**A BIT OF HUMOR**

A young couple got married and went on a cruise for their honeymoon. When they got back home, the bride immediately called her mom who lived 3 hours away.

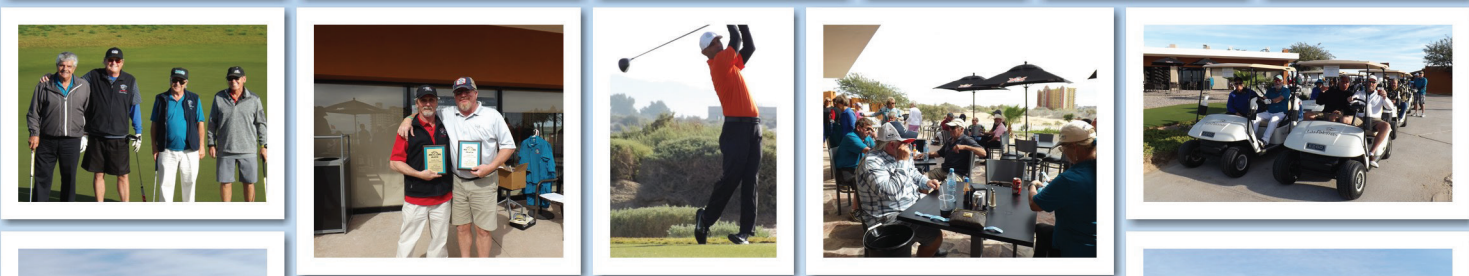

Well, darling, her mother asked, "How was your honeymoon?"

The young woman answered, "It was wonderful, and so romantic. We had a great time. But as soon as we got home, he started using horrible language - really horrible 4 letter words! You've got to come and get me - PLEASE". The bride began to sob. "Please mom, come and get me".

"But honey, what did he say - what 4 letter words? You have to tell me what 's troubling you?" Answered her mom.

