 \* TUCSON CHAPTER GENERAL MEETING \*  
 \* By: Mary Hayes \*  
 \*\*\*\*\*

Tucson Chapter had a good meeting, as usual. Being back at our old meeting place, Los Margaritas, seems to bring out the membership. We hope to see more of you there soon.

Business was conducted as usual. We are getting ready for our yearly Christmas Party in Cholla Bay. Tucson is responsible for the pinata candy and Phoenix is in charge of the party itself. More to follow on the Christmas Party.

Also, as of December 31, 1990 any members who are not current with their dues payments will be dropped from the membership list and will not receive any further issues of the Cholla Chatter. This also includes prior years dues. Shirley Reid, Membership Chairperson, requests that if you have moved and/or if you are not receiving your copy of the Cholla Chatter that you send her an address correction so she can notify the paper.

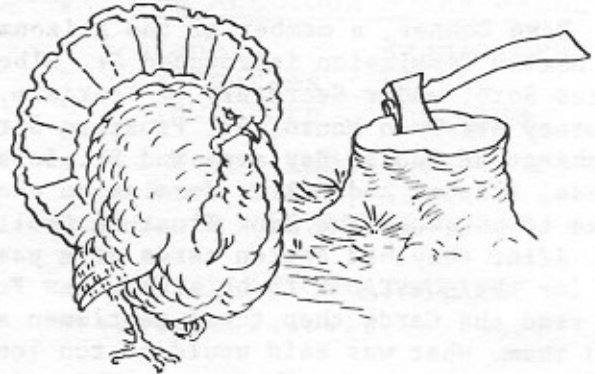

The club was notified that Mrs. Ethel (Howard) Drake of Prescott had passed away in September after a long illness.

Door prizes were won by Gene Reid - a Cholla Bay license plate; Irene and Junior Drake had a monopoly, each winning one prize - Irene a jacket and Junior fishhook covers. Be sure and come next month and have a change for a door prize.

The program presented by the Red Cross was very entertaining and informative. The focus was on programs available to you and the community such as blood bank, bone and organ banks and how donations are distributed. In addition, there are classes available to the public such as cardiopulmonary resuscitation. His jokes were good too!

PHOENIX CHAPTER GENERAL MEETING  
By: Marie MacGill

Our President John Robson opened the meeting to a packed house of approximately 360 plus people about 7:50 p.m. on a beautiful October 10th. After indulging on Spaghetti and meat balls we were ready and waiting to hear our Mexican dignitaries explain about the Bank Trust Deed in Cholla Bay, Mexico.

After the Pledge of Allegiance, the secretary's and officer's report were dispensed with.

Dave Conner, a member of the Arizona and Mexico Commission introduced Sr. Alberto Torres Soto, under Secretary of Tourism, Attorney Sr. Paco Monzo, Sr. Prospero Soto, in charge of Cholla Bay area and Sr. Issac Rassas, Arizona and Mexico Commission who spoke to us about The Bank Trust in Cholla Bay. After they had spoken cards were passed out for the questions to be asked. Lew Frazier read the Cards then these gentlemen answered them. What was said would be too lengthy to be reported in the Chatter at this time. They said "after the meeting the Mexican officials have in a few weeks, the details will be ready for publication in the Chatter!"

If you could attend the Sportsmens Club meetings you could probably find out more about this matter, and besides we need you at them with us.

I'm sorry that we didn't have enough room to get around much, or the time to talk with old friends. Dick Smith of Techniprint and his wife were there, also Dean Fisher (hope I spelled it right) of Tucson and Ed and Marty Pearlmuter that we hadn't seen for months. Got to say hello to Norman Lavalley and Tami Pebbles. I could go on and on but there wouldn't be enough space. We were most happy to have President Charles Salem from Las Conchas with us. It was nice having Mr. and Mrs. John Vucich and all of the rest of you dear people. Hope you will join us again soon.

