PHOENIX CHAPTER GENERAL MEETING
By: Marie MacGill

Our January 13th meeting started out with a bang with a room full of people.

Newt Grefenson led us with The Pledge of Allegiance to The Flag. Then came the introductions.

We want to thank our many members and friends and guests for coming. Joe and Wendy Walters from the Acapulca Bay Beach Club Restaurant Tropical were guests of Noel Jordan and became members. Noel said they came to chaprone her since hubby Clyde was unable to attend.

Odd Simonsen brought a guest, John Montago. John and Connie Nordsworthy brought guest, Donna Caraker. Wayne and Sue Kudis brought their guest, Dave Judd. Norma and Kent Cline from Las Conchas were guests of Sharon Allen, and became members. Welcome aboard. We love having you.

Past Secretary Fran Johnson read the last minutes of 1987, and Treasurer, Paul VanOver read his last 1987 report that was accepted as read.

Arlene Martin, our 1987 and 1988 sick bay chairman gave us the report that was very sad when she said that a dear member, Homer Smith departed from this world with a Heart Attack on New Year's eve at Cholla Bay. It was said that Homer bought a new car and he and Florence planned on a lovely Holiday at Cholla; no words of Sympthy can be conveyed to Florence as to how much we care. After 92 years perhaps the Angels were waiting to take him home from the place he loved the most. He will be missed by many, many people including the Mexican People. Another great Soldier has gone to rest.

Also listed in sick bay was Betty Waggoner. Husband Bill said she had the flu. Gene Miller of Ship's Store couldn't make it. The bug got him and left wife Deanne with the Store for her first time. Mary Parker stepped in and helped her take over. Deanne said the 88 Tide Calendars are in. It was called to our attention to read the inside cover of them for a very interesting story.

Mary Reinert is membership and Council Chairman this year. She said the last count on members were 873. New President Dave Conners asked that we each bring one member into the club for this year and we could bring membership way up again. Lets all try for at least one member. THANKS.

Sue Kudis is Door Prize chairman and in charge of the 88 Christmas party.

Hanna Jordan said there will be a White Elephant sale at the February meeting. Hope we remember to bring something. She said they have plans for several different events for the year 1988. March meeting will be The Old Timers meeting, so please try to bring one or some one who does not attend. we had a great time at the meeting last year.

It was said that Ed Farmer brought 55 new members at one time, and then another 12 new members at the Cholla meeting at the Bay. Isn't that something?

We were pleased to know that Sharon and Skip Allen will be Editors for the Chatter again this year. No words can thank them enough. Sharon said all of the bills for the Chatter had been paid, and thanked the other chapters for their fine work on the Chatter for this past year.

Ellen and Bill Coughlin were given a big hand for taking care of the door prizes last year.

Past president Lew Frazier praised Von Gothbright her hard work and interest in the club.

Mary Reinert said the Christmas party that was held at the bay at 11:00 am on December 19th was very successful with lots of toys and food, and that everyone had a good time.

BREAKFAST LUNCH DINNER

Dick Gardner showed us his survival kit that he bought for his neice to put in her new car. It contained rocket flares that shoot high in the sky, road flares, a book of matches, a pocket knife, a can of V8 or tomato juice, a can of beans, a mirrow to signal with and various articles. He said the girls that got lost in the snow at Christmas time could probably been saved much sooner had they had these things. He said to also throw a blanket or something out, that is spread it out on the snow or ground so that it can be seen from the air to let some one know that you are there. Don't forget to take water with you also.

Dick said the city of Phoenix Parks and recreation are holding classes on survival on February 24th at 6:30 to 9:00 P.M. at 39th Avenue and Glendale.

President Dave Conners presented Lew Frazier, our out going president with a beautiful Plaque with the Cholla Emblem, year and his name. Lew said that is the first time he had seen his name spelled correctly when he thanked Dave for it. Lew will be in charge of intertainment this year.

Marlyn Robson is our 1987 Secretary. Bell Taylor is our new Treasurer.

