Jason Blair celebrated Spring Break by catching this 94 lb. Grouper on March 23, 1990. He also caught a 45 pounder, a Pinto, and a Flounder that day before his Dad made him stop fishing. Good job, Jason.

TOP OF THE HILL VIEW POINTS

By: Thelma Brown

We got to Cholla in time for the big St. Patrick's Day Corned Beef and Cabbage dinner. Hannah Jordan and family helpers did themselves proud. Super Chefs wife, Rhoda, made the best bread. The Old boys were dressed in tuxedos. Horace Hitchcock was in a pale green one. He looked very handsome. Bogie wore pixie ears and green shoes with his black tux and white ruffled shirt. Everyone had something green on. Hannah gave out green arm bands with a shamrock that said, "Kiss me, I'm Irish". Super Chef made a darling leprechan. The next weekend the hill was jumping, Engels, Wilsons, Dammons, Browns, Goodens, Wallaces people who bought the Simpson place, the people in the log cabin, Bogie's and the Tulleys. Wallaces painted all week, work on the other corner and old Simpson place. The partying and the noise was left up to the College kids and Cantina crowd. The kids were everywhere. Pickup trucks and 3 wheelers abounded. When are the kids going to learn it isn't necessary to yell everytime one bends the elbow? Lots of accidents caused from drinking, speed, reckless and daredevils, who care less about the other guy on the road. Some deaths. Many accidents. Pat Gooden brought an article published in a paper in El Paso, Texas - I'll give it to the editor go to in the Chatter. Sharon and Skip Allen and her parents worked diligently on their cabin. Looking good. Cholla Bay residents thought March 31st was a day to get rain. foiled again, it blew over and I mean blew! All boats got in ok. The sky and the water were spectacular in color. It looks ominous but beautiful too. Then blue skies and wind broke up the big black sky leaving everything dry. Did Betty Horton do a rain dance? Vi Schmerfeld is wearing a cast on her left arm. A reminder of someone running head on into the van below Encinatas. Chuck wasn't hurt but she was in the hospital overnight in Encinatas to the tune of eleven hundred dollars.

TOP OF THE HILL VIEW POINTS CONTINUED

Of course, the other guy had no insurance and wasn't hurt. She's lucky she wasn't killed or hurt worse. Let her tell you of her experiences in the hospital. The van is being fixed.

Lorrie Peterson has been visiting her Mom and Dad, Pete and Shirley. She teaches in Guymas. Wanda Schmerfeld is a new member of the Sportsmans Club and Homeowners. She has the lovely house where the late Emma Wall used to live. Sally and Oscar Newman and Joe Gantner made the news and the television when they were interviewed by a reporter from Phoenix. All are very photogenic. Vi has the tape. Evelyn Lazear celebrated a birthday in Cholla. Her son Bud and daughter-in-law helped host it. It was a lovely evening. More celebrating the next night, and the next. Those New Mexico girls keep things going. Virgie and Cliff have had lots of company. Patty Reidhead spent a vacation at Reidheads cabin. She's just back from Liberia, East Africa. Spend two years in the Peace Corps there. She has a huge album of most interesting pictures of natives and projects and people she worked with. Can you believe that stew is a delicacy? When asked what it was like, she said I don't know I went to the next camp for dinner that night. The yellow finches, red throated finches, orioles and humming birds are in the Bay with the usual sparrows. I was surprised to see the sea gulls come every morning to get their share. One of the gulls decided one of the bird baths was his. He was very possessive - drove every other bird away. The usual crowd of women will fill Legg's eggs with goodies again this year. We'll miss Phyl Smith and Nancy Huff's happy faces. Poor dears are touring Australia with their esposos. I doubt if they'll have time to miss us. I was a guest at the Cholla Chapter Sportsmans Club meeting and Pot Luck. It was interesting and fun and I won five tickets for the OBSC Bash to be held April 28th. Easter weekend was usual. Crowds of young people, lots of 3 wheelers, some old timers and lots of traffic and noise. People camping at Sandy Beach are happy to have a new clean

TOP OF THE HILL VIEW POINTS - CONTINUED

toilets. They happily pay for the convenience. Goodens have had seven guests from Las Cruces. Lots of shelling and fun times. The tide high and low was very inviting along with a full moon and good weather was perfect timing for all in Cholla. Our sympathy goes to the Jordan family for the loss of Bogie's mother and the the May family for the loss of Mr. May.