Door Prizes were won by  
Noel Jordan an Igol Sqiggy (plascit glasses with a straw  
Millie Rowland a wall clock and Thermometer  
Kathy an ice chest  
Paul Schoonover Two tickets to The Jass Festival at Rocky Point on October 20th and donated by Sr. Alberto Torres Soto

Roger Busong won a nice Ice Chest  
Mary Reinert accepted the Christmas Raffle Certificate for Dr. Tom Johnson as he and wife Fran had to leave early.

At the end of the meeting Connie Norsworthy reminded us all not to miss the Fall Picnic at Sahuaro Ranch, 9802 N 59th Avenue in Glendale, Az. Ramadas 3 & 4 on November 3rd. Its a Potluck and bring your own Beer.

I would like to say for all of us to our Mexican Dignitaries Sr. Albert Torres Soto, Attorney Sr. Paco Monzo, Sr. Prospero Soto and Sr. Issac Rassas that it was a great pleasure having you with us, and we THANK YOU VERY MUCH, VERY MUCH, GRACIAS!

Until next time,  
GOD BLESS!

## OVERNIGHT IN THE PINACATE'S

November 10 & 11, 1990

CBSC is having another trip in the mountains. Diane and I will help get everyone lost - the goal is to get to the very top this time. It is my understanding that there is a jeep trail to the top. If anyone knows of this road, or has a map, please call me. We will meet on the Highway to Puerto Penasco, just below the "Twin Bridges" at 9:00 am (Not Twin Peaks at 9:00 pm!) Saturday, Nov. 10 then climb to the summit and camp overnight somewhere. We will bring a portable gas barbecue and gas stove that we can all share - probably in shifts. Just bring food, drinks, water, warm clothes, a tent or ?? Hopefully we can get firewood on the way. Sunday some may return home, others may want to explore more. We had a good group and lots of fun last year. Let's do it again.

If you can go, please call us at home - 943-0003 nights, or 944-7888 days. The latter has an answering machine and you can leave a message.

MARTY and DIANE STURHAHN

**NOTE:** The climb to the top is a rugged 6 - 8 hour journey from the probable base camp and ought not be undertaken without some thoughtful preparation. There can be shorter excursions to closer volcanic points of interest. Good climbing shoes or boots are a must and long pants are suggested.

# Starvation suspected in deaths of pelicans

By Keith Rosenblum  
Arizona Republic Correspondent

The death of a large number of pelicans this summer in Puerto Peñasco, Sonora, may have been caused by starvation, according to a Sonoran health official.

And a U.S. biologist adds that high temperatures may have driven fish into colder waters below the pelicans' reach for food.

Meanwhile, an expert on pelicans from the University of California said he plans to visit Puerto Peñasco, also known as Rocky Point, to help determine what has caused the deaths.

Donald Anderson, a specialist on pelicans at the Davis branch of the University of California, said he hopes to lead a group to Puerto Peñasco in early October for four or five days.

One thousand to 2,000 pelicans have died since mid-July in the Gulf of California city, 63 miles southwest of Lukeville, Ariz.

Authorities have said they believe the deaths were a natural phenomenon because of overpopulation.

Some city residents suspect, however, that an open sewage line from three hotels and four restaurants into

the Sea of Cortez may have caused the deaths. Others blame a virus.

Anderson said a similar die-off in Florida about 10 years ago was caused by water pollution. There have also been die-offs in recent years at Magdalena Bay, on the western side of Baja California Sur state, and in Monterey, Calif.

Ernesto Guevara del Campo, Puerto Peñasco delegate of the Sonora Health Secretariat, said results indicated "a normal level of parasites" in the pelicans.

He believes the problem is an overpopulation of the species plus a recent shortage of food.

That theory was given credence by Paul E. Smith, a fishery biologist with the U.S. government's Southwest Fisheries Center in La Jolla, Calif.

Smith said water temperatures this year from Mazatlan, about 600 miles south of Puerto Peñasco, to Los Angeles have been about 5 degrees higher than average.

"Fish seek colder water, and to find it, they go down farther," Smith said.

