mentioned that when down at the Bay, a group could get together and go into town for lunch. It would be fun!

Shelly Bock thanks everyone for the canned food brought to the meeting for the Christmas Party. Next meeting she needs - lard, paper bags, toys, things for older children and to remind you she will pick up anything you have to donate.

Also next meeting, there will be nominations for officers and board members and in December elections will be held. Anyone wishing to

volunteer - please feel free to contact Greg or Lynn Skwiat.

The beautiful padded photo album made by Lynn Skiat was won by Maureen Henry. Other door prize winners were:

- Trevor Rothrock.....Horn
- Maureen Henry.....Mug
- Cecilia Flores.....L.P. Holders
- Dennis Hohlecamp.....Can holder
- Bill Townsend.....Sun Shades
- Joan Dernberger.....Light

A WELCOME TO OUR NEW MEMBERS:

SEE YOU NEXT MONTH. BYE FOR NOW!

The Cholla Bay Sportsmen's Club wishes to extend our sympathy to Senor Vasquez and family on the passing of his brother Manuel Vasquez, who died in Mexicali on August 25th. He had been ill since last October.

Prior to the business meeting of September 12th, Ms. Lee Morris presented facts to us about ordinance No. G449 that was about to come up before the City Council that would restrict or stop parking of R.Vs., trailers, boats, pickups with campers in the front yard of your residence, this also means driveways. If interested in this matter contact your District Representative as quickly as possible.

As usual George Rodgers led the members in the pledge to the flag, (that has disappeared). The room was pretty well filled. Everyone was having fun getting together after a months absence.

Nancy LaPointe read the financial report. Mike Kemper of Ship's Stores has a new supply of T shirts and Sweat Shirts and lots of goodies. He also has some good looking expandable band key holders that can be worn around your wrist, ankle and your leg if it's not too fat. (no they are very nice and only 1.25). Mike said that if there is something that you might suggest that he get for the Store, drop him a line and he will see what he can do about obtaining it. Billye Wilda said that membership dropped back to 937, mainly because some members have moved and did not leave a forwarding address.

Butch Wilda of Search and Rescue said if a person receives an injury that needs attention that they should contact Augustin at the Radio Shack, Rojo, Wally or Martine Taylor. There are first aid supplies and help available. Don't let a burn or injury go without proper attention.

It was reported that Butch Heldt had minor surgery. We missed Betty Williams at the meeting, Will said that she has been having some back trouble, but is improving. It was such a pleasure to have Bill Beem at the meeting after his long bout of illness. He thanked everyone for the many cards and prayers for his recovery. Nub Moore reported that Stevie K., Mildred Kochenthal is back in the hospital after more surgery on her leg. She needs our prayers. Augustin Leon's baby has just gotten our of the hospital after having a hernia operation.

Mary Reinert, the Chatter Co-editor introduced Sharon Olson who will become Chatter Editor for 1985. In fact Sharon did the paste up work on this September Issue.

As the weather is starting to cool, we have already had a visit from Mr. & Mrs. Santa Clause, Manny and Mercy Pantoja. They are the Santas that make all of the little people happy at the Bay and the Orphanage, at the Christmas Party. They were presented honorary membership by the Sportsmen's Club. We were so happy to have them. Please hurry back you dear people.

Also we want to thank the guests and new members for coming, and to thank Jayne and Wimpy Jaskowiak for bringing Jayne's mother, (Granny) Martha Lu Crosley. She is such a gracious person and we were so glad to have her with us.

Fran Johnson reported on the Fall Dance. It will be held September 29th. She asked that Everyone bring white elephant gifts to be used as door prizes.

Will Williams, George Rodgers and Nancy La Pointe are the Committee for Nominations of officers and board members for 1985. If you feel that you are interested and can serve in some capacity please contact one of the committee members.

ADVERTISERS!

To all our Cholla Bay friends - Aloha from Hawaii.

We are on the big island of Hawaii and what a beautiful place it is. Lots of flowers, macadamia nut trees, fields of sugar cane, the dark blue Pacific and the blue sky with white clouds. The temperature is about 80 to 85 degrees in the daytime, with a breeze blowing almost all the time.

A sincere thanks to all our friends who attended our going away party. We arrived in Hawaii in style wearing our beautiful leis. Thank you very much.

Our plans are to be back to the Bay around February. Take care and have fun in Cholla.

LET'S TALK ABOUT YOUR CHOLLA
BAY BOATING AND FISHING NEEDS.

SEARCH & RESCUE

CHOLLA BAY RADIO OPERATIONS

The radios operated by the Cholla Bay Sportsmen's Club are essential to providing for effective communication and boating safety in the Puerto Penasco area. It is important that the radios be operated in a manner which meets the needs of our users. Frequently, especially on busy weekends, conversation on our primary frequencies is so heavy as to jeopardize their effective use for handling normal boating operations and ensure safety needs are met.

In the event of an emergency when time is of the essence, the radio is often the only way to "sound the alarm" and obtain needed help. For this reason we ask that you monitor our safety and calling frequencies and use them to make initial contact with your party, then unless your conversation is with Cholla Radio, SWITCH TO ANOTHER CHANNEL FOR CONVERSATION!

Listed below are the channels in use by Cholla Radio:

<u>RADIO TYPE</u>	<u>SAFETY, CALLING & EMERGENCY CHANNELS</u>
CB	3 & 9
VHF Marine	16 & 26
AM Marine	2182

You will note that the safety and calling channels are AM Marine 2182, VHF Marine 16 & 26, and CB channel 3. As in the United States, CB channel 9 is for emergency use and should be used for that purpose only. Channel 9 is monitored by both Cholla Radio and the Mexican agencies.

REMEMBER, it is important that our safety and calling channels remain as clear as possible if we are to handle normal traffic and emergencies effectively. After making your initial contact on a safety and calling channel, switch to another channel for conversation with other than Cholla Radio.
