AAA does paperwork for Mexico

Arizona Republic

Driving into Mexico becomes easier under a new agreement between Mexican tourism officials and the American Automobile Association (AAA). It lets the auto club's offices in four border states do paperwork previously done — With long waits — at the border.

AAA now can provide car permits and a voucher for the \$10 administrative fee that must be paid on all vehicles being driven into Mexico. The arrangement, a six month trial which began July 1, is expected to cut the border stop from an hour or more to 10 minutes or less.

The club continues to issue Mexican tourist cards — the ones you fill out when you fly in — and car insurance, both required by Mexico and available through other agencies as well as AAA.

AAA offices in Arizona, Texas and New Mexico are providing the new service free for AAA members; non-members are charged \$20. In California, only club members are eligible for the service.

Auto-registration papers and tourist cards can still be obtained at border crossings, but the process can take up to an hour.

The AAA program is part of Mexico's effort to make tourism easier. Mexico hopes to increase the number of tourist arriving by car from 1.6 million in 1992 to more than 2 million by 1995.

(This will not affect driving into Rocky Pt., which is located in the Free Zone)

PHOENIX GENERAL MEETING

By: Marie MacGill

Our July 14th meeting was opened at 7:55, after introductions, the treasurer's report was read by our Treasurer, Diane Sturhahn and accepted as read. We missed those of you who did not attend this meeting, perhaps come September, we will have more in attendance - when most vacations are over.

Mike Hagerty said the Derby was a BIG SUCCESS this year. Instead of losing money, we made some. He also said that the Steak Fry did very well.

It was said that the Club Dues will be raised. The last time they were raised was in 1976, don't you think that a raise is way overdue.

It was also said that Tucson will take over the Christmas Party this year, Shirley Peterson will be in charge of it. It should be a good one with Shirley in charge. That reminds me, have you started cleaning out your drawers, basements, attics, and closets to salvage what would be good for the Yard Sale that will be held at the Fry Shack at Cholla on November 27th. That is Thanksgiving weekend - that's just a reminder. You may take items to Peterson's cabin #80 or Horton's Ship Store in Cholla Bay. Thanks.

There was a discussion about a possible trip to Gillespie's Gold Mine in the Fall sometime. We will see what becomes of this and let you know.

Did you know that the artwork in our Chatter is done by our talented Dave Adams, who also is Editor along with his wife Kelley. Don't you think the ants on the watermelon on the July cover was very cleverly done? Thank you Dave.

Irma & Gus Brown won the Jackpot Prize for the largest fish caught in the Derby, a 105.70 Lb. Sailfish. They donated their winnings of over \$500.00 back to the Club. Thank you very much, that was very generous of you.

Wouldn't you like to have seen Sarah Tegee when she hooked that 82.65 Lb. Grouper. That must have been pretty exciting - especially for a thirteen year old to make such a catch.

Did you know that from Puerto Penasco to San Felipe and north to the border, has been dedicated as the largest Preserve in the world. With no gill-netting or commercial fishing, perhaps we may have the fish that we had in these Mexican waters years ago.

The Christmas Raffle was won by Joe Marotta

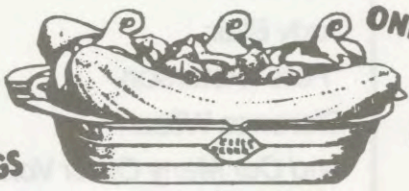

Betty Thompson won a Swiss Army Knife, Wanda Lee won 2nd with a Stanley Thermos, and Dave Adams was 3rd, winning a Salsa Maker.

We'll see you in the Fall, so keep cool, and God Bless.

THANK YOU

I wish to extend my appreciation for the assistance extended to me during the loss of my husband, Edward Warren and friend Dave Beyers, in a boating accident on June 28, 1993 at Cholla Bay.

Augustin Leon was exceptionally supportive by extending his time, translating and being available throughout our tragic ordeal.

Also gratitude to the Port Captain, Chief of Police, City Lawyer, Mexican State Police, Judge, the Funeral Home, and especially the Mexican Counselor & La Curva's phone!

To good friends Bogie & Hannah Jordan, and Pete Peterson for their strong moral support and care.

For the kindness of phone calls, cards from all our neighbors. We say Thank You.

Cholla Bay was Ed's special retreat. He spent many years enjoying Mexico, making friends, fishing, and being part of the Cholla Bay residents.

