- 18 Chatter Articles Due To Editor

EDITORS NOTE

Well, it's officially summer. This year seems to be flying by faster than ever. It doesn't seem like this is already our 6th Chatter. We couldn't have gotten this far without everyone's help. The summer finds most Chapters putting their monthly meetings on hold, which means I won't have as many articles to print. I have been saving some stories and filler articles in case I needed them, maybe I'll get to use them.

Next months issue will cover the Derby, it's success, donors, volunteers, etc., etc. This issue we have printed the official winners list. Everyone who participated in the Derby was a winner. I don't just mean the fisherpeople, I also mean all the people who help do everything needed for a successful Derby. Everyone from the Chairman & his helpers, the people weighing the fish, the ones selling shirts - apparel - tickets - etc., the people who donated their fish, the people who organized the Fish Fry, the cooks, servers, etc. I could go on for days thanking everyone, but THANK YOU ALL !!!!

August 5-9 will be the Summer Campout, so that will give everyone a chance to get together, (and cool off) this summer.

Have a happy and safe 4th of July.

CBSC SUMMER CAMPOUT

August 5th-9th 1993

It's that time of year again for all you happy campers. The campout will be at the same site as last year, the ELKS PICNIC GROUNDS North of Pine, AZ. Reserved from Thursday Aug. 5th thru Monday Aug. 9th 1993.

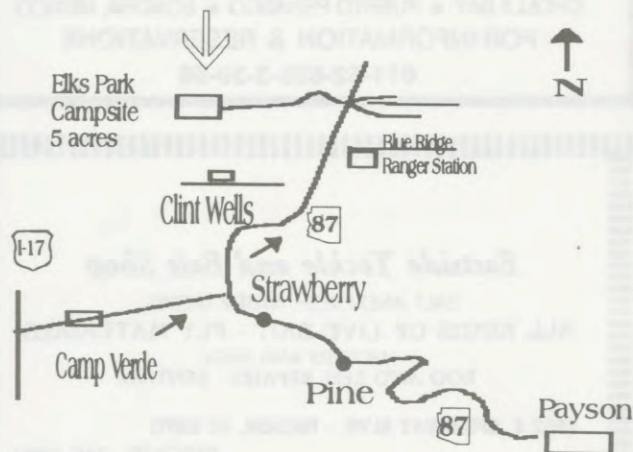

Located 20 miles north of Long Valley (Clints Well) mile post 310 on highway 87 (Payson to Winslow hwy). Turn left at small forest road (see signs) continue about 1/4 mile and you're there.

All CBSC members and guests from all chapters are welcome.

Come with your tent, camper, or motorhome. Lots of room for all. Some water and port-a-potties will be provided.

Plan on a Saturday night pot luck dinner, bring your favorite dish to share.

Any questions please call the 1993 Campout Hosts Doug & Shirley Conklin of Pine and / or John & Linda Perrotta in Phoenix at 831-8894.

THE ALL NEW LAUNCHING AREA

A Sight To See!

Guess we have all seen the new launch area, the concrete fish cleaning pad plenty big enough to dance a jig on when we are lucky enough to bring in a big fish. Also those new computer scales, no chance to add a few ounces to our favorite catch. Well I was there when this whole show began.

A few days before the first part of the Derby, all of a sudden the whole launch area was working alive with a special group of anxious, ambitious little ants, not really ants but just as well dedicated. Every launcher driver, fish cleaner, and every loose construction workman around Cholla was there. They were carrying rocks, building forms, shoveling dirt as if their lives depended on it. Our Derby Chairman Gene Court, Alan Peterson, Gus Brown, Wally, Ramone Jr., and many others and I would swear Augustine were all doing their share.

There was this huge bucket of yellow iron down near the waters edge, scrunching and screeching and moving more rock and shells than you can believe. Finally it had cut a swatch, this huge path wide & deep enough to launch the Queen Elizabeth. Meanwhile back at the Courthouse, Carol was making posters, and getting all the paperwork ready for the Derby to begin. Gene was doing double duty. Days with a hammer on the rock pile and evenings doing his Derby preparations before he crashed into bed at the strike of midnight.

The next morning back to the same old grind. Scrunch, Screech, hammer rocks, nail forms, and now it is time to start pouring the concrete. Gene making endless trips to Penasco to find a hoist to hold the fish so that the new computer scales could do it's thing. All must go together on time.

