What's happening at Estero Morua and Playa Encanto ?

First of all, sorry we missed the meeting of March 14th. Ed was very ill and needed medical attention, so we were in Phoenix. Ed is now feeling much better thanks to the medication. I would like to say thanks to all who were concerned about Ed.

Carol and Paul Maisner were down for a short visit and did lots of complaining about having such a short visit. They, like many other people are just waiting for retirement day. Then the Estero will have another permanent resident.

The sounds coming from Carol and John McKinney are like, we will be living here soon. John has retired from Mountain Bell and is about ready to make the Estero or Playa Encanto his permanent residence.

Another couple who lives in Tucson sure does need to get down to the Estero Morua and look things over again real soon to find out that they still have a beautiful scene right out their front door.....How about it Tom and Joan Wood? The view is still beautiful and we miss ya.

I understand that Playa Encanto now has another full time resident, Dennis and Joyce Stalicky. Welcome aboard, and nice to know there are getting to be more and more nice people making longer and longer week-ends.

John and Dorothy Beydler are now staying at Playa De Oro. When it starts getting hot here they have found another spot(Mexico) over near San Diego where they will take their trailer to. John has retired from State of Arizona. Came to Mexico and again like many more of us just fell in love with the country and the people down here. John we are glad you finally joined forces with your beautiful wife and retired. HEE.

Our friends in Cholla Joyce and Ed Warren are starting to come down more often and stay for longer and longer....so pretty soon Cholla may have another permanent resident. That is as soon as Ed can get Joyce to retire....he is already retired.....How about it Joyce ??????

Out here in our area we have had a very nice and peaceful Easter. There were loads of people down for this week-end. The weather has been nice, a bit windy but the days were really great.

For most of the people at Playa Encanto and Estero Morua, for those who get their renewal notices from Cholla Bay Sportsmens Club, Please renew your membership. Look at the Club like, have a club away from home, to belong to a club with many more wonderful people. If any of you are in the area the second Tuesday of each month, go to the meeting in Cholla.

Remember I have tide calendars, shrimp cleaners, antennas, jackets, T.Shirts ect. from ships store for Cholla Bay Sportsmens Club.

For this time that's about all the chatter I can come up with. Should any of you members have something to be written about in the Chatter, please stop by to let me know.

They were all very good. I am glad that I didn't have to pick the winner, as that was a tough decision to make. You will find it on the cover of this chatter. That is the winner. Vice President Rick Elder gave Sharon a typewriter for the Chatter, I think that was very generous of him. Roma said Arlene Martin has the Flu. Hope she is completely recovered by time Chatter is out. IN MEMORY OF JESSIE (CUCO) & FILO

An automobile accident took the lives of two well known Cholla Bay residents March 7, 1989 near the horse stables.

25 year old Valentin Esqueda, better known as Filo or Filoso was employed by Ramon & Patty's Store as a water truck driver. Filoso helped keep Cholla in water for many years and was always friendly & willing to help with ice or whatever was needed.

30 year old Jose Jesus Martinez Moreno, better known as Cuco or Jessie worked at the Cholla Cafe. Jessie always had a ready smile and wave when you passed by the cafe. Jessie was a member of the Old Boys Social Club here in Cholla and was quite proud of his OBSC jacket.

Both men are sorely missed in the community.

Vaya con Dios, mi amigos.

A word of thanks to all who contributed for the funeral expenses of these two fine young men.

SPECIAL NOTICE FROM SEARCH & RESCUE

THE SEARCH & RESCUE TEAM WOULD LIKE TO THANK GENE MAYFIELD FOR THE DONATION OF A FULL SIZE CHART OF THE LAND AND SEA AREA AROUND CHOLLA BAY. IT HAS BEEN FRAMED AND IS IN THE RADIO ROOM FOR USE DURING ANY SEARCHES.

TRUCKS, BAIT & LOVED ONES
(Nov. 88 thru Feb. 89)

You know Cholla Bay, it's such a privilege to be part of you! All our energies are directed at FUN & PLEASURE aren't they?

