SICK BAY

Jane Beidler is back in the Bay after rushing to Tucson with a nose bleed that wouldn't stop bleeding. The doctors got it stopped and changed some of her medications, which took care of the problem.

Jerry Ketelhut has now finished his chemo treatments and should be feeling much better soon.

We hear that Gene Court had an accident involving his hand, had a couple surgeries to repair it, and is in a cast. Sorry to hear that Gene.

GET WELL SOON, FOLKS!

CHOLLA CHAPTER NEWS

by Pat Goodin

The Luau is over, and what a great time we had. The food was outstanding - pork loin, Polynesian meatballs, broccoli/mandarin orange salad, home-made applesauce, rice pilaf, mashed potatoes and gravy and pineapple-cherry dump cake for dessert. It was a nice group of approximately 70, and everyone had a good time trying to figure out who did the murder of Chase in our murder mystery play. The actors put on a great performance, but I won't go into any more detail in this article, as there is a separate article and pictures on other pages in this Chatter. But, if you missed this one, you missed a wonderful time.

There won't be another dinner meeting now until October 21st, as the derby will be having the annual fish fry in May. Mark it down - May 28th, at 4:00. I believe the fishing ends at noon that day - Sunday.

Soon after the derby, those of us who go to cooler climates will be starting to leave Cholla and/or Rocky Point. We wish everyone a nice and safe summer, and hope to see you in the fall.

Our October meeting is always a pot luck, as we never know quite how many people will be back for that one.

CORRECTION

Were you paying attention? In last month's Chatter, There was a mistake in "Ken's Trivia". Not by Ken, but by the editor- Who is that???. Anyway, I-19 goes from Tucson to Nogales, not Tucson to Douglas. Just wanted to see if you're reading it, of course. Haha
Sorry about that!!

LETHAL LUAU

by Pat Goodin

The play, Lethal Luau, was put on at our annual luau this year, by the "Cholla Actors". The set was a luau scene with the actors sitting around a table, accusing each other of the murder of Chase Diamond. One of them was lying and was the one who killed Chase. It was up to the audience to look for the clues and to discover who did the murder. Actors were: Chief Wiki-Wiki - Frank Mills, Leilani, a hula dancer - Kathy Barnard, Joey Breakers, a surfing dude - Joe Aliano, Holly Day, a wealthy socialite - Nancy Schmidli, Les Baggs, a bumbling tourist - Wayne Busfield, Nadia Seymour, a sexy swimsuit model - Karen Mills, Rip Tide, a scuba diving instructor - Ken Goodin, Birdie Putt, a golf pro - Kathleen Schoen. Play directors and stage directors were Diane Aliano and Pat Goodin. Gayle Straughan was the sound engineer, and thanks to Bob Dammann for helping with some construction for the stage area. Joe Aliano wrote the scripts for the play. (See continuing article below and pictures on another page)

KEN'S TRIVIA

How man different combinations can be made on a license plate using 3 letters and 3 numbers?

ANSWER

000'9/5 'L1

Lethal Luau, continued

The winner of the \$100.00 was Steve Wallace, as he guessed who did the murder, and answered all the other clues most correctly. Steve then returned \$40.00 back to the club. Congratulations and thanks, Steve.

FISH FRY IS MAY 28TH !!

HEALTH HINT

THIS SOUNDS LIKE SOMETHING WE SHOULD ALL BE AWARE OF!

Received by email

Women should also know that not every heart attack symptom is going to be the left arm hurting. Be aware of intense pain in the jaw line. You may never have the first chest pain during the course of a heart attack.

Nausea and intense sweating are also common symptoms. 60% of people who have a heart attack while they are asleep do not wake up.

The pain in the jaw happened to the writer of the email and woke her from a sound sleep. She explained it as a pain unlike anything she had ever experienced before. (cont'd below)

HEART ATTACKS - continued from above

Let's say it's 6:15 and you're driving home alone after a hard day on the job. You're tired, upset and frustrated. Suddenly you start experiencing severe pain in your chest that starts to radiate out into your arm and up into your jaw. You are only about five miles from the hospital nearest your home. Unfortunately you don't know if you'll be able to make it that far. You have been trained in CPR, but the guy that taught the course did not tell you how to perform it on yourself.

HOW TO SURVIVE A HEART ATTACK WHEN ALONE:

Since many people are alone when they suffer a heart attack, without help, the person whose heart is beating improperly and who begins to feel faint, has only about 10 seconds left before losing consciousness. However, these victims can help themselves by coughing repeatedly and very vigorously. A deep breath should be taken before each cough, and the cough must be deep and prolonged, as when producing sputum from deep inside the chest.

