COOKS CORNER! !

CHICKEN OLIVEIA

Von Frazier

- 2 COOKED & BONED CHICKEN BREASTS with skin removed
(Simmer in water, with a little salt, about 1 hour or until very tender. Shred or chop the Chicken.)
- 10 sliced BLACK OLIVES
- 1 cup SOUR CREAM
- 1/2 cup Chopped GREEN ONIONS with tops
- 1 can (402) GREEN CHILIES (small can)
- 1 can Campbells CREAM OF CHICKEN SOUP
- 1 cup Grated LONGHORN or CHEDDAR CHEESE
(I prefer Cheddar (Sharp) because it melts and blends better)

Place shredded chicken in botton of casserole dish, combine sour cream
Black olivies, Green Onions, Chilies & Soup. Pour over the Chicken.
Sprinkle the cheese over the top.

(I like to mix a small amount of Grated Cheese with the soup mixture.
It seems to make it more creamy)

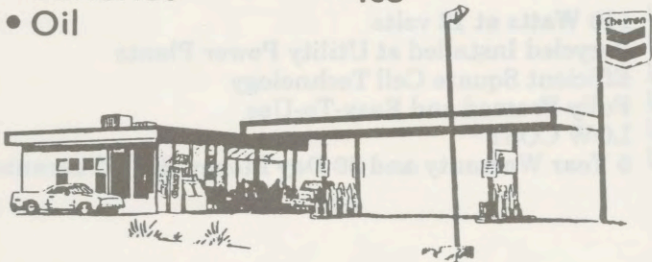

Bake covered at 350 degrees about 1 hour. Serve with soft warm flour
tortillas.

You can add tabasco or Hot Sauce when served.

TOP OF THE HILL VIEW POINTS

THELMA BROWN

Cholla Bay again and I love it! It was a hot October 18th weekend when Bill and Debbie brought me. Good neighbors, Pat and Levona had the cabin open, furniture uncovered, patio swept, even had Roho light the Fridge. It's Great. Thank you.

The birds were back Saturday morning and even tho' I brought "Choya", my cat, they were at the feeders ignoring her. The birds move when Betty's "Love" comes around. It was hot most of the week but the last few days were lovely.

Glad to see Evis Busfield in her house and Virgie Burrows in hers. Lights were on the hill at Bogie's, Berry's, Upchurch's and Horn's. Pat Gooden and Lavona left on Sunday as did Jim and Nancy Huff. Nancy made a "Better than Sex" cake to celebrate Pat's birthday. Smith's, Jordon's, Brown's, Lavonda, Pat, were all at Huffs to celebrate.

Dammon's breezed in and out with supplies, will be back to build a generator room. I hope it keeps on getting cooler. That first week end Nina Moors, Art's sister-in-law from Cottonwood, caught two big grouper. One was 67#, the other - heavy too. She went on the "Mud dobber" with Art, her husband Paul and friends from Cottonwood. She was ecstatic. Congratulations Nina! Verlone Barber was asking me, not long ago, if the women were fishing. You see they are.

Betty Horton, Sherley Peterson, and Thelma Brown have been playing cards with Virgie Burrows and Ethel Heldt.

Joyce Hitchcock has been under the weather but is now on the mend. Marty and Ed Perlmutter and friend Jack from Prescott have been here. Marty has been playing cards with Joyce. Artist Marty also won two first prize ribbons for a painting at the fair. Her pictures are the Southwest theme and are just beautiful. Ed was suffering with the gout.

Tony and Elaine Rimsza have been entertaining Elaine's family. Elaine's daddy is staying awhile. One day Tony stopped by with son Bobby, a Pharmacist, who is now the father of twin girls, Jessie and Rebecca, darling little girls. Tony is catching fish and he brought me some.

Skip and Sharon Allen were in town. She's so bubbly and happy. Skip feeds the birds too. He brought them special food. I'll see if my feathered friends move down the hill. (They didn't)

Evie Buafield has two hummingbirds that are so tame, she's named them "Pee Dee" and "Jusie". They come so close - eat from the feeder with people so near, even Nicky the dog doesn't scare them. They stay in the Bouganvilla bushes near by.

Glad to see the Smith's in town. Phyllis is always busy. She is embroidering on a quilt she started 31 years ago for her nephew. He's going to get it for a wedding present. Isn't that great!

We're missing Vi Schmerfeldt. She fell and broke her foot in Payson just before she planned to go to Phoenix to see Wally. She went to the Drs. in Phoenix, had it x-rayed - to swollen for a cast - put her on crutches and on the way to the car with the nurse and crutches she fell on her face, broke her glasses, got bumps, cuts and bruises. She's still in Phoenix at her sister's. She doesn't deserve this. She's been so good taking care of friends, and relatives all summer and when it's time for rest and fun, she's in a plastic cast. Hurry back to the Bay!

And the rains came along with thunder and lightning October 27th along with wind. the weather changed around 4 am. By 7:00 it was really raining. At 8:15 the sky is clearing but the wind persists. The birds want their food even if the feeders sway. The sky is many shades of blue, light gray and dark gray. The water is green with white caps. a pretty sight.

We've had the reddest skies early mornings and again at evening time. The reflections make all the white homes in the bay look pink.