We owe many thanks to Paul VanOver for his hard work for being our Treasurer for the past Three years. Thanks again Paul.

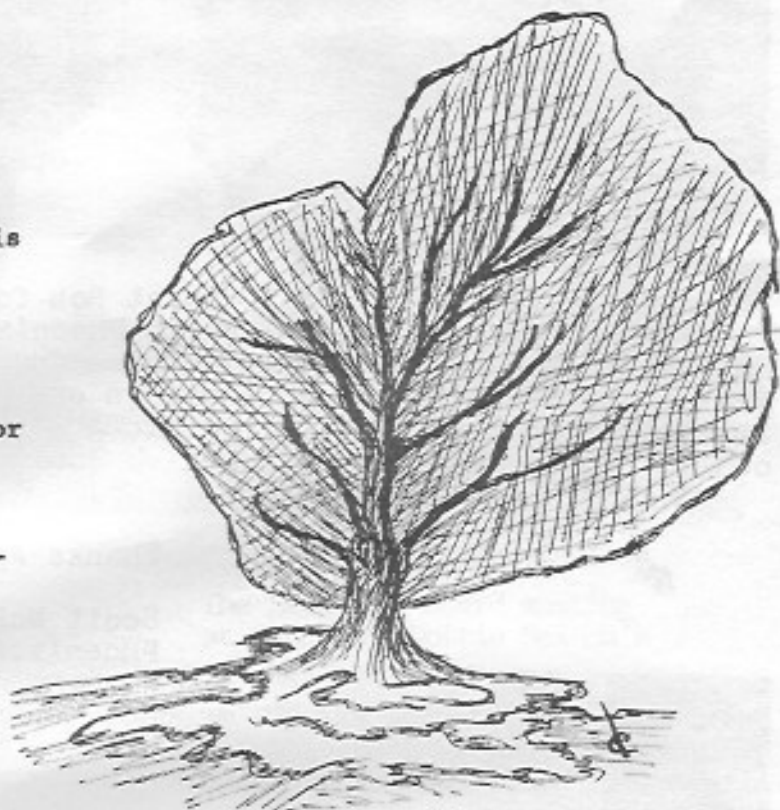

I understand the February Board meeting will be held at the Robson's house.

Noel Jordan won the Christmas Raffle certificate.

Joe Reinert	Large Tide Calendar
Ellen Coughlin	declined her name being drawn, as she brought the gift.
Sharon Olsen	Smoke Alarm
Wimpy Jasowiak	Igloo Chest
Jayne Jasowiak	Dinner for two at Acapulca Bay Beach Club Restaurant
Shirley Hudson	also won Dinner for two at the Acapulca Beach Club Restaurant
Dick Baize	won dinner for two at the HUNAN Restaurant. Eat and you will enjoy.

If any of you have been wondering what has happened to our friends Jimmie and Jerry Nunn that used to always attend our meetings, well I asked Noel Jordan and she said that Jerry and Jimmie are living in Flagstaff now and still working on their new home there. She said that she and Clive in their motor home, and Jerry and Jimmie in their motor home and four other motor homes went to Park City in Deer Valley just outside of Salt Lake City Utah on a ski trip and had a great time. They left the afternoon of New Years day and returned the following Saturday. Hope they come back to visit us sometime.

Until next time, GOD BLESS and Have a HAPPY 1988.

Dear Sirs:

This writing is multi-purpose.

Thank you for printing my letter in JAN issue (RE: p.14) about orphanage in Sonoyta.

As most C.B.S.C.r's are aware, Homer & Florence Smith were guests of the Paul Schoonovers for the New Year in Cholla Bay. As Homer felt ill, he did not imbibe. The recount of story is that, Paul & Augustin went in action to get Homer to hospital in Puerto Peñasco. The Schoonovers also had guests whom were RN's that attended Homer. Homer died enroute. That is not the end of the commendable & loveable actions of the first persons mentioned. They further acted to expedite paperwork & crossing of border for Florence (widow) and body (Homer).

