Birthdays on the trail  
Marty Martin  
John Norsworthy

By: Marie MacGill

Our March 11th meeting was opened at 7:30 by our president Marty Martin to a fair sized crowd.

The Secretary and Treasurer's report was accepted as read. We did not have a membership report. Sick Bay reported that Ray Hemphill had slight stroke a couple of weeks ago and is coming along very nicely. It was also reported that Tom Farrah had a stroke, but isn't doing as well. I am sure we all wish them a complete recovery.

Our little friend Joan Vanover of membership is quite ill and would appreciate your prayers. (Please don't forget.)

Arlene Martin of Ship's Stores had lots of cool can wrappers for cold drinks, also large and small Tide Calendars, and also lots of Goodies. At the next meeting just take a look and see what I mean about the goodies, even though you don't buy any, just see.

We want to thank our guests and friends for joining us, and especially Monique Hampton that hadn't been with us for a very long time. She is a good friend of Newton Grefenson and had been away.

We also want to thank Mr Jim Baugh of Electric Boat Supply, Inc. for his fine presentation on Global Positioning Systems (G.P.S) which uses Satellites and or Loran which uses fixed Land Stations I don't think we gals understood much about it, but most of the men did.

John Robson had his pickup filled with boxes for Mexico that mostly include Drug Store supplies. He was begging that we all take what we could out of his truck and take to Mexico to Augustine at the Radio Shack to give to the Mexicans If you can take some call John at 978-8846 and take what you can. Thank you.

Jim Baugh drew the Christmas Raffle ticket that was won by Jim Flemins, then when Flemins drew one he drew his own name, a large round St. Patrick Pen and a nice Beach Chair. Monique Hampton also won a big pen and a beach chair. Then Rick Smith's name was drawn and he won the same.

I almost forgot to say that a few days back the people at Cholla Bay saw two water Spouts out a few miles out which shook them up pretty good. It was said that three boats were out. Two men made it back, but the third was out until the next morning I didn't find out any other details, but I don't think any lives were lost

Paul Vanover has lots of things left over from their yard sale that he would like for some one to take to Cholla Bay for the yard sale there. Please call him if you can take some down.

Before I close I would like to enclose  
this Happy little Poem called A BRAND NEW DAY  
written by Grace E.asley.

There's a brand new day before me,  
And a chance to start anew,  
And shiny hours waiting  
With much for me to do,  
There's a blue sky up above,  
And sunlight through the trees,  
Nobody should grow weary,  
With gifts as great as these.  
There's a brand new day before me,  
And I treasure every minute,  
My eager arms reach out to hold  
Each quiet joy within it.  
I feel my steps grow lighter,  
And all the worries fade,  
As once again God lets me share  
This new day He has made.

Until next time, Have a Happy Spring  
and GOD BLESS!

## Tucson Chapter Meeting

We were a little low in attendance at the March meeting. The few that were there seemed engrossed with our speaker when I arrived. Fernando Molina talked on water conservation. Gave a lot of facts and a lot of answers. He also left a few ones unanswered. Time will tell. We were left with a lot of great pamphlets with info on planting desert trees, ground cover, vines, shrubs.

The meeting was cut short. No minutes, no reports. Door prize will be held at the next meeting. Save your tickets. Drawing was held and winners were: Hilda Tozzi--Bundy Cords, Dean Tozzi, screw driver, paint brush went to Bob Rothrock, and garden gloves, to Irene Drake. All the gifts were neatly wrapped with ribbons. The meeting adjourned.

April Speaker: Bob Nordmeyer--Public Relations--Reid Park Zoo.

May: ???

June: Jimmy Stewart--Weather Forecast--H. 9.

Speaking of weather did you see the report of the big funnel in Rocky Point. That was close. Shirley Peterson was alone when the wind started and she had to struggle with the garage doors. A neighbor came to her aid.

I understand that there was stuff blowing in the big wind. Do you have any tales to tell? Please share them with us.

Irene Drake was telling us how she passed a sliding glass door. Between hand signs and singular spanish words she convinced the officer that it was one item instead of three. He waved her on through.

Well, Cholla weathered the big wind. I wonder how it will do with the "Spring Break"

Cholla Members--I need some "Tall Tales" please send to Tere Wilson, 1295 W. Miracle Mile--Office, Tucson, Arizona 85705 (602) 622-6019.