Good health and happy interesting summer to all.

Adios,
Thelma Brown

PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

Our April 11th meeting was called to order by President John Robson at 7:45 P.M. held at The American Italian Club at 7509 N. 12th Street. I think we were all pleased with the meeting place and the entire place including the atmosphere of it all. To add to the enjoyment was the delicious Meat Balls and Spaghetti dinner that most of us had. I am sure that will be a monthly affair, as it would be hard to reject such delicious food, and enjoyable time.

Rick Elder led with the Pledge of Allegiance to the Flag. As usual the introductions gave us a big laugh. The minutes of last month meeting were dispensed with. Paul VanOver's Treasurer's report was accepted as read.

Mary Reinert's membership reported 706 voting members and 133 sponsors with a total of 839. Arlene Martin of sick bay saddened us when she said that Shirley Hemphill had a stroke after last month's meeting, but is doing great with therapy and hopes for full recovery. We missed her and Ray at the meeting however they will be back, just like Connie and John Nordsworthy are back after Connie's stroke a few weeks ago. She looks great.

Search and Rescue did not have a report, but it was said that 400 or 500 boats were launched during the month March. Billie Wilda was back with us and looks great after getting over her auto accident.

Marilyn Robson of Ship's Store said they have lots of tide calendars, stickers and tee shirts and nice jackets left along with the rest of the goodies.

We want to welcome our new members Andy and Theresa Coscia, Paul Nardone and Dennis Gresham. Thanks for coming Aboard.

Vaughn Fraiser said the trip they took into the Penacates on April 7th and 8th was really a fun time. She said they were led by Dave Conner "Sun Dancer" and that it included 16 vehicles and 34 people that made the journey.

Rick Elder has secured Trash Bags to go on each boat during Derby Days. They are hoping to improve the Ecology in our waters. So please don't forget to take one on your boat.

Don't forget the May meeting. Dave Arrowood will be telling us some important things about Solar Power that we should all know

Mike Lesnick, an Instructor of Scuba Sciences, Inc. gave a talk about the Underwater adventures you can have if you are a Scuba Diver. He has six week classes twice a week. He showed a movie of various waters including Florida and The Sea of Cortez and places too numerous to mention. You wouldn't believe what is down below with such beauty. Sorry that some of you missed it. If you are interested in Scuba Diving please call Mike at 602-995-5926. The Phoenix address is at 8502 N. Black Canyon Freeway, Phoenix 85051 or Scuba Sciences, Inc. in Tempe at 602-946 1620. Their address there is 1825-2 N. Scottsdale Rd. Thank you Mike for adding to our pleasure.

I can't let this article go out without saying we were happy to see Dr. Walt Holstein and wife Phebe at the meeting and also Dr. Tom Johnson who is the better half of Fran Johnson. She said she brought him to show us that she still has a husband. We were also happy to have Gerry and Dorothea Nelson that we hadn't seen for some time, and old Gabby and Shirley Gayne and all of the rest of you that hadn't joined us for awhile. We will be looking for you next month and bring a friend.

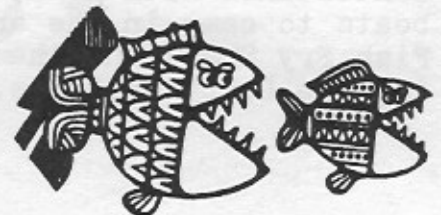

Don't forget the Steak fry on May 12th at 6:00 p.m. Hope you have already put your order in for one. That is at Cholla Bay

Door Prizes are as Follows:

John Warren	Fish cleaning board & Shrimp Peeler
Gabby Gayne	Fluorescent Lantern
Mamma K	Radio Antenna
Bill Coughlin	Booze Certificate

Please let us see you at The American Italian Club at 7509 N. 12th St. Phoenix at our May 9th meeting and find out for yourself about what I have said and plan on having that delicious Meat Balls and Spaghetti dinner.

See you there next month and
GOD BLESS.

UPDATE

The CBSC 35th ANNUAL FISHING DERBY is approaching fast. Response to the Jackpot ticket mailing has been great. If anyone would like more tickets for family and friends, tickets will be available from your chapter's officers as soon as it can be arranged, and during the Derby. If you haven't mailed your check and stubs yet, please do so as soon as possible. And don't forget to buy your GUS BROWN FREE RENT tickets.

Once again there will be a daily prize for the largest fish caught. Each day's prize will be DINNER FOR TWO at a restaurant in Puerto Penasco.

