33rd Annual Fish Fry

Up until this year, I was always on the receiving end of the serving line. Wayne (Hustler) had helped in the kitchen last year.....so when we were asked to be in charge of the annual fish fry we thought.....HELP!!!!!!!

Help we had! Excellent help! Along with the experienced, alot of new volunteers worked to make the fry another successful event.

Some really got into their jobs. There was very little that wasn't batter covered and the gals with the donation cans had their own techniques for getting them filled! Next year it was suggested we should have "dueling donations".

About 1250 were served fish dinners and alot settled for tortillas and beans at the end.

Thanks to Vasquez Liquors for keeping the cocktails flowing. They always do a great job....many thanks for your generous contribution.

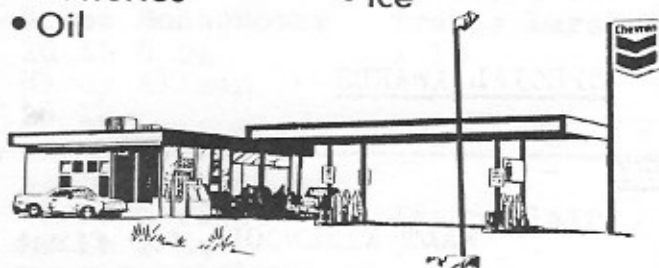

We would like to thank everyone involved. First, to all that donated their catches for the fry. Alot of big fish were cut up to feed many of you. There are too many names to mention, but everyone from our delivery people to the clean-up committee did a fantastic job for us. It would not have been a success without your help. Thanks for making our job look so easy!!!

CHOLLA BAY CHAPTER GENERAL MEETING

By Opal Farmer

Before our meeting is brought to order, we would like to express our appreciation to all who helped in making this affair a success.

Our meeting was brought to order by our President, Chuck Payne, who ask that each person introduce their self and where they are from. We had 121 Members and Guests, we had loads of fun.

Vi made a motion to dispense with the reading of the last minutes, this was seconded by Bucky Maud, and carried.

Treasurers Report: Jeanette Carroll, absent, Chuck read the last figures on the report. Opal made a motion to accept treasurers report, seconded by Mike.

Ships Store Report: Bette Horton, absent, ships store closed for the summer. Chuck said he thought Bette did a wonderful job of selling the T.Shirts, hats ect. during the Fishing Derby, again from all of us, Thanks.

Membership Report: Opal turned in seven (7) new members. Hanna said we now have a total of 421..... how sweet it is.

Sick Bay Report: A Speedy recovery from all of us, to Ethel Heldt, on the recent operation she had. Our sympathy goes to Nancy Huff (Plumb Crazy) on the passing of her Mother.

Old Business: Vi made a motion to dispense with old business, seconded by Ed Farmer.

However something did come up that should be in the minutes, as follows. The representatives to handle all dealings with the Club House until completion are, Ralph Smith and Tony Rimza, Cholla Chapter Joe Reiner and Joe Bunk Phoenix Chapter Pete Peterson and Sal Otanez Tucson Chapter, any dealings with the Club House will have to go through these six men.

New Business: There has been \$ 500.00 donated to Cholla Bay Sportsmens Club for a slush fund, to buy items for our raffles. The \$ 500.00 will replaced each time we use out of it. Donation was anonymous. We all thank you.

We also have \$ 750.00 donated to the Cholla Bay Sportsmens Club, to go toward the buliding fund for the Club House. Donation was anonymous. Gracias Amigos.

The winner of the Gus Brown free year rent was, Tom Tinnervan, enjoy your year, and our thanks for helping us build the New Club House.

The VHF Radio raffle that was going on, came to a halt, at our Pig cook-out the winner was Joe Reiner, thanks Joe you also helped with the building of our new Club House.

Sharon (Chatter Box) asked that anyone who took pictures during the derby, and had some pretty good turn outs, to please share them with her and she perhaps can run some of them in the Chatter during our summer months.

