TUCSON CHAPTER CHATTER

This year we decided to have our December meeting at Las Margaritas. The meeting was called to order by President, Sal Otanez. The treasurer's report was approved and the meeting continued. It was a very small turnout but all those that showed up were delighted with the great deserts that everyone brought. We dispensed with the raffle and all the prizes were given out as door prizes.

NEWS FROM CHOLLA CHAPTER by Pat Goodin

HAPPY NEW YEAR FROM CHOLLA CHAPTER (OR FELIZ ANO NUEVO), as they say around here. Anyway, hope this new year will be great for all.

Our December meeting was held at the club house in Cholla Bay with about 37 in attendance. That's not a lot, but many people have already left for the holidays. Those of us who were here and attended had a nice meeting and dinner, and of course finished it off with our VP Harold doing the raffle prizes. That's always a fun time for everyone, even if you don't win a prize. Our meal was turkey, ham and almost all the stuff that goes with it. We forgot about cranberry salad, but

(Continued on page 10)

PHOENIX CHAPTER

We have had a tough time this past year. We have only had the same 15 to 20 members at every meeting. We held our October meeting at Papago Park, complete with a feast. Our November meeting was the annual Brown Bag auction. We raised over \$300 and will donate it to the remodeling of Firecracker Park in Cholla Bay. We finished out the year with our Christmas give exchange. Thank you to all the members who did make it to the meetings every month.

We sent out notices to all of the Phoenix Chapter members asking for attendance and participation at the monthly meetings. Only a third replied and 3 people came to the meetings. With the largest number of members, we had the least participation. The officers are not willing to run yet another year, so we will no longer be holding monthly meetings in Phoenix.

So for now, this will be the last report from this Chapter.

We like to remind everyone that the Fishing Derby will be starting soon, so please volunteer your time and/or services. It will be greatly appreciated. Mike Traverse of Phoenix is the derby chairman this year. Please contact him or your chapter officers.

We wish everyone a happy and healthy 2002!!

Adios... The Phoenix Chapter

C.B.S.C. CHRISTMAS PARTY

Sat., Dec. 15th was a great day in Cholla Bay. It started out very chilly and breezy, but warmed up toward afternoon. Santa and Mrs. Santa (Sal Otanez and Teresa Wilson) arrived at the Fry Shack community Center in their sleigh to the cheers of delight from the children. Santa and Mrs. Santa went inside as the children sang verses to the traditional Las Posadas, begging entrance, while the mothers answered from within in repartee. When they were invited in, they lined up to have their pictures taken with Santa and Mrs. Santa.

We were anxiously waiting for Agustin, our M.C., to arrive. However we soon got word that his son, Oscar, had a car accident and Agustin had to go to that. I'm not sure of all of the particulars, but I know the car was totaled and Oscar escaped with a broken nose, head injury and scrapes and bruises. The other passengers were not seriously injured. Chely Felix came to our rescue and did a great job as substitute M.C. Thanks, Chely!

In Santa's workshop the children decorated frames for their pictures and made an ornament Christmas tree with pony beads. They were then treated to hotdogs, chips, cupcakes and punch. Since we had an ample supply this year, the smallest children were each given a stuffed animal to cuddle and make the waiting more enjoyable for them.

Then, to the great pleasure of all, the Cholla Children's Choir entertained with carols. Sandy Moore, who has directed and accompanied the choir for several years, was not able to be here this year, and Miki Harmon and Rosa Villa directed in her absence. Miki, however, was unable to accompany them on the guitar because of an injured hand. We had planned that Lew Felton would be here to accompany them with his violin. But Agnes had fallen and badly injured her knee and had to have surgery. She was unable to walk, so Lew had to stay home to help her. But Sandy has taught them well and they did a great job a cappella.

At last it was pinata time, a special favorite with the children. The pinatas were especially hard to break this year, but with a little help, the candy finally spilled out and all ran to scoop up their share. Helpers threw out candy to make sure everyone got some. Then they all rushed home to wait for Santa.

Santa's sleigh and other vehicles were loaded with the toys and food boxes and delivered to each house. Families waited outside their houses and the children squealed with delight when the sleigh with Santa and Mrs. Santa came into view. To see those children running to Santa's sleigh so excitedly is priceless! It makes it all worth while. And you just know you have to do it again next year!!