The Schoonovers are more than friends and Augustin (whom excused himself from personal family concerns) the surviving family owes more than thanks.

I intend to continue to administer the foundation in behalf of the Smiths. It is my wish that the Cholla Chatter will continuously publish their needs to further their works.

Thank you ALL.

Sincerely,

Tina Farris

A remarkable life ended in Cholla Bay on the first day of 1988.

In most cases, individuals spend part of their time on earth doing little that is either interesting or constructive. This was never the case with HOMER SMITH.

From the date of his birth, October 25, 1896, he participated in and helped shape the events and people with whom he was associated.

During World War I he was involved in active combat with the United States Navy. After the war and for the remainder of his life he was active in the American Legion..

The war ended and Homer made the best contract of his life. He married Florence Tuttle. This union was a partnership that survived good times and bad. It became so solid that it was almost impossible to picture one of them without the other.

Professionally Homer was an architect. In Phoenix he was associated with Leshner and Mahoney and other firms. He supervised the construction of Camelback Inn, North Phoenix High School, Phoenix College and many other still remaining landmarks.

At heart he was always a rancher and cowboy. The lean years of the great depression found him homesteading and ranching in the Cave Creek area. He contracted with the Tonto National Forest to build the first fence with Mesquite poles and baredbwire to supliment income to support the ranch. At this time Florence also contributed to the family's wellbeing by providing transportation for the school. Two daughters had blessed the union at this time. Glodyne and Charlotte (Pudge) recall their childhood as fun and adventure in the desert setting.

The Smiths were outstanding citizens in the small desert community. Homer contributed both time and money to construct the new Legion hall. This building was then and is now a community center.

The Colorado Plateau was the site of his next cattle ranch.

It was during this period that he built the house in Cholla Bay becoming a good neighbor to all of us. The nineteen fiftys found Homer racing Class D Hydroplanes. He held the national championship for this class. In his " spare time" at Cholla Bay he build a Desel Motor Sailer which eventually was docked at Silver Gate Yacht club in San Diego.

Mexico was adventure territory for Florence and Homer to explore and love. One time they made a trip to Alaska. That beautiful grass convinced Mr Smith he was not too old to homestead one more time.

Returning from the northland, Yarnell, Arizona became the place for Homer to build his Casa Ultimo. Community activities still kept him busy.

Homer and Florence were supporters of the orphanage located in Sonoita. In 1986 Homer and Florence donated 1 million plus Pesos to the Family Misssions, Inc PO. Box 8369 . Phoenix, Az 85066.

In 1987 The Smiths set up a foundation at the National Bank of Mexico for the Granaja Feliz. This will assure them of over 1 million Pesos annually to rebuild and enlarge the facility.

Plans were made to visit the orphanage after Christmas and then celebrate the arrival of the New Year at Cholla Bay. In true character he decided to drive his own sports car to the festivities. He enjoyed visiting with long time friends and seeing 1988 arrive on schedule.

