## SHIP STORE

The new Ship's Store is newly painted and stocked. Pat and Nancy were doing the painting but was too short and Nancy couldn't climb on the ladder. So Dell and Don came to the rescue and finished the job. As stated in the last Chatter the new store is just east of Agustin's office at the radio shack. Now we would like to tile the floor. We think it would be fun to tile it with different patterns of left over tile. If you have some (one or more tiles) let us know. We probably will also need stuff to put it down with and some grout. Do you have any of that? Let us know.

The store will be open from 8:00 a.m. to 6:00 p.m. on Derby days. It will also be open on Saturdays from 2:00 p.m. to 4:00 p.m. If you want to make a purchase during the week just get in touch with Don Schmidli (25036 or Hum Babe on the VHF) or Pat Goodin (25056 or No le Hace on the radio) or Bob Belk (25016 no radio) and they will be glad to help you.

Of course we have this year's derby shirts, license plates, jackets, and coozies for sale. We also have other items. We are trying to order some things people have requested and hope to have some by May 12th derby week-end. So come on down and see what we have that you probably want...

We need helpers for the rest of the derby, so if you can "work the store" for a couple of hours see Pat or Nancy. We surely would appreciate it and it's fun to see the activity and probably meet new people. Hope to see you there!!!

## DERBY UPDATE

This years fishing derby got off to a terrific start over the weekend of March 24 through 26. A fleet of determined anglers armed with fresh bait and enough electronics to outfit the USS Nimitz headed out to sea for 3 days of fishing action.

Sunny skies and calm conditions kicked of opening day with approximately forty anglers purchasing derby tickets. The Ships Store was open early with Pat Goodin and Nancy Schmidli selling the latest in designer Sportsman's

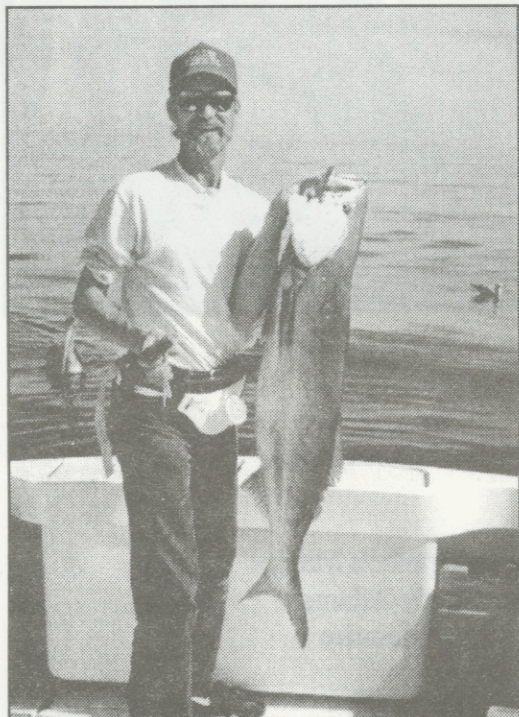

Club apparel. Don Schmidli and Bob Belk were there to weigh in and document what was sure to be a record catch. Ken Goodin was ready and waiting to transport the fresh filets to the new club freezer as they came in. And as always, Co mandate Agustin Leon was there to see that order was maintained in the harbor and that radio communications were conducted in a professional manner. Lonnie and I were very fortunate to have such a highly seasoned and well trained support staff at our disposal. Without all their help, we would have had to stay on shore! Instead, we were able to boat and fish all weekend. It was a tough job but someone had to do it!

The action Saturday was hindered somewhat by light winds and choppy water conditions which kept most anglers working the reefs in close. Seventeen more derby tickets were sold. As the afternoon progressed, the winds died down and the water turned to glass. Sunday was shaping up to be a good day.

On Sunday, glassy water conditions did prevail once again. The fleet was up early and headed out in search of the wily pescado! They could run but they couldn't hide. There were some nice fish caught that day and all participants returned safely. As the sun was setting at the scales that this great event. What a pleasure it was to have been a part of the tradition and to have survived our first derby weekend of the new millennium!

We would like to thank all the anglers who participated in the event and look forward to seeing you at the next derby which is April 28, 29 and 30. We would also like to thank all the people who really made the derby possible. Without their help it would not have taken place. A special thanks goes

out to JJ's Cantina for letting us borrow their scale which was used at the weigh in station

Lonnie and  
Buster

## TUCSON CHITTER CHATTER

Oh yes! Spring is in the air and we're so looking forward to sitting on the ocean and listening to the waves gently lulling away our cares.

But back to reality.

The Tucson Chapter meeting was called to order by our President, Sal Otanez. He welcomed his special guests and potential new members, Jerry and Lucy Gosselink. We were also pleased to see Susie and Al Kinder at the meeting.

Clarence and Tere Wilson were involved in an auto accident on March 24. They were on their way down to Cholla when about 6 miles east of Sells a car turned left in front of them as Tere was attempting to pass them. Than goodness no one was seriously injured. It turned out that the air bags caused more injury. Both are doing fine and for that we are thankful.

Happy Birthday to Marion Hotchkiss!

Our meeting will be May 9 @ 6:30, Las Margaritas on Grant Road. Hope to see you all there.

## COUNCIL NEWS

The CBSC Council met on March 25th for their regular meeting, at the Fry Shack in Cholla Bay, after the steak dinner. Representing Phoenix Chapter were Kent Kristof, Lonnie Branum and Buster Smith. For Tucson, Sal Otanez, Enedina Otanez, and "Pete" Peterson. For Cholla, Bob Belk, Nancy Schmidli and Pat Goodin. Visitors were Kent Kristof's wife Lara and Rick Smith, OBSC President.