(Continued on page 5)

(Continued from page 4) (C.B.S.C. Christmas Party)

However, in route, another mishap occurred. Santa's sleigh got a flat tire. Fortunately, it was near Chebelo's house, so I hope he got help fixing it. Santa then climbed into the bed of Pete Blamey's truck and, waving to all from there, merrily finished the deliveries. (Mrs. Santa rode inside with Enedina).

That evening, we all enjoyed a pot luck dinner at the Fry Shack. We really have some great cooks in Cholla. The food was delicious!!

This party, which is such a pleasure to be a part of, was made possible by the generosity and hard work of many people. These are the people who participated in many different ways to make this party great!!! You donated and/or brought down money, food, toys, boxes, shopped, bagged, wrapped, sorted, served, loaded, etc., ect., ect. It takes a lot to make it all happen, and you are responsible for making it happen.

Our Mexican neighbors and I thank you very much!!! They truly look forward to and enjoy this party. Remember, we will do it all again next year.

I hope your Christmas was merry and you are all having a very happy New Year!!!

Nancy Schmidli, Mexican Christmas Party Chairperson

PROMOTORA TURISTICA PLAYA ESCONDIDA
S.A. DE C.V. CHOLLA BAY HOMEOWNERS

The company sincerely hopes you and yours had a merry Christmas and now get to enjoy a prosperous New Year. All of us are greeting 2002 with our newly made resolutions still embedded in our minds...now for the will power to keep them.

The company has big plans for growth and improvements in 2002. We invite you to stop by the office in Cholla Bay and see the master plans for the developments. They are gradiose and very impressive. They include beach estates, mountain estates, lots with marina slips, patio homes, condominiums, golf courses... you name it and it is probably already on the drawing board.

If you already have a lot in Cholla it's wise planning to think about purchasing another lot or two before the prices are increased again. You know how value of lots have increased since you made the purchase of your original lot and realized as more and more amenities come in the values of lots are due to increase accordingly. If you have a vacant lot adjacent to you...think expansion more room is always welcome. Think of the future and purchase another lot just for investment purposes. You can't go wrong money wise and security wise. When you come in the Cholla office to see and discuss the master plans talk with our sales people, Fayth Moody and Angela Johnson. They will take you on a tour of our available lots and help you finalize your plans. Remember Puerto Penasco and Cholla Bay are located in a free prot zone within easy driving range of all your major surrounding states...no airplane reservation to mess with and no long waiting lines to stand in. Come to Cholla Bay and let us be your beachfront away from home.

The Management

truck called his boss and told him of the very upsetting event. He didn't feel he could be in that store with those horrible people. His boss told him, "Do you think you could go in there long enough to pull every Budweiser product and item our beverage company sells there? We'll never deliver to them again." The employee walked in, proceeded to pull every single product his beverage company provided and left with an incredible grin on his face. He told them never to bother and call for a delivery again.

SPECIAL NOTICE - JANUARY 19TH

Please note this date on your calendar and try to be in Cholla Bay for this.

WHAT IS IT? A special dinner and meeting of the Cholla Chapter, CBSC. We have a lot members who can't get to our Tuesday meetings, so we're planning to have some Saturday night meetings so that those of you who work during the week can attend some meetings of our chapter. Members of other chapters are also invited, and we hope that they can attend also.

This will be a pot luck. We will be serving BBQ brisket along with the pot luck. We will be inviting our local derby sponsors from our last year's derby also, and we hope that many of them will attend.

We'll have rum, vodka, tequila, wine and beer drinks available. If you don't want any of those, you may bring your own.

WHERE IS IT? The club house in Cholla Bay, of course!!

WHAT TIME? Come about 5:00 for happy hour. We'll eat sometime around 6:00.

WHO'S INVITED? You. As state above, it's a pot luck. Come and join us and bring a "pot".

SEE YOU THERE!!!

How Budweiser Handled September 11th

September 11th, a Budweiser employee was making a delivery to a convenience store in a town called McFarland. He knew of the tragedy that had occurred in New York. He entered the business to find two Arabs whooping and hollering and really cheering it up. It was obvious they were elated with what had happened earlier. The Budweiser employee went to his

(Continued on page 7)

(Continued from page 6)

Budweiser happens to be the beer of choice for that community. But the story doesn't end there. Seems the Budweiser driver had friends...in particular, the Pepsi route driver. The Bud driver called his Pepsi friend from his cell phone while he was still at the store and told him what happened. Seems the Pepsi driver called his boss, and received the identical orders the Bud driver did. So Pepsi went in and took out everything in the store under their corporate brand. And if you know Pepsico (Pepsi, Frito, Lay, etc.), that's darn near everything. Last heard, that store has no product, no costumers (word spreads fast in these small towns, y'know) and no hope.