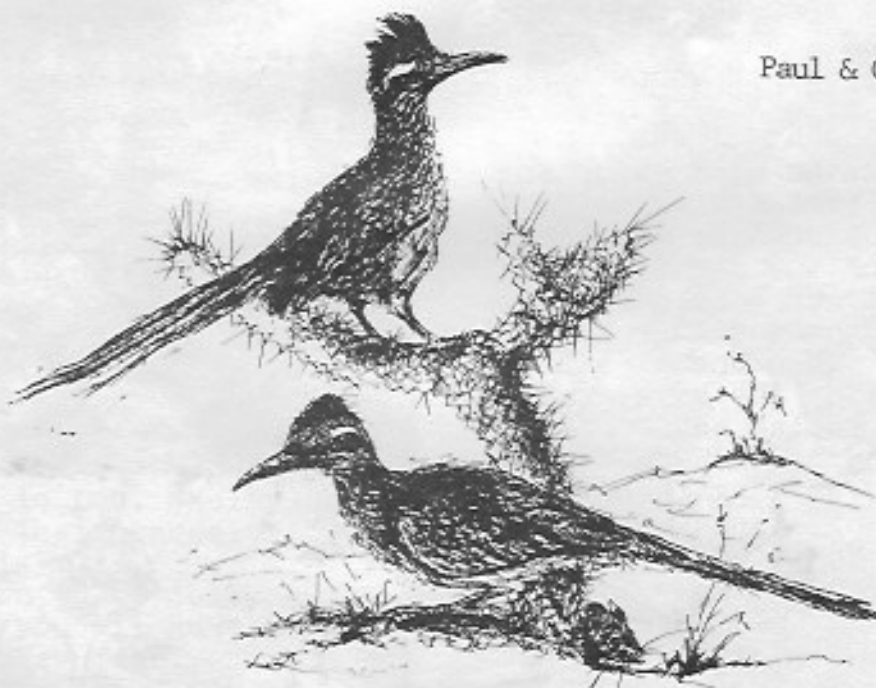

A heart attack ended this marvelous life in the first hours of 1988.

The Pioneer Cemetery in Peeples Valley is his final resting place.

Florence is with their daughter Glodyne in Payson . Her address is Florence Smith, c/o Glo Cowley, 615 W. Summitt, Payson, Az 85541.

Our sympathy is with the family Homer leaves behind. But what a wonderful time and way to have lived on this great planet earth.

Paul & Grace Schoonover

Cholla Bay Christmas 1987

The Christmas tree was decorated. The food boxes were very full and the toy sacks were overflowing. Santa Claus was on his way with his sack of candy canes and lolly-pops. Dark, Shining eyes and smiling faces were everywhere. Many people had worked very hard and now we could enjoy it.

Santa Claus and his helper, Sal Otanez and his wife, JoAnn, were so surrounded with children we couldn't get a good picture of him. Thanks, Santa.

Many people helped pass out the food boxes and toy sacks. The food boxes contained beef tamale meat, lard, beans, rice, canned vegetables, flour, potatoes, apples, oranges and candy. Seventy-four families received food boxes. The toy sacks each contained playing cards, school paper, pencils, dental kits, pretzels, raisins, a Mickey Mouse stuffed toy, a pair of socks for each child, two or three presents for each child plus a toy to share such as a basket ball, soccer ball, baseball bat and ball, dominoes, small wagons and shopping carts.

Several Mexican girls danced for our entertainment. We all enjoyed it very much. The Mexican children all applauded when Tara Bock took the microphone and sang Feliz Navidad to them.

Vasquez Liquors in Sonoyta donated three piñatas. We appreciate their thoughtfulness. We filled the piñatas with candy and persuaded Lou Bock and Wayne Kudis to hold the ropes while the boys and girls swung the mighty baseball bat. That bat can be a dangerous weapon, so Lou padded it and wrapped it with tape. When one piñata started to break, the boys grabbed it and almost pulled Wayne off the top of the Suburban. Such excitement - so many smiling faces. We enjoyed the happy faces of the parents while their children were having such a good time.

The Christmas tree we decorated was won by the family of Jose Cubillas, the Tino Comacho family

Christmas of 1987

won the bike. Horatio, the mechanic was all smiles when he won a very large plush green parrot for his children.

The girls that entertained us had a special drawing for a very large box of Barbie doll furniture and house with Barbie and Ken and clothes. Believe it or not - Barbie has an ATV. This package was won by Melena.

Many, many people made this Christmas a happy success with their donations of money, food, toys, and help. Thank you to the Nelsons, Gaynes, Barlows, Saylor, Drakes, Farrahs, Dumas, Dernbergers, Smiths, Mifflins, Goodins, Cashions, Burwells, Reinerts, Davis, Rothrocks, Christians, Warwicks, Skwiats, Robsons, and the Tinnervins, Glenice Marek, Tony Rimsa, Jackie VanNortrick, Del McIntyre, Francis Staab, Dave Stewart and Irene Drake. We also thank the Blunks, Kudis, Hortons, Hansons, Tom and Jeanette, John Bynum, Marty Perlmutter, Alan Peterson, Dawn Huelett, Cathy Hill and daughter, Von Gottbreht and Oscar and Sally.