Thank heavens our Christmas was quiet - all was calm with our daughter, her husband and our grandchildren at Sunworshiper Cabin #403.

Clive & I went home to Phoenix December 26. Jenifer had invited their friends to come for the New Years holiday.

A week after the O'Callaghans returned to their home in Benson, Az. they called us to thank us for the use of the cabin and to tell us how much they had enjoyed their stay. They love Cholla Bay. They said they'd followed our rules to "leave the cabin as they found it -- Oh and by the way we left two packages of bait" in the turned off refrigerator!!

It was 3 weeks until someone (us) could return to rescue the bait! Agh!

On Feb. 17th President's weekend we loaned our Ford Bronco to our son Jay and his friend so they could spend the holiday in Cholla at cabin #403. Clive's instructions: "Don't go near the water with our Bronco, Blazer or ATCs."

Upon our return to Phoenix Feb. 21 from our ski trip at Telluride, Colorado we came home to no Bronco in our carport. Oh Oh! We assumed Jay took it to work.

When we called him he told us that he had driven our Bronco into the back bay of Cholla and became trapped in the mud near the white compass marker. I was ready to blow my stack! I need this like a hole in the head! Especially when he told us of being unable to free the truck until the next morning with Rojo, Louie Frazer and countless others to help. Apparently all of our Cholla residents were enchanted by the effects of the high tide on our Bronco. Didn't you know Broncos can't swim?

I checked by anger in mid-stream because Jay was safe.

Jay had returned to Phoenix in our Cholla vehicle, the Blazer. Also at 4 p.m. on a day in November 88 I had sat right next to my husband Clive in our Blazer while driving in the same area and said "Don't go near the water" he did. Clive at least called on the C.B. for help immediately because of the rising tide. (Humbling for Clive).

Wayne Kudis, Bulle, Noel and Clive were well acquainted by midnight in the muck! We survived.

At this writing Clive and Jay are in Mexico (Feb. 25 - 26) retrieving our Bronco. It seems they all have to have a turn.

Golly we have fun & pleasure in Cholla Bay.

Love Noel

P.S. I'll bet no one in Cholla Bay Community has ever experienced these pleasures Huh? Lets hear it- readers??

CHOLLA BAY CHAPTER GENERAL MEETING

By Phyl Smith

Cholla Bay Chapter of the Sportsmen's Club held their monthly meeting in Feb. at P.K.'s restaurant. There were 60 members and most present everyone seemed to enjoy the evening. If you haven't tried this restaurant you should. We find the food very good and P.K. is charming lady and hostess.

Wally (Super Grouper) told us of a recent fishing trip where he and a couple of companions threw back four Groupers weighing 25 to 50 lbs. We like your sportsmanship.

Clean up days at the Bay were Feb. 17 & 18th. There must have been lots of sore muscles as numerous people joined in the campaign. Gus Brown Jr., Mike, and Bule manned the trucks that carried the debris to the basura. That evening we all enjoyed a barbuque at O.B.S.C., hosted by Gus Brown Jr. and prepared by T-Shirt Bob and his crew.

Nancy and Jim Huff entertained a large group of friends with a party to celebrate Pat Goodins retirement. There was lots of good food and Big John was among us, making his beautiful music. A good time was had by all.

Bingo season opened in Cholla recently where 17 ladies gathered to play. Evelyn Lazar made a surprise visit, always so nice to see her, She is like a breath of spring when she breezes into the Bay.

Flounder season seems to be in full swing. The "Lucky Pollock", brings in its share.

I was going to submit a picture showing my 10lb catch, but before I had the chance to do so, Elaine Rimsza came up with a 22½ lb Flounder. See picture in this issue of the chatter we are thinking of changing her CB handle from Georgia Girl to Flounder Gal. The water at Cholla has been unbelievable for Feb. many boats out and "Muy" fish being caught Cochi are little scarce now but the Rock Bass are grande.