We all voted on when our next meeting would be, some said September, some said October... Guess what...October won...so our next meeting will be October 11th at 5:00 PM. This will be pot luck, so ladies we have time to think of something real yummie to make...of course the food is always good.

When and If you leave for the Summer..VAYA CON DIOS. SEE YA IN OCTOBER

Salsa Shark Steak

Anyone fond of Tex-Mex, a sometimes tongue-blistering cuisine, is familiar with salsa. The tomato-based sauce is an excellent topping for shark steak. It enhances the rather delicate taste of the better shark meats.

Anglers elsewhere may capture other species—most of them good eating. Porbeagle, sand sharks, threshers—all rate well. In Latin America other sharks are salted and sold as "bacalao"—much like salt cod. The British fish 'n chips is usually shark fillet. A Miami seafood distributor told me he ships thousands of pounds of frozen shark meat across the U.S. every month.

Catch one and you've got to kill it, gut it, and ice it immediately—right now—or it will spoil. Commercially caught shark is usually treated properly.

Because shark steak can be bland, we marinated ours in a little olive oil and a lot of lime juice for about a half hour. No more. It was then simply pan-broiled in more olive oil mixed with butter.

Ruth made the salsa: three finely chopped tomatoes, two cloves of garlic, four or five green

onions—including the green part—half a purple onion and some parsley. Add a healthy dash of oregano. Also chop three or four green chilies. If mild, add a chopped jalapeno for blister power—or use Tabasco to taste. Finally, stir in a smidgen of Extra Virgin olive oil.

Marinating in an acidic solution helps kill any ammonia taste in poorly handled shark. Equal parts of white wine, water and lemon or lime juice also work wonders. But on properly dressed shark you don't need that.

Salsa Shark Steak—surprisingly similar to swordfish, and you can't beat the price!

When I Am Old . . .

When I am an old woman I shall wear purple
with a red hat which doesn't go, and doesn't suit me,
and I shall spend my pension on brandy and summer gloves
and satin sandals, and say we have no money for butter.
And I shall sit down on the pavement when I'm tired
and gobble up samples in shops and press alarm bells
and run my stick along the public railings
and make up for the sobriety of my youth.
I shall go out in my slippers in the rain
and pick the flowers in other people's gardens,
and learn to spit.

You can wear terrible shirts and grow fat
and eat three pounds of sausages at a go
or only bread and pickles for a week
and hoard pens & pencils & beer mats & things in boxes.

But meanwhile we must stay respectable
and must not shame the children; they mind more,
even than we do, being noticeable.

We will keep dry with sensible clothes and spend
according to good value, and do what's best
to bring the best for us and for our children.

But maybe I ought to practice a little now?
So people who know me are not too shocked and surprised
when suddenly I am old, and start to wear purple.

Well the Fishing Derby was a great success. Lynn Skwiat - Where is your numero uno trophyski? Betty Yeates said everyone had a good doughy time at the fish fry. Everything ran smoothly and the food was excellent. Those tequila sunrises sure put a few smiles on alot of faces.

The Tucson Chapters board of directors is investigating new meeting places for our general meetings. The accepted meeting place will be announced before our next meeting.

This years Al Scott Award was received by Bob Morris. This award is given for outstanding service given to the CBSC.

The Presentation tonight was given by Bill Mapes, who is Chairman of the Metro Energy Commission. He gave an informative and interesting talk on solar electricity.

It was good to have the jet-setters, Bill and Peggy Drake here tonight. First, they jetted off to Hawaii and back just in time for the derby. Next they are off to the Fiji Islands and Australia. Hope you mates have a grand time.

See you in September.

Shelly

I have been asked by many people, who the winners were of the prizes at the Old Boys Soical Club's Third Annual Bash. I bet there are lots more folks that would like to know also, here is the list given to me.

PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

President Dave Conner called the meeting to order asking Newt Grefenson to lead us with the Pledge of Allegiance.

After all of the introductions were made Police Officer Paul Ellis who is with Crime Prevention for the City of Phoenix Police Department gave a very informative talk on how to protect your home against burglaries. Too bad for those that did not attend the meeting, because they could have learned a lot on Home Protection.