Thanks to all the people who donated raffle prizes and bought tickets all year at the meetings. Wayne Kudis - that was nice of you to buy your wife's "white elephants" at the Phoenix auction.

Special thanks to Lou, Shelly and Tara Bock for their house, help and hospitality.

T'was the season to be jolly - and we were! May you all have a healthy and happy New Year.

1988 CHRISTMAS PARTY

Although December is still far away, I'm asking for everyone's help in gathering up bikes, bike parts (any kind) and wagons.

Everyone has spare bike parts the kids needed but never used.

Please talk to your neighbors, friends and co-workers. Their throw-aways may be our treasures!

Any parts, bikes or wagons can be stored at cabin #149 until I get a fix-up committee together. See Patty, Hustler or me for a key.

I also would like all chapters to hold a white elephant auction by April for Christmas party funds. Details later.

I'm looking for volunteers to help me make this years Christmas party as successful as the past parties.....all suggestions welcome .

Thanks

Sue Kudis (Mama K)

By this time most of you have had the opportunity to see the construction taking place at the Club House aka Fry Shack. To some of you it may appear that things are at a standstill, however everything is still in motion.

Phase 1-is practically completed. Phase 11-enclosing the structure, should be completed and in use by early fall. Financing of the Phase 11 construction is being made possible by individual contributions and various fund raising activities by the three chapters. Thanks to all of you who have purchased the beams. The beams have been ordered and should be delivered by February. Arrangements are being made with Graphic Directions for the name plates. A very special thanks to Wimpy and Jane Jaskowiak who donated the sheathing for the roof. Seven tables have been installed and a donation has been received for one of the five additional tables that we hope to construct. Anyone who wishes to participate in anyway in the construction of your Club House facilities should contact your chapter president. Your assistance will be greatly appreciated. Don't look now guys, but phase 111 is in the planning stages.

Our Tucson meeting started out with a nice big turn out for our Christmas Pot Luck dinner. We also had some new faces attending, which included Marion and Dorthy Mifflin and Mac McElliot. It was a grand ole time. We then had our Christmas raffle, which was a beautiful knife set donated by Don and Alice Christian and a nice crystal plate donated by Jo and Irene Drake. Special thanks goes to these people for donating the gifts. The knife set was won by Marion Mifflin and the crystal plate was won by Peggy Drake. A bit of sad news; We heard Irene Cortwright broke her leg, but she is doing better. Speedy recovery Irene. The Tucson Chapter is donating \$100.00 to Noni McKibbin's book. We also had a bit of good news from Lou Bock. He received a telephone call from Pinewood Arizona from three gentlemen who wanted to donate an ambulance to Cholla. They also invested \$250.00 of their own money to have some repairs done before it was delivered. Special Thanks goes to Larry Hauptman, Gary Bunker and Ken Lewis. Everyone also had the pleasure of meeting Chris Tatum for the first time. He set up the first radio system in Cholla Bay. Christmas came early for the DAV, for they had a mini crew known as Tara Bock and Gabriel Otanez cleaning up the chewing gum from underneath the tables for ~~no extra charge~~. Attention; Attention; All Mermaids our annual meeting will be held Friday or Saturday following New Year's Eve. Call Peggy or Lin for further information. Anyone who is going to see Lin Skiat, ask her if the President has lifted his ban on selling earrings?

HOT FLASHES FROM THE REEF AT SANDY BEACH

Here we are again to fill you in with the news off Sandy Beach for the last month.

Due to the cold Rainy weather, not much went on, but it will get better as the weather warms.

New Years Eve, there was a free spaghetti fest at The Reef, for all in Cholla Bay. Kirkv and friends prepared the homemade sauce at his cabin and all said it was great! This was a token of thanks for supporting the Reef in "87"!

The Reef wants to thank Mikie and Bule for helping out, and serving the food.