A report on membership was Cholla Bay with 140 members. Tucson with 1 members and Phoenix didn't have a report. They should have a report next month. Membership cards were discussed. Each chapter should be sending out their own cards.

Chatter-the 1st Chatter by our new editor is out. The due date will continue to be the 18th of the month, for the following month's Chatter. The Chatter should be out the 1st week of the month.

Phoenix chapter is trying to update their membership and dues, and will try to have all their dues being payable in January.

Pete reported needing to fix some problems with Channel 26.

Rick Smith, President of OBSC, asked if CBSC would be interested in selling "rafters" with names for \$20.00 each. A motion was made and passed to do this—money will go to the building fund. Someone in each chapter should care of this for their chapter.

**Carla** The next meeting will be on Saturday, May 13th at 8:00 A.M. at the fry shack.

CHOLLA BAY HOMEOWNERS

Give yourself a treat for the new millennium by purchasing a lot in Cholla Bay—either for investment or protection. Most of you are aware that in the past few years the value of lots has increased dramatically. The installation of electricity has increased the values and definitely made living in Cholla much more comfortable. As the other amenities, water, sewer, become closer to a reality so will the value of our lots. Invest NOW and if and when you decide to transfer your deed of trust to a new buyer you will have increased your investment. Protect the investment you have already have by purchasing the built on that lot adjacent to you. That way you control what is built on that lot and save your view and keep someone from building right up to your front door. You can't go wrong investing in land in Cholla Bay. Put the Bank Trust in your name or that of a family member. What better way to know your children and their children yet to come will have a SECURE future in Cholla Bay.

The Company has been working diligently to do our part in cleaning up Cholla. We have cleared land of all the extra brush, debris, old trailers, falling down structures etc. Some of these old structures and trailers were unsafe and some even health hazard. We still appreciate our customers who are working on it. We really appreciate our customers who have joined us in this clean up, paint up crusade and have helped to beautify Cholla Bay and we encourage you to keep up the good work.

## CHOLLA CHAPTER CHITTER CHATTER

Our April meeting was held at Playas del Rey restaurant with 43 members and guests attending and President Bob Belk presiding. We had the Mexican combination plate which was good, but I prefer the chicken cordon bleu we had there in March.

Next month, of course, will be our annual luau. We are holding this in Cholla at the newly remodeled Fry Shack on Tues., May 9th. Evelyn Fought has been helping with the menu of barbeque ribs, baked beans etc., that she and the ladies in Cholla will be fixing this year. We hope that if you are in Cholla or Rocky Point are that you will join us for a delicious home-cooked meal. Also we are going to have some games of horseshoe and shuffle board before the dinner. We have several sets of horseshoes and we might even come up with other games if we can get the equipment. If you have any we can use, please let Pat Goodin or Bob Belk or any board member know. We will start the games about 4:00 p.m. So, plan to come early, play games, visit, eat, win raffle prizes and have a good time. By the way, tickets will be sold that you can turn in for drinks so you don't have to b.y.o.b.

There was a discussion about what the Fry Shack is being called, sometimes the Club, sometimes the Community Center. Although that is what the building is becoming, the general consensus was that the name "Fry Shack" should be officially kept. Probably, to most of us in C.B.S.C it will always be The Fry Shack. If you have an opinion about this, please express it to your council members.

By the way, the remodeling of the Fry Shack is still progressing. We are going to have a really nice library, a Vecinos' office, two store rooms for C.B.S.C. and O.B.S.C., and two newly remodeled restrooms. Alan Peterson has finished installing the cabinets along one side of the kitchen, installed electric warming trays and the counters are tiled. It's really coming along nicely. Stop by and see.

Also to help the building fund, you can again buy a beam with your name on it for \$20 and the money will go into the building-remodeling fund. These funds are very much needed to continue remodeling,

So we hope you will get your name on a beam! I heard someone wanted the name of a spouse's ex removed and would pay considerably more for that.

The Vecinos, homeowners association, has purchased the land next to the Fry Shack greatly needed for expansion and parking.

The first Derby week-end was great. We had three days for good weather for fishing. The biggest fish that week-end was caught by Lonnie Branum, a 38+ lb. Pinto. Way-to-go, Lonnie!! If you're a fisherperson please join the fun in the derby!! If your not, it's fun to check out the activity at the launching and Ship's Store area.

Sick bay reported that Betty Floyd became very ill in Cholla several weeks ago. Beverly Parker, Head Nurse, came to her rescue, probably saved her life and got her air evacuated out of Mexico. She was hospitalized but is now staying with her daughter in Mesa. We hope she is doing better. We were also sorry to hear that Vilma Wiswal's brother passed away. Our condolences to her.

We will probably still be having some Saturday evening social hours at the Fry Shack. We try to put a notice on the doors to let people know. If you're in Cholla and see activity or lights on please join us. It's b.y.o.d. (drink) and b.y.o.h. (hors d'oeuvre). It's a good way to get acquainted and find out what's going on.

Hope to see you in "The Bay"!

Nancy Schmidli

Hello to all! The Phoenix Chapter held its April 12th meeting at Papago Park. It was a beautiful desert night for a BBQ/potluck dinner and to visit with friends. It was good to see the old, as well as a few new faces at the meeting. Thanks to the BBQ king, Kent Kristof, for slaving over the coals. The burgers and dogs were delicious.

This was the meeting at which the Phoenix Chapter raffled off a pair of two held GPS. Congratulations to Greg Cliffords for winning the GPS, and to Dee Moen for winning the two way radios. By the way, I forns and the Moens are two of the "big" prizes, prize as well!