Adios Amigo, Ed Vaya con dias.

Sincerely yours,
Joyce Warren
(Mrs. Ed Warren) and Family.
Ed's Handle: "Poco Leche"

A SUMMER'S GOODBYE

To all my friends in Cholla

A summer's goodbye

I will miss the blue of the sea
and the blue of the sky.

The fantastic stars of the night
and the hummingbirds in flight.

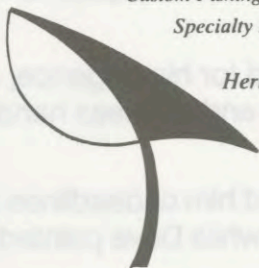

The bees a buzzing on the purple ironwood bloom

The tides and the moon
calling to please come back soon.

IMPRESSIONS OF A FISHING DERBY CHAIRMAN

The support of my committee, the Rambler families and the Courtship families, who came up with numerous suggestions, innovations, and hours of hard work.

After pressing family members into stapling, folding, labeling, licking, and boxing over 700 derby raffle ticket envelopes, the post office didn't care for the results. It was necessary to re-sort and rubber band for an hour at the post office. Von Frazier's support, suggestions, and assistance in re-sorting was much appreciated.

Augustin's assistance in requesting permission from the proper officials. His ultimate sacrifice was loaning his TV to the ticket sellers so they could watch the Suns play.

The Mexican merchants; generous response when called upon to donate meals or prizes for the Derby. This was greatly facilitated by Elizabeth Schmerfeld who ended up doing the soliciting by herself.

The good response we got from the raffle ticket sales. The original mailing was in February. They came in on a constant basis right up to the night of the Derby when people handed them in while waiting in line for for their fish. This was a major factor in the success of the Derby.

The number of unexpected hours and hard physical labor put in by the launchers, fish cleaners, JJ's workers, Gus Brown and his workers to complete the new scale area in time for the derby. Special thanks to Mike "Three Grouper" and Gus Brown for spearheading and providing much needed equipment for completion of the job.

Dave Adams for the many hours spent painting the large sign for the scales and for his diligence, and sorrow watching for scratches the sign accrued due to numerous chains, ropes, and careless handling during the stress of weighing the fish.

Kelley Adams for the numerous extra hours calling the Derby Chairman to remind him of deadlines and for her help along with Dave's in creating the posters for the Derby. Her patience while Dave painted the large sign for the scales is to be noted.

Volunteers from the Cholla Chapter, Tucson Chapter, and Phoenix Chapter who weighed fish, sold tickets, and shirts, and many other tasks. Special thanks for the long hours put in by Betty Horton, Shirley Peterson, and Bob Lounsbury. Often the hours were from 7 A.M. to 6 P.M. without a lunch break or pay. This is an extremely hot and thankless job done well. It allowed the Courtship to fish the Derby.

The smooth voice of our radio announcer, Wendy Bottesch, who took on the task with her knees shaking.

Fisherman who donated fish they undoubtedly would have preferred to keep and share with their own families.

The fish fry run so successfully by Sue Kudis, along with her crew of talented batter and slaw tossers.

The professional job of our raffle announcer, Lee Barlow and helpers, Dirk and Brandon Bottesch, Ralph Barlow, and Brian Court who made the Awards Ceremony flow smoothly.

"Pete" Peterson and Clarence Wilson who spent two days working on the plumbing and various other nasty jobs making sure the Fry Shack was ready. "Pete" also loaned personal 'mike' equipment ensuring a good sound system.

Frank Flynn for listening to all the complaints, gripes, and providing encouraging support throughout the entire Derby.

BULLETIN BOARD

The CBSC & Friends of Cholla Bay would like to send our deepest sympathy to Norm Spence, Theresa & Mike Shea and Family. Larry Spence recently passed away. Larry will be sincerely missed by us all.

The CBSC would also like to send our sympathy to Joyce Warren & family. Ed Warren was a Club Member whom we lost in a boating accident. Our hearts are with you in this time of need.

Our thoughts are with Clarence Wilson, as he and his wife Teresa, fly off to Philadelphia for Clarence's eye surgery. Clarence has been diagnosed with cancer in his eye. He flew to Philadelphia for surgery, in hopes of saving his vision in that eye. We hope all is going well for you Clarence.

Congratulations:
4 Chits → 5 Chits!!!!
From their best friend.

Cholla Bay Chapter is looking for a new Reporter. Pat Goodin is looking for someone to be her replacement. If interested please contact Pat. Thanks.