A breath and a cough must be repeated about every two seconds without let-up until help arrives, or until the heart is felt to be beating normally again. Deep breaths get oxygen into the lungs and coughing movements squeeze the heart and keep the blood circulating. The squeezing pressure on the heart also helps it regain normal rhythm. In this way, heart attack victims can get to a hospital.

Tell as many people as possible about this. It could save their lives.

“Let’s Go Fishing”

News via the launching pad,

with **Rosario Villa**

There have been 80 plus boats launched since last march to the middle of April. Fishing has been good on the closer reefs with Grouper, Pinto, Strangers, Calicos and the ever present

trigger fish.

As for search and rescue, a Peñasco ponga skipper is now helping Villa in this regard. In one instance he pulled a broken down boat in to Cholla for payment of expenses and a tip. In another instance the boat, “Jenny Lee” limped back into the launching pad about 9 or 10 o’clock, at about one or two miles an hour. Pat Goodin turned on the red light in both of these instances, for which Villa is very grateful. He didn’t know where to turn it on prior to this. This light is very helpful to boats coming in at night.

Villa tells me he is really enjoying his job as radio operator and heading up search and rescue missions. Thanks, Villa!

Trivia: Who were “Sandbox” and “Sandpebble” on the VHF radio? Check page 10 for the answer.

For the Christmas Party

One of the activities that we do with the Mexican children at the Christmas party is to let them choose a piece of jewelry to wrap and give to their mother. This has become one of the favorite things for them, but we need jewelry, the kind that is so popular today, shiny, colorful, with beads and sparkles that kids like. If you have this kind of jewelry that you would like to donate or see some on sale, as it often is, we would like to have some donated. You can bring it to me, Nancy Schmidli, or leave it with someone in Cholla to give to me. Please put your name on all your donations. Thanks very much!

Miscellaneous Cholla Chatter

I think we are finally getting spring weather in Cholla. There has been a great deal of wind for the first two weeks of April, but Easter Sunday was a beautiful warm day. Many enjoyed the beautiful Easter Sun Rise Service on the beach at Playa Elegante put on by the Family of God Church. By the way, there is a non denominational service every Sunday at 9:00a.m. at Playa Elegante in the recreation room.

There were many, many Mexican families in Cholla at the beaches enjoying the weekend. Easter is a very special time for the Mexicans, their families all get together and celebrate. One of the favorite places for them to go is the launching area in Cholla. Pat Goodin heard on their VHF radio that Tico was having trouble so we went down both Sat. and Sun. and helped clear the cars out of the way so he could get the boats out.

On March 25th, Jerry and Ila Ketelhut were surprised by their children with a celebration for their 50th wedding anniversary. A surprise breakfast for the family was held at Los Juanos and then a big party was held at the clubhouse later that day for all their friends and relatives. It was a beautiful party. I think they may still be in shock.

Travels:

On March 18th, Lowell and Frankie McCulley left Peñasco on their sailboat, Gato Loco, and sailed to some very interesting places on the Baja side of the Sea of Cortez. Some places they visited were Isla Angel de la Guardo, Puertocitos, Pomo, Puerto Refugio, Isla San Luis, Isla Salsipuedes, Isla Tiburon and others. They sent great emails and pictures of some of these most unusual places. Lowell is a photographer and some of his pictures are displayed at the Cholla restaurant for sale.

On April 17, Bob and Adriana Adams headed up a group on a three week trip down the Baja. Going with them are the Stevensons, Arnetts, and Wilhites. I think some others from the singles group also went. We will have a report from them on their return.

Not trips, again:

The day after Easter, Pat Goodin and I took bags of donated candy to the kids in Cholla. This is something that Pat does every year.

I hope you all had a wonderful Easter and have a great spring. Hope to see you all in The Bay.

Derby News:

by Don Schmidli

Yes, you heard correctly. Almost at the last moment, Mike and Cathy Traverse along with Brad Moen came on board to rescue the 51st annual CBSC Fishing Derby. It will be a five day event, starting fishing Wednesday, May 24th, 25th, 26th, 27th, 7 a.m. to 6 p.m. and until noon on Sunday, May 28th. So, all you fisherpersons, get your boats and fishing gear ready for this year's Derby!

There will be adult and junior categories with both boat and shore fishing. The entry fee for all five days is \$20 for adults and \$10 for juniors. (smokin' deal!) You may pay this entry fee and purchase a fishing license and boat permit at the radio shack. Villa will have the person selling licenses there for the Derby. The license is not necessary for shore fishing. All species of fish may be taken except those prohibited by the Mexican fishing law. Mike is at present, revising the rules and regulations, so these will be available at the radio shack when they are finalized. Boat fishermen may purchase gas at J.J.'s pumps in Cholla.

