CBSC 7TH ANNUAL HORSESHOE TOURNAMENT

Well, we made it through another tournament! They just seem to get better and better each year. Many people have come up to me and said what a great job we have done. I say it's a great tournament because of the PLAYERS, SPECTATORS & SPONSORS! You guys are the ones that make it a success! It was great to see the returning players and some NEW players this year. It's not fair that you all know my name and I just can't seem to remember all of yours. Believe me, the faces and the team names stick in my mind, but the individual names.... let's just say that takes time. So please don't take offense by my little "pet names" I give some of you.... they're just terms of endearment. You all know who you are! I'll get back to more about our awesome Sponsors in a minute.

Friday morning we were all pretty busy getting things set up! The "crew" was outside getting the pits ready. Bill Hicks, Ramon Villa, Andres Villa, Chester Borders, Sam Borders, Mike Mihoky, Jerry Torkelson and Jim Conrad really worked their butts off! Another "crew" was inside putting the Player Packets together. Jane & Chester Borders, Jim & Dar Hurst, Pat Torkelson, Rhea Dugan and MJ Gooch did an excellent job! We had another "crew" making the Jello Shots - Sheila Boyd, Cindy Richie, Rhea Dugan and I started and then Pat Torkelson and Kathy Hill pitched in too! We had quite an assembly line going! Last year the jello shots went over so well, we decided to make twice as many and more flavors! Luckily they don't set up really quick otherwise we'd have been eating them too!

This year the WIND decided to TRY to spoil our fun. We did have a couple casualties with some pop ups not surviving. Most of my paperwork seems to have a sand encrusted edge to them too! It created the most havoc with our speakers :(Mother Nature just wanted to give us all a challenge. However, we persevered! I actually got out my megaphone for a little while then handed it off to Tony for some assistance. Felt kinda good walking around harassing the players. At least no one threatened to take it away from me. We have some ideas for improving the sound system next year..... anyone know how to reach the local guys that drive around in the little cars with the 2 HUGE SPEAKERS on top?? I'd love to borrow/buy their speakers! No player could ever say that they didn't hear their name called with those puppies going!

Registration was challenging with all the wind as well. There were just a couple times that we were chasing the blank forms across the sand! I had a great crew helping to get everyone checked in! Jane Borders handled the forms, while Cindy Richie helped the Spectators get their wristbands & hot dog tickets. Myself, Michelle Robnet and Linda Robnet processed the Players. Sheila Boyd and Susie Graft helped out too! Volunteers are great - you can NEVER have too many of them! Thanks to our wonderful Sponsors, players had some "goodies" in their bags this year! 2 for 1 beers at Beach Bum Restaurant & bar; Free Margarita or Beer from the BooBar; Can Coozie from BooBar; Valve caps from Slime and LED Flashlights from Hicks Safes & Locks, Inc. Be sure and patronize our Sponsors please! They help make this tournament a success too!

Another challenge that we met this year and conquered was the delivery of the beer kegs! I'm sure everyone noticed that there were two (2) kegs tapped & ready at the start of the tournament. You can thank our very own Cholla Mini Market (Ramon & Dawn Marie) for making that happen for us! Our wonderful beer volunteers, Don Tuffing, Mike Carnes & Bill Shoen kept your glasses full all day long! It's a thankless job, but someone had to keep taste testing the kegs for all of you!

Susie Graft decided that she wanted to take a break from the Bracket Boards and actually play in the tournament this year. Therefore, our Bracket Boards were run by returning veteran, John Halverson and his new assistant, John "Strawberry" Hurley. Our 2 "Johns" did a great job keeping the brackets flowing. It's a tough job and they handled it like pros! "Strawberry" John assures us that next year he'll have some tricks up his sleeve to help keep the Brackets running smoothly! Also this year, we had "Security" in the Bracket Booth. Bear stood (and laid) sentry duty in front of the boards. No-one was going to get back there without going thru him first. That is unless you were a female with food - then all bets were off!

Our "Official" this year was Blaine Fletcher (filling in for Vini West who couldn't make it this year) with Bill Hicks assisting (as always). Bill was busy manning the pits all day, keeping them raked and looking fresh for all the players. Blaine pitched in on this duty as well. I believe that we had the best looking pits in all of Mexico!