Joke: "Honey, I have a confession to make," a guy told his bride. "I'm a golf nut. "You'll never see me on week-ends during golf season."

"Well, dear," she murmured. "I have a confession to make too. I'm a hooker."

"No big deal," replied the groom.

"Just keep your head down and your left arm straight." (Readers Digest)

Did you know? Spanish rice is not served in Spain. In Denmark, there is no Danish Pastry. It's called Viennese bread. And in Bologna, there is no Bologna.

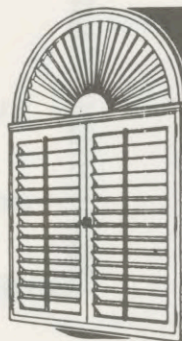

So, with this bit of wisdom and baloney, I will close until next time. Take care, and hope your cabin survived the students from the good ole USA.

## Report from Council Chairman Clive Jordan

The semi-monthly CBSC council meeting was held in Casa Grande on March 12. Areas of major concern are:

1. **Fianances:** The Club spent a good bit more than it took in last year. While there are funds available of over \$13,000. I feel that for the long term stability of the CBSC the funds available should not be allowed to fall below \$10,000. The solutions:

- Increase the membership base. There are many in the Puerto Penasco area who use Club services such as radio, and in emergency would expect and recieve assistance of Search and Rescue, but are not and have not been Club members. We need to recruit a few new members. Look in the Mirror and say to yourself: "I'll do it"

- Increase the membership dues. This would result in increased revenues, but would also result in the loss of a few members. Is it necessary?

- More and better revenue producing activities. The derby has been the only signifigant revenue producing activity in recent years. Why not other Club sponsored money making activities, such as a Fall dinner/dance at the Fry Shack? Most members have no problem paying a reasonable amount if they get good value for in their participation - and the club makes money. All it takes is a few members to step up and say "I'll do it!"

I prefer the first and third solutions. How about you?

2. **THE DERBY:** The Derby is underway. **Needed:** An overall Chairman. **Needed:** Several assistant Chairpersons: Steak Fry, JackPot, Registration, Weigh-in, Fish Fry, etc. **Needed:** Volunteers to assist with all the above, a little or a lot. **Needed:** Prizes and sponsors. **Needed:** A few members to step up and say: "I'll do it!"

Lew and Von Frazier, with a little bit of help from a few others have gotten things going. The preliminaries are taken care of. Time for a few good Marines to step up and say: "I'll do it!"

3. **Activities:** This seems to be going the best. Plans for 4 WD trips, overnight boat trips, snorkeling, Summer high-country and other outings are underway. A few people have said: "I'll do it!"

4. **Search & Rescue:** The ability of Search and Rescue to respond to a real emergency has deminished in recent years. There are too many old fossils like me trying to be younger

than we really are. The new Search and Rescue Chairman is Rick MacMillen - Poco Loco. The primary objective: Recruit new Search and Rescue volunteers who are in the Bay on a frequent basis, who are among the earliest to launch and the latest to return, who never let a breezy day and a little chop keep them in, who are ready to step up and say: **I'll do it!"**

The mission of Search and Rescue needs to be restated. While the Radio Operator is a service provided by the CBSC, the Club does not ordinarily reimburse Search and Rescue participants for the costs involved in rescue activity. In general the boater needing a search, rescue or tow-in is obligated to reimburse the direct costs incurred by those participating. Time for a few good young fishermen to say: **I'll do it!"**

-----  
A question to members: What do you want from the Cholla Bay Sportsman's Club? What do you expect in the future?

It seems to me that in recent years the emphasis of the members has changed, away from boating and fishing, and more into social and cross country vehicular activity. Also the current "conflict" situation between a number of members and the Brown organization has had a divisive effect on the Club and between some of the members. Further a significant number of members have Puerto Penasco interests in developments such as Playa del Oro and Las Conchas, away from Cholla Bay. The one common thread seems to be the radio communications provided through Club efforts, and available to all.

What is the future of the Club? Should the emphasis be more toward land based and social activity or toward the resurrection of water based fishing activity? Should most social activity be suspended with an almost total emphasis on communications and search and rescue? Should the Club be **more** active - or **less** active - in the Brown conflict? What about non-members who rely heavily on use the Club provided facilities for communications?