This was the schedule for five full days, and we the privileged few could stand back and watch this miracle take place. Finally it was Friday, 1st day of the big fish hunt, and more work was still to be done. The anxious fishermen, fisherwomen, & fishingjuniors looked on as they were taken past the works on their way to the water, hoping it would be finished by evening.

Low & behold, the big yellow machine was gone, all the workmen had returned to their original jobs, the men were back on their launchers, and all was well at weigh-in time. When the scales closed that 1st Derby evening, few could have believed the transformation that had taken place unless they had seen it. I was fortunate enough to witness all of this and I'm sure I speak for all the fishing people who have - are now - and those that will use this area in years ahead, our many, many thanks. We all appreciate your wonderful effort. We take our hats off to each and everyone of you.

SURFACE FISH ARRIVE NEAR CHOLLA BAY

Surface Fishing Tips

As predicted "EL NINO" has brought a surface bite to the northern gulf early this year. Sailfish, Skipjack, Dorado and even a Marlin all had been reported hooked up by Cholla Bay anglers, as of the last day of the derby this year.

For the most fun with these surface feeders one should use "light tackle". A trolling rig in the 20#-30# class or a med/heavy spinner with lots of 20# line will give you all the fun and excitement you can stand at one time.

Find the BLUE WATER, lately reported just south of the 16 mile and on south of bird island. Troll a zig-zag along the break between the blue and green water for best results.

A selection of tuna feathers and trolling lures of 4 inches to 12 inches in length should be used for Sailfish, Tuna and Dorado. Out riggers are nice but flat lines with clips will do very well in most cases. Troll 3 or 4 lures at a time about 2 to 3 boat lengths back. Just on the edge of the turbulence, the more commotion - the better. Normal speed: 5-7 knots.

Good luck on your next outing. Surface fishing can be lots of fun, especially when the fish do lots of jumps and long runs.

The June meeting had a smaller attendance. The faces which had been missing were present, and the others who had been attending - were absent. We do know the reason why... Cholla Bay of course. It's the season to enjoy the great weather and all the activities, especially the CBSC Fishing Derby. We manage to have members at each meeting to enjoy each others company, food & beverage.

Our Tucson Chapter President Bob Rothrock, manages to acquire some excellent speakers. One of which is Stephanie Gibert from the Bureau of Land Management, who is a very pleasant and informative speaker. We learned of the Bureau's history, accompanied with posters, pictures and pamphlets. The biggest problem is the cut in funds for all departments of the state. The departments seem to work together and make the best of it, and hope the ties of communication do not break down. The talks we have listened to this season on the environment and wildlife, should encourage us that the state is doing a good job of protecting our God Given resources.

Bob R. called for the door prizes to be raffled, so our speaker Stephanie could share the moment of excitement. Shirley Peterson sent some carved ironwood from Cholla for prizes, which made a great hit with the winners. The winners: Stephanie G - turtle, Alice C. - stork, Sammie R. - whale, Joan D. - roadrunner.

Our formal meeting sometimes becomes informal because some members fill in for each other. Bob R., President, read minutes for Secretary Shirley Reid because S. R. was filling in for Vice President, Shirley Peterson who was still at the Bay helping at the Fishing Derby, selling Derby shirts, etc., etc. Shirley R. reported we now have 158 Tucson members. Shirley R. is Membership Chairperson. Bob R. gave the treasurer's report to save time, since Joan N. handed him the figures. Council report was given by Bob because Pete P. was in Cholla helping with the Fishing Derby.

We have Chuck Blair for our Fishing Derby Chairman for next year. Nancy Schmidli and Shirley Peterson will chair the Christmas Party. Discussions on the increase of dues, toll road out of Phoenix, and closing events of Fishing Derby. We yet to hear from Irene Drake on Sick Bay, she had no reports since the family had been down to Cholla for a couple of weeks. So it looked as if our ailing ones are on the road to recovery.

The Fishing Derby was the big talk for the closing events. A Hip-Hip-Hooray for all the chairpersons & volunteers. It was well organized and when it all came together at the Fish Fry, it was a huge success. The fishermen & women out did themselves. The donors of the beverages were great, so if you went hungry or thirsty - it was your own fault. The fish fryers and food handlers are to be commended, because it was hot in that shack. I know, it was my first experience in helping out.