Also, there will be a prize for the largest fish caught from the shore by surf casting. In order to give the youngsters (Junior tickets) a sporting chance, the weight of her/his fish will be doubled. This applies to contestants eleven (11) years of age and under. Derby rules apply and this fish will not qualify in any other category.

The Derby T-shirts and a new item, shorts are on sale at all Ship's Stores and will be sold at the Derby.

STEAK FRY tickets are available from Tony Rimsza, Ralph Smith, Lew and Von Frazier, Marty and Arlene Martin. Purchase them as soon as possible so they will know how many steaks to buy.

Beat the morning launch rush -- Derby tickets will be on sale prior to the first day of fishing. See Marty Martin (Rancho Neglecto), Cabin 37

Permission has been given for Derby contestants with RV's, trailers and boats to camp in the area between the Fish Fry Shack and the playground during the Derby weekends. PLEASE, no

dumping on the ground. Your cooperation and use are welcome.

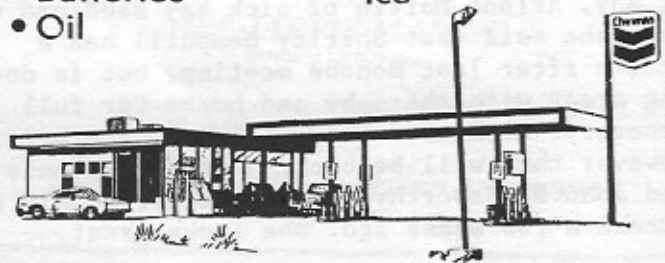

If you need more information about the Derby, please feel free to call me at 789-0725 in Phoenix. We need all the help we can get. Please let me know when and how you can help.

Spring breakers swarm to Mexico

Town of Puerto Peñasco braces for 15,000 rowdy U.S. students

Gannett News Service

PUERTO PEÑASCO, Mexico — "Why do they scream?" asked taco vender Luis Borboa as a Jeep-load of howling students rooster-tailed around the sandy turnoff to Cholla Bay.

Between bites of smoky-tasting meat tacos, a U.S. student tried to describe the overpowering sense of release that came from abandoning tests, textbooks and teachers.

"Think of it as a cry of freedom," said Ron Potts, 24, a senior at Northern Arizona University.

Borboa smiled softly and nodded.

It's spring break, and the more than 45,000 residents of Puerto Peñasco are bracing for the annual invasion of college students from throughout the Southwestern United States, mostly Arizona, California and Colorado. Puerto Peñasco is just south of the Arizona border near the north end of the Gulf of California.

Over the next three weeks, Rocky Point, as it's called by U.S. citizens, will become a giant sandbox for an estimated 15,000 youth, city officials say.

The swarming students are both a blessing and a curse, the officials say. The students come for a week of sun, sand, sea, booze and fun. City officials and local merchants welcome the money the students pump into the local economy.

"These weeks are important to us because the shrimp and fishing industry has been down this year," said Genaro Gastelum, the mayor of Puerto Peñasco. "So we are trying to diversify our economic base to attract more tourists."

Gastelum said this normally tranquil seaside town has a program to attract more tourists. The program is coordinated at the state and federal levels of government, he said.

But city officials put out caution signs along with the welcome mats.

"We are ready for a lot of accidents and injuries," Traffic Police Chief Manuel Camacho Lopez said from his office at City Hall. "Many of these accidents are because of the heavy drinking."

The Reef Bar next to Sandy Beach, the most popular spot for students to camp, has stocked 4,000 cases of beer for the next two weeks, bartender Mike Rodriguez said.

JJ's Cantina, another popular night spot in Cholla Bay, also has plenty of beer on ice, co-owner John Fowler said. "Most of these kids are well-behaved. They just sometimes get too energetic," he said.

Red Cross officials know this and are geared up to handle more emergencies involving U.S. youths.

Last year, Red Cross assistant commander Jorge Gomez said, five U.S. citizens died. In all five fatal accidents, alcohol was involved, he said.

There also were 330 injuries, Gomez said. Many were caused by dune buggy or all-terrain-cycle drivers fueled by alcohol and drugs.

This year, he said, the Red Cross is coordinating an emergency plan with the police, the local Rotary and Lions clubs and the Mexican coast guard to accommodate the students.

"Most of the calls we get are in the Los Conchas, Sandy Beach or Cholla Bay areas where the Americans are," Gomez said. "We don't get any calls here in town."

