### WORK, WORK, WORK!

I look forward to the day when I return to Cholla Bay to relax, play, and have some fun. Back here stateside it seems we work so hard longing for the chance to come down to the land of sand and sun for a little well deserved vacation. But what happens when you leave the rat race behind and come down to Cholla Bay, then end up working the duration of your well deserved vacation? Some of the best and most rewarding work labor can produce! That's what happens.

About two years ago my Mom and Stepfather, along with their partners in crime, commenced on a double phase remodel and addition project at their shack above a rocky little knoll in sunny Bahia Cholla. When asked to come down to give a helping hand, I just could not find a reasonable excuse not to. To tell you the truth I'd have to be plumb loco to pass that kind of opportunity. As a construction worker and aspiring writer, what could be better than working on a rooftop surrounded by the blue ocean, friends, family and the prospects of an ice-cold beer at JJ's after a hard day's work?

I have also been asked by a good friend of mine to come down to work on his house in Cholla, repairing a leaky roof, replacing some drywall, & overcoming some electrical obstacles to say the least. After each day of work down in Cholla Bay while absorbing a cold one or two, I can only come to one conclusion. I wish I could work every day of my life in Cholla Bay, because there is no better place in the world to mix business with pleasure. One thing is for sure, I will work for room & board down in Cholla Bay!

### TUCSON CHITTER CHATTER

Sal Otanez started out the meeting by thanking Marina Montano for the wonderful job she did on the Cholla Chatter and how thrilled we all are to have our beloved magazine back! Thank you Marina! Also a big thank you for all the volunteers who helped to put out this first issue!

We had a nice turn out at for the meeting and Jeff Walker was warmly welcome for his first meeting. Welcome Jeff!

Everyone was deeply sorry to hear that Clyde Nichols house burned down here in Tucson. In the fire he lost a beloved pet which makes his loss all the more difficult. Our condolences. Shirley Reid's Jeep Cherokee was stolen just a couple of weeks ago. What's really sad, it was stolen from her church parking lot.

Continued - Page 4

Continued from page 3

Currently we have 61 members which is about 17 less than last year. So all you members who haven't paid, please contact Shirley Reid or just go ahead and send your dues. The fees are minimal compared to the benefits and besides that we have great fun at our meetings and events.

A couple belated birthdays to Mike Carnes in January, Carmen Schwartz, Anne Hartnett and Billie Crumbley Carnes in February, and Enedina Otanez and Rick Schwartz in March.

Hope to see you all at our April meeting!

Carla

### ANOTHER WONDERFUL STEAK FRY

The 2000 steak fry was a great success, thanks to all the people who helped put it together. First of all the weather was picture perfect for the fishermen and those frying the steaks. We didn't have any complaints except that it didn't start right at 5:00 P.M. but it was well worth the wait. We want to give a special thanks to the Bill and his crew at the meat department at COSTCO in Tucson's Thornydale store, for getting us out of a bind. As usual, we ordered the meat way in advance and were assured that it was all but delivered. When we called to pick up the load we were told that they were not able to get it and that their warehouse didn't even have it and apologized. The person we initially talked to was on vacation and this is two days before the event! Well we got our thinking caps on and started calling our alternate contacts. We appreciate the service provided to us by COSTCO because within hours of finding out our predicament, the steaks were on their way to Cholla and they were delicious. In addition a special thank to our friends, Norma Nunez and Roldan Torrez, from El Paso who helped a bunch and donated all the bread and some of the brownies. The German chocolate cake baked by Adriana Adams and brownies baked by Shirley Peterson were a great hit. Thank you Carol Smith, Dina Belk, and Carmen Schwartz for your help in the kitchen. Thank you Alan Peterson for all the time you put in baking the potatoes.

It was kind of risky scheduling the steak fry this early in the derby but we have no regrets because we had a great turn out and a profit of over \$500 so maybe we should continue to have it the first derby weekend.

#### 3 TONGUE TIDE PRIESTS

There were three priests in a railroad station, all wanting to go home to Pittsburgh. Behind the ticket counter was a very, very shapely lass. Well endowed, gorgeous, amazing. The priests were all in embarrassing new territory, so they drew straws to determine who would get the tickets.