And speaking of not attending the meetings, there were a few more in attendance than in some of the past meetings, and we thank you for coming. Please bear in mind that you must come join with us to find out what is going on.

The minutes and the Treasurer's report were waived.

Gene Miller was back in Ship's store with Deeanne after having a bout with the burned hand arm, but it is coming right along now, and looks good. They had lots of goodies for sale, and are doing real well.

Mary Reinert reported for [unclear] in membership and said that May we now have 888 members and we are gaining.

It [unclear]
Rescu [unclear]

We must not forget to say that our friends from Vasquez Liquors at Sonita were at the fish fry with their usual Tequila Sun Rises and Rum and Cokes and sodas. Thank you dear people for your generous and kind Hospitality. We really appreciate you. We should all stop in on the way and give you our personal Thanks for your generosity, that is when we are going and coming from Rocky Point.

Lew Frazier said the campout will be August 5th, 6th, and 7th, at mile post 141 just above Strawberry. Look for directions in The Chatter. On Saturday night August 6th there will be Steak fry with a big pot beans. Lew said he has 12 stirring paddles, so bring your gas masks, Your own steak and a pot luck side dish. Sounds like fun. PLEASE REMEMBER THERE ARE NO FICALITIES, so bring your own pottie and what ever else goes on a picnic. Lew made reservations with the Forest Service so all should be O.K.

President Dave Conner said the picnic will be October 15th at McCormick Ranch.

Sue Kudis said there will be a white Elephant Sale at the September meeting.

Sorry I almost forget to mention that Sharon Allen said the sixth graders at Zito school were very thrilled when Dave Conner brought the Prizes for the fine art work that they did. They plan on making this art contest a yearly affair.

Sara McWhorter brought a beautiful large Colored cut glass picture of The Sportsmen's Club Pelican that can be installed in a window or door or just hung on the wall in its frame. It is well worth the \$5.00 per chance that is being sold for the raffle. There will be One hundred chances sold, so please hurry and get your chances before they are gone. The money will all go toward the building fund. Tucson Chapter will also get a chance to get in on this. Sara made this beautiful picture and put a lot of hours and work into it. Thank you very much for your Generous offer for such a beautiful thing go to help the Club. We never know what talents some people have.

Oh, what a windy derby!

But in spite of it, these hardy fishermen were out there fighting the weather and the fish; making our derby a huge success. We had 223 boats go out, and nine species of fish caught. Our fishermen were generous in donating their fish to feed approximately 1500 people.

Everyone was hard at work to catch the largest fish, thus winning the Super Jackpot, that by the end of the derby had grown to \$2,200.00. Wally Schmerfeld held the lead with an 82½ lb grouper, then Bob Brice knocked him out with an 84 lb one, and here came Nancy Allman with an 86 lb er to keep the lead for the Jackpot for the boat- 4 Chits; Maxine Hager came in with a big 84 lb er, winning the ladies jackpot.

The people on shore have a lot of thanks coming for their help in making the derby a success.

Our friends and members who contribute cash and merchandise, as well as purchasing Jackpot tickets, raffle tickets, and T Shirts.

Augustin and King Richard for their outstanding job of running the radio and extras beyond the call of duty.

The launchers for getting our boats in and out in great shape.

Von Gottbretht and Lew Frazier and crew for the great steak fry.

Wayne and Sue Kudis and crew for the very successful job done at the fish fry.

Joe and Mary Reinert for handling the Jackpot tickets for us-- a big job!

Glenn Davis for selling the Gus Brown Free Rent tickets and the delicious brunch at Glenn and Doris's house.

Bill Valentine for another super Logo for our derby.

The fish weighers, Bogie and Hannah Jordan and their helpers.

We could not have made it without the help of Doug & Lee Cashion and Ralph and Phyl Smith who took over, so that we could go fishing, selling tickets and all kinds of jobs.

Betty Horton, Jeannette Carrol, Tom (Codfish) Pryor, and Norma Parry for their great job of selling T-shirts.