I swim 1,423 miles upstream, past ugly, hungry grizzly bears, up raging waterfalls, dodging thousands of drunk fisherman to fertilize 41,763 eggs that I will never see again and now you tell me all you have is lite beer.

COOL WEATHER * HOT BITE

By: Steve Rothbard

As of this writing large Bluefin Tuna, (100-125 lbs. plus) are just 90 miles south of San Diego. A huge school of these monsters is located 15-20 miles off Baja's Pacific Coast. San Quintin (The Old Mill) south of Ensenada is the jumping off spot for trailer boats wanting to reach these fish in there own boat.

For those who want to escape the heat of Phoenix or Cholla and get in on some really good fishing, head for San Diego and then south of the border. For those who don't have there own boat, or do not care to trailer that far, San Diego has available the finest Sport Fishing Fleet found anywhere in the world.

At this time a full day trip or a day and a half trip will get you to the bite which is moving closer to San Diego at the rate of two miles a day. Word is also out that large schools of Yellowfin Tuna are right behind the Blues. Dorado are being taken as far north as the L.A. area as of this writing. "El Nino" conditions are going to make this a super year for these 'fine eating' fish.

If you like your weather cool and your fishing hot - head for San Diego soon. For more information or assistance in planing a trip call Steve at 968-3868.

May 25, 1993 was a historical day for the Company, the present and the future homeowners of Cholla Bay. On that day, the Regularization Agreement with the State of Sonora was signed.

At the same time documents were signed, transferring 220 acres of Cholla Bay land into bank trust. The bank trust will be administered by Bancomer which is one of the largest banks in Mexico.

More specific and detailed information on probable cost and time tables for issuing the deeds of trust will be given out by the State of Sonora in an official newsletter. This newsletter should be mailed to you during the first weeks of August.

The official Government drawings of Federal Zone in Cholla Bay, dated April 1993 and signed by all the appropriate authorities, are available for viewing by all interested parties. Alan Peterson, President of the Association De Regularizacion De Vecinos De La Cholla, A.C., has a set at his home in Cholla located on lot #80. Another set can be seen in the office of S.G. Brown in Cholla Bay.

Many thanks are extended to the Governor of the State of Sonora, Lic. Manilo Favio Beltrones Rivera and to all the Government Officials for there tremendous efforts expended in order to accomplish all of these goals.

August is not the most exciting month for scheduled events in Cholla. Most of the active clubs plan mountain outings. However, we do have a positive side -- the sport fishing is terrific and the water sports are at there peak. This is one month when the jet skies out number the ATC'S. The Sailfish and Dorado and many other species are out there just waiting to make the fisherman's day.

This August we get two full moons, August 2nd and the 31st. The new moon on the 17th brings a fantastic tide for the shell seekers. If you really want to get to know Cholla Bay and have Cholla Bay get to know you -- August is your month.

SIMPLE SOUNDS

How sweet the gentle sounds of life!

A creaking rocking chair,

The rattle of a tea cup,
are so pleasant to my ear.

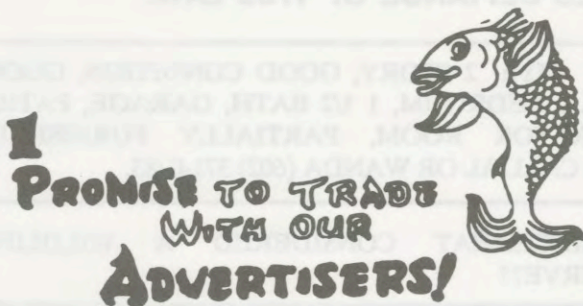

How dear the sounds of morning

When the paper hits the door,
And the childrens' tinkling laughter
as they run across the floor.

These simple sounds of living

are the notes and melody
of the lovely background music
for my dearest memories.

See You There!!

A MUMMER OF THE SEA

There is a Choir of Angels singing
In the Bay.

You cannot see them, but you can

Hear them in the waves, and

You know they are there.

Their voices are racing in the winds

Of eternity that hover nearby,

For their ashes have been put to rest in

Our Beautiful Sea.

They seem to say "do not weep for me

For I am as Happy as I can be."

I do not have to go to Sea, As I am

The Sea.

I do not weep that I am here, For I

Know that you are near and very

Dear.

We will be waiting for our friends

To appear,

So bid us farewell with Good Cheer.