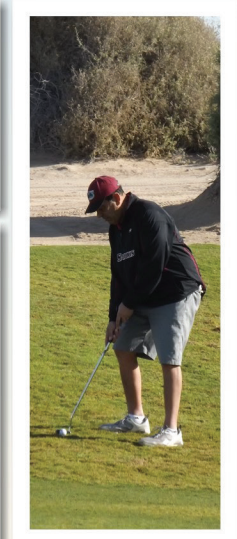

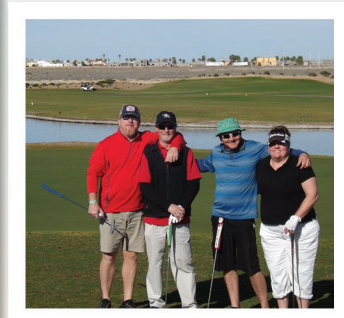

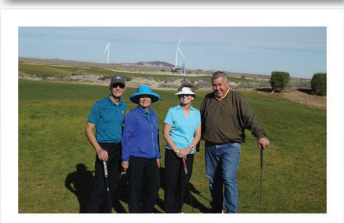

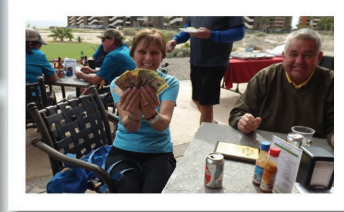

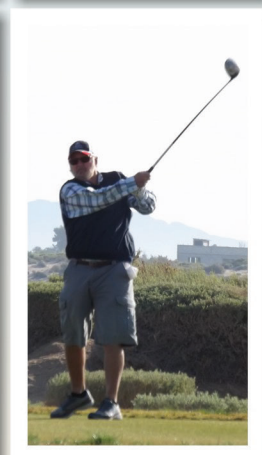

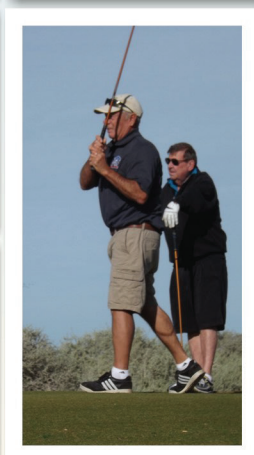

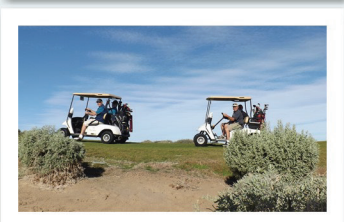

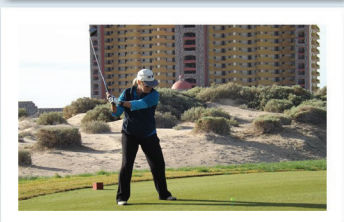

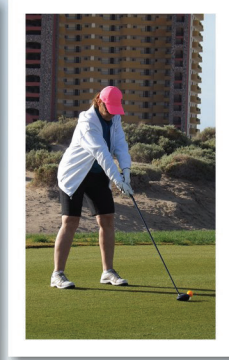

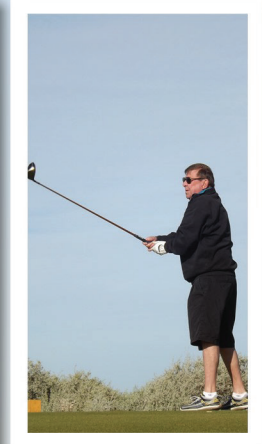

Still sobbing, the bride said to her mother - "Words like DUST, COOK, WASH AND IRON".

# Golf Tournament 2018

## 2018 CBSC 10th ANNUAL GOLF TOURNAMENT

Golfers of all kinds, the good, the bad and the ugly (sorry guys) put their considerable golfing skills to the test on Saturday February 17th at Las Palomas Golf Links on Sandy Beach. A two man scramble format allowed for shared blame and credit for each team's final score. That format demonstrated how a field of average golfers could post relatively close group of scores with the exception of the winning duo of Dale Gustafson and Mike Dugan who shot a 69. A consensus of the non-winners expressed a desire for the winning team to play left handed next year. Teal colored golf shirts with the CBSC logo and a taco lunch buffet were provided as well as raffle prizes and plaques for the winners.

The results are as follows, and let's get even more entries out on the course next year. Thanks to all the "Cholla Chicks" who helped out. Lucky Chucky aka Chuck Blair

1st Place Team	Mike Dugan - Dale Gustafson	69
2nd Place	Jim Niblack - Betty Rimzsa	72
3rd Place	Harry Luker - Greg Ppenshenka	73

### WINE PARTY - A GREAT TIME!!!

About 30 people attended this wine "drinking" party, and it looked like there were plenty of wine bottles being opened, and disappearing.

Many different wines, both red and white appeared, then disappeared quite quickly.

All in all, "A good time was had by all who attended"