The Red Cross has four

ambulances and about 50 workers and volunteers for emergencies, he said.

Many U.S. students are oblivious to the dangers of too much reveling, city official Edrulfo Rivera said.

"They just go crazy and aren't too careful," he said. "They bring these accidents by not obeying our laws."

READY, SET, LAUNCH

More and more of us will be launching our boats now that the weather has gotten nicer.

Now is the time to check our equipment and restock our boats.

Make sure the running lights are in working order. Change the bulbs if necessary and keep spares.

Radios and antennas should be checked. An extra hand-held doesn't hurt.

Batteries should have clean terminals and full charges.

Hand tools can be rust-free if kept in a plastic container that seals. A flare gun or spotlight are standard safety equipment along with a working fire extinguisher.

Drinking water and a first aid kit should be on board too.

Extras that take up little space are a rain coat or poncho, blanket, a few cans of food or packaged snacks.

Sometimes our trips take longer than we expect, best to be prepared.

Also guys, check your gas tank.....

MEXICAN AUTOMOBILE INSURANCE

The Lewis and Lewis Insurance Agency has arranged a special group policy for your organization which allows you to have an actual policy in your possession at all times and not a credit card which might not be acceptable to certain local authorities in Mexico. In fact our office used to issue credit cards some 20 years ago but we found that the credit cards were not acceptable and in fact landed one of our insureds in jail for an overnight stay until we were able to prove that a policy was in force.

We can provide an Automobile Liability Policy for the entire year at a cost of only \$60.00. This coverage applies to Baja California North and South, Sonora and Sinaloa.

In addition to the Liability Only we can provide a Mexican Full Coverage Policy which covers Collision, Fire, Total Theft, Glass Coverage, Liability \$25,000 Property Damage, Bodily Injury \$30,000/\$60,000, and Medical Payments in the amount of \$2,000 per person with \$10,000 per accident. Full coverage includes liability only and there would be no need to have an additional \$60.00 added to the below listed premiums.

Current Market Value

(A)	Less than \$ 5,000	Premium: \$ 100.00
(B)	\$ 5,000 to \$ 9,999	Premium: \$ 144.00
(C)	\$10,000 to \$14,999	Premium: \$ 160.00
(D)	\$15,000 to \$19,999	Premium: \$ 177.00
(E)	\$20,000 to \$24,999	Premium: \$ 202.00
(F)	\$25,000 to \$29,999	Premium: \$ 227.00
(G)	\$30,000 to \$34,999	Premium: \$ 241.00
(H)	Each \$5,000 over \$34,999	Add: \$ 25.00

Once again, one of the most important things that you must have in your possession while traveling in Mexico and driving an automobile is a bona fide automobile insurance policy to present to an officer at the time of an accident.

To place this insurance in force please call our office which is listed below:

CATCH AND RELEASE OF GROUPERS

Having just returned from Cholla Bay, I am excited by the good fishing. It only gets better this time of year. However, an important consideration for recreational fishermen is the preservation of our limited fishing resources which are under heavy commercial pressure as well as overfishing on the part of others.

Many people who fish for the three reef fish are most commonly caught out of the Cholla area (grouper, pinto, and sardinero) don't realize that these species of fish are hatched as females. These fish undergo sexual transformation (Hermaphroditism) from female to male at approximately 5 years of age. How large is a 5 year old grouper? Dr. Richard Rosenblatt of Scripps Oceanographics Institute estimates female to male transformation occurs between 15 to 25 pounds, depending on feeding habits and sperm to egg ratios in specific environmental regions. It is safe to assume that groupers under 20 pounds are females and should be released if at all possible. Ten pounds is a good estimate for female pintos and sardineros.

The possibilities and methods of catch and release of small groupers, pintos, and sardineros are limited. The depth of water that fish are brought up from is the most critical limitation. Fish caught in over 100 feet of water have a marginal chance to survive because of nitrogen blowing out their air bladders (the bends). The slower a fish is brought up improves its chances of survival. Slowly pulling the fish alongside the boat with a catch and release gaff position (floor of mouth) will usually revive the fish. It is almost always possible to release the fish caught in shallower water as long as the hook or gaff have not damaged the gullet of gills producing profuse bleeding.

So let your conscience be your guide and help preserve the outstanding sport fishing that we are blessed with in the Cholla Bay area. Our children will thank us for the opportunity to enjoy fishing the Gulf as we have.