As the tournament went on, we heard some stomachs rumbling - ok, it was probably just mine - but our hot kitchen guys kept the doggies cooking all day long! Ken Goodin and Jim Hurst took care of everyone (and a few hot dogs themselves)! Nancy Schmidli was popping all day long. That woman is an EXPERT at Popcorn. This year we decided to put her with the beer tent so she wouldn't get so lonely - plus it was easier for her to keep her glass full too!

Then there's MY favorite part..... JELLO & TEQUILA SHOTS!!! After the tournament was underway, Michelle Robnet and I brought out my new "garden cart" and loaded it up with Jello Shots AND a cooler of Tequila Shots!! Three Sponsors donated Tequila for this! You were able to try some Penasco Tequila, Dulce Dorado Tequila and some Booger-Picker Blue Tequila! Note to self..... you don't have to do tequila AND jello shots with the players BEFORE you have food in your stomach!! Oh well, it's a tough job, but someone's got to do it! Lucky for me I LOVE JELLO & TEQUILA SHOTS!! Speaking of which - thanks Teri Ross for the great SHOTS in your booth too! YUMMY! Next year, we'll have YOU going around with the Jello/Tequila cart! See, volunteers (even when someone else if volunteering them) are great! During the tournament, I had to leave my Jello/Tequila job. So I "volunteered" Linda Robnet to take my place. Hopefully Michelle kept pulling the cart when Linda pushed so she didn't end up in the sand face first like me! Oh well - fun times! Boy, do you people love jello shots!!

The Ships Store was a hopping place this year! We put it between the Bracket Boards and the Beer Tent. Sneaky, huh?!? You couldn't miss all the great items that were up for sale! The Horseshoe T-Shirts went fast!! Thanks Big Wave Dave for coming up with the Design this year and Kelley of Choice Graphics for getting them made for us! I think there may be 10 or 12 left over! You can still get one at the Ships Store during the Derby weekends or contact a board member. This year, I got in some "wife beater tanks" (I know the name isn't politically correct, but I didn't name them). I just ordered in a few because I love that type of shirt and OMG - they SOLD OUT so fast!! Next year, we'll definitely have to order more of them! I'll get more sizes/colors too! Kathy Hill, Dar Hurst, Kathleen Shoen, Laura McIntyre and Madeleine Calderwood were the smiling ladies helping you make your purchases. You ladies did a great job and made Judy proud! Sadly, our top sales lady and wonderful friend, Judy Tuffing, left us earlier this year. Her beautiful smile was greatly missed, but her spirit was felt all around us! We love and miss you Judy!

Raffle Prizes - the pinnacle of the production! We had 57 Sponsors this year (both US & Mexico Sponsors)! There were prizes ranging from gift certificates to tire pumps to concert tickets to booze! You name it and you probably could've won it in our raffle! The "Raffle Ladies" worked tirelessly selling the tickets, drawing the numbers and finding your prize for you! Thanks to Billie Carnes, Rhea Dugan, Pat Goodin, MJ Gooch, Jeannie Rosengarten, Enedina & Sal Otanz! Great job everyone!

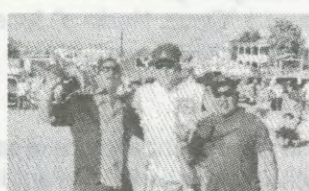

Now, for the news you've all been waiting for..... this years WINNERS!!

The Cholla Bay Sportsmen's Club (CBSC) relies on our membership dues and fundraisers like the Horseshoe Tournament to be able to continue providing assistance to Boaters in the Sea of Cortez. We have purchased a marine based radio & repeater; we pay to have this radio monitored 24/7 all YEAR long; we maintain the launch area & scales down by the Ships Stores (located on the beach below Mr. Fish Taco); we maintain the Ship Stores and Radio Room; provide search & rescue for ANYBODY on the Sea of Cortez that calls for help; assist the local Mexican national families in times of emergency (medical fees; transportation/lodging for hospital treatments; prescription fees; ect.); we also co-sponsor the Cholla Bay Children's Christmas Party which Nancy Schmidli puts on every year! There's so much more to our club than having tournaments and good times! If you're not a member, join us today! Your dues go a long way to helping a lot of people! A portion of the proceeds from this year's tournament will be donated to the Puerto Penasco Red Cross. They're there when you need them and they don't charge a fee - they operate on donations! We also made a donation of the extra hot dogs (about 350 of them) to the 2 Fish Ministries. This group helps feed the homeless families in Rocky Point.