Thats all for now. Maybe more next month.

God Bless and Be Careful!

Daddy Reef

WHERE THERE IS LOVE

Where there is love
the heart is light,
Where there is love
the day is bright,

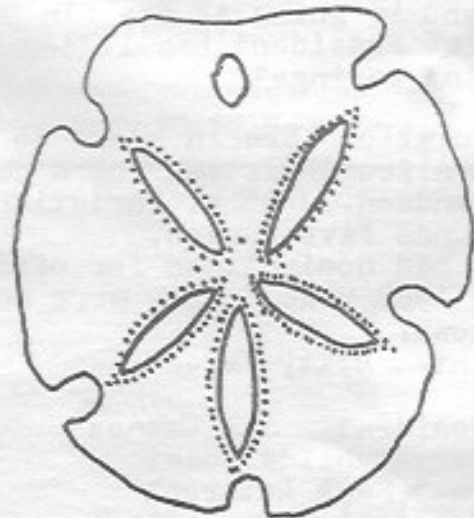

Where there is love
there is a song
To help when things
are going wrong...

Where there is love
there is a smile
To make all things
seem more worthwhile,

Where there is love
there's quite peace,
A tranquil place
where turmoils cease...

Love changes darkness
into light
And makes the heart
take "wingless flight"...

At last Louise McKenzie put her curtains up, and how nice they look!

From Las Cruces, New Mexico Jim and Nancy Huff came for two weeks vacation at Xmas and Pat and Ken Goodin arrived for New Years celebration----- what lovely parties and delicious food were enjoyed at their casas.

Ralph and Doug decided it was time to stop gaining weight, so the Smith and Cashion kitchens have halted food preparation until February 15th. This is the date each will pay \$1.00 for each pound lost, and or \$5.00 for each pound gained. Good Luck to you both!

Vi Schmerfeld and Chuck Payne resigned from the cold weather here and drove to Mazatlan before the New Year. They stopped in Obregon at a fresh water lake to do some fishing. Of course, our champion proved to be a winner as usual, bringing in a 13 1/2 lb. catfish, while the others were only catching 1 lb. catfish! They visited with Bucky and Glenda Maud in Kino, and had a wonderful warm holiday. Happy to see them back in Cholla.

Horace(Widow Maker) Hitchcock had Tom (Codfish) Pryor planting at Old Boys Social Club yesterday-- what do you suppose will grow there? Electric start for Cholla???

Don and Nancy Smedley almost have their new home finished--- and they are still married!

Ed Perlmutter has been very busy for three days; It has been rumored and very true that Meigs (Frenchman) Dumas has brightened up his life by revamping his solar system.

Where does Doris Davis really live? Will the elusive Doris Davis come to the window? Is it by the sea or on the mountain?

REGARDING THE BAKE SALE

If you have a " Baking Problem"(no oven, no time, or whatever) we have volunteers who will mix up your cupcakes, breads, etc. Just bring your eggs, sugar, flour etc. to our doors.

Looks as if the Walter Warwicks are going to hold the " Miss America" contest this fall-- they are building a runway to their gazebo.