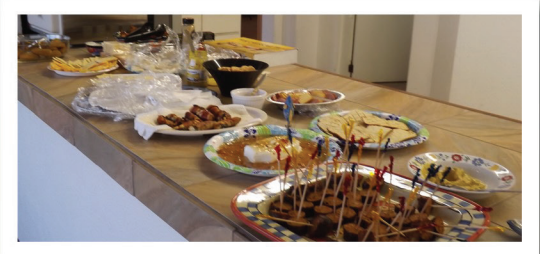

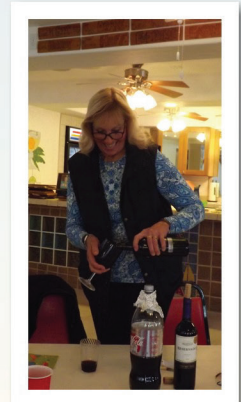

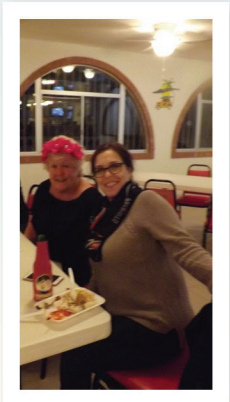

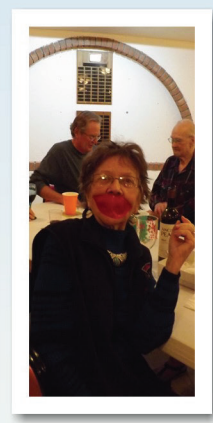

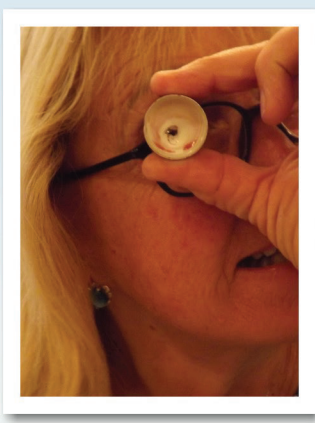

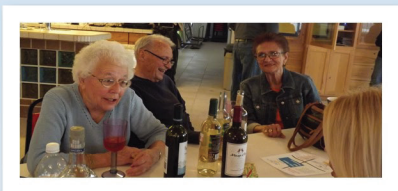

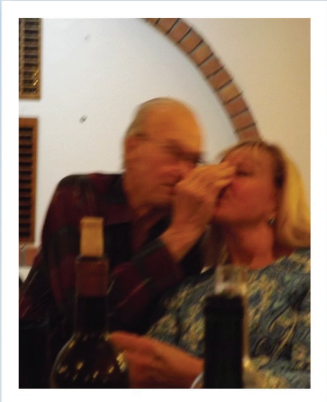

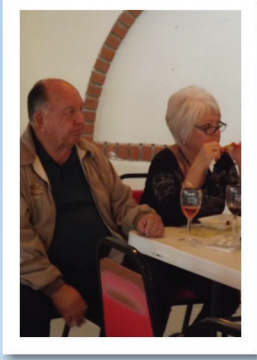

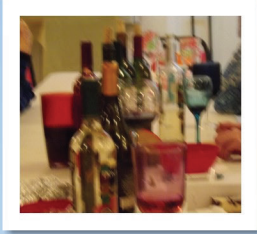

### **Let's Go Fishing Via Rosario Villa - Cholla Bay Launch Ramp Report**

This month's big fish recognition goes to Munchy, the patio bartender at JJ's who brought a beautiful Gulf Grouper to the scale that weighed eighty five pounds. He was accompanied by Chino Leon on their usual Thursday fishing foray in Munchy's panga that often yields good results. Multiple other fish species were caught including pinto, spotted sand bass (estrenero) and Cochi. Muchas cervezas fueled the fish catching gold on an unusually cloudy but calm day on the ocean. The sportfishing craft Medusa out of Tonopah, AZ reeled in a fine catch of Pintos plus a hefty Sardinero earlier this month. The boat "Freedom Won" landed five nice Pintos a week or so earlier out west when an extended period of wind free days made for great fishing weather. Very few boats took advantage as the tiny drinking village of Cholla Bay has a big fishing problem.

That problem is the constant assault on this fishery by commercial fishing interests showing zero regard for the future health and vitality of the northern Sea of Cortez. Overfishing with illegal gill nets and the baited traps of the "pangueras" have brought several ocean species including Blue crabs, Mexican White Sea Bass (totoaba), several Shark species and the Vaquita porpoise to near extinction levels. The gigantic shrimp trawlers with their deadly nets do the most damage while displaying little respect for regulatory efforts by Mexican authorities. Money talks and the ocean environment walks. With the total absence of Colorado River water reaching the Sea of Cortez due almost entirely to U.S. and Mexican farming and urban demands, the hopes for regeneration here are limited. Torrential rain fall on the Gila River watershed that would overwhelm the smaller water storage facilities there could provide an act of God scenario to reinvigorate the marine environment down here. At least we have something to pray for.

The Cholla Bay Sportsmen's Club endorses strict adherence to sport fishing catch limits set by Mexican fishing regulations in it's annual fishing derby (April 20-22, May 10-12 & May 24-26, 2018) and encourages all fishermen to comply with those limits whenever they fish in the northern Gulf of California. Let's go fishing.