Doug and Lee Cashion have purchased a motorhome. They spent a few days at Miranvar Trailer Park and are now on with their year of travel. They were heading across Texas and on the way to Fla. who knows where from there????

Paul (Pappy) Barndts father passed away

Phoenix Chapter

Roma Blunk is recuperating from surgery in February, and from a long bout with the flu before that.

Ed Miller had a severe heart attack Feb. 25th. He's home now and says he is doing well.

We all wish Roma and Ed a speedy return to good health.

By the time this goes to press the Fry Shack should be completed, and ready for the Fishing Derby activities. The hot tar roof is the final step for now. March is a busy month in Cholla. We will be reporting in the next issue on the weiner roast the CSC had for their regular March meeting. Also how the rummage, bake sale and Chile dinner turned out and many other notes of interest. Now is an opportune time to tell Skip and Sharon (Chatter Box) what a good job they do month after month getting the Cholla Chatter printed and to us our hats are off to you. We loved the cover of the March issue, thank you Noel. It's lovely.

O.B.S.C.'S big event of the year coming up in April. Buy your tickets for their generous raffle and come and enjoy the bountiful feed and entertainment they sponsor. It gets bigger and better each year.

The Fishing Derby is just around the corner buy you tickets now for a years free rent compliments of Gus Brown Jr. There will be a limited amount sold. Please help make this one of the best DERBIES ever. Lew Frazier will appreciate all help.

The college break days are here. Gone are our peaceful days and nights. We choke on the dust of the speeding three wheelers and pick ups, this doesn't last long, but the horrible accidents and deaths linger in our memories long after the noise and dust has settled.

So goes our days in Cholla.

 TRAVEL TRIVIA

We've all driven the Cholla Bay many times. Tell me this, how much do you remember from these trips. Answer these few questions and then read on !!!!

1. How many Kilometers to Penasco ??
2. How many curves to Vasquez Curio Shop ?
3. How many curves to the Cholla turn off ?
4. Are there more Left turns or more right turns ??
5. Between kilometer marker 17 & 18 on the right, what was there ?
6. At 25.7 & 26.4 miles from the border, what surprizes are there for your excitement ??
7. How many bridges do your cross ??
8. What is 11.4 miles before the Cholla turn off ??
9. The longest stretch of straight road is how many miles ??

After leaving the USA there are four curves before we stop at Vasquez Liquor & Curio Shop. Leaving here you go around 19 curves, 10 are right curves and 9 are left turns. The distance is 96 kilometers from Sonoyta to Penasco. At kilometer post 17 plus, there was once an adobe house which was often used as a relief stop. One wonders what destroyed this structure, relief or weather.

Between miles 25 & 26 you pass over one abrupt rise and to counter-act this you have an equally deep dip. Both should be maneuvered with care. After passing these points, you cross two bridges (on a deture at present). Eleven and one half miles from the turn off to Cholla Bay is the Oasis and this is located about half way in the longest straight stretch of road, approximately 28 miles long.

Mark your answers. How did you fare ?

If you answered all these questions correctly, you were sober and alert at least once. If you were correct 50%, you are still in the safe zone. Two or less, one should ask, What was I doing ??

Here are a few things we all should know. The speed limit in the School Zone in Sonoyta is 15 Km and the open road 80 Km. The solid white line is a no passing zone. Peligroso means dangerous, Vado is a dip and Ejido is a judicial term for Common Land. Also, Courtesy is Contagious, if you make the first move.

Two last questions. One--As we cross into Mexico, do we leave our brains at the border or keep them in full operational condition ?? Two--Was your stay as much fun for those around you as for yourself and were you a good example to our friends South of the Border ??

Most important to all of us is that you are happy, alive and travel safely. We also wish you to be something special, "BE SOMEBODY, BE A MEMBER OF THE CHOLLA BAY SPORTSMENS CLUB."

P.S. How many dips (vados) are there between the Border and the Cholla Bay turn off ??? You count them !!!!!!!!!!!
