Let's Go Fishing, from the launching pad. via Rosario Villa:

March produced weeks of fun beach activity at the boat launch and other waterfront locales in Cholla Bay with Semana Santa, Easter and Spring Break leading the way. The usual chaos prevailed and a good and safe time was had by all. There wasn't much boat activity as Villa left town for a break himself around Easter week but many anglers fished from shore with various results. Fishing will pick up hopefully as the 61st CBSC Fishing Derby gets underway April 14th-17th as well as May 12th-15th and

Memorial Day weekend with the Awards Fish Fry on Sunday May 29th. A glitch in the whole system is a boat permit at the border crossing that is new and requires both an original and copy of boat registration, passport, drivers license and title. Quite a list and the permit costs \$60. What a bargain! It's supposed to be good for ten years. What else has been good for ten years in Mexico? Now the kicker. You can't cross the border with your boat at Sonoyta since they closed the bank window there and the permit is only available at the San Luis crossing. This was just made public in the last few days and at this writing I'm trying to give every one a head's up until further info is available. Villa is aware of these new developments and has spent a great deal of time on the phone obtaining info along with Barb Baird so that's what we've got for now. Villa's phone #6381109990. Lucky Chucky aka Chuck Blair

This is the information, sent by Debbie Roe, you need if you are bringing a boat cross the border:

It looks like you can do it all online. ( some have already done this and it worked) Go to <http://www.sportfishinginmexico.com>. Under "Individual requirements" click on "Vessel Temporary Import Permit" that will give you more information. You will ultimately have to go to [www.banjercito.com.mx](http://www.banjercito.com.mx). On the upper right you will find "Application for Temporary Import Permit for vehicles boats and Rvs" Click on that and it will take you through the process. It is all in Spanish so you'll have to use your translate button if you don't read Spanish.

### **Report of the First Phase of the Fishing Derby**

It's time to fish or cut bait as they say in the movies. The first four day weekend is in the books for the CBSC Fishing Derby Version 2016. The weather dominated the last three days as conditions could only be described as good fishing for Thursday April 14th. Saturday was a no boats launched day and Friday and Sunday were rough sea days but fishable for the hardy anglers who were tough enough to battle the elements. The target fish for the weekend was grouper and some nice fat ones were boated by winner Craig Mcfarland (69lbs) on the El Patron and first mate Mitch Callahan(61&63 lbs.) on Captain Bill Gallagher's "Boat with No Name". We're considering a sweepstakes to name the boat since they catch a lot of the fish. As usual most of the quality fish were brought in by a relatively few fishing boats. Let's do something about that you fishermen of the northern gulf. They shouldn't have all the fun although this past weekend was a heck of a lot of hard work in tough conditions so congrats to all those who participated...fish or no fish. Some nice sardinerero and white sea bass were weighed in as well. The remainder of the big standings board at the Radio Shack looks pretty vacant so somebody is gonna fill in those blanks. It might as well be you. There are lots of prizes to win and thrills to be had at Cholla Bay these next two derby weekends(May 12-15 & May 26-29) so make some plans and we'll see you at the Bay. Lucky Chucky aka Chuck Blair

Here are some photos from the Horseshoe and Corn Hole Tournament held Saturday, April 9th. There will be a special edition later giving all the information about players and winners, etc. It was a great success and all had a very good time, thanks to Billie Crumbley.

Billie did a great job of organizing, etc. this event so Pat Goodin presented her with a “special certificate” of appreciation for all the hard work she did! Way to go, Billie!!!! Thanks, Pat, for doing this. She certainly deserved it!

### Sick Bay

Billie Crumbley (Carnes) had surgery on April 11th, just after putting on the tournament, to remove a tumor from her lungs. She is doing amazingly well, and feeling great! Her address is 10316 E. Edna Pl. Tucson, Az 85748

Janet Pisciotta has been having radiation treatments and taking medication for cancer. Please send prayers and cards of encouragement to her at 6303 W. Melinda Ln., Glendale, Az. 85308

### **RECIPE: Mock Lobster**

3 15oz Cans Chicken Broth

45 oz Water (fill empty cans from above)

3/4 Cup Salt

1/2 Cup Sugar

Cubed fish (Triggerfish, Halibut, or any white fleshed fish)

Bring 1st four ingredients to boil in a 4 Qt Pot. Once at a slow boil, slowly add cubed fish and cook until they rise to the surface. Remove and repeat with remaining fish. Sprinkle lightly with paprika and serve with drawn butter. Tastes like lobster, of course anything doused with drawn butter will be delicious!

MEMBERSHIP NEWS

Hey Gang!

The Horseshoe Tournament was a smashing success! Admittedly, with me not being much of a shoe pitcher, Larry and I didn't end up spending much very time enjoying the festivities at the Clubhouse. We did however get to sample some excellent snacks at a few of the pop-ups though! Tammy, those bacon-wrapped chicken poppers were so tasty and Dave, we'll definitely be looking for those oysters next time we're down. Thanks for the tip! We spent the weekend celebrating our anniversary and enjoying the absolutely amazing weather! It was a little bit chillier than we expected it to be, but oh my goodness was it lovely! (Turns out we've celebrated more than half of our 28 anniversaries in The Bay!)

I'd like to welcome another three new members this month! Jane & Steve Black, Robert & Cathy Gilliland and Ann Shaver & Dale Gustafson! Welcome, welcome, welcome!!