Joanne and Carl Fabran from Los Cruces were down with Don Charles and daughter-in-law Gaye. Joanne is the daughter of the late Gladys and John Hoskins (lovely people). Chuck and Carl now have the cabin red and white like it was originally painted. Joanne says she'll come again. This was the first time in nine years since the death of her mother.

Real Estate moved for days with the wind blowing, making ripples of sand everywhere. It finally calmed down and Busfield's and Brown's are getting new roofs. Dammon's are building a new generator room. Lots of men working, lots of noise and dirt. It will be good to have it all done.

Lulu Hall from Tonto Basin is visiting with Virgie Burrows, her sister. Nice to have her in the Bay.

"Chuck" and Joanie Derenberger are back for two weeks. We have big discussions on Diabetes. Such good people. We're glad to see Joanie looking so well. She's off from Oxygen and doing well.

Visis's back in the Bay. The Doctor took her cast off her left leg and foot on Thursday - she drove to the Bay on Saturday. Saturday night she turned over in bed and twisted her right knee. Dr. Wilcox manipulated it and put on an elastic bandage. With her leg elevated she's more comfortable. What a way to celebrate her birthday. She has guests always from Winslow; Jean and Ular Godder, their daughter Belinda and husband Bob Wheeler. This is the first trip to the Bay for Belinda and Bob. They went clam digging and did well. Made clam chowder.

I had a lot of old cacti taken out. Down near the ground it was rotten and such a bad odor. They had been in about fifteen years. The boy found a coral snake and two scorpions. I guess even Cacti have to say "I've had it" after a lifetime of heat, sand, no rain and abusive treatment. This one sure was a bloomer. Sometimes, as many as a hundred yellow flowers in the Spring. Last Spring it started dying - Even the cuttings died.

Sunday night Nov. 17, Gus Brown, Jr., Betty and Art Moore, Ramon Perez, Jr. put on a fish fry that was fabulous at the Old Boys Club. Some people brought side dishes. Ramos did the baking on the charbroiler. Such good food and so nice to see everyone enjoying the sociability. He, Gus Jr., announced there would be another one next Sunday. For a side dish, you can't beat it. Six o'clock to? We got home at 8:00.

Ed and Mary Shepard came to the Bay with Mary's son Larry and his fiance Robin. They're both in the Navy. Had been in Sicily for two years. Interesting people. They brought me a family of white ducks they found in the Mall - They'll look good in the newly fenced yard. Robin is from Tennessee, delightful accent, was thrilled with shells and sand dollars and Mexican serapes, vases and blankets. Later after Thanksgiving, they'll report to Norfolk, Va. They plan a May wedding, but will stay in the Military for two more years.

Pat and Ken Gooden plan to go on the trip the 23rd with Glenda Maud. They come to the Bay often from Los Cruses. I'm sure that will be a fun trip. Pat and Ken are driving their vehicle.

Bogie & Hannah are back. They travel a lot from here to Phoenix. Such good neighbors and give support where ever needed.

Sympathies go to Don Glass, Joan Tulley and Bob Dammonn on the loss of their mothers and to Joyce Hitchcock and to all others who have lost a loved one.

People have been watching the Ospreys. There are several around - You'll see them on the aerials in the Bay. Beautiful big birds. The big porpoises have been by the Point - A pretty, graceful sight. I sat at Burrows cabin, watching them play.

Saterday, Nov. 23 is a cool 60 degrees and windy - Sunny - white caps in the Bay. Maybe the wind will abate for those 15 vehicles going to San Felipe. Double Dunes.

It's been a delightful time in Cholla Bay, as always. Son Bill will take me back to Phoenix tomorrow. I'll be back next March. You all have Happy Holidays and a good New Year.

Adios Amigos! Thelma Brown

CIA. IMPULSORA DEPORTIVA DE LA CHOLLA, S.A.
CHOLLA BAY HOMEOWNERS

The final holidays of 1991 will be history by the time you read this. The Company does want to take this opportunity to wish - you and yours a happy, prosperous 1992. May you enjoy good - health, have good financial dealings and find spiritual peace.

Again we want to thank the many customers who are now current - with their rents. If any of you have not joined the new Homeowners Association, we would encourage you to do so.

Thanksgiving 1991 tried to imitate March by coming in like a - lion and parting like a lion, but at least we didn't have snow. The winds didn't stop the turkeys from being cooked. As a matter of fact, it was an asset because no matter which direction - you went you could smell the roasting turkeys. All in all it - was a great day and there was much to be thankful for.

Everyone forgets turkey on Sunday evenings. Gus Brown has been furnishing the fish and "papas" for some fun get togethers at - the OBSC. Ramon Perez Jr. does a fantastic job of frying up the fish and potatoes and when some of the guests add their special dishes to the setting it really makes for good eating and good-fellowship. If your around on Sunday evenings come and join the group. Its at 6PM at the OBSC. The more the merrier.

When you are driving around Rocky Point take note of how the - new Mayor, Fernando Martinez, is having the town spruced up. - New street lights are being installed, the lines are being painted on the main street and its also being repaired with asphalt. Every little bit shows, helping to give the people an attitude of wanting to join in and give the town a new look for 1992.