Pete Peterson for keeping our radios going and setting

up and maintaining the PA system at the clubhouse.

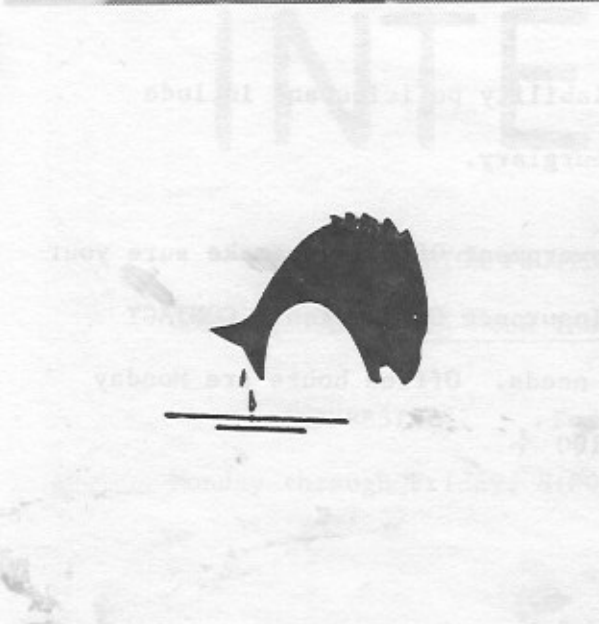

Fran Johnson, we surely enjoyed the morning refreshments! Thanks--

Thanks to all who helped us clean up!

If we have missed anyone, it is not intentional, and we do thank you!

We have enjoyed being your derby chairmen and have learned a lot! First time we have been on shore during a fishing derby; for sure we are planning to be on the water again next year.

Dear Sirs:

June 6, 1988

From the time of our arrival (Sat May 28th) Florence Smith, my son Bill and myself enjoyed the activities/visits in Cholla Bay. When any aged person learned of the presence of Florence, she was quickly accepted and looked after. Of course, the rapid statement to tell of her 90 years young had a lot of bearing on the situation.

The dinner at the Fish Fry was superb! Batter-fried Fish
(cooked to perfection)
Ranch-style beans
Cole slaw
Corn tortilla

All this and presented on a plate such as a fine restaurant! Everyone please, take a moment to thank ALL whom participated to make this event such a success! Vi Schmerfeld took time from her busy schedule to act as hostess to Florence and myself.

We three visited with Dr. Al Castillo (bi-lingual and one of two doctors) whom work (mostly volunteer) with emergency treatment in Cholla Bay. Dr. Al has a practice in Rocky Pt and Dr. Joe is a Naval Doctor also in Rocky Pt. It took a lengthy conversation with Dr. Al (to get info from) for supplies of useful need. They go through A LOT of gauze and tape. He thought secondary but extremely helpful, an I.V. stand and examination stool. The last two items can be new OR used, just fuctionable. Last on list was a biggy, an X-ray machine to be set up at office in Rocky Pt (a lot closer than U.S. border folks) to help determine broken bones. This could be new OR used, donated or purchased (fair cost). Any information of last three items, please send through grapevine!

The orphanage in Sonoita continues with the behavioral/work/merit program. The boys felt they had less chores to earn points (girls do cooking/cleaning) so they were given a landscape job. The boys took 5-gallon buckets to washbed and hand-picked (golf-ball size) rocks to go inside a broken cinder-block border. The work done adds a nice touch to front of their existing dorm. The new dorm remains dormant since footer, for revision of blueprints. They wish to have prints where any layman (volunteer) can understand.

We stayed at Vista Del Mar Cabin #2 at Cholla Bay. The water supply and power worked at will (theirs). We made do and it was shelter from wind gusts of 29th!

Florence met a member of the Rotary Club of Mexico and saw the building in progress intended for the aged/homeless in Rocky Pt. She intends to divert some of the foundation funds for this cause.