I kind of skipped ahead of my story, so coming back to the meeting, we closed the meeting by enjoying an ice cream cake for Sammie R., furnished by her hubby and son.

June was the last meeting and we will resume meetings in September, remember the 2nd Tuesday of Sept. A picnic will be on the agenda for the end of September, so don't forget us.

Another big holiday awaits us - 4th of July. Once again have a safe one and we will see you next season. Meeting Adjourned.

I heard, I heard: the Peterson family has an agreement in writing which Pete hesitates to sign. It seems the pool table was cleared off to be used for a game of pool by a visiting daughter. I wanna know, did you sign Pete?

I Heard, I heard: one of our upstanding members met one of those people who leave their brains at the border. Well, he didn't take a back street from this character. Good for you. Visitors looking for trouble in Cholla, we don't need. Sometimes it takes a drastic measure to prove a point.

Some Fish Stories:

Seems like a son-in-law and father-in-law went out fishing. Son-in-law Richard dropped his fishing pole in ocean, well father-in-law Jr. dropped his pole in to try to bring the floating pole in. Rescuing the poles R. could feel a jerking at the other end of his line, and re-reeled in the small fish at the end of his line. I don't know what kind of fish or if it was an entry at the Derby. For full details contact Cabin #89 & #310.

I was talking an ole, ole, long time fisherman. He knew Cholla when? The story goes: He and 2 brothers came to Cholla to fish. The waters were full of white caps and windy. They came back in and for nothing else to do, they decided to see what was happening at the house of ill-repute. Well, seems like one of the brothers, God rest his soul, was approached by one of the senoritas. He reached in his shirt pocket to see what he could offer. He brought out some of those long forgotten green stamps. He proceeded to explain about the green stamps, which he was trying to convince her they could be traded in at the bank, but with the language barrier, neither was making much headway. Somehow they all became separated. The friend and brother do not know what became of those green stamps. They were reunited to go back to their fishing and the brother, God rest his soul, had a smirk and a twinkle in his eye. He took the secret to the great beyond. So, beware if a Senora offers you a good deal on some green exchange stamps.

Respectfully, Tere

HOLA AGAIN FROM CHOLLA CHAPTER

By: Pat Goodin

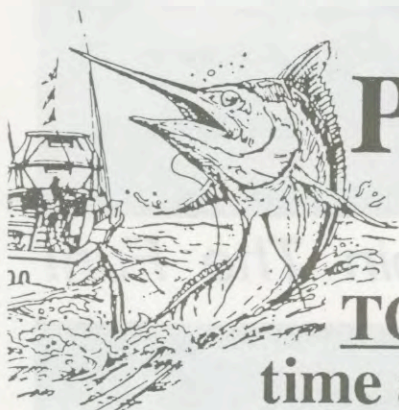

As you read this, the month of June will have slipped away, and one half of 1993 will be gone. Many Cholla Bayers will be leaving soon for the summer, and Cholla Chapter will dispense with meetings until October.

However, as of this writing, two derby weekends have come and gone, the steak dinner is over, and soon will be the final derby weekend and fish fry. The Derby seems to be going well, and the steak dinner was great. We want to thank everyone who attended, and want to especially thank all those who cooked steaks, served, set up, took down, and all the numerous things that are required to hold such an event. And a big thank you to "Pete" Peterson and Ken Goodin who spent a lot of time "FIXING" things at the Fry Shack and also Pete for setting up the lights and music. I know how much time he spent both before and after the dinner. There were so many people who did so much, that it would be hard to give all the names. But again...THANKS!!

Our June meeting was held on June 8th at the home of chapter members Jim and Evelyn Fought in Las Conchas. About 72 people were there and we all had a great time. I'm sure everyone had enough to eat too - hot dogs, beans, potato salad, cole slaw, fruits, casseroles, cookies, and also a birthday cake for Juan Grande (John Warren). It was great food! Thanks again Jim and Evelyn for hosting this event.

So...To all our friends - Cholla, Tucson and Phoenix, have a nice summer. I probably won't have another article until after our October meeting.

Hasta luego.

PHOENIX CHAPTER GENERAL MEETING

By: Marie MacGill

Our June 11th meeting had the lowest turn out since I have been attending the meetings all of these years. Shame, Shame, the Phoenix Suns stole the spot light, but that's O.K. They were more important to some of us, and we will forgive you this time. I guess you know we missed you. Please if you can, come to the July meeting or we won't get to see you until September, as we never have an August meeting.