The first priest approached the window. "Young lady," he began, "I would like three pickets to titsburg..." Whereupon he completely lost his composure and fled.

The second priest approached. "Young lady, I would like three tickets to Pittsburgh," he began, "and I would like the change in nipples and dimes." So of course he also fled.

Then came the third. "Young lady, I would like three tickets to Pittsburgh, and I would like the change in nickels and dimes and I must say," he continued, "if you insist on dressing like that, when you get to the pearly gates, St. Finger's going to shake his peter at you."

### SHIP'S STORE

Ship's Store is going to be handled this year by Nancy Schmidli and Pat Goodin. We've been painting and fixing up a room at the Radio Shack, right next to Agustin's office which is where our new Ship's Store will be.

By the first derby week-end we should have new derby shirts in. We'll also have can and bottle holders, Cholla Bay Sportsmen's Club license plates, jackets, some sweaters and other items for sale.

We're planning to have the store open for at least a few hours on each Saturday even if it's not a derby week-end, so that shoppers can come and look and buy. So, "y'all come and see us now and then", and pick up some Cholla Bay items from the store.

We can also use some help from CBSC members in manning the store, especially during the derby week-ends. If you want to help, see Pat or Nancy, or come down there and volunteer. We'd appreciate it. During the derby we'll be open from 8:00 A.M. to

6:00 P.M. So, come where the action is!! You can see what's going on and watch the boats come in and be helpful at the same time. How much better can it get??

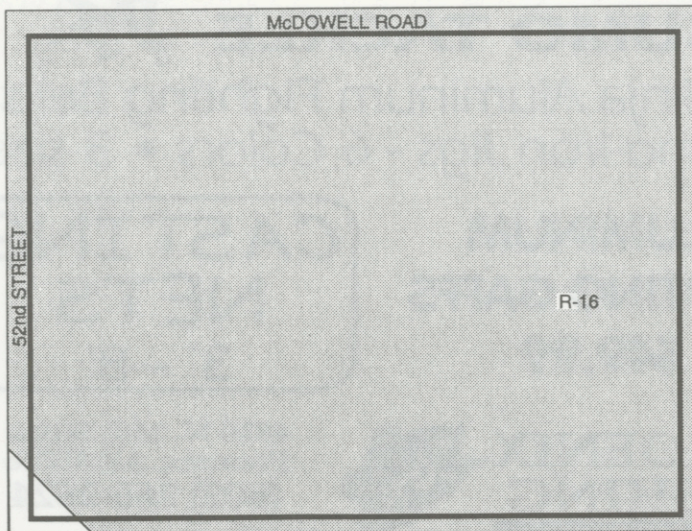

If you want something and the store isn't open, you can see Pat or Nancy and, if possible, we'll go and open it up for you.

Pat Goodin

### PHOENIX CHITTER CHATTER

The Phoenix Chapter met on March 8, 2000 at the Italian American Club. The main topic was the Derby. Everyone is excited about participating and trying to win some derby awards and raffle prizes. Don't forget to put your raffle tickets (\$1.00 each or 6/\$5.00). All members should have received tickets in the mail; please mail in your checks/cash soon. If you would like to purchase more tickets or get some to sell to friends, you can do so at the Radio Shack on Derby weekends or contact any of your Chapter officers. The Phoenix Chapter is also excited about the April 12th meeting. This will be our annual picnic at Papago

Park. The festivities will begin at 6:00. We will most likely be at Ramada R-16 again. See the map for directions and follow the signs once you get there. The Phoenix Chapter will provide hot dogs, hamburgers, beer and soda. Bring your family, friends and your favorite side dish. **EXCITING PRIZES ANYONE???** There will be two 2-way hand held sport radios and one GPS raffled off at the picnic. The tickets for the radios and GPS will be \$5.00 each and you must be present to win. In addition to the "BIG" raffle prizes, we will also have our usual raffle tickets (3/\$2.00) for some other great items. Hope to see you soon. Good luck to all those participating in the derby!

