## LIBRARY NEWS

Happy New Year! Thank you all for your support and donations in 2017, and all who helped in our library. This has been a new experience for me and I would not have survived without all your help. THANKS.

Just a reminder - we can not accept any kind of magazine - there just isn't the space for them. We are well supplied with Cookbooks, Inspirational or Religious books, Travel, DIY, Biography and Autobiography, due to space. We do need small children and youth books and DVDs - no VHS. PLEASE DO NOT LEAVE DAMAGED, INCLUDING WATER DAMAGED BOOKS AT THE LIBRARY.

If you need a rug to kneel or sit on for bottom shelves, they are behind the return book container. Please use where you need them in the library. AGAIN - JUST A REMINDER TO MAKE SURE LIGHT AND FANS ARE OFF AND THE DEAD BOLT ON THE DOOR IS SECURELY LOCKED UPON LEAVING.

FOR ASSISTANCE OR ANYTHING, please call Karen Midkiff -M6-L14 Calle F (across from steps down to Tucson Beach)

**THE CHOLLA CHILDREN'S CHRISTMAS PARTY**

The party on December 16th was a great party! The clubhouse was "full" of people enjoying the various activities. They had their yearly family photo made with Santa, received gifts from Santa, chose gifts for their moms, played games, won prizes, and sang Christmas carols (they really sang their hearts out this year). It was great! They ate hotdogs and chips, and of course broke pinatas! Wow! Such a good time!

Thanks, thanks, thanks to all those who helped make this wonderful party possible!! There are so many of you that I won't list them because I might miss someone, but I surely do thank all of you and I'm sure our Mexican families thank you also. I had a wonderful time and I hope all of you did also. We will do it all again next year!! OKAY???

The monetary donations were very good this year. Thanks to many very generous people, we were able to give the 17 Mexican families that live in Cholla from \$90 to \$110! Wasn't that great! They really had a much merrier Christmas due to such great generosity. Hopefully we'll do that well again next year!

## Let's Go Fishing Via Rosario Villa - Cholla Bay Launch Ramp Report

A milder stretch of weather I can't remember in all my days in Cholla Bay than the moderate temps and light breezes that the northern Sea of Cortez and Cholla Bay experienced in November and December. Someone should have caught some fine fish the past couple of months and they did. Specifically Bill Gallagher and the "Boat with No Name" brought a whopper Giant Black Sea Bass back to Cholla that tipped the scale at 325 lbs. on October 10th. It was a project to get the monster on the scale to weigh it as it was so big it drug on the ground. A large contingent of gawkers and onlookers were present to admire the catch which Bill stated to several before he left in the morning was his goal before launching. We don't see big fish like this very often anymore. The spectacle reminded me of the old days at the scale and also of Babe Ruth calling the homer he hit at Wrigley Field so many decades ago.

Well somebody had to follow this tough act and Mike and Holly Martin did just that by bringing in a couple of big Gulf Groupers on multiple days just recently. They horsed the big boys to the gaff and surely burnt a lot of gas as their cabin cruiser has tapped out a few Pemex stations in it's time. Chivo with Jeffrey Altfillisch at the helm and friends and wife Lynn aboard with Pepe Rodriguez along to show the way, did some severe damage to the grouper population way down south. These folks know what they're doing when it comes to bringing home vast catches of quality fish which include Sawtail groupers, Gulf groupers, Leopard groupers, Pintos and Red snappers.

So it seems there are some fish still left out there for the rest of us to try and fool into taking our bait or lure so get the boat gassed up, check your tackle and let's get ready to enjoy tight lines and great eating. The CBSC fishing derby starts April 20-22 and continues May 10-12 and May 24-26 so let's go fishing.