We didn't have any reports read at the meeting, but they will keep until later. Hope we didn't have anyone on the sick list, if so please have a speedy recovery. We welcome Laureen Ernst, a new member and new member Rudy Brenalvarez, sorry we didn't get to meet his wife Meredith. We hope to see her next time. We also welcome new member Charlie Haverin.

Diane Sturhahn told us about the trip to the Spit. She said they had thirteen miles of unpaved road, and that there were nine vehicles on the trip. It would take too long if I told the whole story.

The weather at the Bay has been beautiful, not too hot and not too cold.

It was reported that Irma Brown and also John Hornick (old blue) each caught a Sailfish weighing over a hundred pounds Memorial Weekend, and Dorado were also sighted, so the water must be warming up.

If you didn't go to the Fish Fry you missed a delicious dinner. The fish was cooked just right and was very tasty. Our dear friends from Vasquez Licores and Curios, Benny and Mary Mendosa of Sonoyta kept the spirits alive. They are such wonderful people. If you haven't met them please stop in and say hello and thank them, and perhaps you might want to purchase a goodie or two.

Clive Jordan told us at the meeting that he wants to sell his boat, so if you are interested give him a call. I didn't have his number, but I'm sure you can find it.

I don't know who wrote the article (I'm Tired) in the June Cholla Chatter. If you haven't, please read it. I got a bang out of it and think you will also. Thanks to who ever did it.

I was going to put down the names of the ones that attended our last meeting, but decided that wouldn't be such a good idea.

Bill MacGill won the Christmas Raffle. Door prizes were as follows: and don't spend it all in one place. I thought that was a good idea; by having the money you can buy what you like. Lew Frazier a cash gift of \$10.00, Dave Adams \$15.00, Marty Martin \$25.00.

Please remember to come to the July meeting or we won't get to see you until September and that's too long. Please take care and have a cool summer.

CHOLLA BAY HOMEOWNERS

June certainly was a record breaking month for Puerto Penasco, Cholla Bay and all the surrounding areas, with President Salinas, Governor Beltrones and their entourage paying a personal visit here. It was the first time in 18 years that a President had honored the population of this area with a visit. The streets were lined with children & adults all decked out in their best, hoping to get at least a glimpse of this great man who has done so much for the progress of Mexico and its people.

One of the main reasons for the President's visit to the area, was to dedicate 2 million acres of land & sea as an ecological preserve. No commercial fishing, shrimping or netting will be allowed in this vast area of the Sea set aside. This was done to allow the Vaquita & the Totoaba plus various species of marine life to reproduce. Sport fishing is still allowed in the area, just remember to respect the laws set out by the Mexican Oficina de Pesca and within a few years, this will become the rich sports fishing ground for which it became famous.

Congratulations definitely go to Gene & Carol Court and all their helpers, for making CBSC's 38th annual Fishing Derby such a success. It was great to see all the people, men, women, & children unite and join in one common cause to support the Club that has helped Cholla Bay to become the popular fishing resort area it now is. Looks as if we are traveling the path of becoming one again.

Sue Kudis and her kitchen 'Dough'Boys & 'Dough'Girls did their usual professional job of preparing, cooking and serving a super fish dinner to some 1,100 grateful people. That takes a lot of planning and a lot of work. We can't forget to thank Dawn Marie for her contribution to the success of the Derby. Dawn was the little gopher who drove all over town getting the supplies Sue needed. She said the only real problem she had was trying to get a box loaded with over 2,000 tortillas, into her pickup. When Dawn went to pick them up, not a muscle man was in sight, so she and the young girl at the tortilla factory had to strain every muscle they had, but they got the job done. It really was a fun, fun Derby and many thanks to all who pitched in to make it so.

July 4th the OBSC will hold a 5 p.m. meeting followed by a BBQ rib party. Plan on not missing this one because the following month of August is a month with no special events planned.

Some of you leaving after the Derby said goodbye for the summer, and plan on trips to the cool mountains during our 'warmer' months. However, all you fisher people remember, some of our best fishing is during these next few months. Sail, Dorado, Red Snapper...just to mention a few. No matter where you are for the summer, have a good one.
