KID'S CARNIVAL

Around 2:30, just before the fish fry, the kid's carnival took off, and the kids were having a great time. Those kids were so cute, and they got some kind of prize each time. Some of them had lots of stuffed animals, plus a lot of smaller prizes. I don't know who this little kid was, but he was sure having fun "throwing" those bean bags into the holes. Now for the bad news - I have been doing this for several years now, but I just have too much on my plate to continue it. So, this will be the last kid's carnival unless someone steps up to the plate to take it over. In case you might be interested in doing this, you can get in touch with me by email at nolehacepat@yahoo.com, or you can call me in Cholla 382-5056, or vantage 575-635-4779. It can't be a last minute thing, however, because you would have to obtain prizes, etc. We do have the games that can be used each year. It would be nice to continue it, because the kids have a wonderful time, but I just can't keep up with it myself. Pat Goodin

DERBY RAFFLE PRIZES

We want to thank all of our sponsors who either donated money or prizes for our derby or raffle. We don't charge anything for our fish fry, which is possible because of the many who help to sponsor our derby. Without these sponsors, the fishing derby would not be a success. Well, again this year, our fishing derby and our fish fry were both great. Even though we were blown out by the wind on most of our derby weekends, the fisher-people took advantage of whatever days were possible to fish, and they did bring in some nice ones. Thanks also to all of you who helped in the many different ways - Ship's Store, Kid's Carnival, dispensing beer, working in the kitchen, setting up tables & chairs, calling the raffle ticket numbers, and just even general "flunky" duties. A big big thanks to Ramon & Dawn Marie who always order the beer and tables from Tecate and get the limes, beer glasses and other "stuff". A big thanks to our weigh master, Steve Spivey and his daughter Sarah who are there to weigh the fish each day. Thanks to Vasquez Liquors of Sonoita who have been coming to the fish fry for so many years with margaritas and rum & coke. Hey, people, this is 58 years now. We are going to start planning for the big 60, and we need YOU.. I know there are some of you out there that would LOVE to help. Just contact us and let us know what you want to help with. We'll welcome your help. (See some email and phone numbers on front page).

The following is a list of people who won raffle prizes and weren't here to pick them up: Dottie Nelson - Bass Pro-Shop folding Chair, Joe Roe - canopy-chair from Bass Pro Shop, R. Redwine - Rod & Reel & cap from Big Dave's Shop, Steve Barker, Toucans wall decor from Vasquez, Diane Olsen - 2 beach towels & solar lighted frog, Bill Hicks - filet knife and hook remover, Gaye Faubion - Cabo Wabo shaker, T-shirts & shot glasses, Fred Drawart - Roger Clyne CD, RPT subscription certificate - Joe Warren - Pink Cadillac Fish dinner for two, Frank Roman - flashlight with batteries, RE Jackson - Stanley Thermos - Susie Morris - Fish fry kit - Dusty Rhoades - 9 x 9 gazebo - Terry Yoakum - wall hanging and a Xochiti's \$10 gift certificate. If you or someone you know has won, please let us know what to do with these prizes. See phone numbers or email addresses on front page for Nancy, Pat or Kelley.

Let's Go Fishing, From the Launching Pad, Via Rosario Villa

The derby has come and gone, fishing was good when the boats could get out, but the wind was really bad causing the boaters to be docked most of the time. Results of the derby are listed below this article.

Under search and rescue, one boater broke down 2 mi. out and had to be pulled in by a panga. In another more serious rescue, a kayak turned over off Tucson Beach and due to the strong current the man, who was not wearing a life jacket, was unable to reach his kayak and was taken some five miles out to sea by the current. After about 2 hours of treading water the man was rescued by panga fishermen and brought to shore. He was taken by ambulance to the hospital for treatment because he had swallowed so much sea water. They also found his kayak and brought it in.

He said he was ready to give up and couldn't tread any longer when he was rescued,

just in time. The fishermen that rescued him are pictured above with Villa. They are certainly to be commended for this great rescue.

Villa would like to go to Los Moches in August to visit his many relatives. He was born in a small village near Los Moches. Other than that, he will probably be in Cholla to launch boats. The weather will probably be good during summer since we are not having a derby, so come on down, "let's go fishing!"

Hasta la vista, until fall.. Humbug aka Don Schmidli