These, along with the more current issues above are what your Council will be discussing in coming months. If you have some thoughts, your Council Representatives and I would like to hear them. Our telephone numbers are listed on page 2 of the Chatter. It will be even better if your thoughts and concerns can be put in writing, with suggested solutions! I have a home, FAX (602) 957 7456, which is accessible 24 hours a day whether I am home or not. If the members wish to communicate your Council Representatives and I are available and interested in your views and your participation in the decision making process.

CIA. IMPULSORA DEPORTIVA DE LA CHOLLA, S.A.  
CHOLLA BAY HOMEOWNERS

March definitely entered Cholla Bay like a lion so hopefully it will be true to legend and leave like a lamb. We're not complaining though, because every raindrop, which the desert quickly absorbed, seems to be turning into thousands of beautiful wild flowers. According to reports this is going to be the best desert growth in the past twenty years.

Another thing March brings is spring. Along with the freshness of spring comes spring cleaning. It's the time to roll up our sleeves and do out part to help clean up and beautify our places in Cholla Bay. Pick up, pack up and paint up. Pick up around your lot, pack up all the clutter and get rid of it. Then, most important of all, PAINT UP! Paint up the sun bleached houses, storage rooms, etc. The company is proud to have you here as guests in Mexico and asks you to show equal pride by keeping your lots and buildings neat and attractive. Remember, a good appearance enhances the value of your property. If you are too busy having fun to do the work yourselves, check with the company office to hire someone to do it. There are lots of eager workers available to assist you. The important thing is: Let's clean up, pick up, pack up, and paint up.

Fishing...we told you the big ones were here and they still are. Rick McMillan took a crew out on his Poco Loco and loaded up with a couple of big ones. Walt Horton took top honors with a 220 lb. black sea bass. The big ones are still here so get the fishing gear polished up and get down here before they leave.

Dr. Al from the Santa Maria clinic reports the progress they have made in order to handle the influx of tourists on spring breaks and the big holidays we have coming up. They have extra red cross centers set up along the highway with paramedics on 24 hour duty. They have an ambulance in first class working order stationed at the entrance of Cholla. We hope it isn't needed but it is comforting to know it's available. Dr. Al said extra doctors, nurses, and paramedics are scheduled, so 24 hour a day medical assistance can be provided. With the Easter Holiday rapidly approaching, it is good to know about their concern for all of us.

I am sure all the readers have seen by now one or more copies of the Rocky Point Times, which is now into it's second year of print. It is, as they boast, Puerto Penasco's only newspaper. Written in English, and is so helpful with its wealth of information that if you can't make your weekly trips to the bay you can still keep posted on the latest news.

## HAPPENINGS ON THE HILL

The weekend of February 29th we were very fortunate to be able to go to the Bay, the weather was just great! The Mardis Gras parade was beautiful and fun. There were lots of participants, and prizes were awarded at the dinner at the OBSC Saturday evening.

There were five young gentlemen: Canyon, Matt, Brian, Ivan and Jesus out in the Bay shelling when something started chasing them. It was a "SQUID"!!! Their only weapon was a knife. They brought it in and hung it on the fish scales. It weighed a whopping "24 pounds". It was quite a sight. There were a lot of people there admiring it and some had never seen one so big and never even knew they got that big. Jesus took it home. What a feast his family must have had. Thanks for the excitement guys.

It was great seeing everyone again.  
Until next time, ADIOS ---

EDITOR'S NOTES

Diane Sturhahn

Since the Cholla Chatters are difficult to hand deliver in Mexico, the CBSC Council has decided that all Chatters will be mailed from now on. No more hand deliveries. Members who live in Mexico must send in a change of address to let us know where they want their Chatters mailed in the States. This will become effective for the next (May, 1992) Chatter. Please notify Von Frazier of your mailing address (See Request for Change of Address notice on this page.)

I am still looking for two volunteers to help with the Chatter advertising. One for the Tucson area and one for Puerto Penasco area. Call me if you'd like to help.

Again, if you would like to be put on a call list for local (Phoenix) 4WD trips, call Mike Hagerty at 831-1298 or me at 789-9504.

## IMPORTANT!

If you change your address, it is important that you contact Von Frazier by mail or phone at:

2214 N. 82nd St.  
Scottsdale, AZ 85257

602-946-6986

This is the only way you will continue receiving the "Chatter". The U.S. Postal Service will **not** forward or return bulk mail.