That places them below the depths at which pelicans can reach them when diving for food — 3 to 6 feet.

## MEXICAN AUTOMOBILE INSURANCE

The Lewis and Lewis Insurance Agency has arranged a special group policy for your organization which allows you to have an actual policy in your possession at all times and not a credit card which might not be acceptable to certain local authorities in Mexico. In fact our office used to issue credit cards some 20 years ago but we found that the credit cards were not acceptable and in fact landed one of our insureds in jail for an overnight stay until we were able to prove that a policy was in force.

We can provide an Automobile Liability Policy for the entire year at a cost of ONLY \$60.00. This coverage applies to Baja California North and South, Sonora and Sinaloa.

In addition to the Liability Only we can provide a Mexican Full Coverage Policy which covers Collision, Fire, Total Theft, Glass Coverage, Liability \$25,000 Property Damage, Bodily Injury \$30,000 per person/\$60,000 per accident, and Medical Payments in the amount of \$2,000 per person/\$10,000 per accident. Full coverage includes liability and there would be no need to have an additional \$60.00 added to the below listed premiums.

	<u>CURRENT MARKET VALUE</u>	<u>PREMIUM</u>
(A)	Less than \$ 5,000	\$ 100.00
(B)	\$ 5,000 to \$ 9,999	\$ 144.00
(C)	\$ 10,000 to \$14,999	\$ 160.00
(D)	\$ 15,000 to \$19,999	\$ 177.00
(E)	\$ 20,000 to \$24,999	\$ 202.00
(F)	\$ 25,000 to \$29,999	\$ 227.00
(G)	\$ 30,000 to \$34,999	\$ 241.00
(H)	Each \$5,000 over \$34,999	Add: \$ 25.00

Once again, one of the most important things that you must have in your possession while traveling in Mexico and driving an automobile is a bona fide Automobile Insurance Policy to present to an officer at the time of an accident.

## MEXICAN HOMEOWNERS INSURANCE

For members who own or lease residences or have trailers or condos in Mexico, we have a package available very similar to the U.S. Homeowner's Policy. It covers the dwelling, contents, theft, glass (if needed) and civil liability. Policies are written for one year. While rates are based on construction and values, the premiums are generally lower than comparable U.S. coverages.

To place insurance in force please call our office which is listed below:

# CHOLLA BAY HOMEOWNERS AND MEMBERS OF THE CHOLLA BAY SPORTSMENS CLUB

Due to the rumors and suppositions which have been circulating since the first of August, we feel it necessary to clarify certain points. The company's ownership of the land has never been in question. The only thing that has been prohibited is further development until the bank trust is established.

Urban Development Law 101 for the state of Sonora has recently come into effect. Since Cholla Bay does not fulfill all the requirements, it is classified as an irregular developemnt, not an illegal one.

As you know from our letters to you, for several years it has been the company's objective to establish a bank trust. Now with the government's interest and coordination with the company, this should soon be possible.

The Federal zone survey has been approved and ratified on two separate occasions. The markers will remain where Sedue said they should be. Those are partially or totally on company property must be current to qualify for the bank trust. Those on Federal zone will also have to negotiate for the property adjacent to Federal zone with the Commission in order to qualify for a bank trust and concession of Federal zone.

Obligations pursuant to the use of your lot have not changed. In the mechanics of the bank trust, the company will sell you the land and the bank will hold the title in trust for you.

### CHRISTMAS PARTY - 1990

The date for this year's party will be Saturday, December 15th. Festivities will be held at the Gus Brown Sr. Plaza beginning about 11:00 a.m..

Santa Claus will be present, of course, talking to the children and handing out treats. We will have pinatas for the children and one for the moms this year. There will be a change in the format this year - in lieu of the food boxes given to each family, a traditional Mexican dinner will be served to our guests and their families. Instead of the usual donations toward the food boxes, I will be asking for necessary ingredients for the dinner. A list will follow.

Of course toys, school supplies and donations of your precious time are always welcome. If you can volunteer in any way, please contact me at Cabin #432.