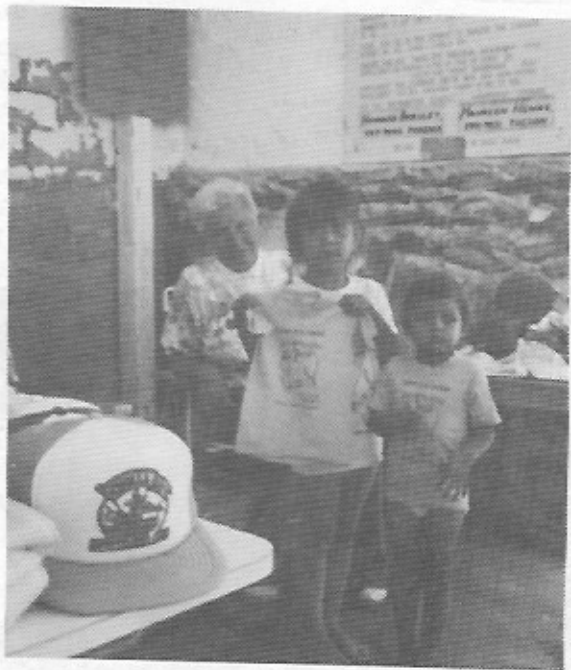

Florence purchased a lined windbreaker from the Ships Store to wear on trip to Alaska in June. Why not? She wore a jacket with Alaska patch while in Cholla Bay!

Eight days with our three year old Granddaughter, Monica Farmer.

You rise early, sorry you just don't have time to sip on that cup of coffee and really wake up....WHY ? Because now is the beginning of Monica's day of questions...A few are listed below, but only a few.....

Grandpa (and or) Grandma

Why are you putting sun screen on me ?
Why do I have to wear a hat ?
Are we going to build a sand castle ?
Are we going to put a roof on the sand castle ?
Are there sharks in this water ?
Why is the water salty ?
What was that (thingie) I just saw in the water ?
Ouch, what did I step on ?
Why is the bottom of my feet so red ?
Why do my feet hurt ?
Why are we going home ?
Why do I have to take a bath ?
Why are you putting oil on me ?
Why does my skin hurt ?
Why do I have to go to bed ?
When are my Mommie and Daddie come to get me ?
I could go on and on, but Monica is now in dreamland.
Why Grandpa and Grandma did you answer all my questions ?
Because we love you Monica.

Now as we drag our self off to bed I would like to say, and express our appreciation to the parents, Patricia and Edward Jr. for the eight days with Monica. While Monica was with us, if we would have had any pains, believe me they were forgotten. It was nerve racking, shattering, total topsy-turvy, and we loved each second of it.

FROM THE MOUTH OF GROUCH:

"No good deed goes unpunished"

"These of you who think you know everything are very irritating to those who do."

"Never pick up a girl before one o'clock in the afternoon. If she is so beautiful, what is she doing out of bed before noon?"

The Lewis and Lewis Insurance Agency has supplied insurance needs for travelers into Mexico for the past 25 years and insured in excess of 10,000 Americans and Canadians. In addition to the program that we have presented to the Cholla Bay Sportsman Club, we represent five other organizations. 7,800 people.

During the entire time that our office has represented these four major Mexican Insurance companies we have never been involved with any problem with the government officials nor with the insurance commissioner of Mexico.

All of our claims are paid either in San Diego or Los Angeles and they are all paid in U.S. dollars with the exception that if repairs are made in Mexico, our company will pay pesos.

The companies that we represent are not only some of the largest insurance companies in Mexico, but they have had a great deal of experience in tourist insurance.

Finally, I would simply like to say that the policies that we are selling are perfectly valid and that our customers have had no problems whatsoever with the government officials nor do we anticipate any problem in the future. The one thing that we offer our customers is a savings in premium.

As you know we have had an advertisement in the Cholla Bay Chatter for the last three months with regard to our automobile insurance and we will be placing an add in the Cholla Bay Chatter next month for our special homeowners policy and our very competitive true marine yacht policy.

Should you have any questions with regard to any of our insurance, please let us know and we will immediately send you a reply or answer by phone.