IMPORTANT NOTICE TO ALL CBSC MEMBERS

In this future issue of the Cholla Chatter there is a proposed change to the Constitution and By-laws of the Cholla Bay Sportsman's Club regarding a change in dues.

This has become necessary for the following reasons:

- Decrease in memberships
- Decrease in Chatter ads
- Increase in publishing and mailing costs of the "Chatter"
- New expenses in maintaining club house. We now have a wonderful building and it would be a shame to not be able to keep it up.
- Rise in insurance and other costs.

BOTTOM LINE: All expenses have risen, and dues have stayed the same since 1993.

PLEASE vote yes and return your ballot ASAP. You can either mail it to

Cholla Bay Sportsman's Club
P.O. Box 7171
Phoenix, Arizona 85011

or mail to your chapters address, or turn it in to an officer of your chapter.

This past two years our expenses have exceeded our income by a lot, so obviously something needs to be done. The change would be effective in 2003 since 2002 dues are coming in now. **HOWEVER**, for this year, if each member would voluntarily contribute an extra \$5.00-\$10.00 it would be a big help in paying our Council obligations for 2002.

Thank you all for your support of CBSC, and a Happy New Year to all from your Council Representatives.

NEW HOME FOR CHOLLA BAY LIBRARY! (by Yvonne Arnett & Donna Wilhite)

A former storage room off the back of the Cholla Bay Fry Shack will house the new Cholla Library once renovations are completed. In preparation for the opening, volunteers have already cleaned the room, reconstructed the old wobbly shelves and attached them to the walls for more stability, painted the floor and once ugly book cases in bright primary colors, and hooked up ceiling fans and lights.

WANT TO HELP?

Bring your talents and ideas and join the fun! Contact Nancy Schmidli, 382-5036, if you would like to help stencil designs on the walls, sort books, help create a children's corner, or do whatever else needs to be done. Besides a wonderful feeling of contributing to your community, it's another opportunity to meet new people and create new friends.

LIBRARY OPEN TO ALL!

In order to serve both the English and Spanish speaking members of our community, books in both languages will be available and are being catalogued by volunteers under the leadership of Agnes Felton and Trish Runner. If you have books in Spanish you would like to donate for either children or adults, please contact either Nancy Schmidli or Donna Wilhite.

REMEMBERING THE FORMER LIBRARY

In the excitement of opening the new Cholla Library let us not forget the original Library that existed for many years and stayed open until last year under the dedication and guidance of June & Austin Schillinger, Ben Gay and Bob & Barbara Dammann. We would like to offer a special thanks from the community for providing this past service.

AND A SPECIAL THANKS TO ALL VOLUNTEERS!

As with all community projects this one has worked it's magic of bringing so many of us together. Again, thanks to the following for their contributions thus far and to those that will join us in the future: Sandy & Dell Moore, Nancy & Don Schmidli, Frankie & Sid Palmer, Donna Wilhite, Agnes Felton, Mickey Babbitt, Trish Runner, Bob & Barbara Dammann, Marie Rhodes, Yvonne & Dave Arnett.

(Continued from page 3)

most everything else was there, most prepared by our resident cook, Ken Goodin. Pies by Pat and Nancy, and lots of helpers with serving, etc. The hall was decorated as a winter wonderland, with snow-flakes, a tree and other decorations. Thanks to all the helpers for a wonderful meeting.

Our next meeting is supposed to be at the Happy Frog in Rocky Point. Hopefully they will have their remodeling finished by then. Otherwise, it may be pretty cool sitting outside. HaHa. If it isn't going to be there, we'll have to make an announcement on the radio.

January 19th will be the special week-end meeting. It's a Saturday night, as we're trying to have some events so that our people who work can attend. There is another article in this issue regarding that event. It'll be a pot-luck. Hope everyone can attend.

We now have the 2002 tide calendars and you can purchase them from me or Nancy, or at Ship's Store. We'll also have some at the Cholla Cafe and Betty's office in Cholla, so get yours next time you're in Cholla.