CHOLLA BAY HOMEOWNERS

How nice to know the Cholla Chatter is back in print again. This publication certainly has been missed. We wish the new editors the best of luck and longevity with their new venture.

They say the older we get the more we do not like change but this can't be true, if you look around Cholla Bay and see all the changes that have evolved. Before the beginning of the new year 2000 this metamorphosis had started and the shedding of the old and the replacement of the new is continuing all for the betterment of all homeowners. We encourage your cooperation in the remodel, clean up project for Cholla Bay. Beautify your own property and your neighbor will follow the trend. A little paint does wonders. (Amen)

## CHOLLA CHAPTER CHITTER CHATTER

Hey - it's great to have an editor and have our Cholla Chatter back again. Thank you Marina!

Our chapter has been having nice meetings, averaging about 60 people per meeting since October. We've also been having some wonderful meals at our meetings. Since December we've been alternating between Bebida's Restaurant where we've been enjoying fish and shrimp combinations and the Playas del Rey where we've had wonderful meals of chicken cordon bleu. The owners of these restaurants have been great to us and we really appreciate it, so when you're in town, try these two places. The food is great. Our April meeting will also be at Playas del Rey, but this time we're going to try their Mexican combination plate.

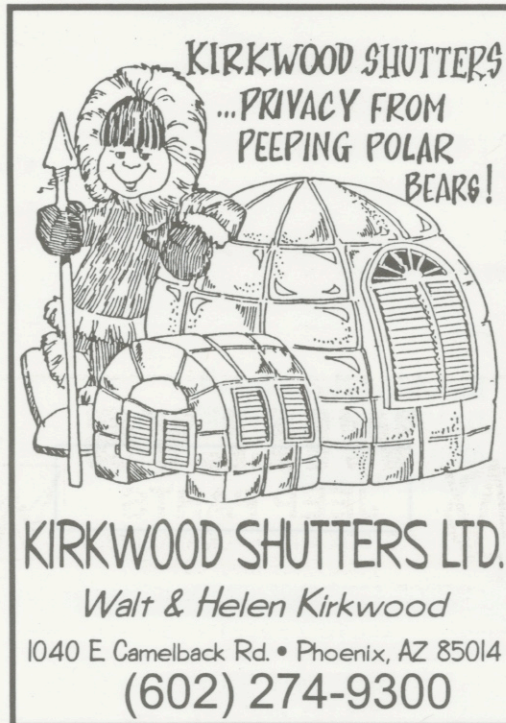

In May we have our traditional Luau. This year we'll be having it at our "new" club house in Cholla Bay. And, speaking of that, if you haven't seen it, stop by and have a look. It's coming along great and looking good. If you happen to be in Cholla Bay on May 9th, join us for the luau. For that matter, we always welcome members from other chapters at any of our meetings - 2nd Tuesday of every month except July through September when we take of for cooler climates.

The weather is getting really nice now in Cholla Bay - starting to warm up but not too hot yet, which is great for

## In Memory

Ed Mueller, longtime CBSC member and former vice president of the Phoenix Chapter, passed away February 23, 2000 in Scottsdale. Ed was an avid sportsman who loved Mexico, fishing, scouting, camping and people. Ed was also a maker of beautiful handmade hunting and fishing knives. Ed's sense of humor, dedication and most of all his friendship will be missed greatly. Our thoughts go out to his wife Joann, his children Richard, James and Deborah and their families. Contributions in Ed's honor can be made to Hospice of the Valley - 1510 E. Flower St. - Phoenix, AZ 85014

All of the derby events are coming up soon, and by the time you read this the steak dinner will be over and so will one week-end of the derby. We hope to see a lot of you here for all these events, and don't forget to stop by and see our new ship's store. Read the separate article about the ship's store which is in this edition of the "Chatter".

We were sorry to hear of the death of one of our Cholla Bay residents - Jack Mackamar. Also Ed Mueller of the Phoenix Chapter who passed away recently. One of our chapter member, Dave Bennett has recently had heart surgery, but as far as we know he is doing OK.

We want to wish all of you a Happy Easter, and We'll "see you in the Bay".

Pat Goodin