The fish fry and awards ceremony will begin at 4:00 p.m. on Sunday. Otañez and O'Callaghans of the Tucson Chapter will prepare the fish fry. Ramon Perez will purchase the fish. This has been the way it has been done the past few years rather than donations from the fishing contestants. This way we are sure of having enough fish. Vasquez will set up a cantina and CBSC will provide soft drinks and beer.

Dave and Kelley Adams have designed and ordered the derby shirts which will be on sale at Ship's Store as soon as we get them, probably the first week in May. Because of the shortness of time, the number of derby shirts for this year will be limited so you will need to get yours early, in order to get the correct sizes.

We have raffle tickets available now, a book of 6 for \$5.00. You can purchase these from Goodins, 382 5056, or Schmidlis, 382 5036. There was just not enough time to mail these to members. Of course these will be sold during the Derby at Ship's Store. Permits for the Derby and printing of raffle tickets have been taken care of by Pete Peterson.

Sponsors are still needed. If you would like to sponsor this year's derby we would be very grateful for your donation. We are especially wanting business card size ads for our Chatter this year instead of large ads. This type ad would generally be in the amount of \$50.00. However, we would welcome any amount of sponsorship. Please mail your business card or name to be on ad, along with your check made out to CBSC to our treasurer, Enedina Otanez, 1252 Avenida Gloriosa, Rio Rico, Arizona, 85648, or you may give it to Pat Goodin or Don Schmidli in Cholla. Ads received after the printing of this chatter will be in the June July Chatter Newsletter.

Cholla Charity Fund

When you receive this chatter, the account for the Cholla Charity Fund will have been set up in the Stockman's Bank in Ajo. Jim LaVoie has been the main promoter of this fund and has donated \$500 to start it off. He sees this as an excellent opportunity to help our Mexican neighbors when help is needed and has made some excellent suggestions for making this fund grow and work. So far, I have four people who are in Cholla much of the time who will serve on an advisory board. However, there is one thing that I find is a **must**, a person who is bi-lingual to help translate. I am looking for someone who will be available and most of the time. If you are this person or know someone who would be willing to serve in this capacity, please contact me. Most of the information and promotion of this fund will be done via email. Please contact me at stuffie@prodigy.net.mx with questions, suggestions or wanting to help. Thanks! Nancy Schmidli

(For new members only, 3/4 annual dues are \$30, 1/2 annual \$20)

Membership dues and other activities of the Cholla Bay Sportsmen's Club funded the purchase of radio equipment and supports the maintenance and operation of the Marine VHF Radio (channels 16 & 26) for the Northern Sea of Cortez & CB radio (channel 3) in the Cholla Bay area. The CBSC pays the salary of the radio operator, assists in search and rescue operations and, when necessary, can assist with some arrangements for transportation of critically ill or injured. The CBSC conducts the annual fishing derby, publishes a monthly newsletter and promotes good relations between American visitors and our Mexican neighbors.

INSERT INFORMATION FOR THE FISHING DERBY

From chairmen, Mike and Brad

Hello Fellow Fisherpersons.

It's time again for our annual fishing derby. This year being the 51st Annual CBSC Fishing Derby. It has gotten off to a late start due to some conflicts with a certain fish category. Regardless, we are still moving forward and keeping the tradition alive. Because of this issue, we are having the derby the week of Wednesday, May 24th to Sunday May 28th with the scales closing at 12:00 pm on Sunday. Of course the Fish Fry and Awards Ceremony will be that same day at 4:00 pm.

The rules and regulations for this year's derby is going to mirror the past years concerning weights of the various fish categories. Villa has reassured us that there will be someone at the scales to assist with fishing licenses and boat registrations.

The awards this year will differ slightly. The first place winners of the Adult Boaters and Surfcasters, including the Junior Boaters and Surfcasters will receive a plaque and fishing reel/rod combo. Second and third places will receive Rosette Ribbons for their placement.

It's important that you read the rules and regulation in reference to "Target Fish" because they will be worth extra points. Because we use the points system for the first three places (ie. 1st - 10 points, 2nd - 8points and 3rd. - 6 points) this would help a fisherperson gain a lead to obtain the title "**All Around Fisherperson**".

I have been told that the gas pumps at JJ's will be open for those participating in this year's derby, this will benefit those who will be out daily fishing.

The cost of this year's entry into the derby will be \$20 for adults and \$10 for juniors.

In closing, I'm looking forward to seeing everyone down at the bay and good luck to those who are fishing in this year's Annual CBSC Fishing Derby.

Mike Traverse - Derby Chairman

Brad Moen - Co Chairma

This is somewhat redundant of the Derby News article but we felt that both were informative and therefore included both.