Until next month,

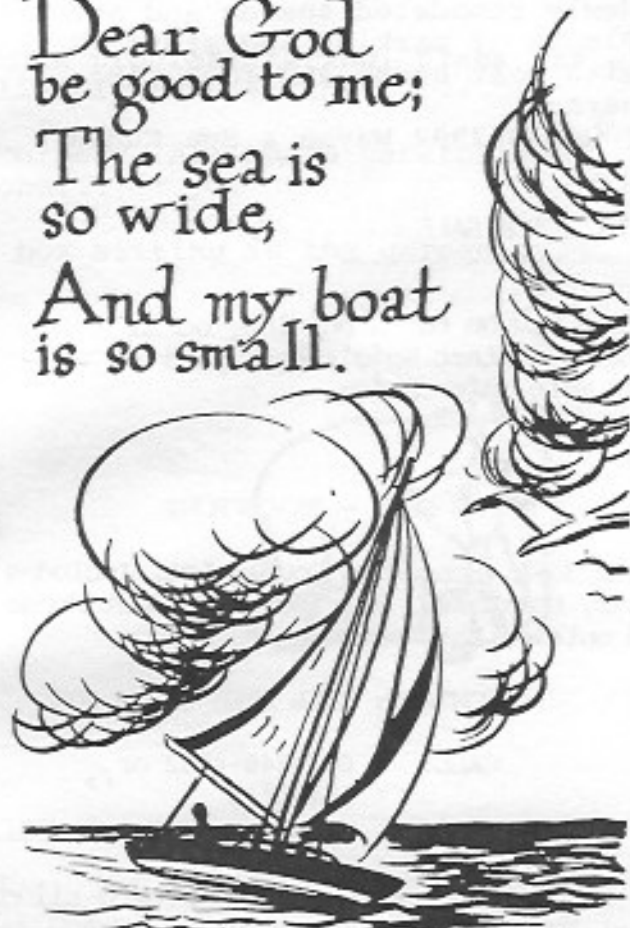

Lee (Ojala) Cashion

P.S. Many thanks to J.J.'s Cantina for collecting donations of \$250.00 to repaint the Cholla Bay ambulance.

Notice to all Phoenix and Tucson members! Please clean out your garages and carports and help Cholla Bay raise money for the CBSC building fund February 13, 1988.

Dear God
be good to me;
The sea is
so wide,
And my boat
is so small.

HONEY DO

We all have them. The little projects that get put off. After all, they'll only take a minute to do in the first place! Right, nothing in Choya takes a minute!!

First it takes several weeks to decide how to go about the project in the first place. Should he do it himself or hire someone.

After the conclusion that it's cheaper to do it himself, you're off and running....to the store that is.

Did you ever go to a Rocky Point hardware store? It takes several stops to gather the materials needed. The fact he left the list sitting on the table at home doesn't help.

Finally, your handiman returns to the job site. The empty Corona bottles are proof he really went to town....the few parts show he really needs a list to shop.

Now that everything is torn apart it's time to stop....getting close to cocktail hour and a trip to town for dinner. You get a scenic tour of every hardware store he stopped at on the way to the restaurant Didn't realize there were so many!!

Now he's ready to get this done.....no more procrastinating, plans are ready, material there, after all, it will only take a minute.....

Why is he putting everything away in a corner? All these carefully carried out details and still nothing done...

Seems the family handiman left the tool box sitting in the garage....
.....in Phoenix.

DON'T FORGET!
The White Elephant sale at
the Phoenix Chapter meeting
Feb. 10.

FEB. 13th

The Cholla Chapter will have another bargain sale at Gus Brown Plaza. Exact time will be broadcast on Channel 3.

Anyone having items to be donated can bring them to #267 (by the ole log cabin.) All proceeds of this sale will go to the building fund.

There is a new, four-wheel drive 1963 Dodge Power Wagon type, ambulance in Cholla Bay. Some of you may have seen it in front of Augustines house

Larry Hauptman, Gary Bunker and Ken Lewis are the individuals who spent time and money getting this vehicle in good condition. They repaired the vehicle in Pinewood Arizona where Ken is the Fire Chief.

The three men then drove the truck to the border where they were to meet Augustine. Augustine had the proper papers which would permit the truck to legally stay in Mexico. It just so happened that the day it arrived was a Mexican holiday. The top Mexican officials who were needed to approve the truck and papers were not available. Because of this, the ambulance had to be left at the Border.

Many thanks to Augustine who returned to Lukeville the following Monday, spent twelve or more hours negotiating and finally managed to bring the vehicle into Mexico.

Larry and Gary were very impressed with this old ambulance as it did not burn any oil during the whole trip into Mexico.

The club would like to thank Larry, Gary and Ken for obtaining this ambulance for Cholla. The time and money they spent is very much appreciated. There is a great need for this vehicle when injured people are not close to a main road.

Thanks again from all of us,

Lou Bock
